

**Southern Cross
University**

Term 1 Orientation 2026

Orientation website

Orientation

Congratulations on starting your journey with Southern Cross University. We can't wait to show you what SCU has to offer.

Whether you're an on-campus, online, cross-institutional, or international student, your journey as a university student starts with Orientation.

Orientation is delivered both on campus and online. As part of your Orientation experience, we provide a range of workshops in the weeks leading up to Orientation week. These workshops are designed to help you transition into university life, connect you with our services, and set you up for success.

We also offer a comprehensive online module, **New to SCU**, that steps you through everything you need to get started on your journey at SCU.

Whether it's your essential admin tasks, attending your course information session, or learning about the technology you'll be using and support services available to you, FYI covers it all.

You can log in to **[New to SCU here.](#)**

Orientation week is essential for all international students. Please get your passport and VEVO Visa status details ready for check in registration.

Offshore students who are unable to attend, due to the time difference, will have a one-on-one appointment with an international student support staff member. To arrange an appointment, please email **ioadviser-gc@scu.edu.au**.

Schedule of Orientation Workshops

3 weeks until Orientation

Please note, all times are displayed in NSW time (Australian Eastern Daylight Time, AEDT) unless otherwise stated.
