How to use this Guide

This course enrolment guide has been developed by the Faculty of Arts and Sciences to assist students with unit selection, to facilitate online enrolment and provide advice about important contacts, resources and support services available. It is also a valuable resource containing easily referenced material that no student should be without.

- **Part One** contains course specific information and sets out the structure of the course, maps suggested or compulsory unit progressions and shows specialisation sequences per study period, if applicable.
- **Part Two** provides helpful information in relation to important dates, useful websites and relevant administrative information including the contact details of specialist staff within the University who are available to assist with specific enquiries.

Getting started:

We encourage students to become familiar with the information in this guide and the resources available within the School and the University. We also suggest students refer to the [Getting Started at SCU](#) brochure (sent with each offer letter), which outlines the easy steps to online enrolment. Together, these documents will answer many questions and guide students through the enrolment process.

What to do next:

1. Print or download this guide and retain it for reference throughout the duration of the degree/course.
2. Become familiar with the Award Rules and the course structure requirements (refer to the *Student Handbook* at www.scu.edu.au/handbook).
3. Choose units to study in each study period using the course structure and unit information provided.
4. Enrol in units for the **whole year** online in 'My Enrolment' at www.scu.edu.au/myenrolment. The new Southern Cross University three-session teaching calendar provides students with the flexibility to spread their study load over three sessions or to fast track and complete studies earlier. To ensure the University can plan classes and tutorials appropriately we strongly advise students to enrol in units for each study period at the commencement of the academic year. Please note, Session 3 is an optional study period.
5. Register for internal classes online through 'My Enrolment' at www.scu.edu.au/myenrolment once the Online Class Registration notification is sent to student SCU webmail accounts [not applicable to University Wide (external) students studying by distance education].
6. For assistance with 'My Enrolment' refer to the [Demonstration Guides](#) located on the Student Enrolment and Support Services site or contact Student Services on 1800 626 481 or email enrol@scu.edu.au.
7. Once enrolled in units, visit MySCU to become familiar with where the School's Student Centre and Learning Sites are located. Although students will have access to the School's Student Centre as soon as they are enrolled in units, access to learning sites will not be available until one week before the first day of the study period. While there, don't forget to download a copy of the **Unit Information Guide** and **Study Guide**.

Important notice:

A student's course is governed by the Award Rules for the year in which they commenced study. It is important that first year students retain a copy of this Course Enrolment Guide for the duration of their Award (program/degree). If a student is unable to adhere to the structure in place when study commenced, they must consult with a School Student Liaison or Support Officer.

The information contained in this guide is correct at the date of publication. This guide is revised each year.

About the School

The School of Health & Human Sciences provides a comprehensive range of award programs in the field of health and human sciences, and aims to advance and disseminate knowledge through the conduct of scholarly research and the provision of quality professional development opportunities in the region. By choosing to study a Health & Human Science degree at Southern Cross University you will have the opportunity to be part of a growing industry, with options in nursing, midwifery, psychology, behavioural science, natural and complementary medicine, exercise science and more.

The School works with professional associations to design and deliver courses and experiences that enable graduates to take up positions in the health and human sciences workforce. A strong focus of the School is to ensure that students undertake practice learning placements in the industry to enable them a practical understanding of their chosen field and the opportunity to work with professionals. As well as offering a learning environment that provides simulated experiences in speciality laboratories and advanced facilities, the courses offered by the School recognise the needs of students to study flexibly, with many courses and units designed to be available via external or online delivery.

The School has over 1800 students, taught by and supported by around 150 dedicated staff aiming to bring the highest quality learning experiences to our students.

Course and Enrolment Information

Course Overview – Bachelor of Midwifery

The Bachelor of Midwifery is specifically designed to develop graduates for entry to professional midwifery practice. The course prepares graduates with skills, knowledge and attitudes to provide high quality woman-centred care through safe and effective midwifery practice in accordance with the Australian Nursing and Midwifery Council National Competency Standards for the Midwife. Students are advised that this is a demanding course with 45 weeks of theory and practice learning each year for 3 years available on an internal basis only. Students must be prepared to be well organised and disciplined in their approach to learning and studying. Graduates will be equipped to apply sound evidence-based reasoning skills to their midwifery practice; work in continuity-of-care models in partnership with women; and collaborate effectively in multidisciplinary teams to promote effective out-comes.

The degree aims to produce graduates with the capability, confidence and flexibility to adapt to changes and contribute to innovation in the midwifery profession and the health care system, focusing on women and their needs through a primary health approach.

Career opportunities

Registered midwives may practise midwifery in various capacities in public and private hospital and community maternity and neonatal health care settings in urban, rural and remote areas, as practising midwives, group practice midwives, clinical midwifery consultants, midwifery educators, midwifery unit managers, community midwives, and researchers.

Professional recognition

The aim of this degree is to produce graduates who possess the knowledge, skills, attitudes and competencies with clinical/community experience required to meet the Nursing and Midwifery Board of Australia (NMBA) registration requirements to practice as midwives across Australia. The Bachelor of Midwifery has been accredited with the Nurses and Midwives Board of NSW. As from March 2011 all midwifery students will be required to register as students with the NMBA.

Practice learning placements

Students will be required to undertake supervised placements that will enable them to focus on woman-centred care and provide continuity of care with women across their pregnancies; attend antenatal and postnatal assessments/visits with women; provide direct care to women during labour, assist women during birth; support women and their babies with diverse needs across pregnancy, labour and birth, and the postnatal period, and experience the full scope of midwifery practice. Students should expect to have to travel to venues at a distance for their placement experiences. In many cases the practice learning venue locations are highly specialised and have limited student capacity; therefore students must understand the need for flexibility, respect for and adherence to decisions that are made for their practice learning experiences.

Major areas of study

The Bachelor of Midwifery will be provided as Intensive On-campus workshops for the majority of the course. A few units are based on regular contact which may change over the first and second years of the course.

Study areas include:

- Midwifery theory and practice
- Anatomy and Physiology
- Women's Health
- Psychosocial Sciences.

2011 Course Rules

The Award Rules for each course are published in the *Student Handbook*. Hardcopies of the Handbook are available for purchase at the Coop Bookshop in the Plaza. An online version of the Handbook is available from the Southern Cross University website at www.scu.edu.au/handbook

Level of Award:	Undergraduate Degree
Faculty:	Arts and Sciences
Academic Organisational Unit:	School of Health and Human Sciences
Campus:	Tweed Gold Coast
Course Mode:	Internal only
Duration:	3 years F/T
Total Units:	Equivalent to 24

Specific Award Rules

See the University's *Rules Relating to Awards*, in conjunction with the Specific Award Rules listed below.

4.1 Qualification for Admission

As an alternative to Rule 2.2 of the Rules Relating to Awards, applicants for admission to candidature may be selected where the following applies:

- a. the applicant is a midwife registered in an Australian state or territory who is currently practising, holds a current practising certificate/licence and is hospital trained.

4.2 Requirements for an award

To be eligible for the award of Bachelor of Midwifery a candidate shall successfully complete the prescribed number of units as follows:

- a. where an applicant has been admitted under Rule 2.2 of the Rules Relating to Awards they will be required to complete not less than 32 units from the Schedule of Units attached to these rules – being all units listed in Part A, all units listed in Part B, all units listed in Part C, and all units in Part D;
- b. an applicant admitted to the course under Rule 4.1(a) of the Specific Award Rules, will be required to complete a total of eleven (11) units including all units listed in Part C and all units listed in Part D of the Schedule of Units attached to these rules.

4.3 Advanced standing

In addition to any advanced standing granted under Rule 2.4 of the Rules Relating to Awards:

- a. candidates admitted under Rule 4.1(a) may be granted advanced standing for all units listed in Part A and all units listed in Part B of the Schedule of Units attached to these rules.

4.4 Duration of course

Unless a candidate obtains the permission of the body registering midwives as it may exist from time to time to extend their candidature:

- a. a candidate shall be required to complete the course in not more than six (6) years from the date of commencement.

Schedule of Units

Part A

BIO10662	Systemic Anatomy (SA)
BIO00307	Human Physiology (HP)
MWF10655	Midwifery Practice I (MP I)
MWF10668	Midwifery Practice II (MP II)
MWF10667	Midwifery Experiential Learning II (MEL II)
MWF10670	Midwifery Experiential Learning III (MEL III)

Part B

MWF10671	Working with Women in Normal Pregnancy (WWWNP)
MWF10675	Working with Women in Normal Labour and Birth (WWWNB)
MWF10677	Working with Women in Normal Postpartum (WWWNP)
MWF10680	Working with Women in Complicated Pregnancies and Birth (WWWCP)
MWF10684	Working with Women and their Babies Beyond Birth (WWWBBB)
MWF10664	Midwifery Experiential Learning I (MEL I)
MWF10674	Midwifery Experiential Learning IV (MEL IV)
MWF10676	Midwifery Experiential Learning V (MEL V)
MWF10679	Midwifery Experiential Learning VI (MEL VI)
MWF10683	Midwifery Experiential Learning VII (MEL VII)
MWF10687	Midwifery Experiential Learning VIII (MEL VIII)
MWF10673	Midwifery Continuity with Women III (MCWW III)
MWF10678	Midwifery Continuity with Women IV (MCWW IV)
MWF10682	Midwifery Continuity with Women V (MCWW V)
MWF10686	Midwifery Continuity with Women VI (MCWW VI)

Part C

MWF10661	Working with Women (WWW)
MWF10666	Midwifery Continuity with Women I (MCWW I)
MWF10669	Midwifery Continuity with Women II (MCWW II)
MWF10672	Reproductive Physiology and Midwifery Therapeutics (RPMT)
MWF10685	Professional Scope of Midwifery Practice (PSMP)

Part D

MWF10663	Research and Evidence Based Practice (REBP)
PHA00315	Introductory Pharmacology (IP)
HLT10598	Introduction to Complementary Medicine (ICM)

HLT10589	Lifespan Development and Occupational Transitions (LDOT)
CMM10580	The Australian Health Care System (AHS)
MWF10681	Mental Health and Wellbeing (MHW)

All applicants will be individually assessed on their applications for admission for advanced standing.

