2013 Course Enrolment Guide
School of Arts & Social Sciences
Bachelor of Visual Arts
Welcome

WELCOME ALL

Welcome to the Visual Arts and to the School of Arts and Social Sciences. All of us here in the School and especially in the Bachelor of Visual Arts and are delighted to have you aboard for the next few years. We aim to provide you with the best possible learning experience and to support you in having a memorable and creative introduction to contemporary art practice.

Whether you aim to become artists, art industry workers, art-educators or to acquire expertise across these areas, we wish you all the best for what should be both a challenging and creative experience. It is only right to describe an introduction to art practice in these terms because they reflect the values and attributes that the program will provide. You are entering a learning environment where you will study, research and create. You will learn to think critically and analytically across diverse cultural perspectives. You will develop a broad integrated command of knowledge, skills and technologies in visual arts' sustainable practices.

The Visual Arts staff are all practicing artists with up-to-date knowledge of the art-world, in all of its facets. They all have substantial personal art practices and can help you mediate the academic and practical aspects of art production into strategies for carrying out creative projects and developing your self-initiated work. At the end of the program you will find yourselves producing innovative and sophisticated bodies of artwork for a diverse graduation exhibition. And the opportunities will be provided for students who wish to proceed to Honours and later, Postgraduate Studies.

Eventually you will become part of our Alumni as you move out into your various careers and the friendships and networks of students you will have made during your time at the university will continue to be supported. We wish you every success over the next few years and trust that your application to your studies and your passion for making artworks will enable you to grow and develop in a nurturing, dynamic environment.

How to use this guide

This course enrolment guide has been developed to assist students with unit selection, to facilitate online enrolment and provide advice about important contacts, resources and support services available. It is also a valuable resource containing easily referenced material that no student should be without.

- **Part One** contains course-specific information and sets out the structure of the course, maps suggested or compulsory unit progressions and shows specialisation sequences per study period, if applicable.
- **Part Two** provides helpful information in relation to important dates, useful websites and relevant administrative information including the contact details of specialist staff within the University who are available to assist with specific enquiries.

What to do next

1. Visit the **Getting Started** website. This site contains the steps needed to:
   - gain access to **My Enrolment**
   - check student details
   - accept an offer
   - choose a payment option
   - gain access to **MySCU** and **SCU webmail**.

2. **Print or download this Course Enrolment Guide** and retain it for reference throughout the duration of the course.

3. Choose units to study using the course structure and unit information provided in this Course Enrolment Guide. Remember to:
   - read this guide carefully as it will recommend units for enrolment in each study period
   - choose units for each Session or Trimester within the academic year and understand where those units fit into the course structure
   - consider using Session 3 (an optional study period) to spread study load, dedicate time to studying units that might need a concentrated effort, or fast track and complete studies earlier.

4. Enrol in units for the **whole year** using **My Enrolment**.
   Enrolment for 2013 opens on 2 October 2012. Students will receive a notification advising that enrolment is open in their SCU Webmail account. Look out for this email and enrol early.
   SCU requires students to plan their studies in advance and enrol in units for the full academic year. Students self manage their enrolment online in My Enrolment and can change enrolled units, add more units or withdraw from units up until the start of each study period.

5. Check the census date for each unit using **My Enrolment**.
   Each unit of study (subject) has a census date that is the day upon which a student’s enrolment for unit(s) in the study period becomes final. After the census date a student cannot enrol or withdraw from units without financial and/or academic liability.
   Census dates can be found in **My Enrolment** under **Study Plans** then **Current Enrolment Including Census Date**.

6. Access the School Student Centre and Unit Learning Site(s) in **MySCU**.
   A Unit Learning Site is generated for every unit in which a student has an official enrolment.
One week before the start of each study period, the Unit Learning Sites will open. Inside the Unit Learning Site students will find the Unit Information Guide and Study Guide. It is very important students visit this site regularly – SCU recommends students visit every day during the study period.

7. Check the Class Timetable.

Internal students will need to check the class timetable to find out when classes have been scheduled for the activities that have been planned for the on-campus units in which they are enrolled.

8. Register for on-campus classes online through My Enrolment:
   • Students who enrol in any on-campus units (internal mode), should attend the scheduled on campus classes for the activities listed in the class timetable.
   • Session students must check the class timetable to see whether they need to register into any classes. Classes fill up quickly so register early. Students will receive an email in their SCU Webmail account to advise when registration will open.
   • Trimester students do not register into classes as there is usually only one class to attend.
   • Distance education (university-wide; external mode) and online students do not need to attend classes and will find all the information to start studying in their Unit Learning Site(s).

9. Once students are admitted to their course, enrolled in units and registered into classes, they are ready to start studying. SCU recommends students now visit the Orientation website to find out about scheduled activities, sporting facilities, mentors, counselling services and lots more.

Need assistance?
For assistance with My Enrolment refer to:
   • the Demonstration Guides located on the Student Enrolment and Support Services site; or
   • contact Student Services on 1800 626 481; or
   • email enrol@scu.edu.au

For assistance with course structure and study plan advice, students should contact the School Student Liaison and Support Team. Contact details are listed at the end of Part One in this guide.

Welcome to SCU! We hope you enjoy your studies. Remember, staff are here to help, so don't be afraid to contact us.

Important notice
A student’s course is governed by the Award Rules for the year in which they commenced study. It is important students become familiar with the Award Rules for their course, which can be found in the Student Handbook.

If a student is unable to adhere to the structure in place when study commenced, they must consult with a School Student Liaison Officer.

The information contained in this guide is correct at the date of publication. This guide is revised each year.
Course overview

Our Visual Arts course is one of Australia’s leading art school programs. The course has a strong studio focus, which combines traditional and new media. The Visual Arts course develops an appreciation of contemporary and historical perspectives and includes the opportunity to undertake internships within the dynamic arts industries of the NSW North Coast. Our wonderful geographical location inspires creativity.

Southern Cross University has arrangements with many international universities which provide you with opportunities to study overseas. In particular there are exchange programs that allow you to study for a session at Pratt Institute in New York or Utah State University. More information is available from the International Office.

As professional and community artists, designers, arts administrators, educators, curators and writers, graduates are employed by the private and public sectors or are self-employed. When combined with the Bachelor of Education (Secondary) graduates can also teach art at secondary level (see School of Education courses).

Our graduates have taken out prizes in some of Australia’s most prestigious art awards and their work regularly features in commercial and public galleries nationally and internationally.

2013 Course Rules

The Award Rules for each course are published in the Student Handbook. Hardcopies of the Handbook are available for purchase at the University Co-op Bookshops. An online version of the Handbook is available from the Southern Cross University website at www.scu.edu.au/handbook

Mode of study

The Bachelor of Visual Arts is offered internally at the Lismore campus.

Major descriptions

The core units are practical and theoretical units are undertaken by all students. Visual Arts Studio Studies is a series of six double-weighted units that develop practical skills in the printmaking, painting and 3D studios. The final unit culminates in a major exhibition. The theoretical units provide a grounding in visual culture and literacy.

The units in the majors support the practical skills of the studios and develop expertise relevant to particular career outcomes.

- **Arts Industry and Technology**: The Arts Industry and Technology major provides skills relevant to practicing artists, designers, curators.
- **Arts Industry and Media Arts**: The Arts Industry and Media Arts major provides skills relevant to media and screen artists.
Course structure

To qualify for the Bachelor of Visual Arts you must complete:

- all Part A Core Units and
- one Part B Specialist Major.

