Southern Cross University Student Handbook

The 2007 Student Handbook provides information on courses, units, and services planned for offer in 2007. The Student Handbook has been compiled based on information available at the time of publication. The University reserves the right to amend details without notice in response to changing circumstances or for any reason.

It is a pleasure to welcome our new students to the Southern Cross University community. We are committed to equipping our graduates with the skills and knowledge necessary to help launch and further their careers.

Now in its second decade, Southern Cross University enjoys a reputation for offering contemporary courses, for research that is regionally relevant and internationally significant and for flexible delivery options to help students balance their busy lives.

As a smaller, regional university, Southern Cross takes pride in the commitment and quality of our lecturers, many of whom are recognised internationally and throughout Australia as leaders in their fields.

The University is an exciting place to be. While our three campuses at Lismore, Coffs Harbour and Tweed Gold Coast offer quite different experiences, each campus is committed to offering the same high quality courses and excellence in teaching. We also strive to ensure a quality experience for our distance education students, with an online study environment that promotes collaboration and a sense of community.

We think that bringing research knowledge into our teaching is an important way to keep our innovative courses up to date. We also know that you want the skills and knowledge you will gain at Southern Cross University to be useful and relevant. That’s why we work with leaders from the disciplines and the professions to ensure our courses meet their needs and expectations.

I am sure you will enjoy the challenge that studying at university brings, and I look forward to congratulating you at the graduation ceremony that will mark the culmination of this important step along your chosen career path.

How to use the 2007 Student Handbook

The Student Handbook has been divided into six main sections to ensure that information is easily accessible. These sections include:

1. General Information (Principal Dates, Contact Information etc.)
2. Faculties of the University
3. Student Services and Information
4. Course Information
5. Unit Information
6. Rules

Tables of content and indexes are at the beginning of each of these six sections.

Do you want to find a course?

If you know the name of the course you are interested in….

→ Turn to the first page of the Course Information section (page 40) where you will find an alphabetical listing of all courses

Course details include such important information as the course code, the campus where the course is taught, its duration, course rules, and the schedule of units which need to be studied.

Do you want to find details of individual units that form part of a course?

If you know the name of the unit you are interested in….

If you know the unit code and want to find details of the unit…..

→ Turn to the Index of unit names on page 342

→ Turn to the Unit Descriptions by Unit Code on page 364

You should always take account of course and unit availability when planning our studies. You can check the availability of both courses and units by viewing the Schedule of Units on the website www.scu.edu.au/scheduleofunits.
Do you want to find out about a particular rule?

If the issue is general in nature relating to University policy on admissions, enrolment, assessment rules, fees and charges, then….  

If the issue is more course specific, and therefore may not be applicable to all courses, then….  

→ Turn to the Rules section of the Student Handbook on page 493

→ Turn to the Course Details for your course (a Course Information index is provided on page 40) where you will find details of the specific course rules.

To get the full picture, you should refer to both the Rules section in the Student Handbook and the specific course rules detailed under the relevant course entry.

Further information about University governance and rules can be found in the 2007 Calendar. The Calendar is an on-line publication and can be found at the following web address www.scu.edu.au/calendar.

† Study Week  
# Examinations
Principal Dates for 2007

The academic year is divided into semesters and trimesters.

Seminsters

Each semester is of 17 weeks duration (numbered 1–17). Each semester comprises 13 teaching weeks, 2 non–teaching weeks and 2 assessment weeks. Asian Semesters commence later than standard semesters, but are identical in length and format. For standard semesters, a 4-week recess occurs between first and second semesters. The summer recess extends from early-November to late February.

Trimesters

There are 3 trimesters (1, 2 and 3), each of 15 weeks duration (numbered 1–15). Each trimester comprises 13 teaching weeks and 2 assessment weeks. Asian Trimesters commence later than standard trimesters, but are identical in length and format. For standard trimesters, a non-teaching week occurs between each trimester. A five-week recess occurs from mid-December to late January.

STUDENT SERVICES

Student Services provides a wide range of services to support the University community. Services include prospective student advice, admission and enrolment matters, health care services, counselling, careers advice, equity and disability support, HECS-HELP and fees advice, assistance with final examinations and course completion.

We also offer assistance in finding accommodation, finding work and we administer student loans and scholarships.

Once you are a student at Southern Cross University, Student Services communicates in writing with you via your SCU email address. We recommend that you check this regularly, go to: http://webmail.scu.edu.au/.

More specific details about the support services available are described in the following sections or can be found at the Student Services web-site: www.scu.edu.au/studentservices

Feedback and Complaints

Student Services is committed to seeking feedback and to improving our processes and policies based on this feedback. We acknowledge the right of students, staff or members of the public to complain if they are dissatisfied. We recognise the need for complaint handling processes that maintains a commitment to civility and fairness, confidentiality and privacy.

Complaints Handling Policy

It is expected that many complaints will be resolved informally (i.e.; in discussion) with staff. Staff members who receive a complaint will, wherever possible, seek to resolve the complaint at that first contact.

If after ten working days, you are not satisfied that sufficient progress has been made in resolving an informal complaint; you should lodge a formal (written) complaint with the Complaints Officer. The Complaints Officer will determine the nature of the complaint and consider any relevant procedures to attempt, if possible, to resolve it immediately. The Complaints Officer will ensure that steps are taken within ten working days to resolve the complaint; consider mediation and conciliation; involve specialist staff where relevant; keep you informed of the progress of the complaint.

On receiving a formal (written) complaint, the Complaints Officer will contact the complainant, discuss the issue and, where possible, find an agreed resolution. We aim to make contact within three working days of receiving a formal (written) complaint and to have achieved a resolution to the issue within ten working days.

Records of each formal complaint are kept in secure storage in a confidential central register within Student Services for the period set by the relevant Records Management policy.

Mail Contact:
Complaints Officer : Student Services
Southern Cross University
PO Box 157
Lismore NSW 2480

Email Contact:
stuadmin@scu.edu.au

This policy applies to all services and facilities provided by Student Services. Complaints not related to products or services provided by Student Services should be referred to the Complaints Officer in the relevant section of the University.

For more information about complaints processes at SCU, please visit the following website: http://www.scu.edu.au/admin/acqua/complaints/

Orientation Activities

Orientation Week runs from 19–23 February 2007. There are also Orientation activities from 16-20 July 2007 for mid-year commencing students. Orientation features a range of information sessions, activities and social events to mark the start of study. The University conducts various activities on all campuses including Course and Service Information sessions, library tours, campus tours and computer laboratory tours.

Orientation is a chance for commencing students to meet new friends, have a great time and learn about University life in general, before lectures start and the workload begins!

Find out more about Orientation, the services and facilities on offer at the O Week web-site: www.scu.edu.au/oweek.

SCU Connect (Computer Access)

SCU Connect provides all Southern Cross University students with access to a range of Internet and computing services both on and off campus. These include:

- Internet access
- MySCU
  (SCU’s online learning environment)
- My Enrolment (SCU’s online student self-management system)
- Dial-up access via our modem banks
Your SCU email address
Library catalogues and electronic resources
On campus computing labs
To access these services, you will need your username and password. An online service for obtaining your username and password exists at: www.scu.edu.au/scuconnect.
Please select the New Students tab. You will need your student ID number and PIN (found on your letter of offer) when accessing this site. If you experience any difficulty using SCU Connect please contact a Helpdesk.

ID Card Services
It is important for all students to have a student identification card (ID card). This card should be carried with you at all times when on campus. The card is necessary for verification at examinations, and is required to borrow from the library. The card also entitles you to student discounts and benefits. If you are close to the Lismore, Coffs Harbour or Tweed Gold Coast campuses, you may call in at the ID Card Unit to have your photograph taken and a card produced. The ID Card Unit at the Lismore campus is located in the Student Centre, Goodman Plaza. The unit is open Monday to Friday from 9:00am – 5:00pm. The Coffs Harbour ID Card Unit is located at Student Services in “M” Block and operates Monday to Friday 9:00am – 5:00pm. During Orientation Week the ID Card Unit will operate from the Students Association, under the Cafeteria, “F” Block. The Tweed Gold Coast ID Card Unit is located at the Student Centre and operates Monday to Friday 9:00am – 5:00pm. If you are unable to get your card in person, please complete the Request for Student ID Card form available online from My Enrolment, or downloadable from our document delivery service http://study.scu.edu.au/studentservices/dde/ and return it with two passport size photographs. Your ID card will then be forwarded to you by mail.

Student Centres
The Student Centre is a one-stop shop where friendly staff will help you with your questions about the university. Student Centres are located on each campus and are the first point of contact for information on administrative, course or other student matters. You can get advice to complete your enrolment and other administrative processes such as paying fees or checking eligibility for travel concessions. In the Student Centres there are computing facilities to check your personal details, enrolment and grades. You can also check Class and Exam Timetables. A range of university publications and guides is available. Student Centres have contact phones, which you can use to call SCU staff. We can help you with your questions about; Academic Transcripts, admission, enrolment, examinations and assessment, exclusions, fees, forms, graduation, HECS HELP and FEE - HELP, ID Cards, public transport and taking a break from your study.

MySCU - your University online!
http://study.scu.edu.au
MySCU is a personalised environment which links up to a range of resources and services online. These include My Enrolment, timetables, the library and its electronic databases and catalogues, study and support services and personal organisers. Many units of study have online resources and electronic discussion forums and collaboration activities
associated with their delivery. MySCU is the entry point to these online learning resources. To access MySCU, a login is required. Information about obtaining a username and password for connecting to MySCU is listed in the SCU Connect section, page 18 and is available online at www.scu.edu.au/scuconnect

My Enrolment

‘My Enrolment’ is your portal to Southern Cross University’s student record system. It allows you to access and manage many aspects of your enrolment in real-time via a secure log-in. My Enrolment can be accessed from any computer that has access to the Internet at www.scu.edu.au/myenrolment

If you are a current SCU student, you have access to My Enrolment. If you have not used it before, your user name is your Student ID number. Your password is your date of birth. The default format of your password is 8 digits in the form ddmmyyyy. If this password does not work, you should try the alternative 6 digit format ddmmyy. My Enrolment has a “Forgotten Password” function that will allow you to click the relevant link on the My Enrolment homepage, provide your Student ID number and date of birth, and your password will be emailed to your SCU email account within 5 minutes, this will then be forwarded if you have set up a forwarding email in SCU Web Mail. If you are still unsuccessful, please contact the IT Call Centre at helpdesk@scu.edu.au or phone (02) 6620 3698.

You can perform the following transactions in My Enrolment:

- View and update your address and contact details
- View your course offer details and accept, decline or request to defer your offer
- Change your examination centre
- View and print your class and exam timetables
- Enrol in units
- View and print currently enrolled units
- View your grades
- Print your Grade Notice and Statement of Academic Record
- Withdraw from your unit/s or course
- Request leave of absence
- View summarised and detailed information about your current debts

For most students, online self management via My Enrolment was introduced in 2006. If you are not yet able to self manage on line, you will be provided with this access during 2007. When accessing My Enrolment from a multi-user computer, be sure to log out and close your internet browser window after completing the session. This will ensure the security of individual records.

The Library

The Library provides a full range of resources and services: books, journals, databases and full-text electronic journals, electronic books, interlibrary loans and document supply, electronic reserve, access to the Internet, and professional staff to assist students to become independent learners.

Libraries are located at the Lismore, Coffs Harbour and Tweed Gold Coast campuses.

External students can access services through the Library website or by contacting staff in the Library. More information is contained in the Distance Education Library Service brochure, which is mailed to all external students. A comprehensive guide is also available from the Library website. Please note that all students are required to abide by the University Library rules. A copy of the rules is available on the Library website at http://www.scu.edu.au/library/about_us/rules.html

**Counselling Services**

The Counselling Service aims to encourage academic success and increase enjoyment of study and University life by helping to reduce the effects of stress and anxiety caused by study pressures, personal or family problems.

Professional counselling staff are located at Lismore campus, Tweed Gold Coast campus and Coffs Harbour campus, and offer free and confidential services in person, by telephone and email. A group program aimed to enhance learning and personal development is offered at the Lismore and Coffs Harbour campuses.

For further details, or to make appointments contact the Counselling Service at Lismore campus on (02) 6620 3943, or at Coffs Harbour campus on (02) 6659 3263. Alternatively, information can be obtained by selecting the Support Services link at the Student Services web-site: http://www.scu.edu.au/studentsupportservices or by sending an email to: counselling@scu.edu.au.

**Services for Students with Disabilities**

The University wishes to ensure that if you have a disability you have access to adjustments that facilitate your study. If you require adjustments including special arrangements for examinations you should contact the Student Equity and Disability Officer on 02 6620 3943 (Lismore & Tweed Gold Coast), or 02 6659 3263 (Coffs Harbour). If you require examination adjustments you should ensure you make contact with the Student Equity and Disability Officer at least six weeks before the examination period.

For further information, including the policy on adjustments for students with disabilities, go to www.scu.edu.au/studentsupportservices and click on Equity and Disability Services.

**Chaplaincy**

The Review of Chaplaincy at Southern Cross University in 2005 recommended that a Multi-faith advisory committee be established to oversee the coordination and facilitation of Chaplaincy activities. The membership of the Interfaith Committee comprises of clergy and non-clergy persons from the major churches, religious and
spiritual organisations in the area as well as members of the University community. The Chaplaincy seeks to serve the whole of the University community during both ordinary and crisis times of life. Practical support, pastoral care and personal assistance are available to help with individual goal setting and decision-making. The Chaplaincy is ecumenical and multi-faith in nature and maintains strong links with the major denominational churches and other major faiths in the area. The University is fortunate in having local members of the clergy at Lismore, Tweed Gold Coast and Coffs Harbour campuses, who volunteer their time to assist members of the University community.

Accommodation

Lismore Campus The University offers student accommodation in three separate Colleges. These Colleges are self-catering and co-educational and each is located within walking distance of its Lismore Campus.

Orion College occupies a spectacular hill-top position on the northern edge of the university campus. It accommodates 240 students in furnished single study-bedrooms, arranged in groups of four and six bedroom units. Each unit contains a kitchen, furnished lounge/dining area and toilet facilities. The College has a recreational hall, a fully equipped study centre and a 15 metre swimming pool. Ample parking spaces are provided in college grounds.

Magellan College is a modern College located in an elevated position at Rifle Range Road, overlooking the main campus. The first stage of the college comprises tastefully furnished study bedrooms arranged in self-catering units of four bedrooms each. All units are provided with a kitchen, lounge/dining facilities and a spacious balcony.

Sirius College is located on the southern side of the campus and within walking distance to the University entrance. It accommodates a total of 55 students in furnished single study-bedrooms arranged in two and three bedroom units. Each unit contains a kitchen, a lounge/dining area and toilet facilities. The College has a study centre and a swimming pool with a pleasant BBQ area. Preference is given to senior and postgraduate students for accommodation in this College.

Carina College at the Coffs Harbour Campus is a modern on-campus accommodation centre. The College comprises 96 furnished single study-bedrooms arranged in units of four bedrooms. Each unit has a furnished lounge and dining area and modern kitchen and toilet facilities. Sports fields, a Community Centre and a tennis court are available adjacent to the College.

Telephones All units of the Colleges are provided with a complimentary telephone for incoming calls, access to Security Service and for emergency contact with ambulance, fire brigade and police. Outgoing calls however, can be made through public telephones variously located within Colleges or through Home-Link services from residential phones.

IT Service All units at Carina College in Coffs Harbour and Magellan College in Lismore are provided with data connection facilities for internet and email access.

Supervision The Colleges are well supervised by on-site Accommodation staff.

Collegial Life The Colleges provide a nurturing and supportive environment for the development and maturity of their lodgers. The educational opportunities provided by Colleges include the provision of good study conditions and the operation of study centres with computing, and word processing facilities. For achieving social, cultural and civic maturity the Colleges provide pastoral care and opportunities for members to take responsibility for various aspects of college life.

Cost of On-Campus Accommodation

The University has kept the cost of accommodation at a modest level. This is to provide educational opportunities to tertiary students from a wide range of socio-economic backgrounds. The 2007 charges vary from $101 per week (6 bedroom unit), $107 per week (2-3-4 bedroom unit) to $119 per week (4 bedroom unit) per person for an academic year. In addition, an annual deposit is payable. Applications are generally accepted until the middle of January each year subject to availability.

Off-Campus Accommodation Services

The University also assists in providing contacts for off-campus accommodation in Lismore, Coffs Harbour and Tweed Heads. A comprehensive listing of all available town accommodation is maintained for the personal perusal of potential tenants.

Careers Service
The University has a Careers Adviser to give you advice on career and course planning. The Careers Adviser is located at the Lismore Campus. You can find out full details of the services of the Careers Office by phoning (02) 6620 3220, or students can visit the Careers website directly from MySCU study.scu.edu.au/services/careers
Southern Cross University CareerHub is a web-based information and management portal found via MySCU, that provides an electronic communication hub between you (students and recent graduates), and the Careers Service.

The CareerHub portal is designed to provide you with information that is useful in your job seeking and career planning process.

In CareerHub you will find the following resources:
- Vacancies categorised by ‘service’ and discipline
- Links to useful websites and employers websites
- News from the Careers Service
- Registration for Career education workshops
- Career related articles
- Details of events or employer information sessions and interviews
- Frequently asked questions and answers
- Reminders of important dates, or information

The Careers Adviser also attends the Coffs Harbour and Tweed Gold Coast Campuses where appointments can be made by telephoning (02) 6620 3220. External students can make telephone appointments on (02) 6620 3220 or email the Careers Advisor: careers@scu.edu.au

Student Loans
The University has an interest-free Student Loan Fund. If you are in need of assistance and would like to discuss your situation or apply for a student loan, contact the Loans Officer on (02) 6620 3220 or for Coffs Harbour students please phone (02) 6659 3777
The loans policy can be accessed by selecting the Support Services link at the Student Services website: on http://www.scu.edu.au/studentservices

Scholarships
Postgraduate Scholarships are available for students undertaking a PhD or Masters by Thesis.

The three major scholarships are: Australian Postgraduate Award with Stipend (APA); Southern Cross University Postgraduate Research Scholarships (SCUPRS); International Postgraduate Research Scholarships (IPRS). Postgraduate scholarships are administered by the Graduate Research College. For information on the terms, conditions and benefits of these scholarships refer to www.scu.edu.au/research/grc and click on the Postgraduates button, or contact the Graduate Research College on (02) 6620 3172.

Vice-Chancellor’s and Industry Undergraduate Scholarships are available to commencing students on a competitive merit basis. The Vice-Chancellor’s scholarships are valued at $15,000 over three years full-time study. The Industry sponsored Scholarships range from $2,000 to $5,000 per year for up to three years full-time study

Full details regarding the eligibility and selection criteria as well as the benefits and conditions are available at the Future Students section of the SCU website.

Additional information may be obtained by phoning (02) 6620 3975 or via email to scholarships@scu.edu.au. The website also lists links to scholarships offered by various agencies that may be used towards your study program at Southern Cross.

Equity Scholarships
Equity Scholarships include the Commonwealth Learning Scholarships Programme (CLS) established by the Australian Government, and Institution Equity Scholarships (IES) established by Southern Cross University. These scholarships are designed to assist rural, regional, low income and indigenous students who are Australian citizens or holders of permanent humanitarian visas with costs associated with higher education.

There are two types of CLS:
Commonwealth Education Costs Scholarship valued in 2007 at $2,121 per year (indexed annually) for up to four years to assist with education costs.
Commonwealth Accommodation Scholarship valued in 2007 at $4,231 per year (indexed annually) for up to four years to assist with accommodation expenses.

There are two types of IES:
Southern Cross University Equity Scholarship for first year students valued at $1,500 made as a one off payment to eligible students commencing their first year of study in 2007.
Equity Book Bursaries valued at $250 allocated as a voucher redeemed through the Co-operative Bookshop.
Applicants must meet eligibility criteria to apply and applications will be assessed on a needs basis as determined by selection criteria. For further enquiries please contact the Equity Scholarships Officer on 02 6620 3220 or visit the Future Students section of the SCU website.

Prizes
The University also offers a large number of Annual Prizes which may be awarded if you achieve outstanding results or demonstrate meritorious performance. A complete listing of the prizes, criteria and amount awarded can be downloaded from the University website at www.scu.edu.au/governance/council/prizes/index.html

University Medals are awarded annually at the discretion of the Academic Board if you have completed the requirements of a Bachelor degree with first class honours and at all times have demonstrated a very high standard of academic achievement. University Medals are normally awarded if you have achieved a Grade Point Average (GPA) of Distinction (6.00) or more in graded units equivalent to 150-hours, excluding Honours year units. These units must be in the relevant undergraduate award(s) and where a minimum of sixty-six percent (66%) of the award(s) has been completed at Southern Cross University.

The following examples are to assist with interpretation:

(i) A student has completed forty units towards a double degree: Another student has completed thirty-two units towards a combined degree. In both cases count all units in the GPA calculation;

(ii) A student has completed a twenty-four unit undergraduate degree at SCU. The student completed eight units in another SCU degree and two units at another university, and received advanced standing for eight units (two non-SCU units and six SCU units). The two units completed at the other university do not count in the calculation, however, six of the SCU units do. The GPA would be calculated on twenty-two SCU units;

(iii) A student has completed an articulated series of awards at SCU culminating in a degree. All units counted towards that degree are to be used in the GPA calculation, even if the units were completed while the student was enrolled in the articulated awards

Services for Aboriginal and Torres Strait Islander Students
Southern Cross University has a strong commitment to Indigenous people and their culture. The University has special admission and support procedures for students of Aboriginal and Torres Strait Islander descent. Applicants who do not gain admission under the University guidelines may be able to enrol in a one-year Foundation Program. Full details are available by contacting Gnibi - the College of Indigenous Australian Peoples at Lismore Campus on (02) 6620 3955 or 1800 816 676.

The College, which is located in the Bundjalung Building, H Block, has two broad goals: to improve the access and participation of Indigenous Australians in higher education; and to increase the awareness of Indigenous culture within the wider community. The College sets out to achieve these goals through innovative curricula, student support and research.

Indigenous students studying externally or at any SCU campus are encouraged to contact Gnibi at the above number when assistance is required.

Services for International Students
The University’s focus for support for international students is provided through the International Office, which is responsible for coordination and administration of the University’s various international activities. These activities include developing international links and collaborations, the promotion of University courses overseas, international student admission and support services, visa assistance, international student welfare, learning assistance, exchange programs, international visits and agreements. The International Office is represented on each of the three campuses of the University.

Services for External Students
External students have access to most Southern Cross University services. Wherever possible these services will be provided in an electronic format (refer to SCU Connect and MySCU). External students can also access SCU services in-person at any one of our campuses. The University has also established a freecall number for external students – telephone: 1800 111 890.
**External Study Guides**

Students enrolling in external units may be forwarded external study guides by the relevant School (or College) prior to the commencement of each study period. External students should note that there may be a workshop requirement for some external units. Dates and venues will be detailed in your external study guide.

Enquiries regarding external study guides, attendance commitments and other academic matters should be directed to the relevant School (or College) contact person included in your course information, or refer to contact numbers at the front of this Student Handbook.

**Exams**

Exams are held in many cities and towns throughout Australia and in some countries overseas. You may nominate or change an Exam Centre via My Enrolment by selecting “Change External Exam Centre Details” under “My Study Plans”. If you are living within 120 km of an established Exam Centre you are expected to attend that centre. If you are unable to select a suitable centre, you should contact the Examinations and Records Team as soon as possible on (02) 6620 3449.