Students applying for advanced standing will need to meet with the Course Coordinator to discuss their eligibility. Applicants should note that the awarding of advanced standing will be limited during the first two years that the course is offered, due to a limited number of units being available for students to enrol in. First and second year units will be offered in 2011. As a result of the restricted unit offerings, there will be limited facility for those seeking advanced standing to accelerate to more advanced units.

Course Structure

This table maps out the unit progressions in the Bachelor of Midwifery, which will assist you with your unit selection. Students must complete all units below to satisfy requirements for the Bachelor of Midwifery award.

Full-time students normally complete four units each study period. The units you should enrol in each year/session can be found in the table below.

Part-time students This course is primarily designed as a full-time program. If you are unable to attend full-time you should contact the Student Liaison Officer to discuss alternative options.

Due to the requisites in the course, students are required to follow the unit progressions outlined in the tables below. If there is a reason you are unable to do so, please contact your Student Liaison Officer for advice (contact details at the end of Part 1 of this document).

Full-time course structure

Year 1		
Session 1 (15 weeks each from session 1 through 6)	Session 2	Session 3
MWF10661 Working with Women MWF10664 Midwifery Experiential Learning I BIO10662 Systemic Anatomy MWF10663 Research and Evidence-based Practice	MWF10665 Midwifery Practice I MWF10667 Midwifery Experiential Learning II MWF10666 Midwifery Continuity with Women I BIO00307 Human Physiology	MWF10669 Midwifery Continuity with Women II MWF10668 Midwifery Practice II MWF10670 Midwifery Experiential Learning III PHA00315 Introductory Pharmacology
Year 2

Definitions

Pre-requisite unit means a study package (unit or course) which must have been completed with a grade of Pass or above before enrolling in another specified study package.

Co-requisite study package (“Co”) means a study package (unit or course) in which a student must be concurrently enrolled (or have satisfactorily completed) prior to enrolment in another specified study package.

Enrolment Restrictions are the enrolment conditions for the particular study package (unit or course) that if relevant are found directly under any requisites for the relevant study package in the Unit Availability Table.

Unit Descriptions

MWF10661 Working with Women

Co-requisite/s: MWF10663 Research and Evidence Based Practice, MWF10664 Midwifery Experiential Learning I

Exploration of the historical and contemporary roles of the midwife and the dynamics and contexts of woman centred care and evidence based midwifery practice.

MWF10664 Midwifery Experiential Learning I

Co-requisite/s: MWF10661 Working with Women, MWF10663 Research and Evidence Based Practice

Contexts of being with women as a midwife and the scope of midwifery practice.

BIO10662 Systemic Anatomy

Examines cellular and tissue organisation, the integument, osteology, arthrology, myology, the nervous, endocrine, cardiovascular, lymphatic, respiratory, digestive, urinary, and reproductive systems and the sensory organs. Students explore anatomical structures on models and computers to provide a basis for understanding the structure and function of the human body.

MWF10663 Research and Evidence Based Practice

Development of a foundation knowledge and understanding of forms of knowledge, research and evaluation processes, research approaches and designs, research methodologies and methods, data management and analysis, effective dissemination of findings, and application of evidence to health care practice.

MWF10665 Midwifery Practice I

Pre-requisite/s: MWF10663 Research and Evidence Based Practice, MWF10661 Working with Women, MWF10664 Midwifery Experiential Learning I, Bio 10662 Systemic Anatomy

Co-requisite/s: BIO00307 Human Physiology, MWF10667 Midwifery Experiential Learning II,

Development of the midwifery knowledge, attitudes and skills required to provide effective supportive health care for women.

MWF10667 Midwifery Experiential Learning II

Pre-requisite/s: MWF10663 Research and Evidence Based Practice, MWF10661 Working with Women, MWF10664 Midwifery Experiential Learning I, BIO10662 Systemic Anatomy

Co-requisite/s: MWF10665 Midwifery Practice I, BIO00307 Human Physiology

Application of effective midwifery knowledge, skills and attitudes to practice in providing effective supportive health care for women.

MWF10666 Midwifery Continuity with Women I

Pre-requisite/s: MWF10661 Working with Women, BIO10662 Systemic Anatomy, MWF10664 Midwifery Experiential Learning I
Co-requisite/s: MWF10665 Midwifery Practice I

Introduction to continuity of midwifery care experiences and the development of a professional partnership with women across pregnancy, labour, birth and postpartum.

BIO00307 Human Physiology

The areas to be examined will be cellular metabolism, muscle physiology, excitation of nervous tissues, regulation of the cardiovascular system, respiratory dynamics, kidney and body fluid homeostasis, the gastrointestinal tract, growth, metabolism, reproduction and immune defence.

MWF10669 Midwifery Continuity with Women II

Pre-requisite/s: BIO0307 Human Physiology, PHA00315 Introductory Pharmacology

Co-requisite/s: MWF10666 Midwifery Continuity with Women I, MWF10668 Midwifery Practice II

Effective completion and review of first ten midwifery continuity with women experiences.

MWF10668 Midwifery Practice II

Pre-requisite/s: MWF10665 Midwifery Practice I, BIO00307 Human Physiology

Co-requisite/s: PHA00315 Introductory Pharmacology

Development of the midwifery knowledge, attitudes and skills required to provide effective evidence based surgical health care for women

MWF10670 Midwifery Experiential Learning III

Pre-requisite/s: MWF10665 Midwifery Practice I, MWF10667 Midwifery Experiential Learning II

Co-requisite/s: MWF10668 Midwifery Practice II, PHA00315 Introductory Pharmacology

Acquisition of effective midwifery knowledge, skills and attitudes to provide evidence based surgical health care for women.

PHA00315 Introductory Pharmacology

Pre-requisite/s: BIO00307 Human Physiology

In this unit the focus is on the principles of drug action, receptor theory pharmacodynamics and pharmacokinetics. It will take a systems approach in discussing pharmaco-therapeutic agents, focusing on drugs in current clinical use in Australia, as well as new therapeutic agents. This unit will also introduce the student to toxicology, again with reference to agents.

MWF10671 Working With Women In Normal Pregnancy

Pre-requisite/s: MWF10668 Midwifery Practice II, PHA00315 Introduction to Pharmacology AND MWF10670 Midwifery Experiential Learning III

Co-requisite/s: MWF10663 Research and Evidence Based Practice, MWF10672 Reproductive Physiology and Midwifery Therapeutics AND MWF10674 Midwifery Experiential Learning IV

Midwifery knowledge, attitudes and skills required to provide effective evidence based and woman centred antenatal care in partnership with women.

MWF10672 Reproductive Physiology and Midwifery Therapeutics

Pre-requisite/s: PHA00315 Introduction to Pharmacology

Detailed knowledge and understanding of reproductive physiology, diagnostics and pharmacological therapeutics in midwifery practice.

MWF10673 Midwifery Continuity with Women III

Pre-requisite/s: MWF10669 Midwifery Continuity with Women II

Co-requisite/s: MWF10671 Working with Women in Normal Pregnancy AND MWF10672 Reproductive Physiology and Midwifery Therapeutics

Consolidation of midwifery continuity experiences and development of professional partnerships with second group of ten women across pregnancy, labour, birth and postpartum.

MWF10674 Midwifery Experiential Learning IV

Pre-requisite/s: MWF10668 Midwifery Practice II, PHA00315 Introduction to Pharmacology AND MWF10670 Midwifery Experiential Learning III

Co-requisite/s: MWF10671 Working with Women In Normal Pregnancy AND MWF10672 Reproductive Physiology and Midwifery Therapeutics

Acquisition of midwifery knowledge, skills and attitudes in providing effective antenatal care with women using a primary health care approach.

MWF10675 Working with Women in Normal Labour and Birth

Pre-requisite/s: MWF10671 Working with Women in Normal Pregnancy, MWF10672 Reproductive Physiology and Midwifery Therapeutics AND MWF10674 Midwifery Experiential Learning IV

Co-requisite/s: HLT10598 Introduction to Complementary Medicine AND MWF10676 Midwifery Experiential Learning V

Midwifery knowledge, attitudes and skills in providing effective support with women for normal birth using an evidenced based, woman centred approach.

CMM10580 The Australian Health Care System

Requires access to a computer with internet connection.

Provides students with an overview of the Australian health care system and the factors which influence the way it functions. There is no presumed knowledge required for students to undertake this unit.

HLT10598 Introduction to Complementary Medicine

Requires access to a computer with internet connection.

Introduces students to complementary medicine, its community usage, its role in health care and society, and its regulation. Includes an overview of the major complementary medicine modalities. Adopts a student-focused strategy aimed at allowing students to critically explore the topic while providing them with basic knowledge of the discipline.

MWF10676 Midwifery Experiential Learning V

Pre-requisite/s: MWF10674 Midwifery Experiential Learning IV

Co-requisite/s: MWF10675 Working with Women in Normal Labour and Birth

Achievement of evidence based, woman centred midwifery knowledge, skills and attitudes in working with women for normal birth.