Course structure and Unit Availability Table

The information in the Unit Availability Table is derived from the Southern Cross University Schedule of Units and is correct at time of printing. The Schedule of Units lists, alphabetically by unit name, all units planned to be taught at SCU in a particular study period, including:

- the unit code
- the unit availability (eg: Lismore, Coffs Harbour, Gold Coast, External)
- any pre-requisite conditions of study and enrolment restrictions.

There is a Schedule of Units for each study period (trimester and session) and separate schedules for undergraduate and postgraduate units.

It is recommended students check the Schedule of Units prior to enrolling as availabilities are updated regularly.

Definitions
Internal is a lecture-based course of study at a physical location e.g. Coffs Harbour, Lismore, Gold Coast, etc. Such a course may be web enhanced e.g. MySCU.

External (EXT) is an externally delivered course with study guides and course materials delivered via the post or made available online. Also called distance education or study via correspondence. It is typically web enhanced.

Online (ONL) is a course of study delivered exclusively online. All material for the unit is delivered online via the web.

Anti-requisite means a specified unit that is deemed to have content that is too much in common with another unit, thereby prohibiting enrolment in the other unit either concurrently with the specified unit, or where the specified unit has been successfully completed.

Co-requisite means a unit which a candidate is normally required to enrol in concurrently with another specified unit.

Pre-requisite means a unit which a candidate must have successfully completed before enrolling in another specified unit.

Elective unit means a free choice unit drawn from anywhere within the University.

**Double-weighted units** are units which are equivalent to two single-weighted units. Single-weighted units are 12 credits point and double weighted units are 24 credit points in value.

Enrolment Restrictions are the enrolment conditions for a particular unit or course that if relevant are found directly under any requisites for the relevant unit in the Unit Availability Table.
Choose units to study

Students should refer to the following sections of the Course Enrolment Guide to assist with unit selection:

- First year unit progression table: for new students, advises full time and part-time units to enrol into for their first year of study.
- Course Structure & Unit Availability Table:
  - for new and continuing students to use to determine where units fit into the course structure. In particular for continuing students when choosing a unit that is part of the specialist major, then when enrolling online, students must choose and save the major to their study plan before they can enrol into the unit.
  - check the availability and requisite information of each unit in the SCU Schedule of Units when planning their enrolment for each year and session.
- The steps to enrol online are outlined in the section Enrol in Units using My Enrolment on page 1.14 of this guide.

Important information

You should enrol in your units for the whole year at least 1 month prior to Session 1.

**New** students should enrol in their 2013 units from 2 October 2012 or as soon as they have accepted their offer if received after this date and complete their Commonwealth Assistance Form online.

**Continuing** students will receive notification in September that enrolments are open for the following year.

If necessary, students may vary their enrolment up until the commencement of each session. Remember, late variations to enrolment may result in delays to your study.

First year unit progressions

This table maps out the first year unit progressions in the Bachelor of Visual Arts, which will assist you with your unit selection.

**Full-time students** normally complete four units each study period. The units you should enrol in each year/session can be found in the table below.

Enrol in units using My Enrolment

Once students have chosen units to study they can enrol in those units using My Enrolment for each study period for the whole year.

While students can accept an early offer when received, enrolment for 2013 opens on 2 October 2012. Students will receive a notification advising that enrolment is open in their SCU Webmail account. Look out for this email and enrol early.

Remember, SCU requires students to plan their studies in advance and enrol in units for the full academic year (all study periods). Students can change enrolled units, add more units or withdraw from units up until the start of each study period.

To enrol in units:

- Open My Enrolment
- Within My Enrolment select My Study Plans.
- Choose I want to … Enrol in Unit from the links at the bottom of My Study Plans or go to Enrol in Unit on the left-hand menu bar.
- Students will be presented with the Enrolment: planned units page. Follow the steps described in My Enrolment. Students will be asked to:
  - add a unit to their potential enrolment list
  - choose their preferred attendance mode for the unit
  - choose when and where they want to study the unit
  - confirm their choice.
- Before leaving My Study Plans, students should check the enrolment details and census dates for the units they intend to study. Go to Current Enrolment on the left-hand menu bar to ensure each enrolled unit is recorded correctly.

**Hint 1:** Students need to enrol in all units for the full year, even if they are not sure that they will pass the requisites. If a student does not pass a requisite unit they will be automatically withdrawn from the unit and allowed to select another. The Schedule of Units is where a student should check for any pre-requisite units that must be studied in order to gain entry to another unit.

**Hint 2:** Remember to check the Key Dates published in Part Two of this guide for information about the last date to enrol online, the last date to withdraw without fail, exam periods etc.

**Important:**
Each unit has a census date. It is each student’s responsibility to know when the census date occurs for each of their enrolled units.

Access the Unit Learning Site(s) in MySCU

A Unit Learning Site is generated for every unit in which a student has an official enrolment. The lecturer will use this site to communicate important information about the unit. It is very important students visit this site regularly.

Inside Unit Learning Site(s) students will find the Unit Information Guide and Study Guide. The Book of Readings, if applicable to a unit, is available on the University Library eReadings website (for online viewing and saving). Some Study Guides and workbooks, if applicable, may also be available on eReadings.

The Unit Information Guide will provide students with the details of assessments, the required textbooks and reading lists and information about the activities students are expected to undertake.

More information about MySCU can be found in Part Two of this guide.
Register into classes

Students enrolled in any on-campus units (internal mode), should attend the scheduled on-campus classes for the activities listed in the class timetable.

Distance education (university-wide; external mode) and online students do not need to attend classes.

Student who need to register for on-campus classes should:

- check the class timetable. Go to the timetables online search facility
- check SCU Webmail - students will receive an email in their SCU Webmail account to advise when registration will open

Art Theory units are assessed by research paper, group presentations, take-home exams, and journal.

- Entry to individual studio areas can be either swipe or key.
- Swipe access will allow entry only if you are booked in.
- If it is a keyed door, Security will unlock specific doors - as per bookings.

Tutor details

Distance Education students will be advised of their tutor details including contact information by the end of week three of the session. Our tutors have been selected on the basis of their qualifications and experience, so they have a strong interest in both their units and students. However as they are generally either part-time or casual employees at Southern Cross University the best way to contact them is by email. All SCU email accounts for tutors are in the following format firstname.lastname@scu.edu.au e.g. jane.smith@scu.edu.au
Your tutors are there to answer any questions you may have about the unit or the assignments. You will find their details are within the Unit Information Guide and online in the MySCU Blackboard Learning Site under Staff Details.

Assessments
Your assessment tasks will generally be marked within 2 weeks of the date they are received by the Unit Assessor or tutor. For external assessments please note that unless you live locally, posting both ways can add up to 10 days to the process.

You will receive comments on your assessments that explain the grade awarded. There will generally be comments within your assessments where relevant, unless they have been graded as a Distinction or High Distinction, when there might be little to comment on except the quality of your work.

If you unsatisfied with the marking of your assessment, you can contact your Unit Assessor and ask for it to be remarked by another staff member as per rule 3.14 of the Southern Cross University, Student Handbook at www.scu.edu.au/handbook. You will need to submit an unmarked copy of the assessment together with the marked original. The second grade will be recorded as your result whether it is higher or lower than the first.

Extensions
If you would like to request an extension for an assessment task you will need to complete an “Application for Special Consideration” which will be assessed by your Unit Assessor. Special consideration forms can be downloaded from http://www.scu.edu.au/services/studentservices/index.php/dds/. Please ensure you attach your supporting documentation (i.e. medical certificates) to your application. It is also advisable to contact your tutor or Unit Assessor to discuss your request for an extension.

