Acknowledgement of Country

Southern Cross University acknowledges and pays respect to the ancestors, Elders and descendants of the Lands upon which we meet and study. We are mindful that within and without the buildings, these Lands always were and always will be Aboriginal Land.

Acknowledgement of origins

We acknowledge Widjabal Country as the Country where Southern Cross University originated and grew,

and from where it continues to grow. It seeded the growth of our Gumbaynggirr Campus in Coffs Harbour, our Yugambah Campus in Coolangatta and it planted the seeds to transform the Countries we are on.

Understanding our origins will make each step into the future a more purposeful one, leading all to transform tomorrow.

Our campuses

Southern Cross is a multi-campus university with main campuses at the Gold Coast in Queensland, in the Northern Rivers and at Coffs Harbour in New South Wales, as well as four metro campuses in Brisbane, Sydney, Melbourne and Perth.

The regions we call home all have unique characteristics as study locations – from cosmopolitan cities, thriving industries and coastal lifestyles to living laboratories of great natural beauty and ecological diversity within easy reach of the campus.

Gold Coast campus

Our Gold Coast campus is located at Coolangatta on the lands of the Yugambeh Nation, just 400 metres from North Kirra Beach, and adjacent to the Gold Coast Airport. Many vantage points offer stunning views of the Pacific Ocean.

The campus is spread across three contemporary buildings that house innovative learning spaces, health science laboratories, computer labs, student lounges, the University's Digital Enterprise Lab and an on-campus Health Clinic.

Northern Rivers campus

Our foundation campus is located at Lismore in the heart of the Northern Rivers on the lands of the Bundjalung Nation. Set on acres of lush rainforest that include a koala hospital, the Northern Rivers campus is within easy reach of both national parks and the beautiful beaches of Ballina and Byron Bay.

It is also home to state-of-the-art engineering and environmental science facilities, specialist health labs and simulated hospital wards, a Learning Centre and library complex, heated pool and gym, on-campus accommodation and a Health Clinic.

Coffs Harbour campus

Our Coffs Harbour campus is located on the lands of the Gumbaynggirr Nation at the heart of an education and innovation hub. Coffs Harbour boasts a relaxed coastal lifestyle but this growing city also hosts international sporting events and regional festivals thanks to outstanding facilities and a major regional airport.

A multi-million-dollar Health Sciences Building on campus features a biomechanics running track and high-tech simulation teaching laboratories. The campus also has a fitness centre, on-campus accommodation, sporting fields and is close to beautiful beaches and national parks. The University's world-renowned National Marine Science Centre is located in Charlesworth Bay on the north side of the city.

Metro locations

Sydney

Sydney campus offers students a vibrant study environment in the heart of Sydney's Central Business District. Positioned near the iconic Sydney Harbour and major transport connections, the campus is surrounded by Australia's leading corporate businesses and cultural landmarks that define the city's vibrant energy.

Melbourne

Melbourne campus is located in the heart of the city's thriving Central Business District. The campus is surrounded by the city's key business, retail and cultural precincts.

Perth

Perth campus is located in the Central Business District of East Perth.

It's not far from Kings Park, one of the largest inner-city parks in the world, and the Swan River, where students can take a ferry to other locations around the city.

Brisbane

Brisbane campus is located in the heart of the city's Central Business District.

The campus is just a short walk from the Brisbane River, the City Botanic Gardens and Queen Street Mall, giving students plenty of opportunities to enjoy the city's vibrant lifestyle between classes.

Student life

Going to university is not only about getting a first-class education and setting yourself up for that dream career. It's also about having fun, making lasting friendships and enjoying the social side of university life.

UniLife

Our UniLife program aims to encourage both your academic success and support your wellbeing. Students can get involved in social sports clubs and societies, and University-wide events such as the University Student Awards, snow tour, learn-to-surf camps, beach and water safety programs, and other national competitions.

Supporting your success

The Southern Cross Model – a better way to learn

Our academic model is designed with student success in mind. Six-week terms and immersive learning experiences create confidence, motivation and momentum with flexibility in your study schedule.

What our students say about the Southern Cross Model

“Coming to uni is a huge commitment, but having a six-week term is quite manageable.

Every six weeks you’re getting that two-week break. So my study life balance is amazing. I have so much time to do so many different things.”

Nakia

Bachelor of Psychological Science student

Meet your academic personal trainer

Starting university is super exciting but it can be a little daunting too.

That’s why, as a new undergraduate student, you’ll be assigned a First Year Adviser.

Your adviser is your go-to person for the first eight units of your course, which is your first year if you are studying full-time.

Think of your First Year Adviser as a kind of academic personal trainer. They can connect you with support services at the University, help you navigate University systems and provide you with guidance and extra support should you need it in your studies, or in other aspects of student life.

They are specialists in your discipline and are there to help you succeed.

Tuition fees and study costs

Commonwealth Supported Places

Tuition fees for most undergraduate and some postgraduate degrees are subsidised by the Australian Government. These are called Commonwealth Supported Places (CSP). You pay a part of the tuition fees and the Government pays the rest.

You can defer the payment of your fees for a CSP degree through the HECS-HELP loan scheme. This allows you to postpone paying your fees until your income reaches a certain threshold. You then pay it back a little at a time through the tax system.

Student Services and Amenities Fee

Also known as SSAF, the Student Services and Amenities Fee is used to provide important services and amenities to students both on and off campus. Your course is made up of units and the SSAF is calculated per unit. The maximum SSAF fee in 2026 was \$373. Eligible students have the option of deferring this fee through the SA-HELP loan scheme.

Other study costs

Your costs could also include computer equipment and software, stationery, field trips, uniforms, vaccinations or other course-specific expenses such as travel for practicums, internships or industry experience.

Books and supplies

Some courses will require you to buy textbooks. The cost of textbooks varies greatly from unit-to-unit. Second-hand textbooks are sometimes available.

Scholarships

One easy application for a range of scholarships

Scholarships can really make a difference. They can reduce the financial aspect of study and help you to focus on your studies and put your learning first.

There are scholarships for every stage of your journey at Southern Cross University. Applying is easy. With one application you will be considered for a wide range of scholarships.

Scholarships range in value from \$600 to \$50,000.

Scholarships are available to undergraduate and postgraduate students for:

- Academic achievement
- Financial hardship
- Indigenous Australian students
- Leadership and community involvement.

There are also scholarships to study abroad as an international exchange student.

Education

Southern Cross graduate teachers have a lasting and profound impact on the lives of their students, from the early childhood years right through to secondary school.

All degrees engage with the most contemporary and transformative thinking in education. Initial teacher education courses include extensive and meaningful placements, ensuring that graduates are profession-ready. Dual-state accreditation for primary and secondary programs expands career opportunities in both NSW and QLD, while the early childhood teacher programs are nationally accredited by ACECQA.

Extensive and meaningful work placements prepare you as a teacher

Veterinary Sciences

Vets play a critical role in our communities and economy. There is a chronic shortage of vets and veterinary technologists in Australia, particularly in rural and regional areas.

Located in one of Australia's most diverse regions, the Northern Rivers campus is an ideal place to gain skills with a range of animals - from the care of small animals in local veterinary practices and wildlife hospitals through to large animal care in farming enterprises and aquaculture.