MWF10677 Working with Women in Normal Postpartum

Pre-requisite/s: MWF10675 Working with Women in Normal Labour and Birth AND MWF10676 Midwifery Experiential Learning V

Co-requisite/s: MWF10679 Midwifery Experiential Learning VI

Development of effective midwifery knowledge, attitudes and skills in providing support with women after the birth of their baby using an evidenced based, woman centred approach.

HLT10589 Lifespan Development and Occupational Transitions

Pre-requisite/s: HLT10582 Introduction to Occupational Therapy and Human Occupations

Only available to Bachelor of Occupational Therapy students.

Introduces lifespan development concepts and occupational role development; also the development of, and transitions through occupational roles in infancy, childhood, adolescence, adulthood, and in the elderly. The range of personal, social and developmental issues occurring at these stages will be examined as they influence the acquisition of occupational roles and vice versa. Development of skills and abilities necessary for performance of occupations during the lifespan will be examined from various theoretical perspectives.

MWF10678 Midwifery Continuity with Women IV

Pre-requisite/s: MWF10673 Midwifery Continuity with Women III, MWF10675 Working with Women in Normal Labour and Birth AND MWF10676 Midwifery Experiential Learning V

Co-requisite/s: MWF10677 Working with Women in Normal Postpartum AND MWF10679 Midwifery Experiential Learning VI

Completion and evaluation of second group of ten midwifery continuity with women experiences.

MWF10679 Midwifery Experiential Learning VI

Pre-requisite/s: MWF10673 Midwifery Continuity with Women III, MWF10675 Working with Women in Normal Labour and Birth AND MWF10676 Midwifery Experiential Learning V

Co-requisite/s: MWF10677 Working with Women in Normal Postpartum AND BHS30003 Development Across the Lifespan

This Unit aligns with MWF10677 Working with Women In Normal Postpartum, which can be a co-requisite or a prerequisite.

Other Important Information

Practice learning placements – student responsibilities

A number of Southern Cross University's health undergraduate courses **require** students to undertake practice learning/community placements in NSW and/or Queensland Health facilities. Practice learning/community placements may not always fall during teaching sessions, and may be undertaken during University breaks; placements are arranged across a wide geographical area.

There are a number of **specific requirements** which must be addressed before any student undertakes a placement and students who do not fulfil the requirements will not be able to undertake practice learning/community placements and will therefore be unable to complete their course of study.

The Clinical Placement Unit will send full details and supporting documents to all students who enrol in a clinical unit.

Students who do not intend to enrol in a clinical unit should contact the Clinical Placement Unit to request these documents by emailing clinical@scu.edu.au or phoning 02 6620 3017.

Immunity/vaccination

Students undertaking placements in NSW and Queensland must comply with the New South Wales Policy Directive for Occupational Assessment, Screening and Vaccination against Specified Infectious Diseases and the Queensland Health Policy for Immunisation of Health Care Workers. It may take several months to complete a full course of vaccinations, so you will need to contact your GP at least six (6) months in advance of the commencement of your practice learning/community placements in order to arrange timely vaccinations. We strongly recommend students arrange to have these vaccinations prior to the start of the first study period as students commence placements very early in the course.

If requested by NSW or Qld Health, you will need to provide evidence of vaccination/immunity in relation to:

- Hepatitis B (vaccination will take up to six (6) months for a series of three (3) injections; you will also need to undertake a blood test to confirm sero-conversion)
- Diphtheria, Tetanus and Pertussis
- Measles/Mumps/Rubella
- Varicella Zoster virus (Chicken Pox)
- Tuberculosis screening

Pre-course commencement requirements

Students must meet the following pre-course commencement requirements:

- Current First Aid Certificate
- Current Cardiopulmonary Resuscitation Certificate

Fitness for practice certificate

You must provide a certificate from your General Practitioner that will identify that you are medically fit to participate in the course and the practice learning/community placement fieldwork. Students will also be responsible for disclosing chronic health problems/any other relevant information that might impede their performance on placements. Some chronic health problems (e.g. injuries, skin allergies) can be seriously exacerbated in some environments and can affect the safety of students or women and their babies.

Uniforms/dress regulations and equipment

- Purple midwifery uniform polo shirt with University logo
- Navy blue culottes/skirt, trousers
- Stockings or navy socks
- Closed in leather shoes – black, or navy
- Jumper/cardigan – navy, (not worn while on duty)

When attending Practice learning venues, correct uniform attire must be worn at all times during placement and continuity experiences and be neat, tidy and professional. In order to avoid embarrassment, uniforms must allow freedom of movement when undertaking activities such as bending and lifting. All culottes/skirts must be worn knee length.

- **Watches:** Purchase a fob watch with a sweep second hand. This can be attached to your uniform. Other watches are not suitable.
- **Casual clothing:** A small number of facilities may require that you wear non-uniform clothes whilst on placement. These must be neat and clean at all times. You must not wear jeans, T-shirts, shorts, board shorts, mini skirts or revealing clothing, sandals or high heels.
- **Religious considerations:** If you have religious beliefs about dress you may wear a long sleeve skivvy under your uniform but must roll up your sleeves when performing procedures. A navy scarf may be worn.
- **Special considerations:** Students who are unsure if they are required to wear a uniform due to pregnancy or any other conditions must check with the Practice Learning Placement Coordinator.
- **Hair:** In order to adhere to Infection Control Guidelines, hair must be neat and tidy and worn off the shoulders. Long hair must be tied up; long pony-tails are not acceptable.
- **Fingernails:** Fingernails must be clean, short and without nail polish.
- **Jewellery:** The only jewellery that may be worn is a wedding ring and a pair of plain studs or small sleeper earrings. Facial studs and other types of jewellery are not permitted. Check Health facility policy/guidelines for additional specifications.
- **Field visits:** if at any time students are requested to dress respectfully for a field visit they should ensure they wear long sleeved and long legged attire, that is not revealing or tight fitting with flat covered shoes. Long hair to be tied back, wedding bands only and minimal makeup. Any other requirements will be specified at the time.
- **Other:** A red, black and green ball-point pen and small notepad are essential. A small calculator, scissors and stethoscope are advisable and you may wish to acquire your own Pinnards stethoscope. Put your name on all items.

Name badge requirements

You must wear an identification badge when involved in practice learning and continuity experiences at all times. You will need to have complied with a number of statutory checks and provide the Practice Learning Placement Unit with a Medical Fitness for Practice Certificate as well as proof of First Aid and CPR Certification before this badge can be issued. More information on this process will be provided at your course information session in O week.

School Contacts

Student Liaison Team

The Student Liaison Team aims to provide you with a high level of friendly, efficient and professional service and can be used as the first point of contact for enquiries you may have regarding your course. If the Student Liaison Team does not have the answer to your question, they will be able to refer you to the relevant area within the University or to the appropriate staff member.

Staff in the Student Liaison Team can provide you with assistance during the course of your studies in relation to the following types of enquiries:

- enrolment advice
- course structure and planning
- unit selection
- assignment administration
- advanced standing
- special consideration
- general course administration
- support for Distance Education students.

Location: Student Liaison Staff are located at the Lakeside campus.

Hours: 8am – 5pm (QLD time) Monday to Friday.

Campus	Location	Contact Details
Tweed Heads (Lakeside) Campus	B Block, Level 1, Room B1.06	07 5506 9401 gcsharedservices@scu.edu.au

The designated Student Liaison Officer for the Bachelor of Midwifery is Shani Miller. Shani can be contacted at the Tweed Heads (Lakeside) campus, contact details listed above.

Academic staff

Academic staff are available to discuss any questions or issues you may have regarding specific unit or course content.

- **Course Coordinators** have responsibility for the overall coordination, development, review and administration of a course. Please familiarise yourself with the name of your Course Coordinator.
- **Unit Assessors** have responsibility for the overall coordination, development, review and administration of a unit. Not all unit assessors are listed below. Please familiarise yourself with the name of your Unit Assessor during each session.
- **Lecturers and Tutors** have responsibility for conducting lectures and tutorials/workshops.

Course Coordinator			
Tania Andrews	Bachelor of Midwifery	Telephone: 02 6620 3992 0409946361	Campus: Lismore Z2.34
tania.andrews@scu.edu.au			

Unit Assessors and Lecturers will be advised through your information guide.

Continuity Coordinator			
Jessica Sims	Bachelor of Midwifery	Telephone: 0417859524 jessica.sims@scu.edu.au	Campus: Tweed Heads (Lakeside)

Lecturers			
Maree Crepinsek	Bachelor of Midwifery	Telephone: 07 5506 9420	Campus: Tweed Heads (Lakeside)
Julianne Humphreys	Bachelor of Midwifery, Tweed Byron Network/SCU Midwifery Educator	Telephone: 07 5506 9417 0439035472	Campus: Tweed Heads (Lakeside)
Lorraine Smith	Bachelor of Midwifery	Telephone: 02 6620 3992 0439250130	Campus: Tweed Heads (Lakeside)

Practice Learning Placements			
Janie Brown	Director - Clinical Practice Based Learning	Telephone: 02 6659 3651 janie.brown@scu.edu.au	Campus: Coffs Harbour
Paul Wardrop	Coordinator	Telephone: 02 6620 3302 paul.wardrop@scu.edu.au	Campus: Lismore
Melinda Russell	Coordinator - Midwifery	Telephone: 02 6659 3914 melinda.russell@scu.edu.au	Campus: Coffs Harbour
Susan Riordan	Coordinator	Telephone: 02 5506 9402	Campus: Tweed Heads (Lakeside)

Technical/Laboratory Team			
Serena Allen		Telephone: 07 5506 9411	Campus: Tweed Heads - Lakeside
Sue Treacy		Telephone: 07 5506 9411	Campus: Tweed Heads - Lakeside

We hope you will enjoy your studies in the Bachelor of Midwifery and wish you well as you do so.