Assessment Resubmission Policy
The School of Arts and Social Sciences has agreed that there is academic value in offering new students, whose assessments do not meet the required pass standard, the opportunity to rework and resubmit an assessment. The value to the students is that it will assist them to develop their academic skills and gain a better understanding of how to complete subsequent units successfully.

Core units
The opportunity to rework and resubmit an assessment will be offered to students in core units. This offer will be made on the first assessment that has been assessed as a Fail. Students are to accept this offer within five (5) working days of receiving it, otherwise the assessment will attract a Fail grade. Please note the submission date is to be negotiated with the Unit Assessor, and reworked and resubmitted assessments should be emailed to the Unit Assessor or the person who marked the assessment.

Other units
In units apart from core units and the BA foundational units as identified, if students receive a Fail grade on an assessment and believe there are exceptional circumstances that affected the completion of the assessment, they may submit a ‘Special Consideration to Resubmit an Assessment’ application form. These circumstances should be supported by evidence as detailed on the application form. The completed application form should be emailed to the Unit Assessor with confirmation by hard copy sent later.

Number of Resubmits in Unit
There will be only one resubmit opportunity per unit.
Frequently Asked Questions

Q: I am working full time or have a lot of commitments I can’t avoid in my personal life. How many units should I enrol in per session?
A: The School recommends that students allow 10 to 12 hours study per week per single weighted unit that they enrol in. Therefore for every double weighted unit the School recommends 20 to 24 hours study per week. If you have full-time family or work commitments, we would encourage you to commence with no more than two units (i.e. 2 x single weighted units or 1 x double weighted unit). If you are able to manage that load of units it is possible to increase your study load in later sessions. Similarly, if you know you are going to have a busy session outside of university you may like to consider studying only one unit for that session. However, you should be aware of the time limits allowed for the completion of your course under the University Rules (see limits below).

It is important to keep in mind that employment related problems and the pressure arising from the demands of other units of study are not considered to be acceptable grounds for an extension or requests for special consideration. However, if you are experiencing unusual difficulties then you should contact your unit assessor to discuss whether or not the policy applies to your situation.

Q: What is the ‘Unit Information Guide’?
A: When you begin each unit of study, you will receive a Unit Information Guide. It is a very important document and you must read it! The Unit Information (referred to as the Unit Statement in the University Rules) provides you with contact details for the staff involved in the unit, the unit’s learning objectives, the text or other materials that you are expected to purchase to complete the unit, the assignment and assessment details, including the due dates for assignments, the criteria that will be used to mark your assignments, and the rules related to completing assignments.

Q: How long am I allowed to complete my course?
A: The Bachelor of Visual Arts must be completed in usually not more than 8 years.

Q: What do I do if I fail a pre-requisite unit?
A: If you fail a unit which is the pre-requisite unit for another unit, you will need to study that unit again before you will be permitted to enrol in that unit which it is the pre-requisite for.

Q: Can I transfer to other courses offered by the School or go on to complete another course?
A: Yes, if you meet the entry requirements for another course, you can apply to transfer into it or to gain entry into it. When you apply for or transfer into another course, our program rules allow us to recognise some of the studies you have already completed (called Advanced Standing). If you are interested in another of our courses, you should contact a member of the Student Liaison Team to discuss the application process and Advanced Standing.

Q: Who can I contact when I need help in the units I am studying?
A: Each unit has a Unit Assessor who has responsibility for administering the unit and providing academic support to those studying it. The name and contact details of your Unit Assessor are set out in each Unit Information Guide. The Unit Assessor will help you with your questions about the unit as well as granting extensions and discussion of your marks. Where the Unit Assessor does not teach the in the unit, you should first seek assistance from your lecturer.

In addition, the Academic Skills Development Unit at Southern Cross University provides educational support to students, staff and the University as a whole. You can contact them for advice and guidance in relation to assessment tasks. They provide support for
all internal and external students, and will help you develop your skills and confidence in critical thinking, academic language and learning methods, as well as providing strategies for effective study.

Q: I need to print proof of my enrolment where can I locate this?
A: You can print an Enrolment Transaction Advice within My Enrolment within My Study Plans – Current Enrolment; the last option on this screen is View and/or print my proof of enrolment. Once this option has been selected, your screen will refresh while the report is being generated (this may take a few minutes). When it is completed you will see a box with a green tick with “Your Enrolment Transaction Advice report has been generated. To view select ‘View My Report’ from the ‘I Want To...’ section below.” This will then open as a printable PDF document which can be used to provide information both to Centrelink and Employers.

Q: What do I do if one of my lecture/tutorials on my timetable clashes with another unit?
A: If you have a class which clashes with another on your timetable, you may need to change your enrolment to another unit or study one of the units by distance education (if possible). If you have difficulty finding an alternative unit, please contact the SASS Student Liaison Team.

Q: When should I enrol in my units?
A: If you are a new student, you should enrol in your units for the whole year, after you accept your offer on My Enrolment. If you are a continuing student, you will receive notification in September that enrolments are now open for the following year. You should enrol in your units for the whole year at least 1 month prior to Session 1. Remember that you can vary your enrolment up to the start of each session.

Staff in the Student Liaison Team can provide students with assistance during the course of their studies in relation to the following types of enquiries:

- enrolment advice
- course structure and planning
- unit selection
- assignment administration
- advanced standing
- special consideration
- general course administration
- support for distance education students.

Location: Student liaison staff are located on each campus.

Hours: 9 am – 5 pm Monday to Friday.

Part Two
Administrative and General Information

This section of the guide is a summary of administrative and general information relevant to students and their studies. Wherever possible students will be directed to sources of further information and assistance. A comprehensive list of useful websites is located at the end of this guide.

Fees

The cost of attending university will vary and much depends on your program of study. Expenses can generally be broken into three groups: study costs, living expenses and other expenses. This section focuses on study costs or fees and includes important information to remember when enrolling into units of study in a course.

At SCU a student is either a Commonwealth supported student or a fee-paying student, also known as a non-Commonwealth supported student.

Fee-paying students are required to pay full tuition fees for each unit of study.

Undergraduate courses

The University offers very few undergraduate fee-paying courses. Generally, undergraduate courses are Commonwealth-supported for eligible students.

Postgraduate courses

The majority of SCU fee-paying courses relate to postgraduate study and FEE-Help is available to eligible students.

Commonwealth-supported students

Every unit of study undertaken under Commonwealth support has a cost. The Commonwealth Government meets part of that cost and the student pays the other part. This student cost is called the Student Contribution Amount.

At SCU the Student Contribution varies and is determined by the units selected by each student, the discipline category or ‘band’ of the units studied and the year the student commenced their course of study or degree. To find out exactly which band(s) your unit/s of study belong to visit the University’s Fees and Financial Assistance website.

Before enrolling in units for the first time, new students must read the ‘Information for Commonwealth Supported Students’ booklet available from SCU Student Services or at www.studyassist.gov.au

Students complete the request for Commonwealth Support Form (and HECS-Help) from SCU. This is known as an electronic ‘Commonwealth Assistance Form’ (eCAF), which is completed and submitted electronically via ‘My Enrolment’. The eCAF must be completed before enrolment into any units.
The deadline for finalising payment arrangements for each unit of study is the census date. Commonwealth-supported students can pay for all or part of their Student Contribution up front or defer payment to the Australian Tax Office (ATO) and repay it later through the Australian tax system when their income is above the nominated minimum threshold. If the Student Contribution is paid on or before the census date a 10% discount applies for payment of $500 or more.

