

***The staff at EAL would like to thank you for your support during 2018.***

We will be closed from Friday 21 December, 2018. Our regular sample receipting will resume on Wednesday 2 January, 2019.

To enable reporting before the end of the year, please observe the December cut-off dates:

Area of analysis	Date
Australian Standards Compost (AS4454), Potting Mix (AS3743), Landscape Soils (AS4419)	Mon 3
Main Roads (MRTS16 and R178)	Mon 10
Septic disposal, phos-sorption, contamination	Wed 12
Waters	Fri 14
Acid sulfate soil and rock	
Basic Compost	
Agricultural soil and plant	Tues 18

Most samples received after the above dates will be analysed ASAP, however, completed results may not be reported until the New Year.

Samples in postal transit between 21 December and 1 January are usually held by the postal service for delivery on 2 January, 2019.

We wish you a happy holiday season and a prosperous new year.

***The EAL Team***
