Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified elective units.

Bachelor of Film Production

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified elective units.

Sydney Business and Travel Academy	AA ref no 41	Commencement date 24/11/2010	Expiry date 24/11/2013

Advanced Diploma of Marketing	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Diploma of Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified elective units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified elective units.

TAFE NSW	AA ref no 49	Commencement date 30/06/2011	Expiry date 30/06/2016

Advanced Diploma of Accounting	
Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Bachelor of Business majoring in Accounting	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Bachelor of Business majoring in Accounting	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Advanced Diploma of Advertising	
Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Advanced Diploma of Banking Services Management	
Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Advanced Diploma of Building and Construction (Management)	
Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Advanced Diploma of Business	
Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Advanced Diploma of Computer Systems Technology	
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	12 units, of a total of 24 (50% of the course), advanced standing granted: 6 unspecified elective units; 4 specified major units; 2 specified elective units.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 4 unspecified elective units; 8 specified units.

Advanced Diploma of Conveyancing

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Extractive Industries Management

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Financial Planning

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Financial Services

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Government (Management) (Compliance Management)

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Horticulture

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Information Technology (E-Security)

Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.

Conditions: Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing).
Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units.

Advanced Diploma of Information Technology (Knowledge Management)

Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.

Conditions: Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing).
Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.

Conditions: Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing).
Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 4 unspecified elective units; 6 specified core units; 2 specified major units.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified core units.

Advanced Diploma of Information Technology (Network Security)

Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units.

Advanced Diploma of Information Technology (Systems Development)

Bachelor of Applied Computing	16 units, of a total of 24 (67% of the course), advanced standing granted: 16 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 192 credit points (equivalent to 16 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 4 unspecified elective units; 8 specified units.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 4 unspecified elective units; 8 specified units.

Advanced Diploma of Information Technology (Systems Development) with Distinction

Bachelor of Applied Computing	16 units, of a total of 24 (67% of the course), advanced standing granted: 16 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 192 credit points (equivalent to 16 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Advanced Diploma of Information Technology Business Analysis

Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified core units.

Advanced Diploma of Information Technology Project Management

Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified core units.

Advanced Diploma of Management

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Marketing

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Music Business

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Network Security

Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.

Conditions: Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing).
Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified core units.

Advanced Diploma of Occupational Health and Safety

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Project Management

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Property Services (Valuation)

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Rural Business Management

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Screen and Media

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Superannuation

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Underground Coal Mining Management

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Certificate IV in Advertising	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Business	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Business (Governance)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Business Administration	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Business Sales	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Computer Systems Technology	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Customer Contact	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Digital and Interactive Games (Art)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Digital and Interactive Games (Design)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Digital and Interactive Games (Programming)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Digital Media Technologies (Interactive Media)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Digital Media Technologies (Web Development)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Financial Services (Accounting)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Financial Services (Bookkeeping)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Franchising	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Front Line Management	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Governance	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Government (Financial Services)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Government (Occupational Health & Safety)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Government (Project Management)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Government (Revenue Administration)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Human Resources	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (General)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (General) (SPEC:Communications & Documentation/Software/Client Support	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (General) (SPEC:Networking/Software/Client Support)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Multimedia)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Networking)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Information Technology (Programming)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Support) (Database Administration)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Support) (Help Desk)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Systems Analysis and Design)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Websites) (Administration)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Websites) (Design)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology Networking	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology Support (Database Support)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Information Technology Support (Network Communications)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology Support (Service Desk)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology Support (Sustainability)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology Testing	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Legal Services	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Local Government Administration	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Marketing	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Occupational Health & Safety	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Programming	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Project Management	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Property Services (Business Broking)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Property Services (Operations)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Property Services (Real Estate)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Property Services (Stock and Station Agency)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Rural Business	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Small Business Management	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Systems Analysis and Design	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Web-Based Technology (Administration)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Web-Based Technology (Design and Development)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Diploma of Website Development	
Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 6 unspecified elective units; 2 specified major units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Diploma of Accounting	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified units; 1 specified units.
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified units; 1 specified units.
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified units; 1 specified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified units; 1 specified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified units; 1 specified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified units; 1 specified units.
Diploma of Advertising	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Automative Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Banking Services Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Beauty Therapy	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Building and Construction (Management)	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Business

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Business (Governance)

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Business Administration

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Database Design and Development

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.

