[^]FTP deadline is the date by which all fit to practice documentation must be submitted in Sonia Online. Students who plan to enrol in a WIL unit must adhere to the published FTP due date otherwise you will no longer be able to continue in the corresponding unit(s). **It is important to note** that the check expiration date (recorded in Sonia) is different to the FTP deadline, and if your check is due to expire within the upcoming placement duration, this must be renewed by the relevant FTP deadline (noted above).