**Domestic fee-paying students**

A fee-paying student, also known as a non-Commonwealth supported student, is required to pay full tuition fees for each unit of study in a study period. Eligible fee-paying students can either:

- pay some or all of their tuition fees up front on or before two weeks prior to the start of the study period; and/or
- apply for an Australian Government FEE-HELP loan for some or all of their tuition fees by submitting a ‘Request for FEE-HELP assistance form’ (eCAF). The Australian Government will pay the amount of the loan to SCU on the student’s behalf. A loan fee of 25% applies for undergraduate courses of study. There is no loan fee to a FEE-HELP loan for postgraduate study, enabling courses, units of study with Open Universities Australia and bridging study for overseas trained professionals.

The deadline for finalising payment arrangements via a FEE-HELP loan is the census date. To be eligible to receive a FEE-HELP loan the student must be an Australian citizen or holder of a Humanitarian visa. FEE-HELP is not available to New Zealand citizens or permanent residents.

Students, who wish to access a FEE-HELP loan, must read the ‘FEE-HELP information booklet’ available from Student Services or at [www.studyassist.gov.au](http://www.studyassist.gov.au). They must also complete and submit an eCAF via ‘My Enrolment’ and provide their Tax File Number.

Payment of a FEE-HELP loan is deferred to the Australian Tax Office (ATO) and is repaid later through the Australian tax system when the student’s income is above the nominated minimum threshold.

**Services and Amenities Fee**

During 2011, the Commonwealth Government passed legislation that enables Universities to levy an annual capped Services and Amenities Fee to students starting in 2012. In 2013, the capped fee is $273 per student. The Higher Education Legislation Amendment (Student Services and Amenities) Bill 2011 clearly outlines the ways in which these funds can be used by Universities and focuses on essential student services that will support and enrich the student experience.

Eligible students are able to defer their Services and Amenities Fee (SAAF) to the Australian Taxation Office (ATO) by completing a ‘Request for SA-HELP Assistance’ eCAF in My Enrolment. To be eligible for the SA-HELP loan scheme the student must be an Australian citizen or holder of a Humanitarian visa. SA-HELP is not available to New Zealand citizens or permanent residents. The deadline for finalising payment arrangements via the SA-HELP loan is census date of the study period in which the fee is charged.

Students who wish to access a SA-HELP loan must read the ‘SA-HELP information booklet’ available from Student Services or at [www.studyassistant.gov.au](http://www.studyassistant.gov.au) and complete and submit the SA-HELP eCAF with a valid Tax File number through My Enrolment.

For more information about the Services and Amenities fee, what it will be used for, fee schedules, payment details, loan schemes available for eligible students and Frequently Asked Questions, please go to the **Services and Amenities Fee** website.
International onshore and miscellaneous fee-paying students

International onshore students and miscellaneous fee-paying students are required to ensure that their fees are paid on or before two weeks prior to the start of the study period.

International tuition fee information, including information about unit withdrawal impacts, due dates for student fees and refund rules, is available from the International Office and the SCU Fees and Financial Assistance website.

To contact the International Office:

Phone: +61 2 6620 3876
Email: intoff@scu.edu.au

Remission of Student Contribution Amounts

Where extenuating circumstances exist, students may apply for a remission of the Student Contribution Amount by contacting Student Services.

More information

For more information on University fees or Commonwealth-supported places go to the University’s Fees and Financial Assistance website and www.studyassist.gov.au

To contact Student Services:

Phone: 1800 626 481
Email: enrol@scu.edu.au

Other related costs

There are a number of other administrative fees that students may be required to pay at some time during their university life. These may include such things as textbooks, field trips, penalty charges (sanctions) and costs associated with graduation etc.

For further information see Administrative Charges in the Student Handbook.

Income support and the Three-Session Teaching Calendar

The Southern Cross University three-session teaching calendar provides students with the flexibility to spread their full-time study load over three sessions, if they choose. This does not mean that students have to enrol in all three sessions to qualify for income support. There are many combinations of study that satisfy the eligibility criteria for income support. Students will still be able to study a full-time load over Session 1 and 2 and take Session 3 as a break. It is an optional study period. Schools will be offering units during Session 3 that will enable students to accelerate their learning or spread their study load. Please note, not all courses offer units in Session 3, students will need to check the Schedule of Units for that study period to see what is available to study.

Centrelink considers students to be full time if they are doing at least 75% of the full-time workload. At Southern Cross University one single weighted unit of study has a HECS loading of 0.125. Students need to demonstrate to Centrelink that they are studying at least 6 single-weighted units over the full teaching calendar year in order to be entitled to income support.

There is no obligation to study in all three sessions of the Teaching Calendar.

Requirements regarding full-time study can be found on the Centrelink website at http://www.centrelink.gov.au/. Students should discuss their eligibility for income support with Centrelink’s Youth and Student Services by telephoning 132490.
Advantages of studying in Session 3
Session-based students are not obliged to study in Session 3; however there are advantages in doing so. Studying in Session 3 can help students to:

- fast track their studies
- dedicate time to studying a unit that might need a concentrated effort
- maintain their study momentum by undertaking a unit or units over the break between the end of Session 2 and commencement of Session 1 the following year
- catch up on failed units so that course progression and completion is not extended
- graduate sooner, if nearing course completion with 4 or less units to complete, consider studying these over session 3;
- negotiate a study plan with their School or College to align with Session 3 unit availabilities that suits individual goals and career aspirations

Please note, not all courses offer units in Session 3.

To find out more about the units available to study during Session 3 visit the SCU Units Search. Here students will be able to search for units (subjects) by name, code, school or campus. Once a unit or list of units has been retrieved, students can also see a description of the unit by clicking on the unit name.

HINT: Prior to enrolling in a unit remember to check the Schedule of Units for any requisite requirements.

Study load for International onshore students
International onshore students must complete their course within the expected duration of study as specified by Standard 9 of the National Code of Practice 2007. This means Southern Cross University must monitor the study load of International onshore students to ensure they complete their course within the duration specified in their Confirmation of Enrolment (CoE) and do not exceed the allowable portion of online or distance learning. SCU will only enable students to extend the expected duration of study for the course through the issuing of a new CoE in limited circumstances.

International onshore students are required to complete eight (8) single-weighted units of study each year, or pro-rata if a student commences after the first study period.

Students can study up to twenty-five percent (25%) of their course by online and/or distance learning. Approval to study online or by distance education must be sought from the International Office using a ‘Unit Approval Request’ submitted through My Enrolment. Students undertaking a session or trimester based course must study at least one (1) unit that is not by distance or online in each mandatory study period.

Students studying in sessions
International onshore students who undertake a session-based course must study a minimum of four (4) units in each of the mandatory sessions (Sessions 1 and 2) to satisfy full-time enrolment. In special circumstances this can be varied.

Students not studying four units in each of the two mandatory sessions (Sessions 1 and 2) are required to liaise with an International Student Advisor to map and sign their study plan for each year of study.
Students studying in trimesters

International onshore students who undertake a trimester course are required to enrol in four (4) units per study period or in certain courses they are required to enrol in three (3) units per study period.

All trimesters are compulsory study periods; international onshore students must be enrolled in all study periods while on a student visa. Any variation to the required study load for trimester students must first be discussed with an International Student Advisor.