Part Two

Administrative and General Information

This section of the guide is a summary of administrative and general information relative to students and their studies. Wherever possible you will be directed to sources of further information and assistance. A comprehensive list of useful websites is located at the end of this guide.

Online enrolment

To assist students to enrol online Students Services have developed an easy reference guide called 'Getting started at SCU'. This guide outlines the easy steps to online enrolment. Students can download a copy of [Getting started at SCU](#) from the Student Services website.

Fees

The cost of attending university will vary and much depends on your program of study. Expenses can generally be broken into three groups: study costs, living expenses and other expenses. This section focuses on study costs or fees and includes important information to remember when enrolling into units of study in a course.

At SCU a student is either a Commonwealth supported student or a fee-paying student, also known as a non-Commonwealth supported student.

Fee-paying students are required to pay full tuition fees for each unit of study.

Undergraduate courses

The University offers very few undergraduate fee-paying courses. Generally, undergraduate courses are Commonwealth-supported for eligible students.

Postgraduate courses

The majority of SCU fee-paying courses relate to postgraduate study and FEE-Help is available to eligible students.

Commonwealth-supported students

A Commonwealth-supported place entitles all eligible students in an undergraduate degree (and some postgraduate degrees) to a Student Learning Entitlement (SLE), with access to seven years of equivalent full-time study. Every unit of study undertaken under Commonwealth support has a cost. The Commonwealth Government meets part of that cost and the student pays the other part. This student cost is called the Student Contribution Amount.

At SCU the Student Contribution varies and is determined by the units selected by each student, the discipline category or 'band' of the units studied and the year the student commenced their course of study or degree. To find out exactly which band(s) your unit/s of study belong to visit the University's [Fees and Financial Assistance website](#)

Before enrolling in units for the first time, new students must read the 'Information for Commonwealth supported students booklet' available from SCU Student Services or at www.goingtouni.gov.au

Students complete the request for Commonwealth Support Form (and HECS-Help) from SCU. This is known as an electronic 'Commonwealth Assistance Form' (eCAF), which is completed and submitted electronically via 'My Enrolment'. The eCAF must be completed before enrolment into any units.

The deadline for finalising payment arrangements for each unit of study is the census date.

Commonwealth-supported students can pay for all or part of their Student Contribution upfront or defer payment to the Australian Tax Office (ATO) and repay it later through the Australian tax system when their income is above the nominated minimum threshold.

If the Student Contribution is paid on or before the census date a 20% discount applies for payment of \$500 or more.

Domestic fee-paying students

A fee-paying student, also known as a non-Commonwealth supported student, is required to pay full tuition fees for each unit of study in a study period. Eligible fee-paying students can either:

- Pay some or all of their tuition fees up front on or before two weeks prior to the start of the study period; and/or
- Apply for an Australian Government FEE-HELP loan for some or all of their tuition fees by submitting a 'Request for FEE-HELP assistance form' (eCAF). The Australian Government will pay the amount of the loan to SCU on the student's behalf. A loan fee of 20% applies for undergraduate courses of study. There is no loan fee to a FEE-HELP loan for postgraduate study, enabling courses, units of study with Open Universities Australia and bridging study for overseas trained professionals.

The deadline for finalising payment arrangements via a FEE-Help loan is the census date.

To be eligible to receive a FEE-HELP loan the student must be an Australian citizen or holder of a Humanitarian visa. FEE-HELP is not available to New Zealand citizens or permanent residents.

Students, who wish to access a FEE-HELP loan, must read the 'FEE-HELP information booklet' available from Student Services or at www.goingtouni.gov.au. They must also complete and submit an eCAF via 'My Enrolment' and provide their Tax File Number.

Payment of a FEE-HELP loan is deferred to the Australian Tax Office (ATO) and is repaid later through the Australian tax system when their income is above the nominated minimum threshold.

International on-shore and miscellaneous fee-paying students

International onshore students and miscellaneous fee-paying students are required to ensure that their fees are paid on or before two weeks prior to the start of the study period.

International tuition fee information, including information about unit withdrawal impacts, due dates for student fees and refund rules, is available from the International Office and the SCU [Fees and Financial Assistance website](#).

To contact the International Office:

Phone: +61 2 6620 3876

Email: intoff@scu.edu.au

Remission of Student Contribution Amounts

Where extenuating circumstances exist, students may apply for a remission of the Student Contribution Amount by contacting Student Services.

More information

For more information on University fees or Commonwealth-supported places go to the University's [Fees and Financial Assistance website](#) and www.goingtouni.gov.au

To contact Student Services:

Phone: 1800 626 481

Email: enrol@scu.edu.au

Other related costs

There are a number of other administrative fees that students may be required to pay at some time during their University life. These may include such things as textbooks, field trips, student services and amenities fee, penalty charges (sanctions) and costs associated with graduation etc.

For further information see Administrative Charges in the *Student Handbook*.

Income support and the Three-Session Teaching Calendar

The new three-session teaching calendar provides students with the flexibility to spread their full-time study load over three sessions, if they choose. This does not mean that students have to enrol in all three sessions to qualify for income support. There are many combinations of study that satisfy the eligibility criteria for income support. Students will still be able to study a full-time load over Session 1 and 2 and take Session 3 as a break. It is an optional study period. Schools will be offering units during Session 3 that will enable students to accelerate their learning or spread their study load. Please note, not all courses offer units in Session 3, students will need to check the *Schedule of Units* for that study period to see what is available to study.

Centrelink considers students to be full-time if they are doing a HECS loading of at least 0.375 for each study period OR they are doing at least 75% of the full time workload. At Southern Cross University one single weighted unit of study has a HECS loading of 0.125. Students need to demonstrate to Centrelink that they are studying at least 3 single-weighted units in each study period OR at least 6 single weighted units over the full teaching year in order to be entitled to income support. Please note if a student is enrolled in less than 3 units in Session 1 and receiving income support payments, Centrelink will write to them and ask if they intend to be enrolled as a full-time student over the remainder of the teaching year. To prove to Centrelink a student will be studying full-time they will need to enrol in units over the remainder of the year and send that study plan advice to Centrelink. Students don't necessarily need to enrol in both the remaining sessions to make up a full-time study load.

There is no obligation to study in all three sessions of the Teaching Calendar.

Requirements regarding full-time study can be found on the Centrelink website at <http://www.centrelink.gov.au/>. Students should discuss their eligibility for income support with Centrelink's Youth and Student Services by telephoning 132490.

Study load for International onshore students

International onshore students must complete their course within the expected duration of study as specified by Standard 9 of the National Code of Practice 2007. This means Southern Cross University must monitor the workload of International onshore students to ensure they complete their course within the duration specified in their Confirmation of Enrolment (CoE) and do not exceed the allowable portion of online or distance learning. SCU will only enable

students to extend the expected duration of study for the course through the issuing of a new CoE in limited circumstances.

International onshore students are required to complete eight (8) single-weighted units of study (1 EFTSL) each year or pro-rata if a student commences in Sessions 2 or 3. Therefore, International onshore students must study a minimum of three (3) units (up to four (4) units) in each of the mandatory sessions (Sessions 1 and 2) to satisfy full-time enrolment. No session can contain less than three (3) units. If only the mandatory sessions (Sessions 1 and 2) are studied then four (4) units each session are required.

International onshore students can study up to twenty-five percent (25%) of their course by online and/or distance learning, but in each mandatory study period each student must study at least one unit that is not by distance or online. Approval must be sought from both the International Office and the relevant School using a 'Unit Approval Request' submitted through My Enrolment.

International onshore students not studying four units in each of the two mandatory sessions (Sessions 1 and 2) are required to liaise with an International Student Advisor to map and sign their study plan for each year of study.

More information

For more information go to Southern Cross University's [International Office website](#) or the Australian Government – Australian Education International website at www.aei.gov.au/AEI

To contact Southern Cross University's International Office:

Phone: +61 2 6620 3876

Email: intoff@scu.edu.au

Census dates

Each unit of study in a study period at SCU has a census date that is the day upon which a student's enrolment for unit(s) in the study period becomes fixed and final. After the census date a student cannot enrol or withdraw from units without significant financial and/or academic liability.

If using the HECS-HELP or FEE-HELP Government loan schemes, the debt for units in the study period is deferred on the census date.

Census dates vary depending on the unit/s in which a student is enrolled. Therefore, it is important that students are aware of the census date for each enrolled unit for a particular study period.

To determine the actual census date for each unit of study, students must check My Enrolment:

- Log into My Enrolment
- Select *My Study Plans*
- From the menu to the left of the screen select *Current Enrolment*

Each unit in which a student is enrolled will be displayed with the census date clearly identified.

Commonwealth Assistance Notices (CAN)

A Commonwealth Assistance Notice (CAN) is issued to all Commonwealth Supported, FEE-HELP and OS-HELP assisted students within twenty-eight (28) days past the census date for each unit of study. The CAN shows detailed enrolment information for each unit of study within the relevant study period including upfront student contribution amounts and/or amounts deferred via HECS-HELP, FEE-HELP or OS-HELP. The CAN is available by accessing My Enrolment (use the *My Finance* menu option). It is important to check all the information on your CAN within

fourteen (14) days of its release. If you believe the information on the CAN is incorrect, please make a request in writing to enrol@scu.edu.au to have your information corrected.