**Library**

If you are an external student you can use the Library to:
- request books, photocopies of articles, subject searches, interlibrary loans
- arrange borrowing privileges from other libraries

If you have Internet access you can also:
- request books, photocopies and services online
- access the Library catalogue which shows the holdings of all our libraries
- search full-text databases and electronic journals
- access a range of internet resources

More information is contained in the Library’s booklet *Distance Education Student Guide* which is mailed to all external students in the first few weeks of the semester or trimester. This Guide is also available from the Library’s website.

STUDY INFORMATION

Tuition Fees and CommonwealthSupported places
The University will provide your fees invoiceelectronically each study period. Once youhave enrolled an invoice is available for viewing viaMyEnrolment. Payment of fees must be made by thedue date specified on the invoice (details regardingmethods of payment are included with the invoice).

Commonwealth supported place
A Commonwealth supported place is a highereducation place where the Commonwealthgovernment makes a contribution towards the costof your education. All Southern Cross University'sundergraduate courses include Commonwealthsupported places. Most postgraduate courses arenon-Commonwealth supported (fee-paying) andstudents undertaking postgraduate studies paytuition fees directly to the university. Your letter ofoffer will confirm whether you have been offered aCommonwealth supported place or a fee-payingplace.

Commonwealth supported students (previouslycalled HECS students)
All domestic students are provided with a StudentLearning Entitlement (SLE) by the Commonwealthgovernment. Domestic students include Australiancitizens, Australian permanent residents and NewZealand citizens. The SLE is equivalent to 7 yearsof full-time study. A student with SLE is entitled toCommonwealth support. This means that theCommonwealth government will subsidise the costof these students education.

Every unit of study undertaken underCommonwealth support has an associated cost. ForCommonwealth supported students part of that costis met by the Commonwealth government and theremainder is paid by the student. This payment waspreviously called HECs, but it is now called thestudent contribution amount.

Fee Paying Students
A non-Commonwealth supported student is alsoknown as a fee-paying student and includes anydomestic student who is paying a tuition fee for aunit of study. Fee paying students are required topay full tuition fees for each unit of study directly toSouthern Cross University.

New Zealand citizens and permanent residents ofAustralia must pay the full tuition fee for each unitof study in which they are enrolled by the due dateon the relevant invoice.

Australian citizens and holders of permanenthumanitarian visas are eligible to pay their tuitionfees with a loan from the Commonwealthgovernment called FEE-HELP. The loan is repaidthrough the taxation system once a minimum income threshold for compulsory repayment isreached.

Whilst FEE-HELP loans are interest free, they areindexed to CPI. A 20% loan fee applies to FEEHELP loans for undergraduate studies. Noadditional loan fee is applied to loans forpostgraduate studies.

For more information visit the Commonwealthgovernment web-site www.goingtouni.gov.au

Refund of Fees
It is important you read and understand theUniversity Refund Policy as set out in the RulesRelating to Student Fees and Charges in the Rulessection of the Student Handbook.

Deferment of CourseCommencement
Deferment of course commencement may beavailable for a period of 6 or 12 months toapplicants undertaking undergraduate courses. Anapplicant who is offered a place in an undergraduateaward course shall be granted a deferment of offerfor 6 or 12 months following written application tothe Director of Student Services and upon paymentof the prescribed fee by the due date. For moreinformation refer to the Rules Relating to Awardssection of the Handbook(see Rules 2.1(d))

Enrolling at SCU
As a student of SCU, it is your responsibility toensure that your current enrolment is recordedaccurately by Southern Cross University. Someunits offered by SCU have requisite conditions andyou are strongly advised to check that you areeligible to enrol in the unit prior to undertaking youronline enrolment. You must obtain a requisitewaiver from the Head of the School that is teachingthe unit if you wish to enrol in a unit without thelisted requisite. This is to be submitted by selectingthe “Unit Approval Request” option on MyEnrolment.

If you are a new student you will receive an offerpackage. You should follow the instructionsprovided in your offer package to correctly acceptyour offer and then complete your enrolment by thespecified due date.

If you are a continuing student you are required tore-enrol for the following year in October of thecurrent year. Information about re-enrolment will bepublished each year via your SCU email account.
No guarantee of enrolment can be made if you do not complete your enrolment by the due date. At the beginning of each study period you are encouraged to check your enrolment details on My Enrolment to ensure that you have correctly enrolled. If your enrolment is not as you expected and you are unable to amend your enrolment online, you must immediately advise the University by contacting your School, or Student Services at email: enrol@scu.edu.au

Checklist for Enrolment

Commencing Students

Have you:

☐ Accepted your offer?
☐ Submitted your Request for Commonwealth support and HECS-HELP (Commonwealth supported students only)
☐ Submitted Your Request for a Student ID Card? (only for students who are unable to visit the ID card unit at Lismore, Coffs Harbour or Tweed Gold Coast campus).

Continuing Students

Have you:

☐ Checked that you have fulfilled the required requisites or obtained authorisation for a requisite waiver?
☐ Completed your re-enrolment via My Enrolment by the advised closing date?

What Happens After Enrolment?

After completing your enrolment you should continue to check your enrolment details on My Enrolment and access your webmail account. All enrolment problems will be reported to this address. If your enrolment is complete, you should check your class timetable and attend your first classes. Southern Cross University provides no written confirmation of your enrolment, however you can print the details of your current enrolment from My Enrolment.

Your enrolment invoice will be available via My Enrolment shortly after you have been enrolled. Please check your invoice for accuracy and ensure that you pay any outstanding amounts by the due date.

Changing Your Enrolment

You may vary your original enrolment details via My Enrolment. Please note that deadlines exist for the lodgement of enrolment variation and course/unit withdrawals. These dates are set out in the Principal Dates section of the Student Handbook and can effect both your academic record and financial liability. Note that changing your mode of study (internal or external study mode) and unit substitutions are enrolment variation requests and are subject to the same deadlines - see “Withdrawing From a Course or Unit” below. You may also amend your contact details by visiting My Enrolment.

Withdrawing From a Course or Unit

Regulations relating to a course or unit withdrawal are set out in the Enrolment Rules which are printed in the Rules section of the Student Handbook (see Rules 2.6 – 2.8). You should be familiar with these rules. You may withdraw from your unit(s) or course via My Enrolment to avoid being automatically graded FAIL for currently enrolled unit(s). You are not permitted to withdraw from all enrolled units without applying for either a Leave of Absence (see below) or a Course Withdrawal (see above). If you are a Commonwealth supported student and you withdraw from your unit/s or course after the census date for a study period, you will be liable for the student contribution amount applicable for each unit for that study period.

You should note that withdrawing from a unit or course after the designated final date for withdrawal without failure will result in an automatic grade of FAIL.

If you are enrolled in a fee paying course and you withdraw from your unit/s or course after the start of the study period you may be liable for a partial fee. Refer to the University Refund Policy set out in the Rules Relating to Student Fee and Charges.

Leave of Absence

If you have completed at least one unit of study with Southern Cross University you may take a break from your studies of up to one-year (12 months). Refer to Rules Relating to Awards (see Rule 2.7(a-f)).

The application for leave may be submitted through My Enrolment.

For Further Information about Enrolment Issues:

• consult the relevant course and unit entries in the Student Handbook;
• consult the relevant Enrolment Rules in the Rules section of this Student Handbook;
• refer to your course summary sheets available on the web;
• consult the appropriate Course Coordinator in your School;
• consult an Enrolment Services Officer within Student Services at tel: (02) 6620 3431 or email: enrol@scu.edu.au

Attendance requirements
Attendance at lectures and tutorials is normally a requirement for internal students. For example, some units require an eighty percent attendance in lectures and tutorials as well as a pass in assignments in order to pass the unit. Attendance at field trips and excursions may also contribute to a unit assessment. External students may need to attend an on-campus residential period as a requirement of their units. Attendance requirements are articulated in the unit statements issued at the commencement of each unit.

If personal circumstances change through the study period to prevent class attendance, you are strongly encouraged to discuss the situation with your lecturer or Student Services. Illness during the study period can effect not only your attendance at classes, but also your capacity to study. When too much class contact is lost through protracted illness, there may be no practical way of catching up in that study period. You should discuss your options with staff within your School or College Student Liaison team or within Student Services.

Text books
Text book lists are included in all unit statements and can be purchased from the Co-op Bookshop which is located at both Lismore and Coffs Harbour Campuses. Copies of required texts are also held in the University Library. Books of Readings are sometimes produced by Schools to either supplement or replace text books. Copies of these are also available in the University Library. The Co-Op Bookshop contact details are:

Lismore Campus:
Telephone: (02) 6621 4484
Facsimile: (02) 6622 2960
Email to: lismore@coop-bookshop.com.au

Coffs Harbour Campus:
Telephone: (02) 6659 3225
Facsimile: (02) 6659 3226
Email to: coffs@coop-bookshop.com.au.
For further information visit the website: www.coop-bookshop.com.au

Advanced Standing
Southern Cross University policy allows for the granting of advanced standing for previous post-secondary study (normally completed within the last ten years), relevant professional experience or demonstrable expertise. If you wish to apply for advanced standing towards your course, you should complete and return the Advanced Standing Application Form (available from Student Centres or download from http://study.scu.edu.au/studentservices/dds/).

It is important to apply for advanced standing as early as possible in your studies as the amount of advanced standing you are granted may affect which units you need enrol in. To prevent delays in processing your graduation you are strongly advised to have submitted all requests for Advanced Standing before commencing your final study period.

Change of Course
Students who are currently enrolled in an undergraduate course at Southern Cross University may apply for a course transfer to study a different Southern Cross University course. To be eligible to course transfer, a student must have remained enrolled in their initial course past the census date in the previous study period. Details are available from the Admissions Team in Student Services on (02) 6620 3452 or email admissions@scu.edu.au.

Assessment
Assessment describes the various kinds of assignments, tests and examinations used at Southern Cross University. At the beginning of each study period the relevant unit assessor will provide you with a unit statement which outlines the objectives or goals of the unit, the number and type of each item of work to be submitted, the assessment method(s) proposed for each item, date each item is to be submitted and other general assessment expectations and penalties. You should note the assessment requirements carefully as your success in any unit will depend upon your ability to meet the requirements of the various assessment items.

School/College policies, including the conditions of and penalties for late submissions, granting of extensions, possibility of re-submission, violation of assessment specifications (eg: number of words), plagiarism and class participation (where it contributes to assessment) may be outlined in the unit statement or will be available at the relevant Faculty, School or College office.

Your final grade in each unit will be published on My Enrolment at the end of each study period. Release dates for grades are published in “SCU News” on the University’s web site. You will be advised of grade publication dates via your SCU webmail account. The University’s rules concerning Student Assessment and Examinations are set out in the Rules section of this Student Handbook.
Examinations

Examinations are held at the end of each study period. Not all units require examinations so you should carefully check the assessment requirements of all the units in which you are enrolled. It is your responsibility to complete any required examinations. A preliminary examination timetable is normally available in week eight of the study period. The final timetable is published in week ten of each study period and is available on the web at www.scu.edu.au/myenrolment (Select “Exam Timetable” under “My Exams”). It is your responsibility to check the details of all your examinations. Details will not be given out by telephone.

The University’s rules governing Student Assessment and Examinations are set out in the Rules section of this Handbook.

Special Consideration and Special Examinations

The Student Assessment and Examination rules provide for you to be granted a special examination or special consideration in appropriate circumstances. In general terms, the rules provide that where you complete an assessment task, such as an examination or assignment, and believe your performance or preparation was adversely affected by medical or other circumstances, you may apply for special consideration.

If you are unable to sit for an examination because of medical or other exceptional circumstances you may apply for a special examination. Except in exceptional circumstances, a special examination will not be granted once you sit for an examination. Misreading the exam timetable is not grounds for a special examination.

You may also apply for special consideration to vary the deadline for an assessment task, other than an examination.

An application form for Special Consideration is available from the Student Centre, from your School or College and on the website at http://study.scu.edu.au/studentservices/dds/

Supplementary Assessment

* Guidelines Currently under revision

If you enrolled in a designated first year unit you are eligible for a resubmit or a rest of one failed assessment item other than your final assessment item for that unit. If you are enrolled in a designated first year unit and fail your final assessment item for that unit you may be offered a resubmit or rest (exam) where the final grade for the unit is close to a pass grade.

The University’s rules concerning Student Assessment and Examinations are set out in the Rules section of this Student Handbook.

Review of Grades and Appeals

If you wish to query a final grade in any unit you should contact the relevant Head of School within fifteen working days of formal publication of the grade. If you are not satisfied with the Head of School’s determination, you may lodge a formal appeal with the Secretary, Academic Board Appeals Committee. The grounds for lodging an appeal are outlined in the Student Assessment and Examination rules. You may also query the mark or grade awarded for a piece of assessment submitted during the study period. For further details see the Rules section of this Handbook.

Exclusion

The Exclusion Rules, set out in the Rules section of this Student Handbook, provide for exclusion at the discretion of the Head of School, on the basis of unsatisfactory academic progress or failure to satisfy professional experience requirements. You may appeal a decision of the Head of School within ten working days of notification of exclusion by requesting the Executive Dean to review the decision. If you are not satisfied with the Executive Dean’s decision with respect to this appeal you may submit a further appeal to Academic Board within ten working days. Any appeal under the Rules may only be made on the grounds that the Rules were inappropriate or unreasonably applied, or that there were exceptional circumstances, not likely to continue, which contributed to poor academic performance.

Periods of exclusion shall not be displayed on any academic transcript issued by the University.

Graduation

Graduation is the ceremony in which you, as a graduand of the University, receive your degree, diploma or award from the Chancellor and become a graduate. After graduation, you are entitled to use the title and origin of your degree after your name. Graduation ceremonies are held each year in Lismore, Coffs Harbour and Sydney. For further information contact the Graduation Officer on (02) 6620 3339.

Academic Transcripts

An academic transcript (also called Statement of Academic Record) is a copy of your academic record to date. The transcript lists the units you have studied and all grades,
including fails. It is issued without alteration or erasure. You are entitled to one transcript of your academic record, without charge, upon graduation. A fee of $15.00 will be charged for all other transcripts, ($17.00 for overseas students) and will be provided on receipt of written request and appropriate payment to Student Services. A credit card payment option is also available. Please contact Student Services - Exams and Records on 02 6620 3449 or email: exams@scu.edu.au to enquire about this option. A web-based copy of your academic transcript may also be downloaded from My Enrolment (www.scu.edu.au/myenrolment).

**Academic Skills Development (Learning Assistance)**

Learning Assistance is a service that is offered to all students at Southern Cross University. Specialist staff provide assistance with academic skills such as analysing assignment questions, assignment writing, preparing for exams, reading, note-taking and time management. On-campus students can make an appointment to see one of our staff and/or attend our workshops. We work with external students on an individual basis via the phone, fax or email to help you to improve your academic research and writing. International students please contact the International Office for academic support.

Learning Assistance support is available at:
- Lismore Campus in the Library, Level 3. Phone: (02) 6620 3386 Email: learningassistance@scu.edu.au
- Coffs Harbour Campus Phone: (02) 6659 3323 Email: pwells@scu.edu.au
- Tweed/Gold Coast Campus Phone: (07) 5506 9200 Email: jmcguire@scu.edu.au

For further information visit our website: [www.scu.edu.au/learningassistance](http://www.scu.edu.au/learningassistance)

**Miscellaneous Study**

It is possible to apply to study individual unit/s offered by Southern Cross University without being admitted to a degree course. Applications for miscellaneous study must be made on the University’s Direct Application Form and normal admission deadlines apply. Commonwealth support for fees relating to miscellaneous study is not available. Tuition fees are listed under Miscellaneous in the schedules please refer to the Rules Relating to Student Fees and Charges.

An application to study a miscellaneous unit will be assessed by the relevant Head of School before an offer to study is made to a prospective student. For more information about miscellaneous study please contact Student Services. Phone: (02) 6620 3444 Email: stuadmin@scu.edu.au

**Timetables**

Wherever possible, class timetables for each study period and each campus are available, in draft format, two months prior to the start of lectures. The final class timetable will normally be available one month prior to the commencement of each study period. They can be accessed on the University website at [http://www.scu.edu.au/studentservices](http://www.scu.edu.au/studentservices). You are encouraged to check the timetable regularly until the end of Week 2 of the study period as changes to arrangements do occur, particularly at the beginning of the study period.

Clashes or omissions should be reported to your School Timetable contact. Examination Timetables are also available on the web at [www.scu.edu.au/myenrolment](http://www.scu.edu.au/myenrolment) (select “Exam Timetables” under “My Exams”) These are initially posted in preliminary format in week 8 of the study period. A period of approximately 1 week is provided for you to provide feedback and request further changes before the timetable is finalised. You are advised to check the preliminary and final timetables closely to ensure that you do not have examination clashes.

**Exchange Programs**

The University has reciprocal exchange programs with more than 30 overseas universities and higher education institutions in a range of countries including Austria, Canada, England, China, Norway, Sweden, France, Spain, Germany, Hong Kong, Japan, Korea, Netherlands, and the United States of America. Courses are taught in English and students don't need foreign language skills to participate in most cases. Students are encouraged to consider undertaking a period of study overseas through the University's Exchange program.

Students are able to apply for competitively awarded grants to fund the cost of air fares, accommodation and other costs of undertaking a period of exchange study. Students may also apply for a loan of $5000 under the OS-HELP scheme to fund these costs, the repayment of
which can be deferred in a manner similar to the repayment of the HECS liability.

Before embarking on an exchange, students need to ensure that the credit for their proposed exchange study program has been approved by their Course Coordinator. Students remain enrolled students of the University while on exchange and incur the usual tuition fee liabilities, but no tuition fees are required to be paid to the overseas university.

More information can be obtained from the University's Exchange website http://exchange.scu.edu.au or by contacting the International Office for more information on (02) 6620 3876.
GENERAL INFORMATION

ABSTUDY (Education Access Program)

ABSTUDY provides assistance for Australian Aboriginal and Torres Strait Islander students in a range of full-time and part-time courses, including Masters and Doctorate level.

The maximum rates vary depending upon individual circumstances. Benefits for students also include the payment of an incidentals allowance to assist with text book and equipment costs. Part-time students may also be eligible for some financial assistance.

Application forms for ABSTUDY are available from any Centrelink Office. Submit your application for ABSTUDY as soon as possible. ABSTUDY claims can be lodged at the Lismore Centrelink Office, at the corner of Conway and Keen Streets.

ABSTUDY Pensioner Education Supplement (PES)

The Pensioner Education Supplement (PES) is free of any income test. It may be paid to some students who are eligible for ABSTUDY and are receiving a pension or certain allowances from Centrelink or a full service pension from the Department of Veteran Affairs (DVA). To be eligible for PES students must be studying at least 25% of a full-time workload.

In 2006 the Pensioner Education Supplement was $62.40 per fortnight for new applicants and $124.80 per fortnight for “maintained” students continuing in their studies from 1999.

Students with a study load of less than 50% were paid $31.20 per fortnight. Please note, customers receiving the Disability Support Pension, Invalidity Service Pension or Income Support Supplement may be eligible for a workload concession.

All rates are subject to CPI adjustment.

Further information about ABSTUDY can be obtained from the Lismore Centrelink Office, corner of Conway and Keen Streets, Lismore. Telephone enquiries can be made on 13 23 17.

Austudy Payment and Youth Allowance for Students

Austudy Payment is an income support payment available to qualifying students aged 25 or older. It provides income tested assistance to full-time students who are Australian citizens and some permanent residents of Australia studying in an approved tertiary course.

Youth Allowance is a similar support payment paid to eligible 16 to 24 year olds who are undertaking full-time study in approved courses, and/or are looking for work. These young people may be eligible for rent assistance and the rules regarding the activity test allow for more flexibility in the types of activities which are acceptable. Youth Allowance is means tested against parental and family income.

The eligibility provisions for Austudy Payment and Youth Allowance for full-time students are very similar. However there are some differences in terms of rates, parental means testing, and the activity test (academic requirements). All Austudy Payment recipients are deemed independent and are therefore not means tested against their parents’ income.

There is no away from home rate for Austudy Payment as all students over 25 years of age are deemed to be independent. Rent Assistance is not available to single people who are receiving Austudy Payment. Those with children can access Rent Assistance through Family Allowance.

To be eligible for Austudy Payment or Youth Allowance, students normally need to be undertaking at least three-quarters of the normal amount of full-time study in respect of the course for the study period. Where a student is in a Commonwealth supported place in a course they are required to have a study loading of at least 0.375 per semester. Where a student reduces and ceases to be undertaking a study load of 0.375 or more, he or she ceases to be eligible for Austudy Payment or Youth Allowance. Under very special circumstances some students are approved to study less than 75% of the full-time workload.

The maximum rates of payments vary depending on the age of the student, the level of the student’s personal and/or family income and assets, and the type of assistance applied for.

Dependent tertiary students may also be eligible for reimbursement for up to two return journeys between their parents’ and their term address if they live away from home to undertake their studies.

Students can apply for a lump sum advance loan of between $250 and $500 against their Austudy Payment or Youth Allowance entitlement.

Application forms for Austudy Payment and Youth Allowance are available from any Centrelink office. Completed applications can be forwarded by mail to the following address.
or can be personally lodged at any Centrelink office:

Centrelink
PO Box 571
LISMORE NSW 2480

Telephone enquiries can be made on 13 2490.

At Lismore campus, free-call phones are available for students to contact Centrelink. These are located at the Student Centre in Goodman Plaza.

Austudy Pensioner Education Supplement (PES)

The Pensioner Education Supplement (PES) aims to assist pensioners with the ongoing costs associated with study and is available to full-time students and those approved to undertake at least 25% of a full study load.

PES is paid at the rate of up to $62.40 per fortnight; it is not taxable. The minimum age is usually 16, although it may be paid to a 15 year old studying in certain circumstances. Further information about the Austudy Pensioner Education Supplement can be obtained at any Centrelink office or by phone on 13 2490.

Health Care Cards

Students may be eligible for a Health Care Card which entitles them to a reduction in the cost of prescriptions, x-rays, etc. Applications for the issue of a Health Care Card can be obtained from any office of Centrelink.

Banking

At Lismore campus a branch of Summerland Credit Union and an ATM are located in Goodman Plaza. Some shops also offer EFTPOS facilities.

At Coffs Harbour campus an ATM is located inside the canteen and some shops offer EFTPOS facilities.

Bookshop

The Uni Co-op Bookshop supplies all set texts, along with a wide variety of reference texts and general titles. Become a lifetime member of the Co-op for $20 to receive a 10% discount from any of their stores Australia wide.

The Co-op Bookshop also provides a mail order service for external students. You can check your text lists and order online from their website using a credit card. Order forms are also available to download if you prefer to fax or post your order.

Buildings

There are a number of general rules relating to use of and access to University buildings:

- always take care, use common sense and consider others;
- consumption of food and drink should not occur in theatres, lecture rooms and other academic areas;
- smoking is prohibited in all University buildings;
- equipment and fittings should not be tampered with;
- minimise litter by using the bins provided;
- keep noise down, particularly in or near study areas such as libraries, teaching rooms and offices;
- protective clothing and footwear may be required for entry to some areas, such as laboratories;
- observe all signs and instructions relating to access to and use of University buildings.

Childcare

Childcare is offered at the Lismore Campus through the Southern Cross University Children’s Centre located in Rifle Range Road, Lismore. The Southern Cross University Children’s Centre provides long day care and is licensed for 39 places.

The Centre gives preference to the children of University students and staff.

The Student Representative Council (SRC) provides childcare subsidies for children of students cared for by the Centre and other community based childcare facilities including family day care. Details are available at the Southern Cross University Children’s Centre (telephone (02) 6622 2616) or the SRC office at Shop 9, Goodman Plaza (telephone (02) 6620 3044).
Complaints
The University is committed to seeking feedback from students and staff, and acknowledges the right of students, staff or members of the public to complain if they are dissatisfied.