For more information go to Southern Cross University’s International Office website or the Australian Government – Australian Education International website at www.aei.gov.au

Census dates

Each unit of study in a study period at SCU has a census date that is the day upon which a student’s enrolment for unit(s) in the study period becomes fixed and final. After the census date a student cannot enrol or withdraw from units without significant financial and/or academic liability.

If using the HECS-HELP or FEE-HELP Government loan schemes, the debt for units in the study period is deferred on the census date.

Census dates vary depending on the unit/s in which a student is enrolled. Therefore, it is important that students are aware of the census date for each enrolled unit for a particular study period.

To determine the actual census date for each unit of study, students must check My Enrolment:

- log into My Enrolment
- select My Study Plans
- from the menu to the left of the screen select Current Enrolment.

Each unit in which a student is enrolled will be displayed with the census date clearly identified.

Commonwealth Assistance Notices (CAN)

A Commonwealth Assistance Notice (CAN) is issued to all Commonwealth Supported, FEE-HELP and OS-HELP assisted students within twenty-eight (28) days past the census date for each unit of study. The CAN shows detailed enrolment information for each unit of study within the relevant study period including upfront student contribution amounts and/or amounts deferred via HECS-HELP, FEE-HELP or OS-HELP. The CAN is available by accessing My Enrolment (use the My Finance menu option). It is important to check all the information on your CAN within fourteen (14) days of its release. If you believe the information on the CAN is incorrect, please make a request in writing to enrol@scu.edu.au to have your information corrected.

More information

For more information on census dates or Commonwealth Assistance Notices go to the University's Fee and Financial Assistance website.
Final date to enrol in unit/s

The final date to enrol in unit/s online without approval is the end of Week 2 (Sunday) of each study period. Students wishing to enrol in unit/s after this date will require approval from the relevant School and should submit a Unit Approval Request through My Enrolment stating the reason for the late enrolment. Where approval is not granted, the relevant School will contact the student.

Deferring studies

Students who cannot commence studies in this academic year can defer their studies and secure their place in the following year. However, if a student can commence studies in Session 2 or Session 3 they do not need to defer, they simply enrol in that study period, except for students enrolling into the Bachelor of Psychological Science (Hons) or the Post Graduate Diploma of Psychology who must commence study in Session 1.

Deferment is only available to applicants who have been made a Commonwealth Supported or Hotel School Employer Reserved offer. Deferment is not available for Bachelor of Education (Secondary) graduate entry, Bachelor of Laws graduate entry, Bachelor of Education (4th year upgrade), Bachelor of Psychological Science (Hons), Post Graduate Diploma of Psychology and all one year Honours courses. Deferment is also not available to continuing students (continuing students wishing to take a break from studies should refer to the section ‘Leave of Absence’).

Students can defer an offer to a course prior to accepting through My Enrolment. To defer an offer once a student has accepted, declined or enrolled in units, please send a request by email to defer@scu.edu.au.

Requests to defer an offer to a course must be submitted by the census date. Southern Cross University does not charge a deferment fee.

For more information about how to defer an offer please download the ‘My Offers – Request to Defer your Offer’ guide, which is located on the Student Services downloads page under Student Support Material.

Advanced standing – recognition of prior work or study

At Southern Cross University a student’s previous work or study experience may help them cut months off their degree.

Students who have completed tertiary study elsewhere, for example TAFE or university, or had work experience at a professional level during the past 10 years, may be eligible for Advanced Standing.

Advanced Standing is also known as Credit for previous study, Exemption, Recognition of Prior Learning (RPL) or Credit transfer.

The amount and type of credit awarded will determine a student’s study plan so we recommend, where possible, students apply for advanced standing at the same time as they apply for admission.

International students should apply to be pre-assessed for advanced standing (Credit Transfer) at the time of lodging their application for admission to the International Office.

Students wishing to apply for advanced standing during their studies should submit an application to their School or Shared Services Centre at least one month before the start of the relevant study period. All requests for advanced standing must be completed before the final study period. This will ensure that course completion and graduation are not unnecessarily delayed.

Students should also check that the basis on which they are applying for advanced standing aligns with that stipulated for the course or the relevant School or College. Therefore, if applying for advanced standing solely on the basis of professional level experience it is important to
check with the relevant School or College to ensure that applications for advanced standing are accepted on this basis.

If applying for advanced standing based on previous tertiary study, including study at TAFE, private providers or other universities, please attach the following:

- Transcript/s for completed or partially completed qualification/s (including failures and an explanation of the grading system)
- Detailed course and/or unit outline/s

and where applicable:

- Statement of Attainment for partially completed qualification/s OR Testamur/Certificate for completed qualification/s.

Students who have previously been enrolled at Southern Cross University (SCU) will not generally need to submit their transcript of results but may need to supply copies of unit statements for units completed.

The documents submitted must be originals or certified copies of originals. Non-English documents must be submitted in the original language, accompanied by an authorised English translation. For further guidance download the Certification and Translation Guidelines, this is located on the Advanced Standing website.

To apply for Advanced Standing students should first download and complete the Advanced Standing Application Form.

Be sure to:

- read the form carefully
- print clearly and neatly, in English, using black pen, completing all relevant sections in full
- initial and date any change that you make to the form
- sign and date Part 3, DECLARATION
- photocopy the completed form for your records
- securely attach supporting documents to the form. Individual schools may have particular documents that will be required, if this is the case those documents will be noted in Part One of this guide.

Submit the Application for Advanced Standing together with supporting documents to the relevant School or College, or Shared Services Centre.

It may take from one to four weeks to process and assess an application, depending on the level of assessment complexity and whether complete information and sufficient supporting documents have been supplied.

Students will be notified of the outcome in writing. International students studying in Australia, who have applied and been granted advanced standing following the commencement of the course, are required by the Education Services for Overseas Students (ESOS) Act to acknowledge, in writing, acceptance of the advanced standing granted. The ‘Advanced Standing Acceptance Declaration’, supplied with the notification of advanced standing, must be signed, dated and returned to the SCU International Office within two calendar weeks of the date of the ‘Advanced Standing Notification’. The International Office will then vary the period of study on an International student’s Confirmation of Enrolment (CoE).

Students may query the outcome of their Application for Advanced Standing and may appeal any decision except academic judgement. Appeals will be dealt with in accordance with the Student Grievance Policy.

A student who has accepted advanced standing may at any time, apply in writing to the relevant School or College to rescind (withdraw, overturn or cancel) part or all of this credit. Requests to rescind credit will only be approved for sound academic reasons (e.g. the student wishes to undertake the unit, to change direction in their degree or undertake an approved
exchange or study abroad program). Once credit has been rescinded, students will not automatically be re-granted that credit.

Any advanced standing granted or rescinded will affect a student's study plan and the units in which they will need to enrol to complete their course. For study plan and unit sequence advice contact the relevant School or College. International students should consult their International Refund Policy (‘Listed in your Acceptance of Offer Agreement’) about the refund impacts this may have.

**Advanced Standing Search Website**

The Southern Cross University (SCU) Advanced Standing Search allows you to see how much advanced standing you may be granted for your previous studies.

**More information**

For more information go to Southern Cross University’s Advanced Standing website.

**Class timetabling**

Information about class timetables is available from the University’s Class and Exam Timetables website. This represents the most up-to-date timetable information for SCU on-campus students and does not apply to external studies.

Students can use the timetables online search facility to check class timetables for the following locations:

- Coffs Harbour
- Gold Coast–Beachside
- Lismore
- Port Macquarie
- Tweed Heads - Lakeside
- Tweed Heads - Riverside

Please continue to check timetables periodically as times may change.

