Study overseas and discover the world

Toby Ekman

Where in the world would you rather be?

SCU's global mobility programs are your ticket to the cultural experience of a lifetime. Personalise your studies and live overseas without delaying your graduation at SCU.

Exchange

Make the world your classroom! UK, China, France or Brazil – the choice is yours. Spend a semester or a year at one of SCU's exchange partner universities worldwide.

Study Tours

Keep your time overseas short and sweet with one of SCU's study tours. Tours range from two-to-six-weeks as an alternative to, or in addition to, your semester abroad.

Internships

Discover your industry from the inside and spend time overseas working in your field of study. This unforgettable experience will enable any graduate to stand out.

Financial Support

Domestic students can access a wide range of funding assistance, including:

- Grants and scholarships ranging from \$1 000 – \$5 000
- OS-HELP Loan Scheme of up to \$7 635 added to your HECS-HELP debt
- Eligible students can continue to receive Centrelink payments while studying overseas.
