Email kirsten.benkendorff@scu.edu.au

In the Header put "New Colombo Plan Vietnam"

This is the internal application form for the 2020 New Colombo Mobility Grant Program for Southern Cross University. The New Colombo Plan Mobility Program provides funding to Australian undergraduate students to enable their participation in Projects in the Indo-Pacific region. It is open to Australian citizens, enrolled at SCU in an undergraduate degree.

APPLICANT INFORMATION

Last name		Given name(s)	
Student ID		Date of birth	
Home phone		Mobile	
E-mail			
Are you an Australian citizen?	YES <input type="checkbox"/>	NO <input type="checkbox"/>	
Do you hold dual citizenship?	YES <input type="checkbox"/>	NO <input type="checkbox"/> If yes, please advise which country you are also a citizen.	

EDUCATION

Degree enrolled (Must be an undergraduate)		When did you commence your current course?	
What is your major		How many credit points have you completed?	

STUDY COMPONENT

Which Project are you applying for?

Do you intend to undertake in-country language training? Yes No

Have you travelled before to your proposed country? Yes No

Have you studied overseas before? If so, please state where and if this was on an NCP scholarship. (NB Students are only eligible for one NCP group scholarship, but OSHelp loans are available and I may consider a few self-funded students on the trip).

If successful in your application, do you agree that a portion of your scholarship be held back to fund group bookings of tuition, accommodation, field trips, travel etc.(we use this to secure bookings and get group discounts) Yes No

SELECTION CRITERIA

The following are the selection criteria against which you will be assessed, including their relative weighting. You should address each criterion.

Criterion 1: What personal characteristics do you have that you believe will actively contribute to the program?

Criterion 2: Why would you benefit by being a part of the program?

Criterion 3: Are you interested in future collaboration with Vietnamese students or researchers? If so how might you facilitate ongoing interactions?