Conditions: Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing).
Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified major units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.

Diploma of Digital and Interactive Games (Art)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 3 unspecified elective units; 5 specified core units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.

Conditions: Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing).
Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified major units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified computing elective units.

Diploma of Digital and Interactive Games (Digital Media)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.

Conditions: Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing).
Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified major units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.

Diploma of Digital and Interactive Games (Programming)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.

Conditions: Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing).
Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified major units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.

Diploma of Digital Media Technologies

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.

Conditions: Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing).
Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified major units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.

Diploma of Financial Planning

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Financial Services (Banking)

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Financial Services (Finance/Mortgage Broking Management)

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Financial Services (Financial Markets)

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Financial Services (Financial Planning)

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Financial Services (Superannuation)

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Franchising	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Government	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Government (Management)	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Government (Occupational Health & Safety)	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Government (Project Management)	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Hairdressing Salon Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Horticulture (Retail Nursery)	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Horticulture (Wholesale Nursery)	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Human Resources Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Information Technology	
Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified major units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.

Diploma of Information Technology (Business Analysis)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (Databse Design and Development)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (Games Development)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (General)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 6 unspecified elective units; 2 specified units.
Bachelor of Business, Bachelor of Arts majoring in Information Systems	8 units, of a total of 36 (22% of the course), advanced standing granted: 6 unspecified elective units; 2 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (Multimedia)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (Networking)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 6 unspecified elective units; 2 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (Project Management)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (Software Development)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Information Technology	units, of a total of 24 (% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (System Analysis and Design)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (Systems Administration)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 6 unspecified elective units; 2 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (Website Development)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology Networking

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 6 unspecified elective units; 2 specified major units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.

Diploma of Information Technology Systems Administration

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified major units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.

Diploma of International Business

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Legal Services

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Logistics	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Marketing	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Music Business	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Occupational Health and Safety	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Project Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Property Services (Agency Management)	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Purchasing	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Quality Auditing	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Racing Services (Track Management)	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Recordkeeping	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Retail Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Rural Business Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Salon Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Software Development	
Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified computing elective units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified elective units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Diploma of Systems Analysis and Design	
Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified major units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Diploma of Undergound Metaliferous Mining Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Diploma of Underground Coal Mining Management	
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Advanced Diploma of Accounting

Bachelor of Business	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Bachelor of Business	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.
Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Advanced Diploma of Computer Systems Technology

Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	The Bachelor of Applied Computing is a fully articulated VET to University Award. This qualification meets the admission entry requirements with a total of 192 credit points (equivalent to 16 SCU units of advanced standing).
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 4 unspecified elective units; 8 specified units.

Advanced Diploma of Computer Systems Technology with Distinction

Bachelor of Applied Computing	16 units, of a total of 24 (67% of the course), advanced standing granted: 16 unspecified units.
Conditions:	The Bachelor of Applied Computing is a fully articulated VET to University Award. This qualification meets the admission entry requirements with a total of 192 credit points (equivalent to 16 SCU units of advanced standing).

Advanced Diploma of Information Technology (Systems Development)

Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	The Bachelor of Applied Computing is a fully articulated VET to University Award. This qualification meets the admission entry requirements with a total of 192 credit points (equivalent to 16 SCU units of advanced standing).
Bachelor of Business majoring in Information Systems	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units.
Bachelor of Business majoring in Information Systems	12 units, of a total of 24 (50% of the course), advanced standing granted: 6 unspecified elective units; 4 specified major units; 2 specified elective units.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 4 unspecified elective units; 8 specified units.
Bachelor of Information Technology	12 units, of a total of 24 (50% of the course), advanced standing granted: 4 unspecified elective units; 8 specified units.

