

Welcome to Open Day!

National Marine Science Centre

Immerse yourself in the world of Marine Science.

Located on the shores of the Solitary Islands Marine Park – where tropical and temperate currents converge – the National Marine Science Centre offers a truly unique environment for hands-on learning, research and discovery.

Join a guided tour of the National Marine Science Centre facilities, including our cutting-edge laboratories and the aquarium.

Get up close with incredible marine species, meet our dedicated staff and students, and learn more about the real-world experience you'll gain during your studies.

Where and when