The University has established a Complaints Management Framework to provide for the timely and fair resolution of complaints. The Framework will help you to decide how to proceed with your complaint or concern.

For more information about complaints processes at SCU, please visit the following website:
http://www.scu.edu.au/admin/acua/complaints/

Criminal Record Check
Students should be aware that as part of the employment process in various States and Territories, a criminal record check is undertaken on all applicants for positions within teaching and nursing.

Discrimination or Harassment
See Equity

Equity
The University is committed to fostering equity for all members of its staff and student community and to reflecting the cultural diversity of Australia. The University Mission emphasises a commitment to equity and cultural diversity, and to providing a caring and supportive environment for students so as to achieve their full potential.

The University will not condone unlawful discrimination and has an Internal Mediation and Grievance Procedure which is designed to address grievances based on allegations of unlawful discrimination (including sexual harassment) or unfairness of administrative processes.

Students who may have a grievance are invited to visit http://www.scu.edu.au/admin/equity/ and are encouraged to discuss their concerns with the Student Equity and Disability Officer located within Student Support Services.
Phone: (02) 6620 3943

Freedom of Information
The University is subject to the Freedom of Information Act 1989 (NSW). Wherever possible the University observes a policy of allowing access to material of non-confidential or non-personal nature without the need to submit a formal application for access under the above Act. An applicant who is dissatisfied with access granted in the informal mode may submit a formal application for access under the Freedom of Information Act.

For further information, contact the office of the Executive Director and Vice-President (Corporate Services).

Parking
The Lismore campus is a ‘Restricted Parking Zone’ (RPZ) subject to the Roads Act 1993, the Road Transport (General) Act 1999, Road Transport (Safety and Traffic Management) (Road Rules) Regulation 1999 and the Southern Cross University Act 1993.

Restrictions as to parking are enforced by Authorised Officers with the Infringement Processing Bureau (IPB) to process fines. Under the RPZ the following will be enforced:

- Parking elsewhere other than a marked space.
- Parking in a disabled reserved space without authority.
- Parking in any marked reserved space without authority.
- Failing to display authorising sticker.
- Staff vehicle parked in visitor-defined space.
- Visitor exceeding visitor space time limit.
- Parking on any roadway without authority.
- Parking on lawns or gardens.
- Parking on footpaths.
- Motorcycle parks (unless motorcycle).
- Loading zones.
- Causing an obstruction.
- Student exceeding permitted drop off time.
- Parking in No Parking area.
- Parking in Bus/Taxi bay.

At the Coffs Harbour and Tweed Gold Coast campuses students may park in the areas designated for student use which are subject to the rules and By-laws* of the Southern Cross University Act 1993 and the Coffs Harbour Education Campus, Board of Governors.

* By-laws are published in the Calendar www.scu.edu.au/calendar
The rules pertaining to traffic and parking may be viewed at the reception counters on the respective campuses and the Safety and Security office at the Military Road entrance to the Lismore campus.

For further information contact the Information Officers at Lismore (02) 6620 3476, Campus Administration Tweed Gold Coast (07) 5506 9200 and Coffs Harbour (02) 6659 3000.

Plagiarism

Plagiarism is defined as reproduction and presentation of the work of others without acknowledgment and includes copying (in whole or in part) the work or data of other persons, or presenting substantial extracts from books, articles, theses, computer software, lecture notes, assignments or tapes, without due acknowledgment. You are advised against making assessable material (assignments, etc.) available to other students, as they could then be a party to plagiarism and, as such, may be penalised as if they themselves had committed an act of plagiarism.

You are expected to be fully conversant with the various systems of referencing. Details on the preferred referencing system for the discipline you are studying will be provided by your Unit Assessor.

You should be aware that poor referencing or poor presentation of cited material is NOT plagiarism. They constitute poor academic work and will be penalised as such.

Plagiarism in Computing

The University acknowledges that there are particular difficulties in establishing plagiarism in respect of computer-based work, particularly programming. The following guidelines are intended to provide advice on how plagiarism in this area will be established:

**Definition:** Substantial copying of work from some existing or recognisable source without acknowledgment: the use of work, partial or whole, generated by another student, past or present or an external person, constitutes plagiarism with reference to computing and computer programming.

**Detection:** Plagiarism in computing may be detected by one or more of the following:

- (a) similarity to other students’ submissions;
- (b) sudden improvement in a student’s output within the semester without evidence of effort;
- (c) sudden change in coding style;
- (d) report by other student(s) or member(s) of staff;
- (e) the offending party was caught in the act of copying.

**Verification:** Plagiarism in computing may be verified by:

- (a) similarity in submitted work, e.g. similar programme structure, similar identification names and labels;
- (b) lack of ability of the student to explain key aspects of the programme, especially where intricate logic is involved in the success of the coding;
- (c) lack of evidence with regard to intermediate output;
- (d) inconsistency in coding style within the programme;
- (e) witness to the act of copying.

The Rules governing Plagiarism will apply in all cases (see rule 3.17 within Rules section of this Handbook).

Policy on Alcohol Consumption

The University has a policy on the consumption of alcohol. The aim of the policy is to ensure that alcohol consumption on University premises occurs within acceptable and legal limits. The policy restricts alcohol to certain venues under certain conditions. Details of this policy may be obtained from the Finance Directorate, or the Vice-Chancellor’s Office.

Privacy

The University must meet the privacy standards introduced under the *NSW Privacy and Personal Information Protection Act 1998* (the Privacy Act). These standards direct the way public sector agencies deal with personal information.

Personal information is any information that relates to an identifiable person. As well as information that can readily identify an individual, it also includes genetic material, electronic records, video recordings and photographs.

There are twelve general principles that deal with the collection, storage, access, use and disclosure of personal information. These principles are designed to reduce the risk of misuse of personal information. They also allow individuals a reasonable degree of control about what happens to their personal information.

These principles are outlined in the brochure *Privacy and Personal Information Protection NEED TO KNOW*, produced by the University and available from the Student Centres on all campuses or via the University’s web site at [www.scu.edu.au/policy/privacy](http://www.scu.edu.au/policy/privacy)
The University, through its Privacy Contact Officer, can assist you with various privacy issues covered by the Act, including access to personal information, privacy complaints and reviews and advice on where to get more information.

Publications in 2007

Southern Cross University publishes the following:

- **Student Handbook**
  This publication details course and unit information in a variety of formats including easy-find indexes, course summary information, course structures, unit synopsis, general course information, course rules, University rules, student services and study information. This Student Handbook is published online at [www.scu.edu.au/handbook](http://www.scu.edu.au/handbook).

- **Annual Report**
  This report includes details of the achievements of the University and the financial statements and is available free of charge.

- **Undergraduate Study Options 2007**
  A prospectus, available free of charge, providing an overview of Southern Cross University and our undergraduate courses of study.

- **Postgraduate Study Options 2007**
  A prospectus, available free of charge, providing an overview of Southern Cross University and our postgraduate courses of study.

For further information about University Publications please contact the Student Centre on your campus.

Safety and Security

The University places a high priority on the safety of staff, students and visitors. University Safety and Security staff are employed to ensure that safety and security are observed and enforced. These staff are responsible for your personal security, as well as that of property. You should at all times obey the directions of a University Safety and Security officer.

Special safety regulations apply in many parts of the University and you should ensure that you are fully aware of any requirements. For further information contact the Safety and Security Office on (02) 6620 3697 or (02) 6620 3628 (Lismore), or (02) 6659 3000 (Coffs Harbour).

Shops

On the Lismore Campus there are a number of shops located in Goodman Plaza including coffee shops, a wrap shop, a kebab shop, the Student Drop In Centre (Print and Copy Shop), the Co-op Bookshop, a newsagent and a branch of Summerland Credit Union.

Shopfront offices for various student services are also located in the Goodman Plaza, including Student Services, Student Support Services, Oasis, University Residential Services, the University Careers Service, the Student Representative Council and 2NCR FM community radio, among others.

On the Coffs Harbour campus there are a number of shops located around the quadrangle including a coffee shop, canteen, the Co-op Bookshop and offices of student services and the Students’ Association.

Student Organisations

There are four student organisations operating at the university, as described below.

**Students Lismore**

Students Lismore is a non-profit organisation providing the official recognised voice for students of the Lismore campus of Southern Cross University. It is organised and operated by students for students. Upon enrolment, students are automatically eligible to become members, upon payment of a membership fee.

Students Lismore is comprised of elected representatives from the student body. It has three main roles:

- to act as an advocate and representative for students within the University, providing an avenue for communication on issues that affect equal access and opportunity;
- to provide a wide range of support for students including free dental service, free computer access, photocopying and laminating, laser printing, professional typing service, facsimile service, photo ID’s and a range of other welfare services;
- to provide an avenue for students to gain experience in administration, management and representation by becoming involved in the day-to-day running of the organisation, its campaigns and student collectives.

Students Lismore has one offices on the Lismore Campus located at Shop 9, Goodman Plaza, website: [www.lismoresrc.org.au](http://www.lismoresrc.org.au)

Coffs Harbour Students’ Association
The mandate of the Coffs Harbour Students’ Association is to provide a quality university experience for all its student members – those studying on campus, externals, residential, mature age, and those students with children, or who are disabled or impoverished. The provides a varied range of social, sporting, welfare and cultural events and activities, offering products and services at greatly subsidised rates, and helping students who have a problem or issue through active representation between its members and other student organisations in the University, the University administration and the regional community.

Some of the activities the Association organises are movie/pizza nights, family fun days, pub tours, mature age dinner and dance, Blue Stocking Week, the Annual Ball, free weekly morning tea, monthly live entertainment and sausage sizzles.

Most products and services the Association provides are heavily subsidised, helping to make life a little easier for students. Some of the services offered to members are photocopying, colour printing, photo processing, binding, laminating, and free use of a common room with Austar TV, DVD/VCR facilities, and books, papers and magazines to read. Some of the products available are tea, essential groceries, mobile and phone cards, coffee, tea, juice, bottled water, soft drinks, biscuits, lollies, milkshakes, film, CDs and computer disks, stamps, envelopes, a free morning tea twice per week and University souvenirs.

A number of regular publications have been established including the Survival Guide, student magazine “Tsunami”, a weekly newsletter and several welfare publications.

On behalf of the University, the Association provides academic dress hiring for students enrolled at Coffs Harbour.

All Coffs Harbour students are eligible to become members of the Association upon payment of a fee of $30.00 per semester. The office is located in F Block, near the bus depot and is open Monday to Friday from 8.30am to 4.30pm during teaching and exam weeks, 10.00am to 2.00pm during study weeks. Telephone (02) 6659 3267, fax (02) 6659 3269, website www.sach.scu.edu.au.

TweedgoldcoastR’s Student Association
This is the student association for our Tweed Gold Coast campus. For further information please email coastrs@scu.edu.au or contact the Student Centre at the Tweed Gold Coast campus.

Postgraduate Association (CRUX)
CRUX is recognised as the official representative body for postgraduate students. Core services of CRUX include representation on committees; information, advocacy and referral; affiliation with Council of Australian Postgraduate Associations (CAPA); PRAXIS annual interdisciplinary research conference; CRUXIS magazine; social events; academic and research skills training. Contact phone number is: (02) 6620 3477.

Transport
See also Parking
Local bus services operate regularly between city centres and the campuses. Timetables are displayed at bus-stops at each campus or are available from Student Centres or the offices of the various student organisations on-campus.

Lismore Campus:
Kirklands Coaches (02) 6622 1499 or www.kirklands.com.au
Coffs Harbour Campus:
Busways 1300 555 611 or http://www.busways.com.au/northcoast/ or Sawtell Coaches (02) 6653 3344
Tweed Gold Coast Campus:

Your student ID card may entitle you to obtain some travel concessions (See Travel Concessions).

In Lismore, a shuttle bus service operates during the academic year, picking up from several locations around the campus and its route includes all residential facilities and key accommodation points around town.

Many students ride bikes to the University and there are a number of bike racks provided around the campuses. Students are advised to always secure their bicycles against theft.

In Lismore, taxis are normally readily available from the bus-bay at the Military Road entrance to the campus.

Travel Concessions
The NSW State Rail and Transit Authority offer student travel concessions for use on bus and train travel in New South Wales. To be eligible for student concession travel, the student must:
(a) be full-time and attending day classes
(b) not be engaged in business or employment
(c) not be a full-fee paying overseas student.

Rail and State Transit concession forms are available from the Student Centres on all campuses. Some overseas students studying under an Australian Government International, Exchange or Sponsorship program may be eligible. To check eligibility criteria for this category of student please contact staff at an SCU Student Centre.

**Specific Award Rules**

See the University's *Rules Relating to Awards*, in conjunction with the Specific Award Rules listed below.

#### 4.1 Requirements for an Award

(a) To be eligible for the award of Bachelor of Environmental Science a candidate shall successfully complete not less than twenty-four (24) units comprising:

(i) all units listed in Part A of the Schedule of Units attached to these Rules; and

(ii) for candidates undertaking a major in either Coastal Management, Environmental Resource Management or Fisheries and Aquaculture Management, the relevant eight (8) unit major sequence from Part B and seven (7) elective units, which may include units from Parts B and C of the Schedule of Units, or other approved units.

(b) To be eligible for the award of Bachelor of Environmental Science with a double major a candidate shall successfully complete not less than twenty-eight (28) units comprising:

(i) twenty-four (24) units as defined in Rules 4.1(a) above; and

(ii) four (4) units from a major not already completed, listed in Part B of the Schedule of Units.

(c) A candidate who, while enrolled for a Bachelor of Environmental Science:

(i) has successfully completed eight (8) units from Part A of the Schedule of Units, with no more than four (4) units awarded as Advanced Standing may elect to be awarded the Diploma of Environmental Science following withdrawal from candidature for the Bachelor Degree; or

(ii) has successfully completed the requirements for the Associate Degree of Environmental Science may elect to be awarded the Associate Degree of Environmental Science following withdrawal from candidature for the Bachelor Degree.
4.2 Advanced Standing

(a) Candidates who, within three months of:
   (i) successfully completing all the requirements for the Associate Degree of Environmental Science, elect to enrol for the Bachelor of Environmental Science may be granted advanced standing for sixteen (16) units; or.
   (ii) successfully completing all the requirements for the Diploma of Environmental Science, elect to enrol for the Bachelor of Environmental Science may be granted advanced standing for eight (8) units.

(b) Candidates who have vocational, employment or other relevant work experience may be granted advanced standing for up to four (4) units provided that the work, units or experience so completed are considered to be equivalent to a unit or units in the Schedule attached to these rules.

(c) Candidates who, within three months of completing all the requirements for the Bachelor of Environmental Science, elect to enrol for the Bachelor of Environmental Science with a double major may be granted advanced standing for up to twenty-four (24) units.

For the purpose of these Rules the following definitions apply:

(i) 'Centre’ means the Centre for Professional Development in the School of Nursing and Health Care Practices;

(ii) 'candidate’ means a person either enrolled as a student in the University, or as a student with the Centre or with one of the University's Licencees, and proceeding with studies towards the award of Bachelor of Health Science in Nursing.

#### 4.1 Qualification for Admission

(a) Applicants for admission to candidature shall:

   (i) for Australian residents and/or citizens, be registered nurses in an Australian State or Territory, or be eligible for registration as a nurse in an Australian State or Territory; or

   (ii) for non-Australian residents and/or citizens, be eligible for registration as a nurse in the country of current residence.

(b) There will be two categories of admission:

   - **Category One:**
     
     Any applicant who has completed an entry level course at certificate level or equivalent which leads to registration as a nurse. This category includes hospital based certificates, hospital based diplomas, and/or tertiary associate diplomas.

   - **Category Two:**
     
     Any applicant who has completed an entry level course in a recognised institution, at the diploma level or equivalent leading to registration as a nurse. This category also includes any applicant who has completed at a tertiary institution, a nursing diploma, or graduate nursing diploma, or a post registration nursing course which was the equivalent of at least one year’s full-time study.

(c) Other registered nurses with a non-nursing award at diploma level, which is the equivalent of at least one year’s duration, from a recognised tertiary institution, may be admitted in Category Two on application to the School Board.

#### 4.2 Requirements for an Award

(a) To be eligible for the award of Bachelor of Health Science in Nursing a candidate shall successfully complete the prescribed number of units as follows, unless exempted:

<table>
<thead>
<tr>
<th>Level of Award:</th>
<th>Undergraduate Degree</th>

Category One: Any applicant who has completed an entry level course at certificate level or equivalent which leads to registration as a nurse. This category includes hospital based certificates, hospital based diplomas, and/or tertiary associate diplomas.

Category Two: Any applicant who has completed an entry level course in a recognised institution, at the diploma level or equivalent leading to registration as a nurse. This category also includes any applicant who has completed at a tertiary institution, a nursing diploma, or graduate nursing diploma, or a post registration nursing course which was the equivalent of at least one year’s full-time study.

(c) Other registered nurses with a non-nursing award at diploma level, which is the equivalent of at least one year’s duration, from a recognised tertiary institution, may be admitted in Category Two on application to the School Board.
(i) candidates in Category One shall complete eight (8) units from the Schedule of Units attached to these Rules, comprising one (1) unit from Part A and seven (7) elective units, at least five (5) of which shall be from Part B;

(ii) candidates in Category Two shall complete four (4) units from the Schedule of Units attached to these Rules, comprising one (1) unit from Part A and three (3) elective units, at least one (1) of which shall be from Part B.

(b) Exemptions from Rules 4.2(a)(i) and (ii) may be granted on the following grounds:

(i) Candidates admitted under Category Two who have previously completed a unit or units, which in the opinion of the School Board are equivalent to units listed in the Schedule, shall be required to obtain the approval of the School Board for their unit selection prior to enrolment.

(ii) Candidates who are not resident in Australia at the time of enrolment shall complete the following units:
- candidates in Category One shall complete eight (8) units, at least six (6) of which shall be from the Schedule of Units attached to these Rules;
- candidates in Category Two shall complete four (4) units, at least two (2) of which shall be from the Schedule of Units attached to these Rules.

(i) all units listed in Part A of the Schedule of Units attached to these Rules;

(ii) eight (8) units from Part B or Part C of the Schedule, with no more than two (2) units being from Part C; and

(iii) have completed a degree or hold equivalent qualifications as specified in Rule 4.1(c) above.

(b) To be eligible for the award of Bachelor of Laws a candidate admitted under Rule 4.1(b) above shall successfully complete not less than thirty-two (32) units comprising:

(i) all units listed in Part A of the Schedule of Units attached to these Rules;

(ii) a minimum of ten (10) units from Part B of the Schedule;

(iii) a maximum of six (6) elective units, which may include units from Part B or C of the Schedule. Units in Part A of the Schedule of Units attached to the Rules for the Associate Degree in Law (Paralegal Studies) or the Bachelor of Legal and Justice Studies may not be included unless these units are in Part B or C of the Schedule of Units attached to these Rules, or have been completed prior to this degree.
to admission to candidature.

(c) A candidate who, while enrolled for a double degree with law, has completed the requirements for the Bachelor of Laws may elect to be awarded the Bachelor of Laws following withdrawal from candidature for the Double degree.

4.3 Law Degree with Honours

(a) A candidate for the award of Bachelor of Laws with Honours shall fulfil the requirements of the Bachelor of Laws award, and in addition:

(i) shall achieve such standard of excellence as the School Board, School of Law and Justice, may from time to time determine;

(ii) shall complete the units LAW10181 Legal Research: Context, Perspective and Method and LAW00524 Independent Legal Research.

(b) For the award of Honours, consideration shall be given to a candidate’s academic record throughout the course of study. A candidate who has reached the required standard of excellence referred to in Rule 4.3(a) may on the recommendation of the School Board in the School of Law and Justice, be awarded Honours in one of the following grades:

First Class Honours
Second Class Honours - Division I
Second Class Honours - Division II

**Specific Award Rules**

See the University's *Rules Relating to Awards*, in conjunction with the Specific Award Rules listed below.

**4.1 Qualification for Admission**

Applicants for admission to candidature shall normally have satisfied the requirements prescribed in Rule 2.2 of the *Rules Relating to Awards*, or shall have completed a minimum of eight (8) units at this or another university and have a level of achievement acceptable to the School Boards.

**4.2 Duration of Course**

Normally, unless the School Boards otherwise determine, a candidate shall be required to complete the requirements of the double degrees in not more than twelve (12) years from the date of commencement.

**4.3 Requirements for the Awards**

(a) To be eligible for the award of a double degree including Law a candidate shall successfully complete not less than the equivalent of forty (40) units and comply with the applicable Schedule attached to these Rules.

(b) A candidate may be permitted to enrol in a unit other than those specified in the
Schedule attached to these Rules at the discretion of the School Board responsible for the unit.

(c) A candidate enrolled in the Bachelor of Environmental Science/Bachelor of Laws, who has successfully completed eight (8) Science units from the Schedule of Units, with no more than four (4) science units of Advanced Standing may elect to be awarded the Diploma of Environmental Science following withdrawal from candidature for the double Bachelor Degree.

4.4 Advanced Standing

(a) (i) Candidates will not be granted advanced standing for more than the equivalent of twenty (20) units in total, or eleven (11) law units, or nine (9) non-law units, except for candidates enrolled in the Bachelor of Legal and Justice Studies/Bachelor of Laws course, who may be granted advanced standing for up to twenty (20) law units. A law unit is one offered by the School of Law and Justice.

(ii) Advanced standing will be determined by the School Board responsible for the unit for which advanced standing is being sought, or in the case of unspecified advanced standing, by the School Board responsible for the award in which it is sought.

(iii) In exceptional cases advanced standing greater than the above limits may be granted by the relevant School Board, which shall notify the Academic Board of all instances.

(iv) Candidates who have completed an Associate Degree in Law offered by the School of Law and Justice may be granted advanced standing in the Law degree for up to a total of eight (8) units.

4.5 Surrender of Award

A candidate who holds the Associate Degree or Diploma in Law (Paralegal Studies) or Associate Degree or Diploma in Law (Aboriginal Paralegal Studies) or the Associate Diploma in Business (Paralegal Studies) and is granted advanced standing on that basis for greater than the equivalent of four (4) units, must surrender the award prior to conferral of the Degree.

Law Degree with Honours

This Rule is the same as Rule 4.3 of the Bachelor of Laws Rules.

Schedules for Double Degrees including Law

(i) All units denoted with an asterisk (*) are double-weighted units and count as the equivalent of two semester units;

(ii) 'Law elective from Part B’ refers to a unit from the Part B Schedule of Elective Law Units;

(iii) Any Rules governing unit selection relating to a single degree named in the Double Degree Schedules are deemed to have been met by compliance with that Double Degree Schedule;

(iv) Amendment to the semester or year in which a unit is offered require agreement of the relevant School Boards, but do not require Academic Board or Council approval.

**Note 1:** Elective units can be taken from any degree level program offered by this University, however approval from the School of Commerce and Management must be obtained for units not offered under the Bachelor of Business award.

**Note 2:** Minors must be taken from the approved “four (4) unit Minor Sequence” in the Bachelor of Business program.

**Note 3:** Where a unit is listed as both a required “Law unit” and a required “Minor unit”, it will ONLY count as the required “Law unit”. Students should consult the Business programs Team for approval of a unit substitution in the “four (4) unit Minor Sequence”. For example, Environmental Law is a required unit in the Bachelor of Laws and a required unit in the Business and Sustainability “four (4) unit Minor Sequence”.

* Denotes a double-weighted unit.

# Any elective includes electives from any degree at Southern Cross University but does not include the following units: Australian Legal System, Introduction to Law and Contract, Legal Studies I, Principles of Contract Law, Business Law, Legal Studies II, Introduction to Land Law, Foundation of Torts, Criminal Process or any introductory level law unit. However, candidates who have completed any of these units prior to enrolment in this double law degree may apply for advanced standing in up to a maximum of five of the above as “any electives” but not as “law electives”.