Advanced Diploma of Information Technology (Systems Development) with Distinction

Bachelor of Applied Computing	16 units, of a total of 24 (67% of the course), advanced standing granted: 16 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 192 credit points (equivalent to 16 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Applied Computing	16 units, of a total of 24 (67% of the course), advanced standing granted: 16 unspecified units.
Conditions:	The Bachelor of Applied Computing is a fully articulated VET to University Award. This qualification meets the admission entry requirements with a total of 192 credit points (equivalent to 16 SCU units of advanced standing).

Advanced Diploma of Management

Bachelor of Business Administration	12 units, of a total of 24 (50% of the course), advanced standing granted: 8 unspecified elective units; 4 specified units, as determined by the course coordinator.

Certficate IV in Information Technology (Websites) (Administration)

Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certficate IV in Project Management

Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Business

Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Business Administration

Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Computer Systems Technology

Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Digital Media Technologies (Interactive Media)

Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Digital Media Technologies (Web Development)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Financial Services (Accounting)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Financial Services (Bookkeeping)	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Front Line Management	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Human Resources	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Multimedia)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Networking)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Programming)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Information Technology (Support) (Database Administration)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Support) (Help Desk)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Systems Analysis and Design)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology (Websites) (Design)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business majoring in Information Systems	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology Networking	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Information Technology Support (Network Communications)	
Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Legal Services	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Local Government Administration	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Certificate IV in Marketing	
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Occupational Health & Safety

Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Small Business Management

Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business Administration	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Certificate IV in Web-Based Technology (Design and Development)

Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Business	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Information Technology	4 units, of a total of 24 (17% of the course), advanced standing granted: 4 unspecified elective units.

Diploma of Accounting

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified units; 1 specified units.
Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified units; 1 specified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified units; 1 specified units.

Conditions: A minimum of one year full time study; or equivalent. Fewer units of advanced standing may be granted for a lesser period of study

Diploma of Beauty Therapy

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Business

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Business Administration

Bachelor of Business	16 units, of a total of 24 (67% of the course), advanced standing granted: 8 unspecified units; 8 specified units.
Bachelor of Business Administration	16 units, of a total of 24 (67% of the course), advanced standing granted: 8 unspecified units; 8 specified units.

Conditions: A minimum of one year full time study; or equivalent. Fewer units of advanced standing may be granted for a lesser period of study

Diploma of Hairdressing Salon Management

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Human Resource Management

Bachelor of Business	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.
Bachelor of Business Administration	8 units, of a total of 24 (33% of the course), advanced standing granted: 8 unspecified units.

Diploma of Information Technology

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	The Bachelor of Applied Computing is a fully articulated VET to University Award. This qualification meets the admission entry requirements with a total of 192 credit points (equivalent to 16 SCU units of advanced standing).
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified elective units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified units.

Diploma of Information Technology (Business Analysis)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (Games Development)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (General)

Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.
Associate Degree of Information Technology	8 units, of a total of 16 (50% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.
Conditions:	Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing). Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.
Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 6 unspecified elective units; 2 specified units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 5 unspecified elective units; 3 specified core units.
Bachelor of Information Technology	8 units, of a total of 24 (33% of the course), advanced standing granted: 4 unspecified elective units; 4 specified units.

Diploma of Information Technology (Multimedia)

Associate Degree of Information Technology	4 units, of a total of 16 (25% of the course), advanced standing granted: 4 unspecified elective units.
Bachelor of Applied Computing	12 units, of a total of 24 (50% of the course), advanced standing granted: 12 unspecified units.

Conditions: Meets the admission entry requirements with a total of 144 credit points (equivalent to 12 SCU units of advanced standing).
Note: The Bachelor of Applied Computing is a fully integrated VET to University Award. For entry, candidates must hold a NSW dip or Adv. Dip in IT; or equivalent.

Bachelor of Business majoring in Information Systems	8 units, of a total of 24 (33% of the course), advanced standing granted: 7 unspecified elective units; 1 specified units.
