Research Integrity Training

The Research Integrity Training takes approximately 1 hour to complete, and you are required to pass the quiz and save your certificate at the end.

Firstly, select *Research Integrity Training* below to complete the module. Once you have completed the module, close the window to come back to this page, and then select *Research Integrity Training Quiz* below to complete the quiz.

You must answer 8 out of 10 questions correctly, and can re-attempt the quiz if needed.

Quiz results will be recorded. Certificates will be automatically generated for those who successfully pass the quiz, and are available for download below upon completion. Kindly note you are responsible for keeping the certificate on file as evidence of completion.

The Research Integrity Training must be completed in accordance with the [Research Integrity Training Guidelines](#), and [Research Integrity Guidelines for HDR Candidates and Supervisors](#).

Please refer to the Guidelines on the [Southern Cross University Policy Library](#).

Please note:

- [Use Google Chrome to access the training](#).
- The training module will **open in a pop-up window**. You may need to disable pop-ups.
- *Do not close the main browser window* as this will close the pop-up window as well.

If you wish to leave feedback about your experience completing the training, please do so by [completing the survey here](#).
