

*Celebrating the year of 2023 – we thank you for your continued support.*

We will be closed from Friday 22 December, 2023. Our regular sample receipting will resume on Tuesday 2 January, 2024.

To enable reporting before the end of the year, please observe the December cut-off dates:

Area of analysis	December 2023
Australian Standards Compost (AS4454), Potting Mix (AS3743), Landscape Soils (AS4419), Main Roads Compost (MRTS16 and R178)	Fri 1
Septic disposal, Phos-sorption	Fri 8
Basic Compost	Mon 11
Contamination and all sub-contracted parameters	
Fertilisers and Haney Soil	
Main Roads Soils (MRTS16 and R178)	
Physical Parameters	
Waters	Fri 15
Acid sulfate soil and rock	
Agricultural soil	Mon 18
Agricultural plant	

**Most samples received after the above dates will be analysed ASAP. However, completed results may not be reported until the New Year.**

Samples in postal transit between 23 December and 1 January are usually held by the postal service for delivery on 2 January, 2024.

We wish you a happy, safe holiday season and a prosperous new year.

***The EAL Team***