**Notes to this Table:**

Candidates completing the above degree must complete one major in the Bachelor of Legal and Justice Studies degree from the list of majors contained in the Bachelor of Legal and Justice Studies degree rules. Major 1 in this Schedule refers to the first unit in the first major and so on. A candidate may not complete more than two majors. Where a candidate undertakes two majors, a unit may not be counted towards both majors except where a unit is a core unit in both majors. Where a BLJS/LLB candidate chooses a major containing LAW00004 Company Law, LAW10068 Law and Government Decision Making or LAW10158 Introduction to Evidence and Advocacy, that candidate shall not be permitted to enrol in that unit and instead shall undertake an additional elective from the list of electives contained in the major. If there are no such electives available the student shall complete an additional elective from Part B. Where a candidate chooses a major containing a core unit that is also listed in the above BLJS/LLB Schedule, that candidate shall undertake an additional elective from the list of electives contained in the major. If there are no such electives available the candidate shall complete an additional elective from Part B.

### Explanatory Notes:

(i) An asterisk (*) indicates that these units are double-weighted.

(ii) A distance education student studying the Bachelor of Social Science component of the double degree must undertake the 16 compulsory Law units as an internal student. These compulsory Law units may be studied either full-time over two years of on-campus study, or over a longer period as a part-time student.

(iii) The nominated schedule of Bachelor of Social Science units may be varied in accordance with the Bachelor of Social Science programme rules, unit offerings and pre-requisites.

**Specific Award Rules**

See the University's *Rules Relating to Awards*, in conjunction with the Specific Award Rules listed below.

4.1 Qualification for Admission

As an alternative to General Rule 2.2, applicants for admission also may be chosen from those who have completed an Associate Degree (or Diploma) in Law (Paralegal Studies), Associate Degree in Law (Aboriginal Paralegal Studies) or Associate Diploma of Business (Paralegal Studies).

4.2 Requirements for the Award

(a) To be eligible for the award of Bachelor of Legal and Justice Studies a candidate shall successfully complete not less than twenty-four (24) units comprising:

(i) all units in Part A of the Schedule of Units attached to these Rules; and

(ii) either one (1) six (6)-unit major from Part C and not less than two (2) units from Part B that are not units completed as part of the chosen major; or two (2) six(6)-unit majors from Part C; and

(iii) one (1) unit listed in Part D unless previously completed as part of a major; and

(iv) the remainder being elective units.

(b) A candidate may not complete more than two (2) of the majors listed in Part C.

(c) Where a candidate undertakes two majors, a unit may not be counted towards both majors except where a unit is a core unit in both majors. In this case a candidate must still complete twenty-four (24) units as in 4.2(a) above, including six (6) units from each of the two majors.

4.3 Advanced Standing

(a) Candidates who have completed an Associate Degree in Law or Diploma in Law (Paralegal Studies), Associate Degree in Law or Diploma in Law (Aboriginal Paralegal Studies), Associate Diploma in Business (Paralegal Studies) or Associate Degree in Correctional Administration may be granted advanced standing for up to sixteen (16) units towards the Bachelor of Legal and Justice Studies.

(b) In exceptional cases additional advanced standing may be granted by the School Board, which shall notify Academic Board of all instances.

4.4 Surrender of Award

Candidates who hold the Associate Degree in Law or Diploma in Law (Paralegal Studies) or Associate Degree or Diploma in Law (Aboriginal Paralegal Studies) or the Associate Diploma in Business (Paralegal Studies)
Studies) or Associate Degree in Correctional Administration and are granted advanced standing for greater than the equivalent of twelve (12) units, must surrender the award prior to conferral of the degree.

#### Specific Award Rules

See the University's *Rules Relating to Awards*, in conjunction with the Specific Award Rules listed below.

For the purpose of these Rules the relevant definitions contained in the Glossary apply subject to the following amendments:

(a) 'Centre' means the Centre for Professional Development in Legal and Professional Studies;

(b) 'candidate' means a person enrolled in the University as a student, or registered as a student in the Centre;

(c) 'unit' means a component of a course and includes equivalent units offered by the Centre.

#### 4.1 Qualification for Admission

In addition to satisfying the University’s Admission Rules a candidate must provide evidence that:

(a) they are a serving member of the Queensland Police Service; and

(b) they have successfully completed the following Queensland Police Service in-service courses, or their equivalent:

- Police Recruit Operational Vocational Education Program
- First Year Constable Program
- Constable Development Program

#### 4.2 Duration of Course

Unless the School Board otherwise determines, a candidate for the degree shall complete the requirements of the award in not more than eight (8) semesters from initial enrolment.

#### 4.3 Enrolment

Unless the School Board otherwise determines, a candidate may only enrol in units approved by the Academic Programs Co-ordinator prior to enrolment.

#### 4.4 Requirements for an Award

To be eligible for the award of the Bachelor of Legal and Professional Studies, a candidate must successfully complete the equivalent of twenty-four (24) Southern Cross University units.

Normally, equivalence in relation to this award means:

(a) Completion of the Police Recruit Operational Vocational Education Program; and

(b) Completion of the First Year Constable Program; and

(c) Completion of the Constable Development Program, including the four Southern Cross University assessment tasks; and
(d) Completion of not less than four (4) Southern Cross University units from the Schedule of Units attached to these Rules.

4.5 Advanced Standing

(a) The School Board may grant a candidate advanced standing for up to the equivalent of sixteen (16) units on the basis of in-service courses successfully completed through the Queensland Police Service Academy or equivalent.

(b) A candidate who has successfully completed additional University-determined assessment tasks relating to the Constable Development Program offered by the Queensland Police Service Academy may be granted advanced standing for up to four (4) units.

(c) The maximum equivalent units for which advanced standing may be granted shall be twenty (20).

See the University's *Rules Relating to Awards*, in conjunction with the Specific Award Rules listed below.

## 4.1 Requirements for an Award

(a) To be eligible for the award of Bachelor of Marine Science and Management a candidate shall successfully complete not less than twenty-four (24) units comprising:

(i) all units listed in Part A of the Schedule of Units attached to these Rules; and

(ii) at least nine (9) units from Part B of the Schedule of Units, and up to three (3) elective units, which may include units from Part B and C of the Schedule of Units, or other approved units.

(b) A candidate who while enrolled for a Bachelor of Marine Science and Management:

(i) has successfully completed eight (8) units from Part A of the Schedule of Units, with no more than four (4) units awarded as Advanced Standing may elect to be awarded the Diploma of Environmental Science following withdrawal from candidature for the Bachelor Degree.

(ii) has successfully completed all the requirements for the Associate Degree in Environmental Science may elect to be awarded the Associate Degree of Environmental Science following withdrawal from candidature for the Bachelor Degree.

## 4.2 Advanced Standing

(a) Candidates who, within three months of:

(i) completing all the requirements of the Associate Degree of Environmental Science, elect to enrol for the Bachelor of Marine Science and Management may be granted advanced standing for sixteen (16) units; or

(ii) completing all the requirements for the Diploma of Environmental Science, elect to enrol for the Bachelor of Marine Science and Management may be granted advanced standing for eight (8) units.

(c) Candidates who have vocational, employment or other relevant work experience may be granted advanced standing for up to four (4) units provided that the work, units or experience so completed are considered to be equivalent to a unit or units in the Schedule attached to these rules.

Specific Award Rules

See the University's Rules Relating to Awards, in conjunction with the Specific Award Rules listed below.

For the purpose of these Rules, the relevant definitions in the Glossary apply subject to the following amendments:

(a) 'Centre' means the Centre for Professional Development in Natural and Complementary Medicine.

(b) 'candidate' means a person enrolled as a student in the University, or as a student with the Centre or with one of the University's Licencees, and proceeding with studies towards the award of Bachelor of Natural Therapies.

4.1 Qualification for Admission

Applicants for admission to candidature shall possess an Australian National Training Authority registered diploma or advanced diploma qualification or equivalent of at least three years full-time study (or equivalent part-time study) in naturopathy or herbal medicine or naturopathic nutrition, and be eligible for professional membership of either the Australian Natural Therapists Association or the National Herbalists Association of Australia.

4.2 Duration of Course

Unless the School Board otherwise determines, a candidate for the degree shall complete the requirements of the award in not more than four (4) years from the date of initial enrolment.

4.3 Requirements for an Award

To be eligible for the award of the Bachelor of Natural Therapies a candidate shall successfully complete not less than eight (8) units comprising:

(a) all units listed in Part A of the Schedule of Units attached to these Rules;

(b) four (4) units from Part B of the Schedule; and

(c) possess an Australian National Training Authority registered diploma or advanced diploma qualification or equivalent of at least three years full-time study (or equivalent part-time study) in naturopathy or herbal medicine or naturopathic nutrition; and be eligible for professional membership of either the Australian Natural Therapists Association or the National Herbalists Association of Australia.

Rules Governing Candidature

Rules concerning Bachelors Degrees with Honours (where Honours is taken as a separate year) can be found under Rule 5 in the University’s Rules Relating to Awards.

Course Structure

The course will comprise research leading to the completion of a thesis based upon original work. The thesis will have a workload requirement equivalent to eight (8) units;

EDU40001 Research Methods for the Social Sciences *
MNG40009 Hotel and Catering Management Thesis (Stage 1 of 3)*
MNG40010 Hotel and Catering Management Thesis (Stage 2 of 3)*
MNG40011 Hotel and Catering Management Thesis (Stage 3 of 3)*

* Double weighted unit

The thesis will be approximately 25,000 words in length and must be submitted by the dates prescribed in the School’s “Handbook for Honours Students”.

Students are required to pass EDU40001 Research Methods for the Social Sciences to satisfactorily progress through the remainder of the Honours program. Whereas successful completion of the unit EDU40001 Research Methods for the Social Sciences will be required, the result will not count towards the class of Honours awarded.

As an integral and compulsory part of the Honours program, students will be also required to present two seminars: one based on their thesis proposal and the other on their thesis findings.

The Honours program is offered in internal study-mode only, however consideration will be given under special circumstances to students who need to study in Distance Education mode. To do this, students must contact the School of Tourism and Hospitality Management’s Honours Co-ordinator to discuss the compulsory on-campus requirements.

The Honours program is offered in internal study-mode, however, consideration will be given under special circumstances to students wishing to study in Distance Education study mode. Students should contact the School of Commerce and Management’s Honours Administrator on (02) 6620 3187 to discuss the compulsory on-campus requirements.

The major study consists of an approved research project and the presentation of a research thesis of approximately 15,000-20,000 words reporting on the research undertaken. The research project will be conducted under the supervision of a nominated project supervisor.

The research thesis (one unbound original plus two bound copies) must be submitted in final form for examination by 12.00 noon on the first Friday of November, each year. Failure to submit the thesis in time may result in non-assessment of the thesis and consequently failure in the Honours programme.

Candidates are urged to submit a final draft of their thesis to the project supervisor at least four weeks prior to the final submission date to enable comment and initial review.

**Scholarships:**

There are several Scholarship opportunities for Bachelor of Business with Honours students. Please contact the Honours Administrator on (02) 6620-3187 for full details.

## Specific Award Rules

See the University's *Rules Relating to Awards*, in conjunction with the Specific Award Rules listed below.

### 4.1 Admission to Candidature

Applicants for admission to candidature for the degree of Graduate Certificate in Supply Chain Management shall:

(i) have fulfilled all the requirements for admission to the Southern Cross University Bachelor of Business Administration, Bachelor of Business or Bachelor of Management degrees or a qualification of equivalent standing at this or another university or tertiary institution; or

(ii) have fulfilled all the requirements for admission to the Southern Cross University Graduate Diploma in Business Administration, Graduate Diploma in Professional Management, or Graduate Diploma of Management degrees or a qualification of equivalent standing at this or another university or tertiary institution; or

(iii) have demonstrated academic or professional standing considered by the Business Faculty Board of Studies to be equivalent to the requirements of (i), or (ii).

### 4.2 Requirements for an Award

To be eligible for the award of Graduate Certificate in Supply Chain Management a candidate shall successfully complete not less than four (4) units comprising:

- MNG00756 Global Purchasing Management
- MNG00757 Integrated Logistics Management
- BUS00758 International Contract Management
- MNG03068 Supply Network Strategy

### 4.3 Advanced Standing

(a) A candidate who, prior to admission to candidature, has either:

(i) completed the Southern Cross University Bachelor of Business Administration award with a specialisation in Purchasing and Materials Management, or an equivalent program of study; or

(ii) completed a Master of Business Administration, Master of Professional Management, Master of Professional Accounting or equivalent award; or

(iii) undertaken certified or documented professional development or in-service courses deemed acceptable by the Faculty Board,

may be granted advanced standing for up to two (2) units, provided that the work or
in-service courses completed are considered equivalent to a unit or units in the Schedule of Units attached to these Rules.

(b) Work experience by itself will not be accepted as a basis for advanced standing. Candidates who are of the opinion that their level of knowledge is already equal to that required to successfully complete a unit listed in the Schedule attached to these Rules may apply to the School for permission to undertake a challenge examination in that unit. Permission may not be granted where previous tertiary study has been undertaken in the subject area and such study forms part of a completed award from a tertiary institution. Advanced standing will be granted for a unit if a result of sixty percent (60%) or greater is achieved in a challenge examination. Advanced standing for up to two (2) units may be granted under this Rule. A challenge examination for a unit cannot be undertaken again if the candidate is unsuccessful at the first attempt.

(c) Notwithstanding the above, at its discretion and in exceptional circumstances, the Faculty Board may grant a candidate further advanced standing, providing that the total advanced standing granted shall not exceed a total of two (2) units.

(c) As an alternative to Rule 2.3(a) of the University’s *Rules Relating to Awards*, applicants for admission to candidature in the Graduate Certificate in Business Administration may be admitted if they can demonstrate academic or professional standing considered by the College Board to be equivalent to the requirements of Rule 2.3(a).

(d) Applicants for admission to candidature in the Master of Business Administration, Graduate Diploma in Business Administration or Graduate Certificate in Business Administration must provide
evidence of at least one year’s experience in a field of employment acceptable to the College Board, except that applicants with excellent academic records may be exempted from this requirement.

4.2 Requirements for an Award

(a) To be eligible for the Master of Business Administration (Advanced) a candidate shall successfully complete all the requirements for the Master of Business Administration plus four (4) units from Part B of the Schedule attached to these Rules.

(b) To be eligible for the Master of Business Administration a candidate shall successfully complete twelve (12) units comprising:
   (i) all units listed in Part A of the Schedule of Units attached to these Rules;
   (ii) six (6) units, from Part B of the Schedule.

(c) To be eligible for the award of Graduate Diploma in Business Administration a candidate shall successfully complete not less than eight (8) units selected from the Schedule of Units attached to these Rules.

(d) To be eligible for the award of Graduate Certificate in Business Administration a candidate shall successfully complete not less than four (4) units selected from the Schedule of Units attached to these Rules.

(e) A candidate who while enrolled for the Master of Business Administration has completed the requirements of the Graduate Diploma in Business Administration or the Graduate Certificate in Business Administration may elect to be awarded the Graduate Diploma or the Graduate Certificate following withdrawal from candidature for the Master’s award.

(f) A candidate who while enrolled for the Graduate Diploma in Business Administration has completed the requirements of the Graduate Certificate in Business Administration may elect to be awarded the Graduate Certificate following withdrawal from candidature for the Graduate Diploma award.

4.3 Advanced Standing

(a) Candidates may be granted advanced standing in accordance with Rule 2.4 of the University’s Rules Relating to Awards.

(b) Notwithstanding Rule 4.3(a), candidates for the Master of Business Administration (Advanced) who have successfully completed all the requirements for the Master of Business Administration, Master of Management, Master of International business or equivalent Masters degree may be granted advanced standing for up to twelve (12) units.

(c) Notwithstanding Rule 4.3(a), candidates for the Master of Business Administration who have completed all the requirements for the Graduate Diploma in Business Administration, Graduate Diploma in Professional Management, Graduate Diploma in Management, Graduate Diploma in International Business or the Graduate Diploma of Business (Information Systems) may be granted advanced standing for up to eight (8) units.

(d) Notwithstanding Rule 4.3(a), candidates for the Master of Business Administration who have completed all the requirements for the Graduate Diploma in Business Administration, the Graduate Diploma in Professional Management, Graduate Diploma in Management, Graduate Diploma in International Business, and the Graduate Diploma in Human Resources and Organisational
Development or the Graduate Diploma in Business (Information Systems) may be granted advanced standing for up to eight (8) units.

(e) Notwithstanding Rule 4.3(a), candidates for the Master of Business Administration or the Graduate Diploma of Business Administration who have completed all the requirements for the Graduate Certificate in Business Administration, the Graduate Certificate in Risk Management, the Graduate Certificate in Management, the Graduate Certificate in Professional Management, the Graduate Certificate in Human Resources and Organisational Development or the Graduate Certificate in Innovation Management may be granted advanced standing for up to four (4) units.

(f) Notwithstanding Rule 4.3(a), candidates for the Master of Business Administration, the Graduate Diploma in Business Administration who have completed all the requirements for the Graduate Certificate in Business Administration, the Graduate Certificate in Risk Management or the Graduate Certificate in Innovation Management may be granted advanced standing for up to four (4) units.

(a) As an alternative to Rule 2.3(a) of the University's Rules Relating to Awards, applicants for admission to candidature in the Master of Commerce (Financial Planning) may be selected where one or more of the following has been satisfied:

(i) Have completed the Graduate Diploma of Financial Planning; or

(ii) Can demonstrate academic or professional standing considered by the Head of School to be equivalent to the requirements of Rule 2.3(a) or 4.1(a)(i).

(b) As an alternative to Rule 2.3(a) of the University’s Rules Relating to Awards, applicants for admission to candidature in the Graduate Diploma of Financial Planning may be selected where one or more of the following has been satisfied:

(i) have completed the Graduate Certificate in Financial Planning; or

(ii) can demonstrate academic or professional standing considered by the Head of School to be equivalent to the requirements of Rule 2.3(a) or Rule 4.1(b)(i).

(c) As an alternative to Rule 2.3(a) of the University’s Rules Relating to Awards, applicants for admission to candidature in the Graduate Certificate in Financial Planning may be admitted if they can demonstrate academic or professional standing considered by the Head of School to be equivalent to the requirements of Rule 2.3(a).

4.2 Requirements for an Award

(a) To be eligible for the award of Master of Commerce (Financial Planning) a candidate shall successfully complete not less than twelve (12) units comprising:

(i) All units listed in Part A of the Schedule of Units attached to these Rules;

(ii) All units listed in Part B of the Schedule; and

(iii) all units listed in Part C of the Schedule.
(b) To be eligible for the award of Graduate Diploma of Financial Planning a candidate shall successfully complete not less than eight (8) units comprising:

(i) all units listed in Part A of the Schedule of Units attached to these Rules; and

(ii) all units listed in Part B of the Schedule.

(c) To be eligible for the award of Graduate Certificate in Financial Planning a candidate shall successfully complete not less than four (4) units comprising all units listed in Part A of the Schedule of Units attached to these Rules.

4.3 Advanced Standing

(a) Candidates may be granted advanced standing in accordance with Rule 2.4 of the University's Rules Relating to Awards.

(b) Notwithstanding Rule 4.3(a), candidates for the Master of Commerce (Financial Planning) who have completed all the requirements for the Graduate Diploma of Financial Planning may be granted advanced standing for up to eight (8) units.

(c) Notwithstanding Rule 4.3(a), candidates for the Master of Commerce (Financial Planning) who have completed all the requirements for the Graduate Certificate in Financial Planning may be granted advanced standing for up to four (4) units.

(d) Work experience will not be accepted as a basis for advanced standing. Candidates who are of the opinion that their level of knowledge is equal to that required to successfully complete a unit listed in the Schedule may apply for permission to undertake a challenge examination in that unit. Advanced standing will be granted for a unit if a result of sixty (60) per cent or greater is achieved in the challenge examination. Advanced standing for up to four (4) units may be granted under this Rule. A challenge examination for a unit cannot be undertaken again if the candidate is unsuccessful at the first attempt.

(e) Advanced Standing for up to a maximum of four (4) units may be granted for undergraduate studies completed.

(i) have completed the Graduate Diploma of Human Resources and Organisational Development; or

(ii) can demonstrate academic or professional standing considered by the School Board to be equivalent to the requirements of Rule 2.3(a) or 4.1(a)(i).

(b) As an alternative to Rule 2.3(a) of the University's Rules Relating to Awards, applicants for admission to candidature in the Graduate Diploma of Human Resources and Organisational Development may be selected where one or more of the following has been satisfied:

(i) have completed the Graduate Certificate of Human Resources and Organisational Development; or

(ii) can demonstrate academic or professional standing considered by the School Board to be equivalent to the requirements of either Rule 2.3(a) or Rule 4.1(b)(i).

(c) As an alternative to Rule 2.3(a) of the University's Rules Relating to Awards, applicants for admission to candidature in the Graduate Certificate of Human Resources and Organisational Development may be selected where they can demonstrate academic or professional standing considered by the School Board to be equivalent to the requirements of Rule 2.3(a) of the University's Rules Relating to Awards.

(d) Applicants for admission to candidature in the Master of Human Resources and
Organisational Development, Graduate Diploma of Human Resources and Organisational Development or Graduate Certificate of Human Resources and Organisational Development must provide evidence of at least one year’s experience in a field of employment acceptable to the School Board.

4.2 Requirements for an Award

(a) To be eligible for the award of Master of Human Resources and Organisational Development a candidate shall successfully complete not less than twelve (12) units comprising:

(i) all six (6) units from Part A of the Schedule of Units attached to these Rules;

(ii) six (6) units from Part B of the Schedule of Units attached to these Rules.

(b) To be eligible for the award of Graduate Diploma of Human Resources and Organisational Development a candidate shall successfully complete not less than eight (8) units comprising:

(i) four (4) units selected from Part A of the Schedule of Units attached to these Rules;

(ii) four (4) units from Part B of the Schedule.

(c) To be eligible for the award of Graduate Certificate of Human Resources and Organisational Development a candidate shall successfully complete not less than four (4) units from Part A of the Schedule of Units attached to these Rules.

(d) A candidate who while enrolled for the Master of Human Resources and Organisational Development has completed the requirements of the Graduate Diploma of Human Resources and Organisational Development or the Graduate Certificate of Human Resources and Organisational Development may elect to be awarded the Graduate Diploma or the Graduate Certificate following withdrawal from candidature for the Master's award.

(e) A candidate who while enrolled for the Graduate Diploma of Human Resources and Organisational Development has completed the requirements of the Graduate Certificate in Organisational Development and Training may elect to be awarded the Graduate Certificate following withdrawal from candidature for the Graduate Diploma award.

4.3 Advanced Standing

(a) Candidates may be granted advanced standing in accordance with Rule 2.4 of the University’s Rules Relating to Awards.

(b) Notwithstanding Rule 4.3(a), candidates for the Master of Human Resources and Organisational Development who have completed all the requirements for the Graduate Diploma of Human Resources and Organisational Development, the Graduate Diploma of Vocational Education and Training, the Graduate Diploma of Leadership and Workplace Development, or another equivalent Graduate Diploma may be granted advanced standing for up to eight (8) units.

(c) Notwithstanding Rule 4.3(a), candidates for the Master of Human Resources and Organisational Development or the Graduate Diploma of Human Resources and Organisational Development who have completed all the requirements for the Graduate Certificate of Human Resources and Organisational Development, the Graduate Certificate of Vocational Education and Training, the Graduate Certificate in Leadership and

Specific Award Rules

See the University's Rules Relating to Awards, in conjunction with the Specific Award Rules listed below.

