

# Library Teaching & Learning: Southern Cross Model

Transforming > Tomorrow

## Zero textbook cost (ZTC)

- The library team works closely with academics across all Faculties and Colleges to implement ZTC strategies and remove the need for students to purchase commercial textbooks
- Open educational resources (OER) are the university's [preference](#) to commercial textbooks as they are free of cost and access limitations
- View our curated [OER collection](#) to locate texts relevant to your discipline
- The library team can help to identify appropriate library subscribed resources in instances where no OER are available

## myReadings

- Publish all [unit readings](#) in the one place linked from MySCU
- Include websites, YouTube videos, documents, journal articles, book chapters, e-books
- Edit your own list, or the library can do it for you
- Contact [myreadings@scu.edu.au](mailto:myreadings@scu.edu.au) for any myReadings related questions

## Referencing

- Link to [Referencing Library guides](#) (including APA, Harvard and AGLC)
- Embed APA, Harvard and AGLC course presentations
- Embed or link to the [Student Learning Zone's referencing resources](#)

## Research skills

- Develop students' research skills with [From Search to Source: Finding reliable information](#), an interactive OER that builds skills in searching for and evaluating relevant information
- Link to [subject specific guides](#) (Library Guides)
- Connect students with [Library workshops](#) to develop effective research skills
- Find [recommended databases](#) to support teaching, learning, and research

## Embed interactive & online content

- Embed or link to content in [From Search to Source: Finding reliable information](#), an interactive OER that helps to develop students' skills in searching for and evaluating relevant information
- Search [Clickview](#) database and embed interactive videos
- Embed library [YouTube Videos](#)
- Embed library H5Ps or contact your Librarian for unit specific content

## Copyright

- [Copyright for teaching staff](#) for general information on the copyright considerations for teaching
- Contact [copyright@scu.edu.au](mailto:copyright@scu.edu.au) for any copyright related questions
