The following information is provided to assist in the use of the Schedule of Units.

This **Schedule of Units** (SOU) is a system-generated report.

The Schedule reports study packages (units) alphabetically by unit name and includes information on non-standard credit points (12 is the standard credit point value), prerequisites and enrolment restrictions. The Schedule is organised in study periods as indicated on the header of each page (eg Semester 1, Trimester 1, etc).

**Important Note:** Written approval from the relevant School is required to **change unit enrolment from university wide (external) to internal mode**. Before this approval is granted, external study material must be returned to the school (ie. the school responsible for the unit).

---

### DEFINITION OF UNIT REQUISITES

**Pre requisite study package ("Pre")** - means a study package (unit *or* course) which must have been completed with a grade of Pass or above before enrolling in another specified study package.

**Co requisite study package ("Co")** - means a study package (unit *or* course) in which a student must be concurrently enrolled (*or* have satisfactorily completed) prior to enrolment in another specified study package.

**"S1Co"** means a study package in which a student *must* be concurrently enrolled in another specified study package.

**Anti requisite study package ("Anti")** - means a study package that if satisfactorily completed will not allow enrolment in another specified study package, normally because they are equivalent or overlapping in content.

### AVAILABILITY DEFINITIONS