4.1 Admission to Candidature

(a) Applicants for admission to candidature for the double degree of Master of Professional Accounting, Master of Supply Chain Management shall:

(i) have fulfilled all the requirements for admission to the Southern Cross University Bachelor of Business Administration, Bachelor of Business or Bachelor of Management degrees or a qualification of equivalent standing at this or another university or tertiary institution.

(ii) have fulfilled all the requirements for admission to the Southern Cross University Graduate Diploma in Business Administration, Graduate Diploma in Professional Management, or Graduate Diploma of Management degrees or a qualification of equivalent standing at this or another university or tertiary institution.

(iii) have demonstrated academic or professional standing considered by the Business Faculty Board of Studies to be equivalent to the requirements of (i) or (ii).

4.2 Requirements for an Award

(a) To be eligible for the award of Master of Professional Accounting, Master of Supply Chain Management a candidate shall successfully complete not less than eighteen (18) units comprising:

(i) all units listed in Part A of the Schedule of Units attached to these Rules; and

(ii) six (6) units selected from Part B and/or Part C in the Schedule of units attached to these rules.

4.3 Advanced Standing

(a) A candidate who, prior to admission to candidature, has either:

(i) completed the Southern Cross University Bachelor of Business Administration award with a specialisation in Purchasing and Materials Management, or an equivalent program of study; or

(ii) completed an MBA, MPM, or equivalent award, or

(iii) undertaken certified or documented professional development or in-service courses deemed acceptable by the Faculty Board,
may be granted advanced standing for up to six (6) units, provided that the work or in-service courses completed are considered equivalent to a unit or units in the Schedule of Units attached to these Rules.

(b) Work experience by itself will not be accepted as a basis for advanced standing. Candidates who are of the opinion that their level of knowledge is already equal to that required to successfully complete a unit listed in the Schedule attached to these Rules may apply to the School for permission to undertake a challenge examination in that unit. Permission may not be granted where previous tertiary study has been undertaken in the subject area and such study forms part of a completed award from a tertiary institution. Advanced standing will be granted for a unit if a result of sixty percent (60%) or greater is achieved in a challenge examination. Advanced standing for up to three (3) units may be granted under this Rule. A challenge examination for a unit cannot be undertaken again if the candidate is unsuccessful at the first attempt.

(c) Notwithstanding this the Faculty Board may grant no more than four (4) units at undergraduate level towards advanced standing. A total of no more than six (6) units comprising 4.3(a) and (b) may be granted by the Faculty Board as advanced standing.

(i) completed the Southern Cross University Bachelor of Business Administration award with a specialisation in Purchasing and Materials Management, or an equivalent program of study; or

(ii) completed a Master of Business Administration, Master of Professional Management, Master of Professional Accounting or equivalent award; or

(iii) undertaken certified or documented professional development or in-service courses deemed acceptable by the Faculty Board, may be granted advanced standing for up to four (4) units, provided that the work or in-service courses completed are considered equivalent to a unit or units in
the Schedule of Units attached to these Rules.

(b) A candidate who, prior to admission to candidature, has completed the Graduate Diploma of Supply Chain Management may be granted advanced standing for up to eight (8) units.

(c) Work experience by itself will not be accepted as a basis for advanced standing. Candidates who are of the opinion that their level of knowledge is already equal to that required to successfully complete a unit listed in the Schedule attached to these Rules may apply to the School for permission to undertake a challenge examination in that unit. Permission may not be granted where previous tertiary study has been undertaken in the subject area and such study forms part of a completed award from a tertiary institution. Advanced standing will be granted for a unit if a result of 60% or greater is achieved in a challenge examination. Advanced standing for up to three (3) units may be granted under this Rule. A challenge examination for a unit cannot be undertaken again if the candidate is unsuccessful at the first attempt.

(d) Notwithstanding the above, at its discretion and in exceptional circumstances, the Faculty Board may grant a candidate further advanced standing, providing that the total advanced standing granted shall not exceed a total of six (6) units.

(b) As an alternative to Rule 2.3(a) of the University's *Rules Relating to Awards*, applicants for admission to candidature in the Graduate Diploma of Technology and Management may be selected where one or more of the following has been satisfied:

(i) have completed the Graduate Certificate in Technology and Management; or

(ii) can demonstrate academic or professional standing considered by the College Board to be equivalent to the requirements of Rule 2.3(a) or Rule 4.1(b)(i).

(c) As an alternative to Rule 2.3(a) of the University's *Rules Relating to Awards*, applicants for admission to candidature in the Graduate Certificate in Technology and Management may be admitted if they can demonstrate academic or professional standing considered by the College Board to be equivalent to the requirements of Rule 2.3(a).

(d) Applicants for admission to candidature in the Master of Technology and
Management, Graduate Diploma of Technology and Management or Graduate Certificate in Technology and Management must provide evidence of at least one year’s experience in a field of employment acceptable to the College Board, except that applicants with excellent academic records may be exempted from this requirement.

4.2 Requirements for an Award

(a) To be eligible for the Master of Technology and Management a candidate shall successfully complete not less than twelve (12) units comprising:
   (i) six (6) units from Part A of the Schedule of Units attached to these Rules;
   (ii) six (6) units from Part B of the Schedule of Units attached to these Rules.

(b) To be eligible for the Graduate Diploma of Technology and Management a candidate shall successfully complete not less than eight (8) units comprising:
   (i) four (4) units from Part A of the Schedule of Units attached to these Rules;
   (ii) four (4) units from Part B of the Schedule of Units attached to these Rules.

(c) To be eligible for the award of Graduate Certificate in Technology and Management a candidate shall successfully complete not less than four (4) units comprising:
   (i) two (2) units from Part A of the Schedule of Units attached to these Rules;
   (ii) two (2) units from Part B of the Schedule of Units attached to these Rules.

(d) A candidate who while enrolled for the Master of Technology and Management has completed the requirements of the Graduate Diploma of Technology and Management or the Graduate Certificate in Technology and Management may elect to be awarded the Graduate Diploma or the Graduate Certificate following withdrawal from candidature for the Master's award.

(e) A candidate who while enrolled for the Graduate Diploma of Technology and Management has completed the requirements of the Graduate Certificate in Technology and Management may elect to be awarded the Graduate Certificate following withdrawal from candidature for the Graduate Diploma award.

4.3 Advanced Standing

(a) Candidates may be granted advanced standing in accordance with Rule 2.4 of the University's Rules Relating to Awards.

(b) Notwithstanding Rule 4.3(a), candidates for the Master of Technology and Management who have completed all the requirements for the Graduate Diploma in Business Administration, Graduate Diploma in Professional Management, Graduate Diploma in Management, Graduate Diploma in International Business or the Graduate Diploma of Business (Information Systems) may be granted advanced standing for up to eight (8) units.

(c) Notwithstanding Rule 4.3(a), candidates for the Master of Technology and Management or the Graduate Diploma of Technology and Management who have completed all the requirements for the Graduate Certificate in Business Administration, the Graduate Certificate in Professional Management, the
Graduate Certificate in Management, Graduate Certificate in International Business or the Graduate Certificate of Business (Information Systems), the Graduate Certificate in Risk Management, or the Graduate Certificate in Innovation Management may be granted advanced standing for up to four (4) units.

(d) Notwithstanding Rule 4.3(a), candidates for the Master of Technology and Management or Graduate Diploma in Technology and Management who have completed units through the Executive Management Program shall be granted advanced standing for these units.

(e) Notwithstanding Rule 4.3(a), candidates for the Master of Technology and Management or the Graduate Diploma in Technology and Management who have completed units in a Graduate Certificate, Diploma or Master of Information Systems may receive up to four (4) units of advanced standing into the course.

(f) Notwithstanding Rule 4.3(a), candidates for the Master of Technology and Management or the Graduate Diploma in Technology and Management who have completed an undergraduate Engineering, Information Systems or other technology based degree may receive up to four (4) units of advanced standing, as determined by the Head of the College, taking into account the length of their degree and any appropriate work experience.

(g) Work experience alone will not be accepted as a basis for advanced standing. Candidates who are of the opinion that their level of knowledge is equal to that required to successfully complete a unit listed in the Schedule may apply for permission to undertake a challenge examination in that unit. Advanced standing will be granted for a unit if a result of 60 per cent or greater is achieved in the challenge examination. Advanced standing for up to three (3) units may be granted under this Rule.

(h) At the discretion of the Director of the College, candidates for the Master of Technology and Management, the Graduate Diploma of Technology and Management or the Graduate Certificate in Technology and Management may be granted advanced standing from the Schedule of Units attached to these Rules, on the basis of professional qualifications obtained through study and formal assessment provided that in all cases the work completed is considered to be equal in standard to a unit or units in this program.

4.4 Surrender of Awards

(a) A candidate granted advanced standing towards the Master of Technology and Management on the basis of having completed the Graduate Diploma of Technology and Management, the Graduate Diploma of Business (Information Systems), the Graduate Certificate in Technology and Management, the Graduate Certificate in Risk Management, the Graduate Diploma in Professional Management, the Graduate Diploma in Management, the Graduate Diploma in International Business or the Graduate Certificate in Innovation Management shall surrender the completed award prior to conferral of the Masters degree.

(b) A candidate granted advanced standing towards the Graduate Diploma of Technology and Management on the basis of having completed the Graduate Certificate of Technology and Management, the Graduate Certificate in Risk Management, the Graduate Certificate in Management, the Graduate
Certificate in Professional Management, or the Graduate Certificate in Innovation Management shall surrender the completed award prior to conferral of the Graduate Diploma.

**Rules Governing Candidature**

7.1 Admission to Candidature

(a) An application for admission to candidature is accepted subject to the availability of facilities and supervision.

(b) An application, which may be submitted at any time, shall be made on the prescribed form and shall be lodged with the Graduate Research College for consideration by the Higher Degrees Committee (Research), which is a sub-committee of the Research and Research Training Committee of Academic Board.

(c) An applicant shall seek admission to a Master's degree by thesis course as:

(i) a full-time candidate; or

(ii) a part-time candidate.

(d) A candidate may convert from full-time to part-time candidature, and vice-versa, with the approval of the Pro Vice-Chancellor (Research), upon the recommendation of the relevant School Director of Postgraduate Studies and Research.

(e) To qualify for admission to a Master's degree by thesis course, applicants must:

(i) possess a Bachelor's degree with first or second class Honours from Southern Cross University; or

(ii) possess an equivalent qualification; or

(iii) submit such other evidence of general and professional qualifications as will satisfy the Higher Degrees Committee (Research) that the applicant possesses the educational preparation and capacity to pursue graduate studies;

and satisfy such additional requirements for admission to a particular program, if any, as may be prescribed by the Higher Degrees Committee (Research).

(f) All candidates, except those who are enrolled in a course offered in a language other than English, are expected to be proficient in English comprehension and expression. Applicants, the medium of whose previous education was not English, may be required to take a special test of English language proficiency approved by the Higher Degrees Committee (Research).

(g) The Higher Degrees Committee (Research) may either:

(i) permit an applicant to enrol as a candidate; or

(ii) permit the applicant to enrol as a Master's qualifying student for the purpose of preparing for candidature for a Master's degree by thesis.

(h) The Higher Degrees Committee (Research) shall not permit an applicant to enrol as either a Master's qualifying student or as a Master's by thesis candidate unless it has received:
(i) in the case of an applicant seeking admission either as a full-time or as a part-time candidate, a certificate from the School Director of Postgraduate Studies and Research, and the relevant Head of School, stating that the applicant is fit to undertake a course leading to the award of Master's degree by thesis and that the School is willing to undertake the responsibility of supervising the work of the applicant; and

(ii) in the case of an applicant seeking admission as a candidate at an external site, a certificate from the relevant Director of Postgraduate Studies and Research stating that the applicant is fit to undertake a course leading to the award of Master's degree by thesis and that suitable arrangements for supervision and access to appropriate facilities have been negotiated and are acceptable to the School.

(i) A Master's qualifying student applying for enrolment as a Master's by thesis candidate:

(i) may apply for enrolment upon successful completion of a program approved by the Higher Degrees Committee (Research) at a level of performance prescribed by the Committee; and

(ii) shall lodge an application for enrolment with the Graduate Research College for consideration by the Higher Degrees Committee (Research).

(j) A Master's qualifying student shall not be eligible for enrolment as a Master's by thesis candidate if a period of more than one year, if full-time, or two years, if part-time, has elapsed from initial enrolment, except with the approval of the Pro Vice-Chancellor (Research).

(k) The Higher Degrees Committee (Research) shall, in the case of a Master's qualifying student applying for enrolment as a Master's by thesis candidate, either:

(i) permit the student to enrol as a candidate; or

(ii) decline the application.

(l) The Higher Degrees Committee (Research) shall not permit an applicant to enrol as a candidate unless the applicant has:

(i) qualified for admission in terms of Rule 7.1(e); or

(ii) been enrolled as a Master's qualifying student at Southern Cross University, and has subsequently carried out such work, passed such examinations and reached such standards as the Higher Degrees Committee (Research) shall prescribe, and has not previously been denied enrolment as a candidate on two occasions; and

(iii) satisfied the Higher Degrees Committee (Research) regarding fitness to become a candidate; and

(iv) received a statement from the relevant Director of Postgraduate Studies and Research, and the relevant Head of School, that the School is willing to undertake the responsibility of supervising the work of the applicant.

(m) The Higher Degrees Committee (Research) shall determine any periods of residency during which the candidate shall be required to pursue study and research at the University.

(n) A commencing student is enrolled on completion of all of the following:
(i) acceptance of the offer of admission;
(ii) submission of a completed enrolment form;
(iii) payment of prescribed fees (unless the School Director of Student Administration has granted an extension of time for such payment).

7.2 Concurrent Studies
(a) In the case of an applicant enrolled as a candidate, or as a Master's qualifying student, wishing to enrol for another award course at the University, approval of the Higher Degrees Committee (Research), upon the recommendation of the relevant Director(s) of Postgraduate Studies and Research in the School(s), is required.

(b) A candidate may be required by the Higher Degrees Committee (Research) to undertake concurrently with thesis preparation a formal course of studies appropriate to the thesis. However, at least seventy (70) per cent of the course of study for the award of a Master's degree by thesis shall comprise an original research project and a thesis.

7.3 Requirements for the Award
(a) To be eligible for the award of a Master's degree by thesis, a candidate shall:
(i) complete the prescribed program involving an original investigation, review, criticism or design; and
(ii) submit and have accepted a thesis prepared under the supervision of the Principal Supervisor nominated by the Higher Degrees Committee (Research); and
(iii) complete such other work as may be prescribed by the Higher Degrees Committee (Research).

(b) A candidate shall not normally be eligible for the award of a Master's degree by thesis until:
(i) in the case of a full-time candidate, at least nine months have elapsed from the time of enrolment as a Master's by thesis candidate; or
(ii) in the case of a part-time candidate, at least eighteen months have elapsed from the time of enrolment as a Master's by thesis candidate.

7.4 Work Environment and Supervision
(a) All candidates shall normally have appointed by the Higher Degrees Committee (Research) at least one supervisor, who shall act as Principal Supervisor and who shall be a member of the academic staff of the University. Where more than one supervisor is appointed, one of the supervisors shall be nominated as the Principal Supervisor, who shall be a member of the academic staff of the University.

(b) All candidates and Master's qualifying students shall be required to participate in such colloquia, research seminars and other work of the University as may be considered appropriate by their Principal Supervisor.

(c) Candidates shall, as their Principal Supervisor may from time to time require, submit drafts of the major sections of the written thesis for review and shall submit to their Principal Supervisor a final draft of the written thesis for advice and comment before submission for examination.

(d) In respect of candidates who undertake a major portion of their research at sites external to the University, the Higher Degrees Committee (Research) may appoint a local Co-supervisor.
(e) If a person appointed as supervisor is unable to perform the duties of the appointment, the Higher Degrees Committee (Research) shall appoint a replacement supervisor on the recommendation of the School Director of Postgraduate Studies and Research.

7.5 Probation and Progress Reports

(a) Candidates shall, through their Principal Supervisor and School Director of Postgraduate Studies and Research, submit in the prescribed form and at the prescribed times progress reports to the Pro Vice-Chancellor (Research).

(b) The Principal Supervisor and the School Director of Postgraduate Studies and Research shall at the same time provide comments to the Pro Vice-Chancellor (Research), on the progress of the candidates being supervised.

(c) All Masters by Thesis candidates will serve a probationary period, no longer than six months full-time equivalent.

(d) The process of assessment of the probationary period will be developed within a general framework approved by the Higher Degrees Committee, to be used in the respective School/College/Centre, and that process shall be ratified by the Research and Research Training Advisory Committee.

(e) A Candidate-Supervisor Agreement, containing criteria for satisfactory progress, shall be developed between the candidate and the supervisor.

(f) The assessment of the satisfactory completion of the probationary period shall result in one of five outcomes:

1. Satisfactory: Candidate to be offered full candidature (i.e. confirmation of candidature).

2. Unsatisfactory: Candidate to revise submission to the satisfaction of supervisor and the School/College/Centre Director of Postgraduate Studies and Research.

3. Unsatisfactory: Candidate to resubmit to probationary period assessment process.

4. Remedial action: Where a resubmission results in a further unsatisfactory outcome, a course of remedial action shall be put in place. This may require a review of the Candidate-Supervisor Agreement.

5. Termination of candidature.

(g) Termination may also be invoked under the specific conditions regarding lack of supervision dealt with under Rule 8 (for Research Masters).

7.6 Query of Assessment of Completion of Probationary Period

A student may query the assessment of completion of a probationary period. A query shall be made in writing to the relevant Head of School within ten (10) working days of the date of sending of formal notification of the outcome of the assessment to the student. If, as a result of such query, it is deemed appropriate to vary the assessment, the Head of School may make such variation.

7.7 Appeal Against Assessment Under Rule 7.6

(a) A student who is not satisfied with the determination of the Head of School under Rule 3.14 may appeal on the prescribed form to the Academic Board Appeals Committee on one or more of the following grounds:

(i) improper action in the conduct of the probation assessment

(ii) irregularity in the conduct of the assessment;
(iii) negligence on the part of any person involved in the conduct of the assessment;
(iv) discrimination against the student which is unlawful under State or Federal legislation;
(v) prejudice or bias on the part of the assessor or any other person involved in determining the outcome of the assessment;
(vi) the assessment or assessment process as detailed in the Candidate-Supervisor Agreement or similar document or any subsequent amendment not being followed;
(vii) where additional evidence for special consideration can be provided, or where procedures for consideration of an application for special consideration were not properly followed;
(b) An appeal made under this Rule shall be lodged with the Secretary, Academic Board Appeals Committee, within ten (10) working days of the date of sending of formal notification of the Head of School determination. A late appeal may be received at the discretion of the Chair of the Academic Board Appeals Committee where the student is able to satisfy the Chair that the appeal is lodged late through no fault of the student.
(c) The Chair of the Academic Board Appeals Committee will assess the content of the appeal and determine whether it is appropriate for the appeal to proceed to a hearing by the Academic Board Appeals Committee under the relevant Rule. The Secretary, on behalf of the Chair of the Academic Board Appeals Committee, will contact the student in writing within ten working days of receipt of the appeal by the Chair, informing them:
(i) the appeal is rejected on the basis that the grounds for appeal are frivolous or vexatious, no ground of appeal is revealed on the face of the correspondence received, or the student has not followed the processes as described in the Rules and Procedures (which will be reported to the next meeting of the Academic Board Appeals Committee); OR
(ii) the Chair on behalf of the Appeals Committee is proceeding with the appeal, and may be seeking further information.
(d) The student may request a review of the determination by the Chair of the Academic Board Appeals Committee not to allow the appeal to proceed. This must be done within ten (10) working days of sending of notification to the student of the Chair’s determination, and be made to the Chair of the Academic Board, or if the Chair of the Academic Board is also the Chair of the Academic Board Appeals Committee, to the Vice Chancellor.

7.8 Thesis

(a) On completion of studies during candidature, a candidate shall submit a thesis that complies with the following requirements:
(i) the greater proportion of the work described must have been completed subsequent to initial enrolment as a candidate; and
(ii) it must show evidence of competence in research and scholarship; and
(iii) it must be in English or in a language approved by the Higher Degrees Committee (Research) and reach a
satisfactory standard of presentation; and

(iv) it must have a substantial written component but may also contain a significant amount of non-written material.

(b) The thesis shall consist of the candidate's own account of the work, except that in special cases work done conjointly with other persons may be accepted provided the Higher Degrees Committee (Research) is satisfied in respect of the candidate's part in the joint work.

(c) On submitting a thesis the candidate shall adduce sufficient evidence of its authenticity and originality, and to this end shall submit a written statement at the front of the thesis:

(i) indicating which portions are original and which are not; and

(ii) giving the sources of information if these are not adequately indicated in the thesis; and

(iii) indicating whether, and if so to what extent, any of the material submitted, or work on which it is based, has been used in seeking another degree in the University or elsewhere.

(d) A candidate shall submit with, but separately from, the thesis a short abstract of the thesis comprising not more than 400 words and written in a form suitable for publication.

(e) A candidate may not submit as the main content of the thesis any work or material which has previously been accepted for a degree or other similar award but shall not be precluded from incorporating such work or material in the thesis, provided that the candidate indicates, generally in the preface and specifically in the notes, the work or material which has been so incorporated.

(f) The candidate may submit as supporting documents any work published by the candidate, but only if it bears on the subject of the thesis.

7.9 Thesis Submission

(a) A candidate shall, through the Principal Supervisor and School Director of Postgraduate Studies and Research, give the Graduate Research College two (2) months' written notice of intention to submit a thesis and such notice shall be accompanied by the appropriate fee, if any.

(b) Three (3) copies of the thesis in a form of temporary binding prescribed by the Graduate Research College shall be submitted by the candidate, through the Principal Supervisor, to the School Director of Postgraduate Studies and Research, and these copies may be retained by the University.

(c) These copies of the thesis shall be submitted to the Graduate Research College by the relevant School Director of Postgraduate Studies and Research with a certificate signed by the Principal Supervisor certifying that the candidate's work, including the thesis, is in a form suitable for examination.

(d) If the relevant School Director of Postgraduate Studies and Research declines to submit a thesis, the Principal Supervisor may appeal to the Research and Research Training Committee of the Academic Board.

(e) If the Principal Supervisor declines to certify a thesis is in a form suitable for examination and the relevant School Director of Postgraduate Studies and Research declines to submit the thesis, a
candidate may appeal to the Research and Research Training Committee of the Academic Board.

(f) If the appeal is upheld and the thesis forwarded for examination, then the certificate shall be signed by the Chair of the Research and Research Training Committee, and neither the Principal Supervisor nor the School Director of Postgraduate Studies and Research shall be required to sign it.

(g) A thesis shall be prepared in the format prescribed by the Graduate Research College.

(h) Two (2) copies of the thesis for which the candidate is admitted to a Master's degree shall be deposited with the Graduate Research College in a permanent form of binding prescribed by the College. Additionally, one unbound copy shall be deposited with the University Library.

(i) The copy of the thesis deposited with the University Library will be available for consultation, loan, or copying at the discretion of the University Librarian, unless the University on the application of the candidate determines that it shall not be available until after the expiry of a period, which period shall not normally exceed two (2) years. The University Librarian shall require each user and recipient of a copy of a thesis to undertake in writing to respect the author's rights under the law relating to copyright.