More information

For more information on census dates or Commonwealth Assistance Notices go to the University's [Fee and Financial Assistance website](#)

Final date to enrol in unit/s

The final date to enrol in unit/s online without approval is the end of Week 2 (Sunday) of each study period. Students wishing to enrol in unit/s after this date will require approval from the relevant School and should submit a Unit Approval Request through My Enrolment stating the reason for the late enrolment. Where approval is not granted, the relevant School will contact the student.

Deferring studies

If you cannot commence studies in this academic year, then you need to defer to secure your place in the following year. But, if you can commence studies in Session 2 or Session 3 then you do not need to defer, you simply enrol in that study period.

Note, if your offer is for Session 3 and you are unable to commence study, deferment is the only option available as there are no remaining study periods.

Deferment will incur a non-refundable \$100 fee.

Deferment is only available to applicants who have been made a Commonwealth Supported or Hotel School Employer Reserved offer. Deferment is not available for Bachelor of Education (Secondary) graduate entry, Bachelor of Laws graduate entry, Bachelor of Education (4th year upgrade) and all one year Honours courses. Deferment is also not available to continuing students (continuing students wishing to take a break from studies should refer to the section 'Leave of Absence').

Students can defer an offer to a course prior to accepting through My Enrolment. To defer an offer once a student has accepted, declined or enrolled in units, please send a request by email to defer@scu.edu.au

Students will be notified in writing of the outcome of their deferment request and payment options.

For more information about how to defer an offer please download the '[My Offers – Request to Defer your Offer](#)' guide, which is located on the Student Services downloads page.

Advanced standing – recognition of prior work or study

Students who have relevant professional experience or demonstrable expertise or have completed previous post-secondary study in the last ten years, including TAFE courses, this experience may be credited toward their university degree.

At Southern Cross University this is known as Advanced Standing and refers to Recognition of Prior Learning, Credit, Credit transfer or Credit for previous learning or study.

If a student applies for Advanced Standing and is successful, it may decrease the number of units they need to study and shorten the time it would otherwise take to complete their degree.

If students need to apply for advanced standing during their studies they should submit an application to their School or Shared Services Centre at least one month before the start of the relevant study period. All requests for advanced standing should be completed before the final study period. This will ensure that course completion and graduation are not unnecessarily delayed.

The amount and type of credit awarded will determine a student's study plan so we recommend that students apply for advanced standing at the same time as they apply for admission.

International students should apply to be pre-assessed for advanced standing (Credit Transfer) at the time of lodging their application for admission to the International Office.

Students should also check that the basis on which they are applying for advanced standing aligns with that stipulated for the course or the relevant School or College. Therefore, if applying for advanced standing solely on the basis of professional level experience it is important to check with the relevant School or College to ensure that applications for advanced standing are accepted on this basis.

If applying for advanced standing based on previous tertiary study, including study at TAFE, private providers or other universities, please attach the following:

- Transcript/s for completed or partially completed qualification/s (including failures and an explanation of the grading system)
- Detailed course and/or unit outline/s

and where applicable:

- Statement of Attainment for partially completed qualification/s OR Testamur/Certificate for completed qualification/s

Students who have previously been enrolled at Southern Cross University (SCU) will not generally need to submit their transcript of results but may need to supply copies of unit statements for units completed.

The documents submitted must be originals or certified copies of originals. Non-English documents must be submitted in the original language, accompanied by an authorised English translation. For further guidance download the Certification and Translation Guidelines, this is located on the [Advanced Standing website](#).

To apply for Advanced Standing students should first download and complete the [Advanced Standing Application Form](#).

Be sure to:

- read the form carefully
- print clearly and neatly, in English, using black pen, completing all relevant sections in full
- initial and date any change that you make to the form
- sign and date Part 3, DECLARATION
- photocopy the completed form for your records
- securely attach supporting documents to the form. Individual schools may have particular documents that will be required, if this is the case those documents will be noted in Part One of this guide.

Submit the Application for Advanced Standing together with supporting documents in person, by fax, post or email to the relevant School or College, or Shared Services Centre.

It may take from one to four weeks to process and assess an application, depending on the level of assessment complexity and whether complete information and sufficient supporting documents have been supplied.

Students will be notified of the outcome in writing. International students studying in Australia, who have applied and been granted advanced standing following the commencement of the course, are required by the Education Services for Overseas Students (ESOS) Act to acknowledge, in writing, acceptance of the advanced standing granted. The 'Advanced Standing Acceptance Declaration', supplied with the notification of advanced standing, must be signed, dated and returned to the SCU International Office within two calendar weeks of the date of the 'Advanced Standing Notification'. The International Office will then vary the period of study on an International student's Confirmation of Enrolment (CoE).

Students may query the outcome of their Application for Advanced Standing and may appeal any decision except academic judgement. Appeals will be dealt with in accordance with the Student Grievance Policy.

A student who has accepted advanced standing may at any time, apply in writing to the relevant School or College to rescind (withdraw, overturn or cancel) part or all of this credit. Requests to rescind credit will only be approved for sound academic reasons (e.g. the student wishes to undertake the unit, to change direction in their degree or undertake an approved exchange or study abroad program). Once credit has been rescinded, students will not automatically be re-granted that credit.

Any advanced standing granted or rescinded will affect a student's study plan and the units in which they will need to enrol to complete their course. For study plan and unit sequence advice contact the relevant School or College immediately. International students should consult their International Refund Policy ('Listed in your Acceptance of Offer Agreement') about the refund impacts this may have.

More information

For more information go to Southern Cross University's [Advanced Standing website](#).

Class timetabling

Information about class timetables is available from the University's [Class and Exam Timetables](#) website. This represents the most up-to-date timetable information for SCU on-campus students and does not apply to external studies.

Students can use the timetables online search facility to check class timetables for the following locations:

- Coffs Harbour
- Gold Coast – Beachside
- Lismore
- Port Macquarie
- Tweed Heads – Lakeside
- Tweed Heads – Riverside

Please continue to check timetables periodically as times may change.

Class registration

Students who elect to enrol in units offered internally must register for classes online. Students will receive an email from Student Services advising when online class registration is open for each study period. All Schools/Colleges use online class registration and students must register for classes through My Enrolment. Please note some students do not register for classes, for example, distance education/external/university-wide students.

It is easier for students to register into their preferred class if they already know the class they wish to take. Therefore, we recommend students review the class timetables for their enrolled units prior to class registration opening and to have alternative classes selected in case their preferred class is already full. This will make online registration easier. Remember – you must be enrolled in the unit before you can register into classes.

There are very few classes that do not register online. However, if a unit has only one class scheduled (i.e. there is no choice about the days students can attend classes), then students will be automatically allocated to that class. Students will see they have been registered into the class when they look at their timetable in My Enrolment.

Where there is a choice of classes (usually for tutorials, workshops or Lab sessions), then students must register for classes online through My Enrolment (use the *My Classes* menu option).

Class registration opens progressively during the week for Schools/Colleges. Please note, units belong to each School; students should ensure that classes are open before they try to register. This is particularly important for students who are studying units across schools.

HINT: the earlier a student registers for classes once class registration opens the greater chance they have of gaining their first preference of class.

For more information about class registration download the Student Services Demonstration Guides: [My Classes – Registering in Classes](#) and [My Classes – Swapping Classes](#).

Leave of absence

Students can apply for a Leave of Absence for up to one year (12 months) provided they have remained enrolled in at least one unit of study past a given census date. Students can apply for an extended Leave of Absence up to two years (24 months) upon approval from the relevant School.

Applications for Leave of Absence are submitted through My Enrolment.

Students who do not make application for a Leave of Absence will be automatically withdrawn from their course of study where no enrolment is evident after a certain period. Should the student wish to return to study at a later date, they will need to re-apply to the University either directly or via UAC/QTAC and either provide the same supporting documentation as the initial application or evidence of the SCU study prior to withdrawal.

International onshore students are only permitted six (6) months Leave of Absence. All International onshore students considering taking a Leave of Absence must first seek approval from the SCU International Office.

For further information please refer to *Rules Relating to Awards* in the *Student Handbook* (see Rule 2.7(a–f)).

Variation to enrolment

A student may vary their original unit enrolment details through My Enrolment. Deadlines exist for enrolment variations and course and unit withdrawals. Changing the mode of study, for example internal (on-campus) to external study (distance education/university wide), and unit substitutions are enrolment variation requests and are subject to the same deadlines.

The dates by which a student must vary their enrolment are set out in the Principal Dates section of the *Student Handbook*. Enrolment variations after the prescribed dates can affect a student's academic record and financial liability.

International onshore students on a student visa are only permitted to study twenty-five (25) percent of their course by distance education (external/university wide). All International onshore students considering varying their enrolment to include external units must first seek approval from the SCU International Office.

Withdrawing from a course or unit

After certain dates in the academic calendar have passed, withdrawing from a course or unit can have a serious impact on a student's financial liability and/or academic record.

[Withdrawing from unit/s without incurring a Student Contribution Amount](#)

The final day to withdraw from unit/s without incurring a Student Contribution Amount (SCA) is the census date. Census dates vary depending on the unit/s in which a student is enrolled. Students can check the census date for each enrolled unit through My Enrolment. Each enrolled unit will be displayed with its census date clearly identified. Students who withdraw from unit/s after census date will incur a SCA.

Withdrawing from unit/s without incurring a Fail grade

The final day to withdraw from unit/s without incurring a Fail grade is referred to as the 'Withdrawal Without Failure' date. Withdrawal Without Failure will still incur a Student Contribution Amount as the final day to withdraw without incurring this debt is census date. Students who withdraw from unit/s after the Withdrawal Without Failure date will incur a Fail grade. To check the final day to withdraw without incurring a Fail grade go to the [Key Dates](#) on the Southern Cross University website.