**Class registration**

Students who elect to enrol in units offered internally must register for classes online. Students will receive an email from Student Services advising when online class registration is open for each study period. All Schools/Colleges use online class registration and students must register for classes through My Enrolment. Please note some students do not register for classes, for example, distance education/external/university-wide students.

It is easier for students to register into their preferred class if they already know the class they wish to take. Therefore, we recommend students review the class timetables for their enrolled units prior to class registration opening and to have alternative classes selected in case their preferred class is already full. This will make online registration easier. Remember – you must be enrolled in the unit before you can register into classes.

There are very few classes that do not register online. However, if a unit has only one class scheduled (i.e. there is no choice about the days students can attend classes), then students will be automatically allocated to that class. Students will see they have been registered into the class when they look at their timetable in My Enrolment.

Where there is a choice of classes (usually for tutorials, workshops or Lab sessions), then students must register for classes through My Enrolment (use the My Classes menu option).

Class registration opens progressively during the week for Schools/Colleges. Please note, units belong to each School; students should ensure that classes are open before they try to register. This is particularly important for students who are studying units across schools.
HINT: the earlier a student registers for classes once class registration opens the greater chance they have of gaining their first preference of class.

For more information about class registration download the Student Services Demonstration Guides: My Classes – Registering in Classes.

Leave of absence

Students can apply for a Leave of Absence for up to one year (12 months) provided they have remained enrolled in at least one unit of study past a given census date. Students can apply for an extended Leave of Absence up to two years (24 months) upon approval from the relevant School.

Applications for Leave of Absence are submitted through My Enrolment.

Students who do not make application for a Leave of Absence will be automatically withdrawn from their course of study where no enrolment is evident after a certain period. Should the student wish to return to study at a later date, they will need to re-apply to the University either directly or via UAC/QTAC and either provide the same supporting documentation as the initial application or evidence of the SCU study prior to withdrawal.

International onshore students are only permitted six (6) months Leave of Absence. All International onshore students considering taking a Leave of Absence must first seek approval from the SCU International Office.

For further information please refer to Rules Relating to Awards in the Student Handbook (see Rule 2.7(a–f)).

Variation to enrolment

A student may vary their original unit enrolment details through My Enrolment. Deadlines exist for enrolment variations and course and unit withdrawals. Changing the mode of study, for example internal (on-campus) to external study (distance education/university wide), and unit substitutions are enrolment variation requests and are subject to the same deadlines.

The dates by which a student must vary their enrolment are set out in the Principal Dates section of the Student Handbook. Enrolment variations after the prescribed dates can affect a student’s academic record and financial liability.

International onshore students on a student visa are only permitted to study twenty-five (25) percent of their course by distance education (external/university wide). All International onshore students considering varying their enrolment to include external units must first seek approval from the SCU International Office.

Withdrawing from a course or unit

After certain dates in the academic calendar have passed, withdrawing from a course or unit can have a serious impact on a student’s financial liability and/or academic record.

Withdrawing from unit/s without incurring a Student Contribution Amount

The final day to withdraw from unit/s without incurring a Student Contribution Amount (SCA) is the census date. Census dates vary depending on the unit/s in which a student is enrolled. Students can check the census date for each enrolled unit through My Enrolment. Each enrolled unit will be displayed with its census date clearly identified. Students who withdraw from unit/s after census date will incur a SCA.

Withdrawing from unit/s without incurring a Fail grade

The final day to withdraw from unit/s without incurring a Fail grade is referred to as the ‘Withdrawal Without Failure’ date. Withdrawal Without Failure will still incur a Student Contribution Amount as the final day to withdraw without incurring this debt is census date. Students who withdraw from unit/s after the Withdrawal Without Failure date will incur a Fail
grade. To check the final day to withdraw without incurring a Fail grade go to the teaching calendar Key Dates published on the SCU Student Services website.

Fee-paying courses

If you are enrolled in a fee-paying course and you withdraw from your course or unit/s after the start of the study period you may be liable for a partial fee. Refer to the University Refund Policy set out in the Rules Relating to Student Fees and Charges in the Student Handbook.

It is the responsibility of each student to be aware of the relevant dates and consequences before withdrawing from a course or unit. Course or unit withdrawal can be done through My Enrolment.

Regulations relating to a course or unit withdrawal are also set out in the Enrolment Rules, which are printed in the Rules section of the Student Handbook.

Students who require further information or assistance should contact Student Services on:

Phone: 1800 626 481
Email: enrol@scu.edu.au

International onshore students

International onshore students should contact the International Office if they intend to withdraw from their course.

Phone: +61 2 6620 3876
Email: intoff@scu.edu.au

Further information about unit withdrawal impacts for International students are detailed at www.scu.edu.au/students/fees/index.php/14/

Cross-institutional studies

It may be possible for SCU students to undertake a unit/s of study at another university and have the unit/s credited to their award (course, degree or program).

Students interested in applying for approval to study cross-institutionally at another institution should first discuss their intention with their school. The School may require the application to be in writing and accompanied by the unit statement/s for the unit/s a student wishes to study.

Where the request is approved, the School will provide written approval, which will be required by the university that you wish to study at. It is the student's responsibility to organise enrolment at that university. As each university will have different requirements and deadlines, students will need to check these carefully.

On completion of cross-institutional study, the student will need to provide their School with their academic transcript, or a certified copy, attached to a completed Advanced Standing Application form to have the unit/s credited towards their SCU degree. To avoid delays with graduation, please make sure that all applications for advanced standing are submitted as soon as possible after the completion of cross-institutional study.

International onshore students on a student visa are only permitted to study twenty-five (25) percent of their course by distance education (external/university wide), which includes cross-institutional studies. All International onshore students considering undertaking a unit of study at another university must first seek approval from the SCU International Office.

Students studying at other universities may apply to study cross-institutionally at SCU. Application is made direct to SCU using the University's Direct Application form. Normal admission deadlines apply.

Please note, not all courses allow students to undertake cross-institutional study.

For more information please contact your School Student Liaison Officer (contact details in Part One of this guide) or Student Services:
Course transfer

If you are currently admitted to a course at Southern Cross University you may apply for a course transfer to study a different Southern Cross University course. Students can apply to do so by making application online through My Enrolment.

If you are seeking credit transfer (advanced standing) for units in the course that you are transferring to based on similar units you have studied in your current course, please complete an Advanced Standing Application form. You will not have to supply supporting documentation as a copy of your academic record will be accessed to ascertain your eligibility to course and credit transfer.

Students cannot transfer to another course at another University or Higher Education Institute. Instead you must withdraw from the SCU course using My Enrolment and make application to the new institute via their published application process.

Please note students wishing to exit from an SCU course with a lesser award should contact the relevant School or College for further information.

MySCU

MySCU is a student’s point of entry to a range of online services and resources that support study and student life. The portal includes Unit Learning Sites and Information Sites where students can access resources, communication tools and useful links that are integral to their studies.

Students should regularly check the following location in their browser:

http://study.scu.edu.au

This opens the MySCU student intranet page.