(j) A candidate may, when lodging a thesis, state that the thesis contains restricted or confidential information which the candidate does not desire to be disclosed freely, or which the candidate is not at liberty to disclose freely, and which may be released to other persons only on the authorisation of the Pro Vice-Chancellor (Research), after consultation with the candidate and the relevant School Director of Postgraduate Studies and Research. Where the thesis contains material which the candidate considers should have restricted distribution, the Principal Supervisor, the relevant School Director of Postgraduate Studies and Research and the examiners shall be informed which parts are classified. If further precautions are required, for example, more secure transmission than registered post, costs shall be borne by the candidate.

(k) Where a candidate states that a thesis contains confidential information which the candidate does not desire to be disclosed freely, or which the candidate is not at liberty to disclose freely, the candidate may, to the extent that it is possible, place that information in an appendix to the thesis. The copy of the thesis deposited in the University Library shall have a notation, authorised by the Pro Vice-Chancellor (Research), indicating which parts of the thesis are not included because they contain confidential information, and informing the reader to contact the candidate for further information.

7.10 Examination of Thesis

(a) The Higher Degrees Committee (Research) shall appoint at least two (2) examiners of whom at least one (1) shall be external to the University. A supervisor of a thesis shall not also be an examiner. The examiners may consult with each other, but each examiner shall make a separate report and recommendation on the merit of the thesis and any other work submitted for examination. An examiner may question the candidate, through the Pro Vice-Chancellor (Research), in relation to any
aspect of the work, which in the opinion of the examiner requires clarification. Any questions and answers shall be sent to the other examiners.

(b) The examiners' reports on a thesis shall be forwarded to the School Director of Postgraduate Studies and Research for comment, who in turn shall forward them to the Principal Supervisor and the candidate for comment. The examiners' reports, together with any written comments received from the Principal Supervisor and the candidate, shall then be considered by the School Director of Postgraduate Studies and Research, who shall make a recommendation to the Higher Degrees Committee (Research).

c) The recommendation of the School Director of Postgraduate Studies and Research, together with the reports of the examiners and any written comments received from the Principal Supervisor and the candidate, shall be considered by the Higher Degrees Committee (Research), which shall have broad discretion to seek additional input as appropriate, and which shall:

(i) recommend to the Academic Board that the candidate be admitted to the award of a Master's degree by thesis; or

(ii) recommend to the Academic Board that the Master's by thesis candidature be terminated.

d) Before making a recommendation to the Academic Board, the Higher Degrees Committee (Research) may require:

(i) the candidate to address any matters raised in the examiners' reports,

(ii) the candidate to address additional issues in the thesis,

(iii) additional input to the examination process, for example, the candidate may be required to undertake a written or an oral examination of the thesis under such reasonable conditions as determined by the Higher Degrees Committee (Research); or

(iv) re-examination of the thesis within six months if full-time, or within one year if part-time.

e) A candidate whose thesis fails re-examination, as conducted under conditions prescribed by the Higher Degrees Committee (Research), shall have candidature terminated by the Academic Board and shall not be eligible for re-enrolment in a Master's by thesis course in the same topic area.

7.11 Maximum Tenure, Extension, Interruption, Cancellation

(a) A candidate shall present a thesis for examination:

(i) in the case of a full-time candidate, not later than eighteen (18) months from the date of enrolment as a Master's by thesis candidate; or

(ii) in the case of a part-time candidate, not later than three (3) years from the date of enrolment as a Master's by thesis candidate;

unless special permission for an extension of time has been granted by the Pro Vice-Chancellor (Research). Maximum time allowed to complete a course shall not include periods of approved leave of absence.

(b) The Pro Vice-Chancellor (Research), on the recommendation of the Principal Supervisor and School Director of Postgraduate Studies, may permit an extension or interruption of candidature
for a period totalling no more than six (6) months.

(c) The Research and Research Training Committee may on behalf of the Academic Board permit interruption beyond six (6) months, at its discretion and on the recommendation of the Higher Degrees Committee (Research).

(d) Unless the Pro Vice-Chancellor (Research), or the Research and Research Training Committee otherwise determines, a candidate shall maintain continuous enrolment until all requirements for admission to the degree have been met.

(e) A candidate or a Master's qualifying student may cancel enrolment at any time by giving written notice to the Graduate Research College.

7.12 Discontinuation or Termination of Enrolment and Appeal Processes

(a) Notwithstanding other provisions in these Rules, the Research and Research Training Committee may, on the recommendation of the Higher Degrees Committee (Research), discontinue the enrolment of a candidate in less than the maximum time allowed if the Research and Research Training Committee is dissatisfied with the progress being made by the candidate.

(b) A candidate whose enrolment is discontinued under Rule 7.12(a) or terminated under Rule 7.5 (f) or (g) may appeal on the prescribed form to the Academic Board Appeals Committee against the discontinuation or termination of enrolment.

(c) An appeal to the Academic Board Appeals Committee against discontinuation or termination of enrolment must reach the University within three (3) months of the date of sending of notification.

(d) Candidature shall be reinstated if the appeal is successful. A maximum period of time to complete the Master's by thesis course will be determined by the Higher Degrees Committee (Research).

7.13 Readmission

(a) A candidate whose enrolment is discontinued shall not be eligible to be readmitted until the lapse of one year.

(b) A candidate readmitted to Master's by thesis candidature shall have determined by the Higher Degrees Committee (Research) the maximum period of time in which the candidate shall be permitted to complete the course.

(c) An applicant refused readmission after a period of discontinuation or termination of enrolment may appeal on the prescribed form, within ten (10) working days of sending of notification by the University, to the Academic Board Appeals Committee against that decision.

(d) An appeal against refusal to be readmitted must reach the University within three (3) months of the date of notification.

8.1 Admission to Candidature

(a) An application for admission to candidature in a professional Doctorate shall be made on the prescribed form and lodged at any time for consideration by the relevant Faculty Board.

(b) To qualify for admission to candidature, applicants must:

(i) possess a Bachelor's degree with first class Honours or second class Honours, first division, from Southern Cross University; or

(ii) possess a Master's degree from Southern Cross University; or

(iii) possess a qualification which in the opinion of the relevant Faculty Board is the equivalent of (i) or (ii) above; or

(iv) submit such other evidence of general and professional qualifications as will satisfy the relevant Faculty Board that the applicant possesses the educational preparation and capacity to pursue graduate studies;

and satisfy such additional requirements for admission to the course, if any, as may be prescribed by the relevant Faculty Board.

(c) An applicant shall have relevant professional experience, and where appropriate experience at executive or managerial level in the public or private sector, as considered acceptable by the relevant Faculty Board.

8.2 Requirements for the Award

(a) To be eligible for the award of a professional Doctorate, a candidate shall successfully complete twenty-four (24) units of study and research, as prescribed by the relevant Faculty Board. At least two-thirds of these units shall require completion of a thesis, or equivalent research project.

(b) To be eligible for the award of Doctor of Business Administration, a candidate shall successfully complete:

(i) four (4) units selected from the Schedule of Units attached to the Rules for the Master of Business Administration, and

(ii) all units listed in the DBA Schedule of Units attached to these Rules.

(c) To be eligible for the award of Doctor of Education, a candidate shall successfully complete all units listed in the Schedule of Units for the Doctor of Education attached to these Rules.

(d) A professional Doctorate thesis shall be in a field approved by the relevant Faculty Board.

8.3 Progression

A candidate shall not normally be permitted to proceed to thesis units until having successfully completed any prescribed coursework units with at least a Credit Average.

8.4 Attendance and Duration

(a) A candidate shall attend such workshops, seminars, tutorials or courses as prescribed by the relevant Faculty Board.

(b) A full-time candidate shall complete the requirements for the professional Doctorate award within a period of no more than five (5) years. Unless the relevant Faculty Board in special circumstances otherwise determines, a full-time candidate shall not be permitted to complete the requirements of a professional Doctorate award in less than two (2) years.

(c) A part-time candidate shall complete the
requirements for a professional Doctorate award within a period of no more than six (6) years. Unless the relevant Faculty Board in special circumstances otherwise determines, a part-time candidate shall not be permitted to complete the requirements of a professional Doctorate award in less than four (4) years.

(d) A candidate may convert from full-time to part-time candidature, and vice-versa, with the approval of the relevant Faculty Board, which shall also determine on a pro-rata basis a revised statement of maximum and minimum periods of candidature.

(e) Unless the relevant Faculty Board in special circumstances otherwise determines, a candidate shall normally complete the requirements of a professional Doctorate award without interruption from the date of first enrolment.

(f) Interruption of candidature shall only be approved to take effect from the commencement of a trimester or semester, and will be normally limited to two semesters or trimesters. An application for interruption of candidature must be submitted to the relevant Faculty Board for determination prior to the trimester or semester for which the interruption is sought.

8.5 Advanced Standing

(a) The relevant Director of Program may grant advanced standing for units successfully completed at this University, at another Australian university, or at other types of tertiary education institutions acceptable to the Academic Board, provided that those units have a reasonable degree of correspondence to the non-thesis units in the Schedule of Units for a professional Doctorate award.

(b) Any such advanced standing shall not exceed 50 per cent of the equivalent unit requirements for a professional Doctorate award. If the advanced standing proposed is 50% plus two units it will be approved by Faculty Board and if it is in excess of this it will be approved by the Programs Committee.

(c) A candidate who has undertaken research work as part of enrolment in a research degree but has not completed that degree may be granted advanced standing by the relevant Director of Program on the basis of the research already completed, provided that the research already completed forms part of a professional Doctorate thesis and will not be used for work towards any other award.

(d) Where advanced standing is granted, the relevant Faculty Board may approve a reduction in the minimum periods of candidature prescribed in Rules 8.4(b) and 8.4(c).

8.6 Supervision and Progress Reports

(a) Upon enrolment in the thesis units for a professional Doctorate award, all candidates shall normally have appointed at least one supervisor, under whose general guidance a thesis shall be completed. The relevant Faculty Board shall have responsibility for the appointment of supervisors and may at any time approve a change of supervisor. Where a candidate’s request for a change of supervisor is supported by the relevant Faculty Board, but no other suitable person to provide supervision is available or is willing to be appointed, the relevant Faculty Board may terminate the candidature.

(b) A candidate shall pursue the thesis research approved by the relevant Faculty Board under the immediate direction of the supervisor, or supervisors, appointed by the relevant Faculty Board.
Candidates shall, as their principal supervisor may from time to time require, submit drafts of major sections of the written thesis and shall submit to their principal supervisor a final draft of the written thesis to the supervisor for advice and comments before submission for examination.

(c) Candidates shall, through their principal supervisor, submit in the prescribed form and at the prescribed times progress reports to the relevant Director of Program.

8.7 Thesis Submission

(a) A candidate shall, through the Principal Supervisor and relevant Director of Program, give the relevant Faculty Board two (2) months' written notice of intention to submit a thesis and such notice shall be accompanied by the appropriate fee, if any.

(b) Four (4) copies of the thesis in a form of temporary binding prescribed by the relevant Faculty Board shall be submitted by the candidate, through the Principal Supervisor, to the relevant Director of Program, and these copies may be retained by the University.

(c) Three (3) copies of the thesis shall be submitted to the relevant Faculty Board by the relevant Director of Program with a certificate signed by the Principal Supervisor certifying that the candidate's work, including the thesis, is in a form suitable for examination.

(d) If the relevant professional Doctorate coordinator declines to submit a thesis, the Principal Supervisor may appeal to the relevant Faculty Board.

(e) If the Principal Supervisor declines to certify a thesis is in a form suitable for examination and the relevant professional Doctorate coordinator declines to submit the thesis, a candidate may appeal to the relevant Faculty Board.

(f) If the appeal is upheld and the thesis forwarded for examination, then the certificate shall be signed by the Chair of the relevant Faculty Board, and neither the Principal Supervisor nor the relevant professional Doctorate coordinator shall be required to sign it.

(g) A thesis shall be prepared in the format prescribed by the relevant Faculty Board.

(h) Three (3) copies of the thesis for which the candidate is admitted to a professional Doctorate award shall be deposited with the relevant Faculty Board in a permanent form of binding prescribed by the relevant Faculty Board. Additionally, one unbound copy shall be deposited with the University Library.

(i) The copy of the thesis deposited with the University Library will be available for consultation, loan, or copying at the discretion of the University Librarian, unless the University on the application of the candidate determines that it shall not be available until after the expiry of a period, which period shall not normally exceed two (2) years. The University Librarian shall require each user and recipient of a copy of a thesis to undertake in writing to respect the author's rights under the law relating to copyright.

(j) A candidate may, when lodging a thesis, state that the thesis contains restricted or confidential information which the candidate does not desire to be disclosed freely, or which the candidate is not at liberty to disclose freely, and which may be released to other persons only on the authorisation of the Executive Dean of the relevant Faculty, after consultation with the candidate and the relevant Director of Program. Where the thesis contains
material which the candidate considers should have restricted distribution, the Principal Supervisor, the relevant Director of Program and the examiners shall be informed which parts are classified. If further precautions are required, for example, more secure transmission than registered post, costs shall be borne by the candidate.

(k) Where a candidate states that a thesis contains confidential information which the candidate does not desire to be disclosed freely, or which the candidate is not at liberty to disclose freely, the candidate may, to the extent that it is possible, place that information in an appendix to the thesis. The copy of the thesis deposited in the University Library shall have a notation, authorised by the Executive Dean of the relevant Faculty, indicating which parts of the thesis are not included because they contain confidential information, and informing the reader to contact the candidate for further information.

8.8 Thesis Examination

(a) On completion of studies during candidature, a candidate shall submit a thesis which shall be prepared in a format prescribed by the relevant Professional Doctorate Examinations Committee and referred to two examiners appointed by the Professional Doctorate Examinations Committee. This Committee shall include three (3) members of the relevant Faculty Board and three (3) members of the Higher Degrees Committee (Research), and shall have as an additional member, and Chair, the Pro-Vice-Chancellor (Research).

(b) Two examiners shall be appointed by the relevant Professional Doctorate Examinations Committee, at least one of whom shall be external to the University. A supervisor of the thesis shall not also be an examiner.

(c) The recommendation of the relevant professional Doctorate coordinator, together with the reports of the examiners and any written comments received from the Principal Supervisor and candidate, shall be considered by the Professional Doctorate Examinations Committee, which shall have broad discretion to seek additional input as appropriate.

(d) Before making a recommendation to the Academic Board, the Professional Doctorate Examinations Committee may require:

(i) a candidate to address any matters raised in the examiners' reports,

(ii) a candidate to address additional issues in the thesis,

(iii) additional input to the examination process, for example, the candidate may be required to undertake a written or an oral examination of the thesis under such reasonable conditions as determined by the Professional Doctorates Examinations Committee, or

(iv) re-examination of the thesis within six months if full-time, or within one year if part-time.

(e) The Professional Doctorate Examinations Committee shall:

(i) recommend to the Academic Board that the candidate be admitted to a professional Doctorate degree; or

(ii) recommend to the Academic Board that candidature be terminated.

(f) A candidate whose thesis fails re-examination, as conducted under conditions prescribed by the Professional Doctorates Examinations Committee shall have candidature terminated by the
8.9 Discontinuation of Enrolment and Appeal Processes

(a) Notwithstanding other provisions in these Rules, the Faculty Board on behalf of the Academic Board, may discontinue the enrolment of a candidate in less than the maximum time allowed if the Faculty Board is dissatisfied with the progress being made by the candidate.

(b) A candidate whose enrolment is discontinued under Rule 8.9(a) may appeal on the prescribed form to the Academic Board Appeals Committee against the discontinuation of enrolment.

(c) An appeal to the Academic Board Appeals Committee against discontinuation of enrolment must reach the University within ten (10) working days of the date of sending of official notification.

(d) Candidature shall be reinstated if the appeal is successful. A maximum period of time to complete the professional doctorate will be determined by the Faculty Board.

(e) A candidate whose appeal is unsuccessful shall have discontinuation of enrolment confirmed.

8.10 Readmission

(a) A candidate whose enrolment is discontinued shall not be eligible to be readmitted until the lapse of one (1) year.

(b) A candidate readmitted to the professional doctorate shall have determined by the Faculty Board the maximum period of time in which the candidate shall be permitted to complete the course.

(c) An applicant refused readmission after a period of discontinuation of enrolment may appeal on the prescribed form to the Academic Board Appeals Committee against that decision.

(d) An appeal against refusal to be readmitted must reach the University within ten (10) working days of the date of sending of official notification.

DOCTOR OF PHILOSOPHY
(Abbreviated title: PhD)

Rules Governing Candidature

9.1 Admission to Candidature

(a) An application for admission to PhD candidature is accepted subject to the availability of facilities and supervision.

(b) An application, which may be submitted at any time, shall be made on the prescribed form and shall be lodged with the Graduate Research College for consideration by the Higher Degrees Committee (Research), which is a subcommittee of the Graduate Research Committee of Academic Board.

(c) An applicant shall seek admission to a PhD course as:
   (i) a full-time candidate; or
   (ii) a part-time candidate.

(d) A candidate may convert from full-time to part-time candidature, and vice-versa, with the approval of the Pro Vice-Chancellor (Research), upon the recommendation of the relevant School Director of Postgraduate Studies and Research.

(e) To qualify for admission to candidacy, applicants must:
   (i) possess a Bachelor's degree with first class Honours or with second class Honours, first division, from Southern Cross University; or
   (ii) possess a Master's degree where at least one-half of the assessment for the award of that degree was based upon a thesis or dissertation and the degree was awarded at a level considered by the Higher Degrees Committee (Research) to be appropriate; or
   (iii) possess a qualification which in the opinion of the Higher Degrees Committee (Research) is the equivalent of (i) or (ii) above; or
   (iv) submit such other evidence of general and professional qualifications as will satisfy the Higher Degrees Committee (Research) that the applicant possesses the educational preparation and capacity to pursue graduate studies;

   and satisfy such additional requirements for admission to a PhD course, if any, as may be prescribed by the Higher Degrees Committee (Research).

(f) Applicants for candidature who do not meet the requirements under 9.1(e)(i) but who are able to provide evidence of research experience at an appropriate level may, at the discretion of the Higher Degrees Committee (Research), be admitted to candidacy on such terms and under such conditions as the Higher Degrees Committee (Research) may determine.

(g) All candidates, except those who are enrolled in a course offered in a language other than English, are expected to be proficient in English comprehension and expression. Applicants, whose undergraduate studies were not in English, or whose first language is not English, may be required to take a special test of English language proficiency approved by the Higher Degrees Committee (Research).
(h) A commencing student is enrolled on completion of all of the following:
   (i) acceptance of the offer of admission;
   (ii) submission of a completed enrolment form;
   (iii) payment of prescribed fees (unless the Director of Student Administration has granted an extension of time for such payment).

9.2 Enrolment

(a) The Higher Degrees Committee (Research) may either:
   (i) permit an applicant to enrol as a PhD candidate; or
   (ii) permit the applicant to enrol as a PhD qualifying student for the purpose of preparing for candidature for a PhD.

(b) The Higher Degrees Committee (Research) shall not permit an applicant to enrol as either a PhD qualifying student or as a PhD candidate unless it has received:
   (i) in the case of an applicant seeking admission either as a full-time or as a part-time candidate, a certificate from the relevant Director of Postgraduate Studies and Research, and the relevant Head of School, stating that the applicant is fit to undertake a program leading to the PhD award and that the School is willing to undertake the responsibility of supervising the work of the applicant; and
   (ii) in the case of an applicant seeking admission as a candidate at an external site, a certificate from the relevant Director of Postgraduate Studies and Research, stating that the applicant is fit to undertake a course leading to the PhD award and that suitable arrangements for supervision and access to appropriate facilities have been negotiated and are acceptable to the School.

(c) A PhD qualifying student may apply for enrolment as a PhD candidate:
   (i) upon successful completion of a program approved by the Higher Degrees Committee (Research) at a level of performance prescribed by the Committee; and
   (ii) shall lodge an application with the Graduate Research College for consideration by the Higher Degrees Committee (Research).

(d) A PhD qualifying student shall not be eligible for enrolment as a PhD candidate if a period of more than one (1) year, if full-time, or two (2) years, if part-time, has elapsed from initial enrolment, except with the approval of the Pro Vice-Chancellor (Research).

(e) The Higher Degrees Committee (Research) shall, in the case of a PhD qualifying student applying for enrolment as a PhD candidate, either:
   (i) permit the student to enrol as a PhD candidate; or
   (ii) decline the application.

(f) The Higher Degrees Committee (Research) shall not permit an applicant to enrol as a PhD candidate unless the applicant has:
   (i) qualified for admission in terms of Rule 9.1(e); or
   (ii) been enrolled as a PhD qualifying student at Southern Cross University, and has subsequently carried out such work, passed such examinations and reached such standards as the Higher Degrees Committee (Research) shall
prescribe, and has not previously been denied enrolment as a PhD candidate on two occasions; and

(iii) satisfied the Higher Degrees Committee (Research) regarding fitness to become a PhD candidate; and

(iv) satisfied the Higher Degrees Committee (Research) that sufficient time can be devoted to PhD research; and

(v) received a statement from the relevant Director of Postgraduate Studies and Research, and the relevant Head of School, that the School is willing to undertake the responsibility of supervising the work of the applicant.

(g) The Higher Degrees Committee (Research) shall determine any periods of residency during which the candidate shall be required to pursue study and research at the University.

9.3 Concurrent Studies

(a) In the case of an applicant enrolled as a PhD candidate, or as a PhD qualifying student, wishing to enrol for another award course at the University, approval of the Higher Degrees Committee (Research), upon the recommendation of the relevant Director(s) of Postgraduate Studies and Research in the School(s), is required.

(b) A PhD candidate may be required by the Higher Degrees Committee (Research) to undertake concurrently with thesis preparation a formal course of studies appropriate to the thesis.

9.4 Confirmation of Candidature

(a) All PhD candidates shall normally be required to have their candidacy confirmed within one year of admission to candidature.

(b) Before confirming candidature in the PhD course, the Higher Degrees Committee (Research) shall consider all reports provided by and on the candidate. The Committee may then confirm candidature, continue candidature on an unconfirmed basis or terminate the enrolment.

9.5 Requirements for the Award

(a) To be eligible for the award of a PhD, a candidate shall:

(i) complete the prescribed program and makes an original and significant contribution to knowledge; and

(ii) submit and have accepted a thesis prepared under the supervision of the Principal Supervisor nominated by the Higher Degrees Committee (Research); and

(iii) complete such other work as may be prescribed by the Higher Degrees Committee (Research).

(b) A candidate shall not normally be eligible for the award of a PhD until:

(i) in the case of full-time candidature, at least two (2) years have elapsed from the time of enrolment as a candidate; or

(ii) in the case of part-time candidature, at least three (3) years have elapsed from the time of enrolment as a candidate,

except that a candidate who is specially qualified in the relevant discipline may with approval of the Academic Board be
allowed to complete the course in less than the normal minimum time.

9.6 Work Environment and Supervision

(a) All candidates shall normally have appointed by the Higher Degrees Committee (Research) at least one supervisor, who shall act as Principal Supervisor and who shall be a member of the academic staff of the University. Where more than one supervisor is appointed, one of the supervisors shall be nominated as the Principal Supervisor, who shall be a member of the academic staff of the University.

(b) Candidates and PhD qualifying students shall be required to participate in such colloquia, research seminars and other work of the University as may be considered appropriate by their Principal Supervisor.

(c) Candidates shall, as their Principal Supervisor may from time to time require, submit drafts of the major sections of the written thesis for review and shall submit to their Principal Supervisor a final draft of the written thesis for advice and comment before submission for examination.

(d) In respect of candidates who undertake a major portion of their research at sites external to the University, the Higher Degrees Committee (Research) may appoint a local Co-supervisor.

(e) If a person appointed as supervisor is unable to perform the duties of the appointment, the Higher Degrees Committee (Research) shall appoint a replacement supervisor on the recommendation of the School Director of Postgraduate Studies and Research.

