

1.4 Access and Geographic Locations

Electronic Access

Detailed information about the University's activities may be accessed at any time, via the internet, on its web page, www.scu.edu.au.

Enhancements continued in 2003 to systems that provide students and staff with electronic access to information such as the student portal MySCU, the Learning Management System (LMS) Blackboard, MyEnrolment and E-Academic.

Campuses and University Centres

The University has three major campuses servicing the NSW North Coast at Lismore, Coffs Harbour and Tweed Heads.

The Tweed Gold Coast campus continues to better service prospective and continuing students in the Tweed Gold Coast border region.

The Coffs Harbour Education Campus is an innovative concept, with modern facilities being shared with the North Coast Institute of TAFE and the NSW Department of Education and Training. The Coffs Harbour Campus Strategic Plan 2003-2005 was released in 2003 with a view to further improving the quality of service delivery.

University Centres located at TAFE Colleges throughout the NSW North Coast continued to service the increasing numbers of external students in the region.

Contact can be made between 9.00 am and 5.00 pm (public holidays excepted) at the three University campuses.