MySCU Information Sites

MySCU information sites contain the Student Centres for each School and are typically online information forums specifically developed to support students studying units offered by a particular school. Following are examples of the information that may be contained within School Student Centres:

- **Notice Board** contains important announcements posted in relation to administrative deadlines, re-enrolment, examinations, upcoming events and internship opportunities, as well as a range of other relevant details.
• **Information** about advanced standing, leave of absence, candidature extension and graduation together with links to other University sites such as Schedule of Units, principal dates, Student Handbook, special consideration and examination, maps, student classifieds and My Enrolment.
• **Textbooks and Timetables** - links students to information about textbooks and timetables for classes and examinations.
• **Course Information** contains links to current course enrolment guides and relevant course related information.
• **Unit Assessor List** for units on offer in each study period.
• **Discussion Board** - an interactive forum that allows students to communicate with staff and/or network with other students.
• **Staff Contacts** - lists School staff and their contact details.
• **Job Opportunities** - provides students with information in relation to employment vacancies and where applicable opportunities for industry scholarships.
• **Important Links** are also provided to the University Co-op Bookshop, Schedule of Units, University Library, Student Services, Academic Skills Development and Counselling Services.

**MySCU Learning Sites**

A unit Learning Site is a central place to access information, learning resources and activities for each unit of study in which a student is currently enrolled. Within these sites students can access essential information including the Unit Information Guide and content (that can be presented as text and multimedia formats), participate in learning activities such as online sessions and assessment tasks, and interact with teaching staff and fellow students.

The **Unit Information Guide** is important for study as it contains details of the aims, objectives and syllabus of the unit, details of essential readings and textbooks (if applicable) as well as due dates for assessment tasks.

Through Learning Sites students may be provided with access to interactive communication tools to share ideas and content with your teachers and fellow students. For example, students may have access to discussion forums, blogs and wikis, email, instant messaging, recordings of lectures and online class sessions via **Blackboard Collaborate** with live audio, video, text chat and shared, interactive content (e.g. PowerPoint presentations, Excel spreadsheets).

Students will obtain access to MySCU Learning Sites one week prior to the commencement of the study period providing they are enrolled in that unit. Please note Learning Sites will be open to allow students to become familiar with the site and to download information but teaching and online interaction will not occur until the first teaching day of the study period.

If the symbol ☢ is displayed to the left of the link to the Learning Site this means the site is not yet available. Where a student cannot see a particular unit listed under Learning Sites they should first check their enrolment status through My Enrolment. If it appears the student is not enrolled in that unit, they should either enrol in that unit or email a variation request to Student Services at enrol@scu.edu.au. If a student is enrolled in a unit but still cannot see the Learning Site they should send an email to helpdesk@scu.edu.au

**Blackboard Collaborate**

The web-based program **Blackboard Collaborate** delivers advanced online learning environments for students and lecturers to communicate and collaborate through virtual meeting spaces and classrooms. They can share files, presentations, and applications. If the session is recorded, students can view it afterwards. Blackboard Collaborate is used in many SCU units (both on-campus and external). To use audio in Blackboard Collaborate sessions, students are advised to use a headset with a microphone.
MySCU login details
To access MySCU students will need their account details.

New students
A student’s letter of offer provides the information needed to log in to My Enrolment. Please note, new students will need to log in to My Enrolment to access their MySCU account details.

After logging in students should ensure that they click on the MySCU Details tab and record their username and password. This section provides students with access to their study portal. It is separate to My Enrolment.

Continuing students
Continuing student should use their existing username and password. If a student has forgotten their password they should contact the IT Service Desk:

Phone: +61 2 6620 3698
Email: servicedesk@scu.edu.au

Changing your password
Students can change their password by accessing the following link: www.scu.edu.au/changepassword. It is important that students change their passwords regularly.

HINT 1: Commencing/first year students should check MySCU as soon as possible as it will assist their preparedness for university studies.

HINT 2: It is important students read and understand the information contained in the Unit Information Guide.

Textbooks
Prescribed textbook details can be found on the University Co-op Bookshop website www.coop-bookshop.com.au and are also contained in your Unit Information Guide for each unit.

Approximately two to three weeks prior to each study period commencement students can check their prescribed textbook list on the University Co-op Bookshop website. Information regarding prices and availability can also be checked on this site.

Prescribed textbooks can be purchased from on-campus Co-op Bookshops at Coffs Harbour, Lismore and Beachside, or online for delivery to residential addresses.

When searching for textbooks or ordering online students should use the text search facility. Go to the website and find ‘Text List Search’ in the ‘Book Search’ drop down menu at the top left. Enter the Southern Cross University campus, relevant study period and unit code/s. Searching or ordering using the ‘Text List Search’ will link automatically to the textbook information a Southern Cross University member of staff has given the University Coop Bookshop and will ensure that the correct books are selected.

Limited copies of required texts are placed on reserve in the University Library.

Study materials and Books of Readings

Copies of study materials are available online. The Unit Information Guide and Study Guide are available on the MySCU Learning Site for each unit. The Book of Readings, if applicable to a unit, is available on the University Library eReadings website (for online viewing and saving). Some Study Guides and workbooks, if applicable, may also be available on eReadings.

Delays in obtaining study materials may be experienced if you enrol (or vary your enrolment) only a few weeks before the study period commencement date. If study materials are not available one week before the commencement of the study period, students should immediately contact their School or College External Studies Dispatch Officer by email or telephone.

Students can obtain printed copies of study materials using Rapidprint, which is a student print-on-demand system where printed copies of the study materials in eReadings can be purchased. Your SCU username and password are required.

Hardcopies of study materials are usually only available upon request.

Students in Correctional Centres

If you are currently in a Correctional Centre, please advise the relevant School or College as soon as possible. We are aware that students in Correctional Centres may require Southern Cross University to make special arrangements to ensure access to study materials.

Books of Readings

Books of Readings are often produced by Schools or Colleges to supplement textbooks and are available on the University Library eReadings website. In eReadings study materials are available for students to browse. Students can obtain printed copies using RapidPrint.

RapidPrint is a student print-on-demand system where printed copies of the study materials in eReadings can be purchased. Credit cards are accepted and any Australia Post charges are added to the cost of the order. Your SCU username and password are required. Distance education (university wide/external) students receive a copy of the Book of Readings in their study materials but are welcome to use the services of RapidPrint, if they wish.

Many assignments at the University will be submitted (through MySCU) to Turnitin, a text-matching system that finds similarities between assignments and other documents such as web pages and academic journals.

Turnitin produces an ‘Originality Report’, a report identifying sections of text in the submitted assignment which match sections of text in these other documents. Turnitin at SCU is set up so that students can self-check their work before submitting a final copy of their assignment.

For further information see the SCU Turnitin website.

Early engagement and intervention support

Southern Cross University has a whole-of-university approach to early engagement and intervention support for students. Part 3 of Academic Policy relates to student retention and standing and focuses on the first-year experience and on improving student retention and student success, which includes enhancing preparedness for study, enhancing the first year experience, ensuring a quality curriculum and authentic, engaging assessment with timely feedback and clear expectations about standards. Southern Cross University has also implemented formal early interventions and strategies to assist students to better their academic performance where necessary.

Early engagement and intervention support includes:

- appropriate orientation to the social and academic culture of the University
- information about the various forms of assistance and student support services available to students
- targeted intervention and support for those students who have not engaged with their studies or do not pass early assessment items. For example, most Schools or Colleges will require students to undertake an early online orientation assessment or activity that is associated with at least one core unit during the first year. Students who do not participate or struggle with the activity will be contacted and offered appropriate assistance and support to develop the necessary skills to successfully undertake their studies
- opportunities within each course to participate in community-building activities such as peer mentoring schemes
- tracking student progress through the allocation of academic standings based on a student’s Grade Point Average (GPA) and implementing appropriate intervention procedures, academic support and learning assistance activities for students who require support.

Students should become familiar with Academic Policy Part 3, Student retention and standing.

For further information refer to the [SCU Policy Library - Students](#) or contact the relevant School or College.