9.7 Probation and Progress Reports

(a) Candidates shall, through their Principal Supervisor and School Director of Postgraduate Studies and Research, submit in the prescribed form and at the prescribed times progress reports to the Pro Vice-Chancellor (Research).

(b) The Principal Supervisor and the School Director of Postgraduate Studies and Research shall at the same time provide comments to the Pro Vice-Chancellor (Research), on the progress of the candidates being supervised.

(c) All PhD candidates will serve a probationary period, no longer than one year full-time equivalent.

(d) The process of assessment of the probationary period will be developed within a general framework approved by the Higher Degrees Committee, to be used in the respective School/College/Centre, and that process shall be ratified by the Research and Research Training Advisory Committee.

(e) A Candidate-Supervisor Agreement, containing criteria for satisfactory progress, shall be developed between the candidate and the supervisor.

(f) The assessment of the satisfactory completion of the probationary period shall result in one of five outcomes:

1. Satisfactory: Candidate to be offered full candidature (i.e. confirmation of candidature).

2. Unsatisfactory: Candidate to revise submission to the satisfaction of supervisor and the School/College/Centre Director of Postgraduate Studies and Research.
3. Unsatisfactory: Candidate to resubmit to probationary period assessment process.

4. Remedial action: Where a resubmission results in a further unsatisfactory outcome, a course of remedial action shall be put in place. This may require a review of the Candidate-Supervisor Agreement.

5. Termination of candidature.

   (g) Termination may also be invoked under the specific conditions regarding lack of supervision.

9.8 Query of Assessment of Completion of Probationary Period

A student may query the assessment of completion of a probationary period. A query shall be made in writing on the prescribed form to the relevant Head of School, Centre or College within ten (10) working days of the date of sending of formal notification of the outcome of the assessment to the student. If, as a result of such query, it is deemed appropriate to vary the assessment, the Head of School, Centre or College may make such variation.

9.9 Appeal Against Assessment Under Rule 9.8

(a) A student who is not satisfied with the determination of the Head of School/College/Centre under Rule 9.8, may appeal on the prescribed form to the Academic Board Appeals Committee on one or more of the following grounds:

(i) improper action in the conduct of the probation assessment;

(ii) irregularity in the conduct of the assessment;

(iii) negligence on the part of any person involved in the conduct of the assessment;

(iv) discrimination against the student which is unlawful under State or Federal legislation;

(v) prejudice or bias on the part of the assessor or any other person involved in determining the outcome of the assessment;

(vi) the assessment or assessment process as detailed in the Candidate-Supervisor Agreement or similar document or any subsequent amendment not being followed;

(vii) where additional evidence for special consideration can be provided, or where procedures for consideration of an application for special consideration were not properly followed;

(b) An appeal made under this Rule shall be lodged with the Secretary, Academic Board Appeals Committee, within ten (10) working days of the date of sending of formal notification of the Head of School/College/Centre's determination. A late appeal may be received at the discretion of the Chair of the Academic Board Appeals Committee where the student is able to satisfy the Chair that the appeal is lodged late through no fault of the student.

(c) The Chair of the Academic Board Appeals Committee will assess the content of the appeal and determine whether it is appropriate for the appeal to proceed to a hearing by the Academic Board Appeals Committee under the relevant Rule. The Secretary, on behalf of the Chair of the Academic Board Appeals Committee, will contact the student in writing within ten working days of receipt of the appeal by the Chair, informing them:
(i) the appeal is rejected on the basis that the grounds for appeal are frivolous or vexatious, no ground of appeal is revealed on the face of the correspondence received, or the student has not followed the processes as described in the Rules and Procedures (which will be reported to the next meeting of the Academic Board Appeals Committee); OR

(ii) the Chair on behalf of the Appeals Committee is proceeding with the appeal, and may be seeking further information.

(d) The student may request a review of the determination by the Chair of the Academic Board Appeals Committee not to allow the appeal to proceed. This must be done within ten (10) working days of sending of notification to the student of the Chair’s determination, and be made to the Chair of the Academic Board, or if the Chair of the Academic Board is also the Chair of the Academic Board Appeals Committee, to the Vice Chancellor.

9.10 Thesis

(a) On completion of studies during candidature, a candidate shall submit a thesis that complies with the following requirements:

(i) the greater proportion of the work described must have been completed subsequent to initial enrolment as a candidate; and

(ii) it must show evidence of competence in research and scholarship, and must make an original and significant contribution to knowledge; and

(iii) it must be in English or in a language approved by the Higher Degrees Committee (Research) and reach a satisfactory standard of presentation; and

(iv) it must have a substantial written component but may also contain a significant amount of non-written material.

(b) The thesis shall consist of the candidate's own account of the work, except that in special cases work done conjointly with other persons may be accepted provided the Higher Degrees Committee (Research) is satisfied in respect of the candidate's part in the joint work.

(c) On submitting a thesis a candidate shall adduce sufficient evidence of its authenticity and originality, and to this end shall submit a written statement at the front of the thesis:

(i) indicating which portions are original and which are not; and

(ii) giving the sources of information if these are not adequately indicated in the thesis; and

(iii) indicating whether, and if so to what extent, any of the material submitted, or work on which it is based, has been used in seeking another degree in the University or elsewhere.

(d) A candidate shall submit with, but separately from, the thesis a short abstract of the thesis comprising not more than 400 words and written in a form suitable for publication.

(e) A candidate may not submit as the main content of the thesis any work or material which has previously been accepted for a degree or other similar award but shall not be precluded from incorporating such work or material in the thesis, provided that the candidate indicates, generally in the preface and specifically in the notes,
the work or material which has been so incorporated.

(f) The candidate may submit as supporting documents any work published by the candidate, but only if it bears on the subject of the thesis.

9.11 Thesis Submission

(a) A candidate shall, through the Principal Supervisor and School Director of Postgraduate Studies and Research, give the Graduate Research College two (2) months' written notice of intention to submit a thesis and such notice shall be accompanied by the appropriate fee, if any.

(b) Four (4) copies of the thesis in a form of temporary binding prescribed by the Graduate Research College shall be submitted by the candidate, through the Principal Supervisor, to the School Director of Postgraduate Studies and Research, and these copies may be retained by the University.

(c) These (3) copies of the thesis shall be submitted to the Graduate Research College by the relevant School Director of Postgraduate Studies and Research with a certificate signed by the Principal Supervisor certifying that the candidate's work, including the thesis, is in a form suitable for examination.

(d) If the relevant School Director of Postgraduate Studies and Research declines to submit a thesis, the Principal Supervisor may appeal to the Graduate Research Committee of the Academic Board.

(e) If the Principal Supervisor declines to certify a thesis is in a form suitable for examination and the relevant School Director of Postgraduate Studies and Research declines to submit the thesis, a candidate may appeal to the Graduate Research Committee of the Academic Board.

(f) If the appeal is upheld and the thesis forwarded for examination, then the certificate shall be signed by the Chair of the Graduate Research Committee, and neither the Principal Supervisor nor the School Director of Postgraduate Studies and Research shall be required to sign it.

(g) A thesis shall be prepared in the format prescribed by the Graduate Research College.

(h) Two (2) copies of the thesis for which the candidate is admitted to a PhD award shall be deposited with the Graduate Research College in a permanent form of binding prescribed by the College. Additionally, one unbound copy shall be deposited with the University Library.

(i) The copy of the thesis deposited with the University Library will be available for consultation, loan, or copying at the discretion of the University Librarian, unless the University on the application of the candidate determines that it shall not be available until after the expiry of a period, which period shall not normally exceed two (2) years. The University Librarian shall require each user and recipient of a copy of a thesis to undertake in writing to respect the author's rights under the law relating to copyright.

(j) A candidate may, when lodging a thesis, state that the thesis contains restricted or confidential information which the candidate does not desire to be disclosed freely, or which the candidate is not at liberty to disclose freely, and which may be released to other persons only on the authorisation of the Pro Vice-Chancellor (Research), after consultation with the
candidate and the relevant School Director of Postgraduate Studies and Research. Where the thesis contains material which the candidate considers should have restricted distribution, the Principal Supervisor, the relevant School Director of Postgraduate Studies and Research and the examiners shall be informed which parts are classified. If further precautions are required, for example, more secure transmission than registered post, costs shall be borne by the candidate.

(k) Where a candidate states that a thesis contains confidential information which the candidate does not desire to be disclosed freely, or which the candidate is not at liberty to disclose freely, the candidate may, to the extent that it is possible, place that information in an appendix to the thesis. The copy of the thesis deposited in the University Library shall have a notation, authorised by the Pro Vice-Chancellor (Research), indicating which parts of the thesis are not included because they contain confidential information, and informing the reader to contact the candidate for further information.

9.12 Examination of Thesis

(a) The Higher Degrees Committee (Research) shall appoint at least three (3) examiners of whom at least two (2) shall be external to the University. A supervisor of a thesis shall not also be an examiner. The examiners may consult with each other, but each examiner shall make a separate report and recommendation on the merit of the thesis and any other work submitted for examination. An examiner may question the candidate, through the Pro Vice-Chancellor (Research), in relation to any aspect of the work which, in the opinion of the examiner, requires clarification. Any questions and answers shall be sent to the other examiners.

(b) The examiners' reports on a thesis shall be forwarded to the School Director of Postgraduate Studies and Research for comment, who in turn shall forward them to the Principal Supervisor and the candidate for comment. The examiners' reports, together with any written comments received from the Principal Supervisor and the candidate, shall then be considered by the School Director of Postgraduate Studies and Research, who shall make a recommendation to the Higher Degrees Committee (Research).

(c) The recommendation of the School Director of Postgraduate Studies and Research, together with the reports of the examiners and any written comments received from the Principal Supervisor and candidate, shall be considered by the Higher Degrees Committee (Research), which shall have broad discretion to seek additional input as appropriate, and which shall:

(i) recommend to the Academic Board that the candidate be admitted to a PhD degree; or
(ii) recommend to the Academic Board that candidature be terminated.

(d) Before making a recommendation to the Academic Board, the Higher Degrees Committee (Research) may require:

(i) a candidate to address any matters raised in the examiners' reports,
(ii) a candidate to address additional issues in the thesis,
(iii) additional input to the examination process, for example, the candidate may be required to undertake a written or an oral examination of the
thesis under such reasonable conditions as determined by the Higher Degrees Committee (Research); or

(iv) re-examination of the thesis within six months if full-time, or within one year if part-time.

(e) A candidate whose thesis fails re-examination, as conducted under conditions prescribed by the Higher Degrees Committee (Research), shall have candidature terminated by the Academic Board and shall not be eligible for re-enrolment in the degree in the same topic area.

9.13 Maximum Tenure, Extension, Interruption and Cancellation

(a) A candidate shall present a thesis for examination:

(i) in the case of full-time candidature, not later than four (4) years from the date of enrolment as a candidate; or

(ii) in the case of part-time candidature, not later than eight (8) years from the date of enrolment as a candidate;

unless special permission for an extension of time has been granted by the Pro Vice-Chancellor (Research). Maximum time allowed to complete a course shall not include periods of approved leave of absence.

(b) The Pro Vice-Chancellor (Research), on the recommendation of the Principal Supervisor and School Director of Postgraduate Studies, may permit an extension or interruption of candidature for a period totalling no more than one (1) year.

(c) The Graduate Research Committee may on behalf of the Academic Board permit interruption beyond one year, at its discretion and on the recommendation of the Higher Degrees Committee (Research).

(d) Unless the Pro Vice-Chancellor (Research), or the Graduate Research Committee otherwise determines, a candidate shall maintain continuous enrolment until all requirements for admission to the degree have been met.

(e) A candidate or PhD qualifying student may cancel enrolment at any time by giving written notice to the Graduate Research College.

9.14 Discontinuation or Termination of Enrolment and Appeal Processes

(a) Notwithstanding other provisions in these Rules, the Graduate Research Committee may, on the recommendation of the Higher Degrees Committee (Research), and on behalf of the Academic Board, discontinue the enrolment of a candidate in less than the maximum time allowed if the Graduate Research Committee is dissatisfied with the progress being made by the candidate.

(b) A candidate whose enrolment is discontinued or terminated under Rule 9.12(a) or Rule 9.9 may appeal on the prescribed form to the Academic Board Appeals Committee against the discontinuation or termination of enrolment.

(c) An appeal to the Academic Board Appeals Committee against discontinuation or termination of enrolment must reach the University within three (3) months of the date of sending of the notification.

(d) Candidature shall be reinstated if the appeal is successful. A maximum period of time to complete a PhD course will be
(e) A candidate whose appeal is unsuccessful shall have discontinuation of enrolment confirmed.

9.15 Readmission

(a) A candidate whose candidature is discontinued shall not be eligible to be readmitted until the lapse of one (1) year.

(b) A candidate readmitted shall have determined by the Higher Degrees Committee (Research) the maximum period of time in which the candidate shall be permitted to complete the course.

(c) An applicant refused readmission after a period of discontinuation or termination of enrolment may appeal on the prescribed form within ten (10) working days of sending of notification by the University, to the Academic Board Appeals Committee against that decision.

(d) An appeal against refusal to be readmitted must reach the University within three (3) months of the date of notification.

Terminology Guide

The University reserves the right to change the content of, or withdraw, any unit which it offers. Candidates should also note that limitations on enrolment may be imposed on some units.

Information regarding unit descriptions is correct as at 31st October, 2006. For the most up-to-date and accurate information, students are referred to the University’s on-line Schedule of Units detailing unit availabilities, requisite and enrolment conditions. The Schedule of Units can be found at: www.scu.edu.au/scheduleofunits

The information provided in the unit descriptions is in the following categories.

Using the Schedule of Units

Instructions on how to use the Schedule of Units are included at the above web address.

Abbreviations used in the Schedule of Units are detailed in the opening pages of the Schedule, as are the School Codes and the abbreviations used for Pre-requisites, Co-requisites and Anti-requisites.

The Schedule of Units changes as enrolments are modified, so for instance if a unit did not attract sufficient enrolments, and the availability was removed from the Schedule of Units for that study period then that unit would not be included in the report.

Any enrolment restrictions are also noted.

At the start of the Unit Descriptions a small diagram has been included to familiarize students with the Schedule of Units.

If you require assistance to use the Schedule of Units please call Student Services Directorate (02) 6620 3444. Staff can then assist with your enquiry.

Unit Number and Name

An individual code has been allocated to each unit or subject. This code is the key element for use in all academic documentation and records.

Pre-requisite

This indicates units which must be completed or requirements which must be satisfied before a candidate may enrol in the unit named.

The Head of the School or Director of the College offering the unit may waive a pre-requisite where it can be satisfactorily demonstrated a candidate has a background of study sufficient to undertake the unit successfully. Any candidate who considers sufficient grounds can be presented for a waiver of pre-requisite should present the case to the Head of School/Director of College concerned or nominee.

Co-requisite

Co-requisites must be completed in conjunction with or prior to the unit named. Any candidate who feels sufficient grounds can be presented for a waiver of a co-requisite should present the case to the Head of School/Director of College concerned or nominee.

Anti-requisite

Means a specified unit that is deemed to have content that is too much in common with another unit, thereby prohibiting enrolment in the other unit either concurrently with the specified unit, or where the specified unit has been successfully completed.
Annual Course Load

Most units offered by Southern Cross University are of equal value, a full-time study load for one year being eight (8) units. However, some variations to this policy exist in terms of full-year units, units taught in courses offered on a trimester basis, and some units in the Bachelor of Laws.

Students requiring the exact weighting for any unit should contact their School Office or the Student Services Directorate for advice.

### ACC00106  
CONTEMPORARY ISSUES IN ACCOUNTING THEORY

**Pre-requisite/s:** ACC00145 Financial Reporting  
Introduces students to the general nature of accounting theory and its function in relation to problems confronting the profession. The profession operates in the context of an accounting practice including accounting rules, principles, standards and process of evolving professional changes in company and corporate affairs.

### ACC00130  
AUDITING

**Pre-requisite/s:** ACC00145 Financial Reporting  
**Co-requisite/s:** LAW00004 Company Law or LAW00527 Corporations Law  
Introduces students to the concepts and practice of auditing, the way the profession has developed and the way the profession is meeting current business and social needs. In addition, the use of statistical techniques and EDP systems in auditing will be reviewed.

### ACC00131  
ADVANCED AUDITING

**Pre-requisite/s:** ACC00130 Auditing  
Exposes the student to compliance and substantive audit testing techniques. Exposure to these techniques in an EDP environment is available. The documentation of audit work and the accumulation of audit evidence is discussed, particularly in the context of cases. Students will be exposed to the auditing of entities other than public companies.

### ACC00132  
TAXATION

**Pre-requisite/s:** LAW00130 Introduction to Law and Contract or LAW10157 Australian Legal System or LAW00150 Introduction to Business Law or LAW00101 Legal Studies I or LAW00111 Legal Process and 72 credit points or ACC00151 Introduction to Accounting and 72 credit points.  
Introduces the student to the nature and incidence of Commonwealth and State taxation laws, with emphasis being given to the understanding of the general principles of each type of tax, and the role of the accountant in the administration of taxation.
While the major thrust of the subject is directed towards an understanding of Commonwealth Income Tax, particularly as it applies to the individual taxpayer, it also covers other areas of taxation, viz: Sales Tax, Payroll Tax, Fringe Benefits Tax, Stamp and similar taxes (e.g. BAD and FID), and Land Tax.

**ACC00134 ADVANCED TAXATION**

**Pre-requisites:** ACC00132 Taxation

Concerned with the application of the principles of income tax law to the different classes of taxpayers. While some attention is given to the preparation of returns for each class of taxpayer, the major emphasis is placed upon the rationale underlying the application and modification of the general principles of taxation in each case. Emphasis is also placed upon the administration of taxation and the operation of the international tax agreements.

**ACC00145 FINANCIAL REPORTING**

**Pre-requisites:** ACC00143 Accounting Principles and Practice or ACC00151 Introduction to Accounting

Covers all aspects of company accounting including formation and operation of companies, takeovers, preparation of statutory reports, published accounts and consolidating reports of company groups.

**ACC00146 MANAGEMENT ACCOUNTING**

**Pre-requisites:** ACC10249 Financial Information for Decision Making or ACC00150 Using Financial Information and ACC00151 Introduction to Accounting

Introduces students to the various costing models, the allocation of service departments, and capital budgeting that facilitate internal decision-making and control. Particular attention will be given to the recent developments in alternative costing systems and their relevance within a managerial context.

**ACC00148 ADVANCED FINANCIAL REPORTING**

**Pre-requisites:** ACC00145 Financial Reporting

Covers preparation of Corporate Financial Reports at an advanced level including contemporary issues in financial reporting and the importance of accounting policies.
ACC00207
HOSPITALITY AND TOURISM FINANCIAL MANAGEMENT
Pre-requisite/s: ACC00206 Financial Analysis for Tourism and Hospitality or ACC00201 Finance and Budgeting Systems in the Tourism Industry
Anti-requisite/s: FIN00216 Finance and Information Systems II: Analysis
Learn how to use financial and operating information in planning, control, evaluation and decision making in hotels. The focus is management accounting and finance for hotels. The topics include management control, hotel financial statements, financial analysis, cash management, cost management, pricing, performance measurement, operations budgeting, capital structure and investment decisions.

ACC00222
COMPUTER CONTROL, AUDITING AND SECURITY
Pre-requisite/s: ISY00243 Systems Analysis and Design or CSC00240 Data Communications and Networks
Introduces students to the various controls which can be implemented in information systems to guard against both intentional and unintentional threats. Students will examine techniques by which combinations of controls can be jointly implemented to provide effective countermeasures against threats. Students will apply risk analysis techniques to the development of security plans and security strategies.

ACC00712
BUSINESS ACCOUNTING
Not available to undergraduates.
Anti-requisite/s: ACC00700 Basic Business Accounting
Introduces students first to the basic accounting model as it applies to service businesses owned by one person. It then develops the double entry model and applies it to specific assets and liabilities in detail, for both merchandising and service businesses. The unit concludes by extending the basic accounting model to prepare useful information for decision making.

ACC00713
CORPORATE REPORTING
Not available to undergraduates.
Pre-requisite/s: ACC00712 Business Accounting
Anti-requisite/s: ACC00701 Accounting for Group Entities and ACC00703 Business Financial Accounting
Considers the techniques involved and the data required to account for and report on the transactions and events of a corporate entity to those parties that have a vital interest in the results, such as shareholders, lenders, creditors, Government regulatory agencies, and stock exchanges.

ACC00714
MANAGERIAL ACCOUNTING
Not available to undergraduates.
Pre-requisite/s: ACC00712 Business Accounting
Anti-requisite/s: ACC00702 Industry Internal Accounting
Introduces students to the various accounting systems that facilitate internal management planning, decision making and control. Specific attention will be given to such topics as various costing systems and their relevance to the particular firm and the particular industry; the analysis and presentation of data for the solving of specific problems created by such things as departments branches and the devolution of control; transfer pricing and the particular type of industrial activity undertaken.

ACC00715
AUDITING AND ASSURANCE SERVICES
Not available to undergraduates.
Pre-requisite/s: ACC00713 Corporate Reporting and LAW00701 Corporations and Securities Law
Anti-requisite/s: ACC00704 Auditing and Accounting Practice
Covers the conceptual considerations of the environment, philosophy, history and the development of auditing and assurance services, and the way the accounting profession is meeting current business and social needs. In addition, the roles of ethics, sampling and computer information systems in auditing and assurance services will be reviewed.

ACC00716
CORPORATE FINANCE
Not available to undergraduates.
Anti-requisite/s: FIN00706 Financial Management in Business
Examines the way in which investors and business managers make investment and financing decisions including an introduction to the measurement and management of risk, the valuation of financial assets, capital budgeting and capital structure issues.
ACC00717
TAXATION PRACTICE
Not available to undergraduates.
Anti-requisite/s: ACC00707 Taxation - Present and Future
Introduces the law and practice of taxation levied in Australia and the inter-relationship between these taxes. Its major emphasis is on income tax as this is currently the most significant source of government revenue and applies to all individuals and corporations. Other taxes that will be studied include fringe benefits tax, land tax and the new goods and services tax (GST). By studying this unit students should attain a basic working knowledge of the taxes that are levied by the Commonwealth and the States. This unit also examines some of the principles behind a good tax system and should enable students to examine critically any changes that occur in our tax system.

ACC00718
ACCOUNTING INFORMATION SYSTEMS
Not available to undergraduates.
Designed to prepare the student for a career in business, this unit examines information systems technology and concepts and provides an introduction to the design and development process of business application software and e-business.

ACC00724
ACCOUNTING AND FINANCE FOR MANAGERS
Introduces students to fundamentals of accounting and finance including financial statements, ratio analysis, cost terminology and cost-volume relationships, cost information for decision-making, and budgets for planning and control. Finance components include financial mathematics, risk and return, valuation of corporate securities, investment appraisal, leveraging and capital structure.

ACC03032
CONTEMPORARY ISSUES IN ACCOUNTING THEORY
Not available to undergraduates.
Pre-requisite/s: ACC00713 Corporate Reporting
Anti-requisite/s: ACC00705 Issues in Accounting Theory
Introduces students to the general nature of accounting theory and its function in relation to problems confronting the profession. The profession operates in the context of an accounting practice including accounting rules, principles and process of evolving professional changes in company and corporate affairs.

ACC10249
FINANCIAL INFORMATION FOR DECISION MAKING
Anti-requisite/s: ACC00150 Using Financial Information
This unit acts as an entry point to all streams of the Bachelor of Business program by considering the context of business decision making. Recognising economic, social and environment issues and the global context of modern organisations, the types of quantitative and qualitative information generated by and required by organisations to make informed decisions. The process of identifying, measuring, recording and communicating economic information is demonstrated throughout the unit. The information derived from this process is set alongside non financial considerations, both internal to the organisation and pertaining to society at large, to form a total picture of the information requirements facing decision makers in business.