Fee-paying courses

If you are enrolled in a fee-paying course and you withdraw from your course or unit/s after the start of the study period you may be liable for a partial fee. Refer to the University Refund Policy set out in the Rules Relating to Student Fees and Charges in the *Student Handbook*.

It is the responsibility of each student to be aware of the relevant dates and consequences before withdrawing from a course or unit. Course or unit withdrawal can be done through My Enrolment.

Regulations relating to a course or unit withdrawal are also set out in the Enrolment Rules, which are printed in the Rules section of the *Student Handbook* (see Rules 2.6–2.8).

Students who require further information or assistance should contact Student Services on:

Phone: 1800 626 481
Email: stuadmin@scu.edu.au

International onshore students

International on-shore students should contact the International Office if they intend to withdraw from their course.

Phone: +61 2 6620 3876
Email: intoff@scu.edu.au

Further information about unit withdrawal impacts for International students are detailed at www.scu.edu.au/students/fees/index.php/14/

Cross-institutional studies

It may be possible for SCU students to undertake a unit/s of study at another university and have the unit/s credited to their award (course, degree or program).

Students interested in applying for approval to study cross-institutionally at another institution should first discuss their intention with their school. The School may require the application be in writing and accompanied by the unit statement/s for the unit/s a student wishes to study.

Where the request is approved, the School will provide written approval, which will be required by the university that you wish to study at. It is the student's responsibility to organise enrolment at that university. As each university will have different requirements and deadlines, students will need to check these carefully.

On completion of cross-institutional study, the student will need to provide their School with their academic transcript, or a certified copy, attached to a completed Advanced Standing Application form to have the unit/s credited towards their SCU degree. To avoid delays with graduation, please make sure that all applications for advanced standing are submitted as soon as possible after the completion of cross-institutional study.

International onshore students on a student visa are only permitted to study twenty-five (25) percent of their course by distance education (external/university wide), which includes cross-institutional studies. All International onshore students considering undertaking a unit of study at another university must first seek approval from the SCU International Office.

Students studying at other universities may apply to study cross-institutionally at SCU. Application is made direct to SCU using the University's Direct Application form. Normal admission deadlines apply.

For more information about cross institutional study please contact Student Services:

Phone: 1800 626 481

Email: stuadmin@scu.edu.au

International onshore students should contact Southern Cross University's International Office:

Phone: +61 2 6620 3876

Email: intoff@scu.edu.au

Course transfer

Students may transfer to another SCU course where they have remained enrolled in their current course past the census date in the previous study period. Students can apply to do so by one of two options:

- completing a new Direct Application for Admission form and select the 'Yes' box for the question "Is this an application for a Course Transfer?" or
- making application online through My Enrolment.

If you are seeking credit transfer (advanced standing) for units in the course that you are transferring to based on similar units you have studied in your current course, please complete an Advanced Standing Application form. You will not have to supply supporting documentation as a copy of your academic record will be accessed to ascertain your eligibility to course and credit transfer.

Students cannot transfer to another course at another University or Higher Education Institute. Instead you must withdraw from the SCU course using My Enrolment and make application to the new institute via their published application process.

Please note students wishing to exit from an SCU course with a lesser award should contact the relevant School or College for further information.

Further information about enrolment issues

Further information or assistance regarding enrolment issues is available by consulting:

- the relevant course and unit entries in the *Student Handbook*
- the relevant Enrolment Rules in the Rules section of the *Student Handbook*
- the School or College Student Liaison or Support Team
- a Student Services Enrolment Officer:

Phone: 1800 626 481

Email: enrol@scu.edu.au

MySCU

The 'MySCU' portal is a student's point of entry to a range of services and resources that are available online to support study and student life at Southern Cross University. The services and resources include online learning sites, support services and the University Library. MySCU is a student's 'doorway' to unit materials and online activities.

MySCU contains two main sites on the home page: Information Sites and Learning Sites, where students can access resources and communication tools and links that are integral to their study throughout the study period. Contact details for teaching staff and information and messages specific to each unit are provided, together with grades and grading standards and the referencing requirements specific to an area of study.

Students should regularly check the following location in their browser:

<http://study.scu.edu.au>

This opens the MySCU student intranet page.

MySCU Information Sites

MySCU `Information Sites` contain the Student Centres for each School and are typically online information forums specifically developed to support students studying units offered by a particular school. Following are examples of the information that may be contained within Student Centres under MySCU Information Sites:

- **Notice Board** contains important announcements posted in relation to administrative deadlines, re-enrolment, examinations, upcoming events and internship opportunities, as well as a range of other relevant details.
- **Important Information** about advanced standing, leave of absence, candidature extension and graduation together with links to other University sites such as Schedule of Units, principal dates, Student Handbook, special consideration and examination, maps, student classifieds and My Enrolment.
- **Textbooks and Timetables** link students to information about textbooks and timetables for classes and examinations.
- **Course Information** contains a link to the current course enrolment guides and relevant course related information.
- **Unit Assessor List** for units on offer in each study period.
- **Discussion Board** is an interactive forum that allows students to communicate with staff and/or network with other students.
- **Staff Contacts** lists School staff and their contact details.
- **Job Opportunities** provides students with information in relation to employment vacancies and where applicable opportunities for industry Scholarships.
- **Important Links** are provided to the University Co-op Bookshop, Schedule of Units, University Library, Student Services, Academic Skills Development Unit and Counselling Services.

MySCU Learning Sites

`Learning Sites` contain vital information about the unit of study in which a student is currently enrolled and it is within these sites that students can obtain unit and assessment information, study materials and resources, including the Unit Information Guide and Study Guide. The Unit Information Guide is an important document as it contains details of the aims, objectives and syllabus of the unit, as well as the essential prescribed textbook (if applicable) and the assessment tasks with due dates. Students should obtain a copy of this guide once the unit learning site is activated.

It is strongly recommended that Unit Information Guides are kept upon completion of each unit. Should a student decide to further their studies or apply for advanced standing at a later date, they may be requested to supply this information to SCU or another institute as evidence of the unit requirements.

Through the Learning Sites students can also link to ElluminateLive! where lecturers may have real-time discussions with their students while they view PowerPoint slides, web sites, a whiteboard and shared applications – all of which are interactive.

Students will obtain access to MySCU Learning Sites one week prior to the commencement of the study period providing they are enrolled in that unit. Please note Learning Sites will be open to allow students to become familiar with the site and to download information but teaching and moderation of discussion boards will not occur until the first teaching day of the study period.

If the symbol  is displayed to the left of the link to the Learning Site this means the site is not yet available. Where a student cannot see a particular unit listed under Learning Sites they should first check their enrolment status through My Enrolment. If it appears the student is not enrolled in that unit, they should either enrol in that unit or email a variation request to Student Services at enrol@scu.edu.au If a student is enrolled in a unit but still cannot see the Learning Site they should send an email to helpdesk@scu.edu.au

Illuminate Live!

Illuminate Live! is web-based audio-conferencing software for real-time collaboration; a mix of a teletutorial and virtual classroom with additional features. Depending on the unit of study, the virtual environment can include recordable e-classroom sessions, enabling students and teachers the choice to actively engage with each other and their learning materials by communicating verbally via a headset or by typing on-screen. Illuminate Live! can contain information presented using Microsoft products such as: Word, Excel, PowerPoint or other databases e.g. the University's Student Management System. Illuminate Live! sessions can be pre-recorded or conducted live and recorded for future reference.

Students are encouraged to find out more by clicking the IlluminateLive! Help button within their MySCU Learning Site, or go to www.scu.edu.au/illuminate

MySCU login details

Students can access their MySCU login details through My Enrolment. Once in My Enrolment students can click on the "MySCU Details" tab to find their MySCU username, SCU email address and login details. Following is an example of the login message a student will find there:

Listed below are the MySCU details we have recorded for you.

Your MySCU and SCU email password is initially set to your date of birth in eight digit format – DDMMYYYY e.g. 15061989

This password must be changed after you first log in – you can change your password in the 'Computing & IT' section of your MySCU welcome page.

MySCU Username: jcitiz10

SCU Email Address: j.citizen.10@scu.edu.au

HINT 1: Commencing/first year students should check MySCU as soon as possible as it will assist their preparedness for university studies.

HINT 2: It is important students read and understand the information contained in the Unit Information Guide.

Textbooks

Prescribed textbook details can be found on the University Co-op Bookshop website www.coop-bookshop.com.au and are also contained in your Unit Information Guide for each unit.

Approximately two to three weeks prior to each study period commencement students can check their prescribed textbook list on the University Co-op Bookshop website. Information regarding prices and availability can also be checked on this site.

Prescribed textbooks can be purchased from on campus Co-op Bookshops at Coffs Harbour, Lismore and Beachside, or online for delivery to residential addresses.

When searching for textbooks or ordering online students should use the text search facility. Go to the website and find 'Text List Search' in the 'Book Search' drop down menu at the top left. Enter the Southern Cross University campus, relevant study period and unit code/s. Searching

or ordering using the 'Text List Search' will link automatically to the textbook information a Southern Cross University member of staff has given the University Coop Bookshop and will ensure that the correct books are selected.

Limited copies of required texts are placed on reserve in the University Library.

The University Co-op Bookshop contact details are:

Lismore campus

Online: www.coop-bookshop.com.au
 Phone: +61 2 6621 4484
 Fax: +61 2 6622 2960
 Email: lismore@coop-bookshop.com.au

Coffs Harbour campus

Online: www.coop-bookshop.com.au
 Phone: +61 2 6659 3225
 Fax: +61 2 6659 3226
 Email: coffs@coop-bookshop.com.au

Beachside campus

Online: www.coop-bookshop.com.au
 Phone: +61 7 5599 4191
 Fax: +617 5599 4568
 Email: scubeachside@coop-bookshop.com.au

For further information visit the website: www.coop-bookshop.com.au

Study materials and Books of Readings

Distance education (university wide/external) students

Once enrolled, distance education students (external, university wide) will be sent study materials that include the Study Guide and Book of Readings, if applicable to a unit. Study materials will generally be provided on a CD. Hardcopies are only available upon request.

