A request for review of exclusion may only be made on the grounds that Rule 2 Section 10 Clause (63)a–c or Rule 2 Section 10 Clause (64)a–e was inappropriately or unreasonably applied, or that there were compassionate or compelling circumstances which contributed to poor academic performance.

This form must be submitted to the Head of School within the time frame specified on your exclusion notification. Supporting documentation must also be attached to this completed form when it is submitted.

I submit this request to the Head of School to review the decision to exclude based on the following:
