1 Check the evidence you need
Work through the requirements below for the placement unit you are enrolling in.

2 Upload all required documents
Upload them to the Checks tab in Sonia Online before your deadline, and make sure you submit them correctly.

3 Don't miss your deadline
Start early — some requirements take time. If you miss your deadline you will not be allocated a placement.

What you must submit complete the following requirements before your Fit to Practice deadline

Placement Fit to Practice requirements

- | | |
|---|---|
| ☐ Annual WIL Student Statement | ☐ NSW Health TB Assessment Tool |
| ☐ National Police Certificate | ☐ NSW Health Undertaking / Declaration |
| ☐ First Aid | ☐ NSW Health Blood borne virus declaration |
| ☐ NSW Health Code of Conduct | ☐ Vaccinations — dTpa, MMR, Varicella, Influenza, and Hepatitis B vaccination and serology |

Hepatitis B — start early. From the beginning, the vaccinations and post-vaccination serology take 6–7 months. You must follow the required minimum timeframes between doses, and post-vaccination serology is normally taken 1 month after your final vaccination. If you are completing your first placement unit, a partially completed course is accepted. If you cannot meet the FTP deadline because you are completing an approved Hepatitis B course, this will not affect your FTP compliance status. **Do not undertake an accelerated Hepatitis B course — accelerated schedules are not accepted.**

Your Fit to Practice deadline every requirement must be in Sonia Online by this date, or you will not be allocated a placement and cannot continue in the unit