Copies of study materials are also available online. The Unit Information Guide and Study Guide are available on the MySCU Learning Site for each unit. The Book of Readings, if applicable to a unit, is available on the University Library [eReadings](#) website (for online viewing and saving). Some Study Guides and workbooks, if applicable, may also be available on eReadings.

Study materials will be forwarded to the 'preferred' address listed in the student contact details in My Enrolment under the 'My Details' tab. Please ensure this address is kept up to date at all times.

Delays in receiving study materials may be experienced if you enrol (or vary your enrolment) only a few weeks before the study period commencement date. If study materials are not received by the commencement of the study period, students should immediately contact their School or College External Studies Dispatch Officer by email or telephone.

Internal (on-campus) students

Internal (on-campus) students can obtain copies of study materials from the MySCU Learning Site for each unit. The Book of Readings, if applicable to a unit, is available on the university library [eReadings](#) website (for online viewing and saving).

Students can obtain printed copies using Rapidprint, which is a student print-on-demand system where printed copies of the study materials in eReadings can be purchased. Your SCU username and password is required.

Students in correctional centres

If you are currently in a Correctional Centre, please advise the relevant School or College as soon as possible. We are aware that students in Correctional Centres may require Southern Cross University to make special arrangements to ensure access to study materials.

Books of Readings

Books of Readings are often produced by Schools or Colleges to supplement textbooks and are available on the University Library [eReadings](#) website. In eReadings study materials are available for students to browse. Students can obtain printed copies using RapidPrint.

RapidPrint is a student print-on-demand system where printed copies of the study materials in eReadings can be purchased. Credit cards are accepted and any Australia Post charges are added to the cost of the order. Your SCU username and password is required. Distance education (university wide/external) students receive a copy of the Book of Readings in their study materials but are welcome to use the services of RapidPrint, if they wish.

More Information

For more information on RapidPrint or to access their printing services go to the SCU [RapidPrint](#) website.

Where a School has alternative arrangements in place regarding study materials and Books of Readings, students will find specific information in Part One of this guide.

Turnitin

Many assignments at the University will be submitted (through MySCU) to Turnitin, a text-matching system that finds similarities between assignments and other documents such as web pages and academic journals.

Turnitin produces an 'Originality Report', a report identifying sections of text in the submitted assignment which match sections of text in these other documents. Turnitin at SCU is set up so that students can self-check their work before submitting a final copy of their assignment.

For further information, see the SCU [Turnitin](#) website.

Orientation and transition

The orientation program at Southern Cross University is a four-week program welcoming first-year and returning students to SCU. The program offers essential information to help students start and recommence their university life. This essential information includes, course information sessions, academic support sessions and student support information. There is also a comprehensive sport and cultural program and opportunities to meet other students and staff in a supportive environment.

To find out more go to www.scu.edu.au/orientation

Beat the Stress Week

'Beat the Stress Week' is an integral part of the Southern Cross University Orientation Program. It showcases support services and associated staff and puts a face to a name. The Beat the Stress Week program include, a festival day, clubs and society's day, informative sessions and workshops, entertainment and much more.

To find out more go to www.scu.edu.au/orientation

Student support services

Southern Cross University has a Student Health and Support Service (SHSS) that offers a range of services to encourage academic success and increase a student's enjoyment of study and

university life. The SHSS provides students with personal assistance including medical, dental, counselling, disability support, equity and pastoral care services.

The contact details for Student Health and Support Services are:

Counselling

Lismore & Distance Education students:	+61 2 6620 3943
Coffs Harbour:	+61 2 6659 3263
Gold Coast and Tweed Heads:	+61 7 5506 9200
Email:	counselling@scu.edu.au
After Hours:	1300 369 968 (Mental Health Access Line)

Medical

Lismore:	+61 2 6620 3943

Coffs Harbour (Anglican):	+61 2 6659 3263
Coffs Harbour (Roman Catholic):	+61 2 6652 3222
Gold Coast and Tweed Heads:	+61 2 6620 3943

Student Mentoring

All enquiries:	+61 2 6620 3422
----------------	-----------------

The Student Health and Support Services website will assist external students and students on all campuses to locate the services available either on campus or online. The website can be found at www.scu.edu.au/studentsupportservices

University Library

The library provides a wide range of services, print and electronic resources to support students in their study and assessment tasks, including distance education students and students with special needs.

To discover how the library can help students, visit the Southern Cross University [Library](#) website.

Library services and resources include:

- **Getting Help:** librarian assistance, finding information, referencing, EndNote and copyright
- **Online Resources:** catalogue, databases, Ebooks, eReadings, journals, past examination papers, and search tools
- **Library Services:** borrowing, document supply and podcasts
- **SCU Library Guides:** subject guides.

Southern Cross University Library contact details are:

Lismore campus (located in Block A)

Freecall:	1800 659 460 or +61 2 6620 3752
Fax:	+61 2 6622 0093
Email:	libdesk@scu.edu.au

Coffs Harbour campus (located in Block E1)

Phone: +61 2 6659 3232
Fax: +61 2 6659 3234
Email: coffslibrary@scu.edu.au

Gold Coast, Tweed campuses (located at Gold Coast Campus)

Phone: +61 7 5589 3100
Fax: +61 7 5589 3702
Email: goldcoastlibrary@scu.edu.au

Academic Skills Development Unit

The Academic Skills Development Unit (ASDU) provides educational support to the staff and students at Southern Cross University. The support aims to improve the quality of students' learning by developing their skills in:

- critical thinking and analysis
- academic language and literacy
- numeracy
- study skills
- time management

ASDU staff are available at the Lismore, Coffs Harbour, and Gold Coast & Tweed Heads Campuses and online via the ASDU website.

Students can:

- explore the ASDU website for information on:
 - Academic skills
 - Numeracy resources
 - Workshops (both online and face-to-face)
 - Drop in sessions (both online and face-to-face)
- obtain a copy of the CD 'What is expected of me at university?' by emailing academicskills@scu.edu.au
- form a small group and email academicskills@scu.edu.au to organise a group session on a particular topic

Academic Skills Development Unit contact details are:

Website: www.scu.edu.au/academicskills/
Email: academicskills@scu.edu.au (domestic students)
intoff@scu.edu.au (international students)
rmunro@academic.scbite.edu.au (SCBIT Students)
Phone: +61 2 6620 3386 (domestic students)
+61 2 6620 3876 (international students)

Services for distance education students

Distance education students (external, university-wide) can access all Southern Cross University services in-person at any one of the SCU campus locations. Distance education students can also access SCU information and services via the SCU website, telephone, email, instant messaging, SCU Connect and MySCU.

The University has also established a Student Services freecall number for external students – 1800 111 890.

Information technology and technical support

Information Technology and Technical Support (IT&TS) provide technology, Internet connectivity and information systems services, training and support to students to support teaching, learning, research and administrative activities.

These services include:

- **SCU Connect** provides staff and students with access to a range of computing services including internet access, dial-up (modem) access, email, on-campus computing labs, website support, and online services, including MySCU, My Enrolment and Webmail.
- **IT Support:** The helpdesk allows students to log a call for assistance as well as view open and archived calls.

The contact details for IT&TS are:

Freecall: 1800 111 890, 9am–5pm weekdays (the call will be directed to the relevant Helpdesk).

Lismore, Tweed Heads and Gold Coast campuses

Phone: +61 2 6620 3698

Email: helpdesk@scu.edu.au

Website: www.scu.edu.au/it

Coffs Harbour campus

Phone: +61 2 6659 3080

Email: chec.helpdesk@scu.edu.au

Website: <http://checit.scu.edu.au>

Early engagement and intervention support

Southern Cross University has a whole-of-university approach to early engagement and intervention support for students. Part 3 of Academic Policy relates to student retention and standing and focuses on the first-year experience and to improving student retention and student success, which includes enhancing preparedness for study, enhancing the first year experience, ensuring a quality curriculum and authentic, engaging assessment with timely feedback and clear expectations about standards. Southern Cross University has also implemented formal early interventions and strategies to assist students' better academic performance, where necessary.

Early engagement and intervention support includes:

- Appropriate orientation to the social and academic culture of the University.
- Information about the various forms of assistance and student support services available to students.
- Targeted intervention and support for those students who have not engaged with their studies or do not pass early assessment items. For example, most Schools or Colleges will require students to undertake an early online orientation assessment or activity that is associated with at least one core unit during the first year. Students who do not participate or struggle with the activity will be contacted and offered appropriate assistance and support to develop the necessary skills to successfully undertake their studies.
- Opportunities within each course to participate in community-building activities such as peer mentoring schemes.
- Tracking student progress through the allocation of academic standings based on a student's Grade Point Average (GPA) and implementing appropriate intervention procedures, academic support and learning assistance activities to students who require support.

Students should become familiar with Academic Policy Part 3, Student retention and standing, which can be accessed through My Enrolment by selecting 'Grades' under 'MyGrades'.

If further information is required please contact your School or College.

Examinations

Final examinations are held at the end of each study period. Not all units require examinations so students should carefully check the assessment requirements of all the units in which they are enrolled. Examination dates are detailed in the [Southern Cross University Teaching Calendar](#).

