The following information is provided to assist in the use of the Schedule of Units.

This **Schedule of Units (SOU)** is a system-generated report.

The Schedule reports study packages (units) alphabetically by unit name and includes information on non-standard credit points (12 is the standard credit point value), requisites and enrolment restrictions. The Schedule is organised in study periods as indicated on the header of each page (eg Semester 1, Trimester 1, etc).

Important Note: Written approval from the relevant School is required to **change unit enrolment from university wide (external) to internal mode**. Before this approval is granted, external study material must be returned to the school (ie. the school responsible for the unit).

DEFINITION OF UNIT REQUISITES

Pre requisite study package ("Pre") - means a study package (unit *or* course) which must have been completed with a grade of Pass or above before enrolling in another specified study package.

Co requisite study package ("Co") - means a study package (unit *or* course) in which a student must be concurrently enrolled (*or* have satisfactorily completed) prior to enrolment in another specified study package.

"S1Co" means a study package in which a student *must* be concurrently enrolled in another specified study package.

Anti requisite study package ("Anti") - means a study package that if satisfactorily completed will not allow enrolment in another specified study package, normally because they are equivalent or overlapping in content.

AVAILABILITY DEFINITIONS

Internal - is a lecture-based course of study at a physical location eg Lismore, Coffs Harbour, Singapore, etc. Such a course may be web enhanced eg MySCU.

External (EXT) - is an externally delivered course of study with study guides and course materials delivered via the post. Also called distance education or study via correspondence. It is typically web enhanced.

On Line (ONL) - is a course of study delivered *exclusively* on-line. All material for the unit is delivered on-line via the web.

OTHER DEFINITIONS

- **Enrolment restrictions** - are the enrolment conditions for the particular study package (unit or course) and are found directly under any requisites for the relevant study package.
- **Spk(s)** - is short for study package(s) and can be a unit or course.
- **Band** - refers to the Student Contribution HECS-HELP band for the particular unit, being 1, 2 or 3. Refer to HECS-HELP booklet.
- **Fund** - refers to the Student Contribution Funding Cluster for the particular unit, being 1-12. Refer to the HECS-HELP booklet.
- **HOS** - short for Head of School.

READING REPORT

Reading pre-reqs: "1 Spk(s) in: LAW00111, LAW00130, LAW00101, LAW00150" can be read as:

Pre-req required is one unit only of the following: LAW00111 or LAW00130 or LAW00101 or LAW00150.

- Example used is LAW00525 Cyberlaw.
- **"%"** - is a symbol which refers to **any** SCU unit or course (ie. insert the word "any" in place of "%").
For example: "Pre - 5 spks in: %" means the pre-requisite is **any** 5 SCU units.

Refer to the Current SCU Handbook and/or enrolment information for Course Rules and full unit descriptions.

Handbook is at: <http://www.scu.edu.au/docs/handbook/index.html>
