

How to Arrange your Fees and submit a HECS-HELP form for a Commonwealth Supported Course.

This is a guide to assist you with completing your [HECS-HELP](#) form at Southern Cross University.

You must accept your offer into your chosen course prior to lodging a **Commonwealth Assistance form (CAF)**.

Complete your HECS-HELP form to accept your Commonwealth Supported Place.

You will need to complete a CAF once for each admitted course.

You can enrol in units once an approved CAF is submitted.

First Steps

1. Open and log in to [My Enrolment](#) using your student ID and password.

Your unique Student ID (8 digit number) and password are sent to your personal email address, at the time you apply for your course.

You will be prompted to change the automatically generated password when you first log in to My Enrolment.

2. A Tax File Number (TFN) is required to defer your fees via HECS-HELP, FEE-HELP or SA-HELP loans. *Please ensure your TFN, name and address details match the Australian Tax Office records.* If you don't have a TFN, apply for one now at any Australia Post branch or online at the [Australia Tax Office website](#).

If you are eligible to defer your fees, you should also complete the SA Help Form. Find more information regarding Commonwealth Supported Places, HECS-HELP, FEE-HELP and SA-HELP at www.studyassist.gov.au.

Commonwealth Assistance

3. In My Enrolment click on the Commonwealth Assistance tab, then click Add New next to your admitted course and complete the relevant form.

Commonwealth Assistance Forms > Choose a Study Plan

Information

Southern Cross University recommends that domestic students submit a request for SA-HELP Assistance to defer all future SSAF amounts. Even if you complete the SA-HELP Commonwealth Assistance form, you can still choose to make up-front payment towards your SSAF as long as it's paid by the Census date.

Important

Don't forget to complete the 'Request for SA-HELP Assistance' form below if you wish to defer the [Student Services and Amenities Fee \(SSAF\)](#). If you do not complete this form you will have to pay the SSAF upfront in Week 3 of each study period (or risk being placed on fee sanctions). For more information regarding SA-HELP please visit the [Study Assist Site](#).

- You will be able to register into your classes once [Class Registration](#) opens for the upcoming session. You will be notified by email when this happens.
- It is recommended that you become familiar with the [Key Dates](#) for the current year.

Important notes...

*The [Course Progression](#) is a suggested enrolment pattern. If you follow the suggested enrolment pattern you will complete the foundation units before you complete the advanced units and you will not run into any requisite knowledge issues or timetable problems. If you are unable to follow your Course Progression we recommend you contact the [Client Services](#) team to discuss the best path for you.

** The [Census Date](#) is the date on which a student's enrolment is taken to be finalised. If you are enrolled after Census Date you will be financially liable for tuition fees. If you've deferred your fees to the government via one of the HELP schemes, Census Date is when your enrolment is reported to the government. Key Domestic and International dates may differ.