Examinations are held in many cities and towns throughout Australia and in some countries overseas. If a student is living within 120km of an established Exam Centre they are expected to attend that centre. Examinations can be arranged outside of Australia, however they attract a fee.

Distance education students (external, university wide) are required to select an Examination Centre through My Enrolment when they select their first units of study. Distance education students will receive a letter from the Examinations and Progression Unit, Student Services detailing the exam timetable, the exam location, the exam supervisor and any special instructions regarding the centre. Distance education students should ensure that they check their examination centre immediately. Changes to an examination centre can be made in My Enrolment. Select the 'Change External Exam Centre Details' link under 'My Details'. Changes less than three (3) weeks prior to the commencement of an examination period attract an additional administrative charge. If a student is unable to select a suitable Examination Centre they should contact the Examinations and Progression Team.

Students who need to sit an examination at an overseas location must contact the Examinations and Progression Team to make the required arrangements.

All students will receive two emails to their SCU email regarding the examination timetable. The first is to notify that the 'Draft Exam Timetable' is available. The second is to notify that the 'Final Exam Timetable' is available. The 'Draft Exam Timetable' and the 'Final Exam Timetable' are published on the SCU website and in My Enrolment. To view, select 'Exam Timetable' under 'My Exams'. Please read all information carefully and follow all instructions.

It is a student's responsibility to check their Final Exam Timetable, exam centre details and to complete all required examinations. Details will not be given out by telephone. Misreading an examination timetable is not grounds for special consideration or a special examination.

Student Services must be notified immediately if you cannot attend an examination at a nominated external examination centre.

The University's rules governing Student Assessment and Examinations are set out in the Rules section of the *Student Handbook*.

For assistance please contact the Examinations and Progression Unit:

Phone: +61 2 6620 3431 or 1800 626 481

Email: exams@scu.edu.au

Special consideration/special examination

The Student Assessment and Examination rules provide for students to be granted a special examination or special consideration in appropriate circumstances.

A student may apply for special consideration to vary the deadline for an assignment assessment task (extension). This does not apply to an end of unit examination.

Where a student completes an assessment task (examination or assignment) and they believe their preparation or performance was adversely affected by health, compassionate circumstances, serious unforeseen personal events, selection in State, national or international sporting or cultural events or attendance at Defence Forces activities, the student may apply for special consideration regarding the marking of the assessment.

If a student is unable to sit for an examination due to medical or other exceptional circumstances they may apply for a special examination by completing an Application for Special Consideration and submitting it to the relevant School or College. Except in exceptional

circumstances, a special examination will not be granted once a student sits for an examination. Misreading the exam timetable is not grounds for a special examination.

An application form for Special Consideration is available from the Student Centre, from your School or College and on the Student Services website. All applications for special consideration/special examination **must** be accompanied by supporting documentation and/or corroborative evidence as follows:

Health grounds

- A health certificate from a registered health practitioner that must include the date of consultation and a specific statement of effect of medical complaint and/or treatment on your ability to complete any relevant task.

Compassionate circumstances

- Factual details of the circumstances or event and corroborative evidence that may support your claim e.g. health certificate, newspaper death notice.

State, National or International sporting or cultural events

- A statement signed by an authorised officer of the appropriate organisation which validates a conflict with the University's timetable.

Grades and academic standing

At the end of each study period upon the release of grades a student can check their grades for each unit, print a copy of their grades and identify their academic standing for that study period.

There are four categories of standing:

- **GPA 3.0 or above:** The student will commence their studies in this category, and once they have obtained final grades in units will then obtain a GPA for that study period.
- **Seek Help:** The student has a GPA greater than or equal to 2.50 and below 3.00 in their units for that study period.
- **Must Get Help:** The student has a GPA below 2.50 in their units for that study period.
- **Excluded:** The student has obtained a GPA below 2.50 in their units for two consecutive study periods.

Students allocated an academic standing of 'Seek Help' or 'Must Get Help' will be advised by:

- a notification posted within My Enrolment – My Grades; and
- an email issued to their SCU email account.

The 'Seek Help' email notification provides students with a weblink to various sources of academic assistance and they are encouraged to seek and use these resources during their next study period.

A student with a 'Must Get Help' academic standing will be given a weblink to sources of academic assistance and informed that they must urgently contact their Course Co-ordinator. They will also be advised that two consecutive 'Must Get Help' standings will result in automatic exclusion from the University. A student with this standing must consult with the Course Coordinator about subsequent unit selection prior to re-enrolling and/or commencing the next study period.

Both 'Seek Help' and 'Must Get Help' students are advised that if they have outstanding grade results that are likely to increase their GPA, they should delay making contact with the University until those grades are finalised.

Students who receive an academic standing of 'Excluded' will be advised by:

- a notification posted within My Enrolment – My Grades; and
- an email to their SCU email account; and
- a letter to the 'preferred' address recorded in the Student Management System.

An 'Excluded' student will be informed they have been excluded for one study period and advised of their re-enrolment and appeal rights, which are set out in detail under Rule 2.10 in the Rules Relating to Awards.

International onshore students who receive an academic standing of 'Must Get Help' or 'Excluded' are advised they must contact the International Student Advisor at their campus.

Students can access their grades and academic standing in My Enrolment by selecting 'My Grades'. Here students will also find a link to the relevant policy – *Academic Policy, Part 3, Student retention and standing*.

Students may query the grade awarded for any unit by first contacting their Unit Assessor to discuss the matter. The Unit Assessor will provide advice regarding the process, which is specified under Rule 3.14 Query of Final Grade in the Rules Relating to Awards.

Staying in touch with SCU

Students should ensure that they keep their contact details up to date in 'My Enrolment', including work, home and mobile telephone numbers and residential, postal and delivery addresses.

Students should also regularly access 'MySCU', (the University's online learning portal). Most lecturers make use of MySCU for announcements to all students regarding unit related matters, to answer individual or commonly asked questions and to offer assistance, tips or feedback with assignments. In MySCU students can also participate in discussion groups, upload assignments, access study materials and participate in online assessments.

The University encourages the use of electronic mail (email) to enhance communications and the sharing of knowledge and ideas. University email services are intended to allow greater efficiency and support teaching, learning, research and administration activities. The University student email address is viewed and used as the University's primary form of written communication with students. Students should access their SCU webmail weekly (even during University vacation periods) as changes to enrolment details, all-student notices and important reminders relating to University studies are sent to student SCU email accounts. Forwarding of SCU student email to a private email address is permitted. Forwarding instructions are detailed in My Enrolment under 'Email Forwards' – click on the 'Webmail Forward' link.

For further information please refer to the IT&TS *Email Policy, 2.2.1. Access and Availability – Student Email Accounts*.

MySCU and webmail login details

Students can access their MySCU and email login details through My Enrolment. Once in My Enrolment students can click on the "MySCU Details" tab to find their MySCU username, SCU email address and login details. Following is an example of the login message a student will find there:

Listed below are the MySCU details we have recorded for you.

Your MySCU and SCU email password is initially set to your date of birth in eight digit format – DDMMYYYY e.g. 15061989

This password must be changed after you first log in – you can change your password in the 'Computing & IT' section of your MySCU welcome page.

MySCU Username: jcitiz10

SCU Email Address: j.citizen.10@scu.edu.au

Complaints @ SCU

The University has a commitment to seeking feedback from students and staff, and acknowledges the right of students, staff or members of the public to complain if they are dissatisfied.

The University has established a Complaints Management Framework to provide for the timely and fair resolution to complaints. The Framework will help students to decide how to proceed with a complaint or concern.

Students are encouraged to make a complaint informally, as many complaints can be sorted out with the staff member directly responsible. However, if a complaint submitted informally is not resolved, then students should set out their complaint in writing to the nominated officer.

For further information about how to submit a complaint please refer to:

[Complaints @ SCU](#)

[Complaints Management Framework](#)

[Sources of advice at SCU](#)

[Nominated Complaints Officers](#)

General Information

Key Dates for 2011

	Session 1, 2011	Trimester A, 2011
Orientation and transition starts	Wednesday, 16 February	
Studies commence	Monday, 21 February	Monday, 17 January
Beat the Stress Week (showcasing Support Services)	Monday, 7 March – Friday, 11 March	
Last date to enrol online	Sunday, 6 March	Sunday, 30 January
Census date	Check your census date in My Enrolment	Check your census date in My Enrolment
Study break	Monday 4 April – Friday 8 April	
Study break	Monday 23 May – Wednesday 25 May	
Last withdrawal without fail	Saturday, 30 April	Saturday, 26 March
Exam period	Tuesday, 26 May – Saturday, 4 June	Monday, 18 April – Friday, 29 April
Grade publication	Saturday, 18 June	Monday, 9 May
Inter-session or inter-trimester break	Monday, 6 June – Friday, 17 June	Monday, 2 May – Friday, 6 May
	Session 2, 2011	Trimester B, 2011
Orientation and transition starts	Wednesday, 15 June	
Studies commence	Monday, 20 June	Monday, 9 May
Beat the Stress Week (showcasing Support Services)	Monday, 4 July – Friday 8 July	
Last date to enrol online	Sunday, 3 July	Sunday, 22 May

Southern Cross University Orientation Program

ALL WELCOME

Welcome to our new and returning students.

The orientation program provides important orientation sessions such as:

- Essential course information sessions,
- Academic skills development sessions,
- Library and campus tours, and
- IT essentials.

The Office of Sport and Cultural Activities, (OSCA), in conjunction with the SCU student associations, also offer a variety of social, sporting and cultural programs.

Start by going to:

www.scu.edu.au/orientation

and get all your orientation information – we welcome you to SCU!