Examinations

Final examinations are held at the end of each study period. Not all units require examinations so students should carefully check the assessment requirements of all the units in which they are enrolled. Examination dates are detailed in the [Southern Cross University Teaching Calendar](#).

Examinations are held in many cities and towns throughout Australia and in some countries overseas. If a student is living within 120km of an established Exam Centre they are expected to attend that centre. Examinations can be arranged outside of Australia, however they attract a fee.

Distance education students (external, university-wide) are required to select an Examination Centre through My Enrolment when they select their first units of study. Distance education students will receive a letter from the Examinations and Progression Unit, Student Services detailing the exam timetable, the exam location, the exam supervisor and any special instructions regarding the centre. Distance education students should ensure that they check their examination centre and special instructions immediately. Changes to an examination centre can be made in My Enrolment. Select the ‘Change External Exam Centre Details’ link under ‘My Details’. Changes less than three (3) weeks prior to the commencement of an examination period attract an additional administrative charge. If a student is unable to select a suitable Examination Centre they should contact the Examinations and Progression Team.

Students who need to sit an examination at an overseas location must contact the Examinations and Progression Team to make the required arrangements. These arrangements need to be made no later than six (6) weeks before the commencement of the exam period.
All students will receive two emails to their SCU email regarding the examination timetable. The first is to notify that the ‘Draft Exam Timetable’ is available. The second is to notify that the ‘Final Exam Timetable’ is available. The ‘Draft Exam Timetable’ and the ‘Final Exam Timetable’ are published on the SCU website and in My Enrolment. To view, select ‘Exam Timetable’ under ‘My Exams.’ Please read all information carefully and follow all instructions.

It is a student’s responsibility to check their Final Exam Timetable, exam centre details and to complete all required examinations. Details will not be given out by telephone. Misreading an examination timetable is not grounds for special consideration or a special examination.

Student Services must be notified immediately if you cannot attend an examination at a nominated external examination centre.

The University’s rules governing Student Assessment and Examinations are set out in the Rules section of the Student Handbook.

For assistance please contact the Examinations and Progression Unit:

Phone: +61 2 6620 3431 or 1800 626 481
Email: ssexams@scu.edu.au

Special consideration/special examination

The Student Assessment and Examination rules provide for students to be granted a special examination or special consideration in appropriate circumstances.

A student may apply for special consideration to vary the deadline for an assignment assessment task (extension). This does not apply to an end of unit examination.

Where a student completes an assessment task (examination or assignment) and they believe their preparation or performance was adversely affected by health (including impacts of religious fasting); compassionate circumstances; religious observances or celebrations; serious unforeseen personal events; selection in State, national or international sporting or cultural events; rendering genuine and unforeseen emergency service in a professional or voluntary capacity; or rendering any service (including undertaking training) in the Defence Reserves, the student may apply for special consideration regarding the marking of the assessment.

If a student is unable to sit for an examination due to medical or other exceptional circumstances they may apply for a special examination by completing an Application for Special Consideration and submitting it to the relevant School or College. Except in exceptional circumstances, a special examination will not be granted once a student sits for an examination. Misreading the exam timetable is not grounds for a special examination.

An application form for Special Consideration is available from the Student Centre, from your School or College and on the Student Services website. All applications for special consideration/special examination must be accompanied by supporting documentation and/or corroborative evidence as follows:

Health grounds

- A health certificate from a registered health practitioner that must include the date of consultation and a specific statement of effect of medical complaint and/or treatment on your ability to complete any relevant task.

Compassionate circumstances

- Factual details of the circumstances or event and corroborative evidence that may support your claim e.g. health certificate, newspaper death notice.

State, National or International sporting or cultural events, or religious observances or celebrations

- A statement signed by an authorised officer of the appropriate organisation which validates a conflict with the University’s timetable.
Rendering genuine and unforeseen emergency service in a professional or voluntary capacity, or rendering any service (including undertaking training) in the Defence Reserves

- A statement signed by an authorised officer of the appropriate organisation which details the nature of the service rendered, and validates a conflict with the University’s timetable.

Grades and academic standing

At the end of each study period upon the release of grades a student can check their grades for each unit, print a copy of their grades and identify their academic standing for that study period. Students can access their grades and academic standing in My Enrolment by selecting ‘My Grades’.

Student academic progress

Student academic progress will be reviewed using University Policy and Rules that relate to course progression including professional experience components of courses and specific Award Rules. Southern Cross University Academic Policy outlines the requirements for satisfactory academic progress including academic standings and students should become familiar with their responsibilities under this policy.

Students who have been excluded because of unsatisfactory course progress will be informed they have been excluded and advised of their re-enrolment and appeal rights, which are set out in detail under Rule 2.10 in the Rules Relating to Awards.

International onshore students who receive notification that they have not met satisfactory course progress requirements or have been excluded are advised they must contact the International Student Advisor at their campus.

Further information about course progress requirements can be found in the Southern Cross University Academic Policy, Part 3, Student retention and standing – refer to SCU Policy Library – Students, and the Rules Relating to Awards in the Student Handbook.

Querying a grade

Students may query the grade awarded for any unit by first contacting their Unit Assessor to discuss the matter. The Unit Assessor will provide advice regarding the process, which is specified under Rule 3.15 Query of Final Grade in the Southern Cross University Rules Relating to Awards.

Students have a responsibility to adhere to the University Rules, which are published in the Student Handbook. Students should also refer to the Rules for guidance on University process and applicable timeframes. Further advice and support can be obtained by contacting the relevant School or College Student Liaison and Support Team.

Staying in touch with SCU

Students should ensure that they keep their contact details up to date in My Enrolment, including work, home and mobile telephone numbers and residential, postal and delivery addresses.

Students should also regularly access MySCU, (the University’s online learning portal). Most lecturers make use of MySCU for announcements to all students regarding unit-related matters, to answer individual or commonly asked questions and to offer assistance, tips or feedback with assignments.

The University encourages the use of email to enhance communications and the sharing of knowledge and ideas. University email services are intended to allow greater efficiency and support teaching, learning, research and administration activities. The University student email address is viewed and used as the University’s primary form of written communication with students. Students should access their SCU webmail weekly (even during University vacation periods) as changes to enrolment details, all-student notices and important reminders relating
to University studies are sent to student SCU email accounts. Forwarding of SCU student email to a private email address is permitted. Forwarding instructions are detailed in My Enrolment under ‘Email Forwards’ – click on the ‘Webmail Forward’ link.

For further information please refer to the IT&TS Email Policy, 2.2.1. Access and Availability – Student Email Accounts.

MySCU and webmail login details
To access most technology services (MySCU, MyEnrolment, webmail etc), students will need their account details.

New students
A student’s letter of offer provides the information needed to log in to My Enrolment.

After logging in students should ensure that they click on the MySCU Details tab and record their username and password. This section provides students with access to their study portal. It is separate to My Enrolment.

Continuing students
Continuing students should use their existing username and password. If a student has forgotten their password they should contact the IT Service Desk:

Complaints @ SCU
The University has a commitment to seeking feedback from students and staff, and acknowledges the right of students, staff or members of the public to complain if they are dissatisfied.

The University has established a Complaints Management Framework to provide for the timely and fair resolution to complaints. The Framework will help students to decide how to proceed with a complaint or concern.

Students are encouraged to make a complaint informally, as many complaints can be sorted out with the staff member directly responsible. However, if a complaint submitted informally is not resolved, then students should set out their complaint in writing to the nominated officer.

For further information about how to submit a complaint please refer to:
