

HDR Researcher Profile

Name: Matt Hodge

School of Education

Program: EdD

Thesis title: Developing collective teacher efficacy in rural Queensland secondary schools.

Thesis Description (key theories and methodologies):

This thesis will consider how school leaders in rural secondary schools overcome the factors that hinder the development of collective teacher efficacy as a means of improving student achievement.

Bio

I have worked in both the Independent and Catholic sectors for over 12 years. Currently, I am an Assistant Principal in a rural Catholic P-12 College in South-West Queensland.