ACC40001
ACCOUNTING SEMINAR I
Seminar (coursework) Part I of II in the Accounting Discipline

ACC40002
ACCOUNTING SEMINAR II
Pre-requisite/s: ACC40001 Accounting Seminar I
Seminar (coursework) Part II of II in the Accounting Discipline

ACC40004
ACCOUNTING THESIS (PART 1 OF 3)

ACC40005
ACCOUNTING THESIS (PART 2 OF 3)
Research (thesis) Part II of V in the Accounting Discipline – double weighted unit.

ACC40006
ACCOUNTING THESIS (PART 3 OF 3)
AGR00214
SOIL PROCESSES
The main soil forming processes are examined and the role of both organic matter and clay minerals in soil processes and properties explored. Field soil assessment and classification skills are developed and methods for the examination of soil invertebrates introduced. The main concepts and methods used to assess soil physical and chemical properties are introduced, as is the use of soil moisture characteristics for the prediction of water movement. The behaviour of soil nutrients is examined.

AGR00215
WATER AND CATCHMENT MANAGEMENT
Examines the way water resources are assessed and managed in Australia in terms of both water quantity and quality. Emphasises the need for an integrated approach considering water as a sustainable, but scarce and vulnerable resource requiring a consideration of a broad range of management issues including integrated catchment management, resource allocation and capacity sharing strategies, protection of in stream environmental values, multiple use of storages and delivery systems and economics. Also considers the links between poor water management practices, and inefficient use, water quality and land degradation, and between management strategy, pricing and water conservation initiatives.

AGR03072
SOIL PROCESSES
Examines the main soil forming processes and the role of both organic matter and clay minerals in soil processes and properties explored. Field soil assessment and classification skills are developed and methods for the examination of soil invertebrates introduced. The main concepts and methods used to assess soil physical and chemical properties are introduced as is the use of soil moisture characteristics for the prediction of water movement. The behaviour of soil nutrients is examined. A Masters Tutorial component is included in which students address advanced issues of critical analysis in this field.

AGT00217
LAND DEGRADATION AND REHABILITATION
Pre-requisite/s: AGR00214 Soil Processes
Examines the main processes that occur in the degradation of land and the major forms of land degradation. These forms include soil erosion by water and wind, soil structural degradation, soil acidification, water repellence, salinisation, and mass movement. The processes that lead to the formation of each form of land degradation are examined as are the strategies and principles of rehabilitation and prevention of each land degradation form. Land capability classification and acid sulphate soils are also examined.

AGT03090
LAND DEGRADATION AND REHABILITATION
Examines the main processes that occur in the degradation of land. The major forms of land degradation are examined. These include soil erosion by water and wind, soil structural degradation, soil acidification, water repellence, salinisation, and mass movement. The processes that lead to the formation of each form of land degradation are examined as are the strategies and principles of rehabilitation and prevention of each land degradation form. Land capability classification and acid sulphate soils are also examined. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

ART00252
VISUAL LITERACY THROUGH VISUAL ART
Non Education students require Course Coordinator written approval.
The Board of Studies’ decision to create a new Creative Arts Syllabus (2000) document presents teachers with the need to plan for and develop school/classroom visual arts programs. This unit is designed to lead students to implement and evaluate ideas aimed at developing visual literacy.

ART00406
STUDIO DRAWING I
Figure drawing, landscape drawing and thematically-based project work form the basis of this unit. Using an analytical approach, media, content, and the artistic options of contemporary drawing practice are explored and students are encouraged to develop individuality and creativity within this context.
ART00407
STUDIO DRAWING II
Pre-requisite/s: ART00630 Design
Figure drawing, environmental and thematically-based project work form the basis of this unit through an expressive approach to media, content, and artistic options of contemporary drawing practice. Students are encouraged to develop individuality and creativity in the expressive drawing context.

ART00408
STUDIO DRAWING III
Pre-requisite/s: ART00630 Design
Portraiture and project work form the basis of this unit. A conceptual approach is taken in the examination of content, media, installation and the artistic options of contemporary drawing practice.

ART00455
PHOTOGRAPHY I
Provides an introduction to modern photographic concepts, equipment, materials and processes. No prior knowledge is required. Includes manual camera operations, composition, photographic concepts, lighting, accessories, film processing, darkroom printing, digital scanning and image adjustment. Weekly classes are 1 hour lecture and 2 hour practical. (NB Quotas may apply, subject to student demand.)

ART00456
PHOTOGRAPHY II
Pre-requisite/s: ART00455 Photography I or ART10275 Digital Photography I
Builds on the curriculum of Photography I, introducing advanced creative techniques and ideas for camera work, lighting and darkroom. Students are encouraged to use these in a context of their own choosing to complete a finished set of works. Also looks at the history and concepts for a variety of genres. (NB Quotas may apply, subject to student demand.)

ART00498
CONTEMPORARY ISSUES IN VISUAL ARTS
Pre-requisite/s: ART00601 Modernism: Visual Parameters
Explores the consequences of postmodernity for contemporary visual culture through investigations into representation, subjectivity and critiques of language. Examines a number of emerging practices and new alliances in the production of visual culture.

ART00600
INTRODUCTION TO VISUAL CULTURE
Explores the art historical, critical and aesthetic theories which underpin our understanding of the visual from the beginning in the eighteenth century with the formation of the “modern” subject. It will do this through an examination of the modes of visual production and visual languages, the structures of art historical narratives and the ideologies underpinning institutional practice.

ART00601
MODERNISM: VISUAL PARAMETERS
Pre-requisite/s: ART00600 Introduction to Visual Culture
Modernism is the study of radical change within the production, interpretation and critical reception of the visual arts. Students will explore both the reasons for, and the ramification of, that change and in the process they will become familiar with the broader theoretical issues of modernism and contemporary re-visionist studies of that movement.

ART00602
AUSTRALIAN VISUAL ART
Pre-requisite/s: ART00601 Modernism: Visual Parameters
Using the work of contemporary artists this unit will map the shifts and changes within key areas of Australian artistic and critical discourse, highlighting such issues as identity, appropriation and post-colonialism. Students will be encouraged to reflect upon Australian visual practices.

ART00621
VISUAL ARTS STUDIO STUDIES I: FOUNDATION
Double-weighted unit.
Pre-requisite/s: Admission to the Bachelor of Visual Arts or the Bachelor of Visual Arts/Bachelor of Education(Secondary)
Introduces the basic conceptual and research frameworks of visual arts and to the materials, studio based skills, routines and equipment of studio practice.

ART00622
VISUAL ARTS STUDIO STUDIES II
Double-weighted unit.
Pre-requisite/s: ART00621 Visual Arts Studio Studies I: Foundation
Introduces basic materials and routines relating to
a chosen studio area. Fundamental skills and media manipulation, equipment usage and occupational health and safety issues are addressed. Underlying conceptual concerns, and critical thinking are addressed.

ART00623
VISUAL ARTS STUDIO STUDIES III
Double-weighted unit.
Pre-requisite/s: ART00622 Visual Arts Studio Studies II
Media investigations and/or construction processes are continued at a more advanced level. Students will continue their pictorial/construction investigations and research into concerns and influences in contemporary art.

ART00624
VISUAL ARTS STUDIO STUDIES IV
Double-weighted unit.
Pre-requisite/s: ART00623 Visual Arts Studio Studies III
Media, material investigations and studio skills at a more advanced level are continued with an emphasis on individual expression. Students are encouraged to develop a critical capacity in regard to their own work and the work of others. Concept evolution and presentation skills will be encouraged in readiness for self-directed work. Gallery and exhibition skills will be further addressed. Occupational Health and Safety and studio procedures at a level required by professional artists are covered.

ART00625
VISUAL ARTS STUDIO STUDIES V
Double-weighted unit.
Pre-requisite/s: ART00624 Visual Arts Studio Studies IV
Encourages the demonstration of substantial progress towards producing a coherent and competent body of work which shows professional ability and individuality of expression. Portfolios manifest personal research interests and attitudes to contemporary debate. Aspects of professional practice are discussed.

ART00626
VISUAL ARTS STUDIO STUDIES VI
Double-weighted unit.
Pre-requisite/s: ART00625 Visual Arts Studio Studies V
The experience of exhibition production is extended and students are prepared for independent professional activity within the visual arts.

ART00630
DESIGN
Introduces the basic principles of two and three dimensional Design and, through a combination of practice and theory, provides a background to further study within a range of contemporary visual fields.

ART00641-4
STUDIO ELECTIVE I – IV
Provides the opportunity for focused practice in a particular studio area (ceramics, painting, printmaking, or sculpture). It is available to students with no studio experience (subject to demand) or to students with some experience. Programmes of study will be determined according to the skill level, aspirations of each student, and the availability of particular studio areas. (NB Requires written approval of the Visual Arts Course Co-ordinator.)

ART10094
DIGITAL ART AND DESIGN I
Pre-requisite/s: ART00630 Design
Introduces students to digitally produced images and to the associated hardware and software environments. Practical skills in image acquisition, image manipulation and image output are developed. Critical evaluative skills are developed through the production of a portfolio of work and through the analysis of contemporary visual design practice.

ART10095
DIGITAL ART AND DESIGN II
Pre-requisite/s: ART10094 Digital Art and Design I or GRA00500 Computer Graphics I
Develops the practical skills and critical understanding of digital imaging through the production of a portfolio. Explores the design concepts associated with contemporary publications with an emphasis on the use of typography.

ART10096
DIGITAL ART AND DESIGN III
Pre-requisite/s: ART10095 Digital Art and Design II
Extends students’ experience in Digital Art and Design by allowing scope for an extended project and prepares students for professional involvement.
ART10275
DIGITAL PHOTOGRAPHY 1

Quotas may apply
Introduces students to digital photographic techniques, concepts, materials, and processes. Students learn to understand and use the camera, lighting and software while completing a set of ungraded modules. Students may also choose an additional thematic project in which personal artistic and technical interests are explored.

ART40000
VISUAL ARTS RESEARCH METHODOLOGY
Double-weighted unit.
Provides an overview of research methods with an emphasis on visual arts research methods, and develops skills in spoken and written presentations.

ART40001
VISUAL ARTS RESEARCH PROJECT (STAGE 1 OF 3)
Double-weighted unit.
Pre-requisite/s or Co-requisite/s: ART40000 Visual Arts Research Methodology
Provides students with the experience of supervised research project development and execution. Honours students select their project topic in consultation with particular staff with expertise in an area appropriate to the proposed topic area.

ART40002
VISUAL ARTS RESEARCH PROJECT (STAGE 2 OF 3)
Double-weighted unit.
Pre-requisite/s or Co-requisite/s: ART40001 Visual Arts Research Project (Part 1 of 3)
Provides students with the experience of supervised research project development and execution. Honours students select their project topic in consultation with particular staff with expertise in an area appropriate to the proposed topic area.

ART40003
VISUAL ARTS RESEARCH PROJECT (STAGE 3 OF 3)
Double-weighted unit
Co-requisite/s: ART40002 Visual Arts Research Project (Part 2 of 3)
Provides students with the experience of supervised research project development and execution. Honours students select their project topic in consultation with particular staff with expertise in an area appropriate to the proposed topic area.

ART40004
RESEARCH METHODS – VISUAL ARTS
Co-requisite/s: CAR40001 Research Methods - Arts
Provides an overview of visual art research methodologies and develops skills in relation to spoken and written presentations.

BHS00105
DEVELOPMENT OF HUMAN RESOURCES
Considers human growth and development with an emphasis on adult development. The social context, cultural differences and equity issues are considered. The emphasis is on the role of the manager and organisation working for continued personal and professional growth.

BHS00130
INTRODUCTION TO COMMUNITY DEVELOPMENT
Anti-requisite/s: BHS00104 Community Development
Community development infers social change driven by the community. This unit introduces key concepts and perspectives related to understanding community development and identifies skills and issues where they are relevant to community development. The two major areas of study are theoretical accounts of community development, and community development skills and issue

BHS00156
LEADERSHIP
Critically analyses the concept of leadership and reviews the prominent theories, models and contemporary themes and issues. Students will examine leadership practices and styles and apply a range of techniques used to evaluate leadership effectiveness.

BHS00161
INTERPERSONAL COMMUNICATION
Introduces students to communication theories, techniques and processes. Students will develop an understanding of the role of culture, race, gender and power and the influence of the media in interpersonal communication. Also provides an opportunity for students to improve some of their fundamental communication skills.
BHS00301
INTERPERSONAL RELATING
Anti-requisites: NRS00321 Clinical Nursing Studies I

Communication between people satisfies a wide range of needs. For professionals working in human service delivery, being able to communicate effectively at an interpersonal level, is absolutely critical if they are to reach their work goals. This unit has three foci: communication, interpersonal skills and crisis management. In the process of covering these topics, opportunities are provided for students to continue their understanding of self and to grow personally. A number of crises are considered theoretically and practically to provide context to interpersonal processes.

BHS00360
PERSPECTIVES OF COMMUNITY DEVELOPMENT

Provides students with an overview of the contextual and theoretical elements of community development. Approaches to community development will be critically analysed using the contextual and theoretical elements and applying the process of community development to a variety of settings.

BHS00361
POLITICAL, ECONOMIC AND CULTURAL ASPECTS OF COMMUNITY DEVELOPMENT

Students will explore their personal values and beliefs as they impact on the process of community development. They will explore in depth the political processes and influences on the communities, as well as economic influences within a social development framework. Culture within the community will be examined.

BHS00362
COMMUNITY EDUCATION
Pre-requisite/s: BHS00360 Perspectives of Community Development

Provides students with an overview of learning theories and educational strategies as they apply to community education. Explores the various educational roles as they relate to community educational needs.

BHS00363
ISSUES IN DISASTER MANAGEMENT

A number of major issues in contemporary emergency management are covered in this unit that is a foundation for the rest of the course which has a more specific community development orientation. The unit provides a broad outline of the nature of disasters, response, recovery, preparedness and mitigation from an international perspective.

BHS00364
DISASTER PREPAREDNESS AND PREVENTION

Provides a foundation understanding and practical application of planning for disaster preparedness by communities. Examines international practice in community disaster planning processes, the theory and practice of community preparedness, and how to prepare an effective disaster plan.

BHS00365
LIVING IN A HAZARDOUS ENVIRONMENT

Provides a detailed understanding of most of the known natural and human-made hazards that can lead to disasters and major emergencies. Then examines the principles and practice of mitigation for a number of local and international hazards.

BHS00366
SOCIAL DIMENSIONS OF DISASTERS

Provides a detailed analysis of the sociological and psychological aspects of disasters and disaster preparedness in individuals, communities and organisations.

BHS00367
ANALYTICAL METHODOLOGIES IN EMERGENCY MANAGEMENT

Provides the student with a range of methods for the evaluation of current research and for the conduct of evaluations of disaster preparedness programmes. A number of qualitative and quantitative approaches to evaluation are examined as well as current examples of evaluation studies in emergency management.

BHS10241
GROUP WORK
Anti-requisite/s: BHS00106 Group Processes and BHS00119 Working with Groups

Provides students with conceptual and analytical tools for understanding the dynamics of groups and group activities. Requires students to observe and reflect on their own participation in, and facilitation of, groups. Enhances students’ abilities to work within groups for personal, social and
organisational development.

**BHS10495 ADVANCED SPORT AND EXERCISE PSYCHOLOGY**

*Pre-requisite/s: HEA00332 Sport and Exercise Psychology II*

Sport and exercise psychology concentrates on understanding how humans function in the sport and exercise arena. Utilising a variety of learning opportunities and experiences ranging from formal teaching to more activity-based and experiential learning, students will apply knowledge of the psychological intervention techniques used to enhance performance, learning and adherence in sport and exercise. Application of the techniques to both individual and group situations are considered as well as interventions for special populations, with emphasis on real-life projects and applications.

**BHS11001 INTRODUCTION TO PSYCHOLOGY I**

Introduces the acquisition of behaviours and cognitive abilities through the study of learning, development and intelligence. Learning involves the study of eliciting stimuli, reward and punishment. Developmental psychology is concerned with change in behaviour and cognition over the lifespan. The two areas converge in the study of intelligence.

**BHS11002 INTRODUCTION TO PSYCHOLOGY II**

Introduces three areas concerned with the study of the person in a societal context: social psychology (especially the role of attitudes and their relationship with behaviour); the central features and development of personality; and the study of psychological disorders and their causes (abnormal psychology).

**BHS11003 METHODS AND CONCEPTS IN PSYCHOLOGY**

*Pre-requisite/s: Admission into Bachelor of Psychology (Hons)*

Introduces Psychology as a scientific and professional discipline. Other topics include methods of observation, measurement and assessment used in Psychology, oral and written presentation, use of information resources and generation of a research question to be pursued in subsequent units.

**BHS11004 CONTEMPORARY ISSUES IN PSYCHOLOGY**

*Pre-requisite/s: Admission into Bachelor of Psychology (Hons) and BHS11001 Introduction to Psychology I (co-requisite OK)*

Extends the students' understanding of the relationship between psychological theory and practice through a combination of invited professional speaker, site visits and collaborative hypertext development. Students will gain further understanding of ethical principles involved in research practice through structured participation in research being conducted within the School of Psychology.

**BHS20001 PSYCHOLOGICAL ASSESSMENT**

*Pre-requisite/s: BHS11001 Introduction to Psychology I and BHS11002 Introduction to Psychology II*

Develops knowledge and skills in methods of observation, measurement and psychometric assessment, including the use of formal psychological tests. This unit has a central place in the curriculum because one of the distinctive features of psychology is its sophistication with respect to measurement.

**BHS20006 PERSONALITY AND SOCIAL PSYCHOLOGY**

*Pre-requisite/s: BHS11002 Introduction to Psychology II and BHS11001 Introduction to Psychology I*

**Anti-requisite/s: BHS00229 Personality and BHS00230 Social Psychology**

Examines central issues in social psychology and the study of personality such as attitude formation and the influence of attitudes upon behaviour, non-verbal behaviour, social cognition and affect, and prosocial behaviour, and the conceptualisation and measurement of personality in psychology.

**BHS20007 LEARNING AND MEMORY**

*Pre-requisite/s: BHS11001 Introduction to Psychology I and BHS11002 Introduction to Psychology II*

Covers learning and memory in an integrated fashion. Learning and memory are concerned with understanding the processes by which behaviour is acquired through experience and expressed in later performance. Topics will include basic principles.
of behaviour change, learning and addictive behaviours, information processing account of memory, the role of implicit memory and learning, and the effects of aging on learning and memory.

**BHS20008 QUANTITATIVE METHODS IN PSYCHOLOGY**

*Pre-requisites: BHS11003 Methods and Concepts in Psychology*

Introduces students to the design and analysis of factorial experiments and quasi-experiments. Students will learn to use the SPSS computer program for the analysis of variance. The unit will cover topics such as contrast testing, multiple comparisons, planned vs post-hoc testing, repeated measures, significance testing, and the confidence interval approach.

**BHS30001 RESEARCH METHODS IN PSYCHOLOGY**

*Pre-requisite/s: BHS20008 Quantitative Methods in Psychology*

Equips students with a range of advanced methodological and data-analysis techniques likely to be utilised in psychological research at honours level. Introduces students to the conceptual basis and practical use of the General Linear Model. Students will learn to use the SPSS computer program for the analysis of complex data using ANOVA, MANOVA, regression, and other routines. The treatment of potential threats to interpretation (missing data, suppressor variable, etc) will be stressed.

**BHS30002 ABNORMAL PSYCHOLOGY**

*Pre-requisite/s: BHS11001 Introduction to Psychology I and BHS11002 Introduction to Psychology II*

Explores the nature of causes of emotion and the broad psychological disorders, including mood disorders, anxiety disorders, schizophrenia, eating disorders, and substance-related disorders. The unit will focus on basic issues in the study of abnormal behaviour such as classification and diagnosis. The causes of disorders will be considered from an environmental and biochemical perspective. The unit will also involve an introduction to the evidence-based treatment of various psychological disorders.

**BHS30003 DEVELOPMENT ACROSS THE LIFESPAN**

*Anti-requisites: BHS00303 Lifespan Human Development, BHS00304 Developmental Psychology*

Provides an overview of human development from conception, through childhood, adolescence, adulthood, and old age. Introduces students to the scientific study of physical, cognitive, and social development applying to human lifespan development. Biological, social and psychological factors which influence the course of human development are considered.

**BHS30004 PHYSIOLOGICAL PSYCHOLOGY AND SENSORY PROCESSES**

*Pre-requisites: BHS20008 Quantitative Methods in Psychology*

Provides a thorough understanding of gross brain anatomy, neural functioning, and sensory processing for the professional or academic psychologist. This basic knowledge is supplemented with consideration of the neural mechanisms of memory and learning, leading to basic psychological principles of rehabilitation and management of brain injury.

**BHS30005 CROSS CULTURAL AND INDIGENOUS ISSUES IN PSYCHOLOGY**

*Pre-requisite/s: BHS20008 Quantitative Methods in Psychology and BHS20006 Personality and Social Psychology*

Introduces students to the importance of culture in understanding human behaviour, cognitive processes and emotions. The implications of cultural differences for the development of theories in psychology will be examined. Other issues will include immigration and working with people of different cultures. A section of the unit will focus on issues related to indigenous Australian people, including suicide, aboriginal deaths in custody, the stolen children generation, land claims, and reconciliation.

**BHS30006 BEHAVIOUR CHANGE**

*Pre-requisite/s: BHS20007 Learning and Memory, BHS20001 Psychological Assessment and BHS20008 Quantitative Methods in Psychology*

Unites several related issues concerning the
practice of psychology in clinical, health, organisational and educational settings. The unifying theme is the importance of psychological theory and the empirical literature to the analysis, assessment and modification of individual and groups, based on the scientist-practitioner approach.

**BHS30007**

**HEALTH PSYCHOLOGY**  
**Pre-requisite/s:** BHS11001 Introduction to Psychology I and BHS11002 Introduction to Psychology II and BHS20008 Quantitative Methods in Psychology.

Introduces students to the contribution of psychological factors to illness, disease and injury. Conceptual, theoretical and policy issues related to health and its management are examined in relation to a range of common health problems. Psychological approaches to prevention, treatment and management of health problems will be outlined and the effectiveness of these approaches will be analysed based on the empirical literature.

**BHS30008**

**ENVIRONMENTAL PSYCHOLOGY**  
**Pre-requisite/s:** BHS20008 Quantitative Methods in Psychology

Introduces students to psychological issues concerned with the relationship between people and the natural and built environment, including residential dwellings, leisure spaces, the ecosystem, work settings, public spaces, spacecraft and proposed space colonies. Designed to explore theoretical and practical issues in an emerging field of the application of psychological principles.

**BHS30009**

**HUMAN FACTORS**  
**Pre-requisite/s:** BHS20007 Learning and Memory and BHS20008 Quantitative Methods in Psychology.  
**Pre-requisites do not apply to Bachelor of Technical Education Students**

Covers human behaviour in relation to the technological world, including equipment, machinery, computers, sensory display systems and other mechanical and electronic devices. The unit examines the ways in which performance is affected by stress, circadian rhythms, diet, exercise, fatigue and types of information display.

**BHS40001-4**

**RESEARCH THESIS**  
Parts 1 - 4  
**Pre-requisite/s** Admissions into Bachelor of Psychology with Honours or Admission into Postgraduate Diploma in Psychology  
Requires 4th Year Co-ordinator written approval for enrolment.

Provides students with the opportunity to obtain experience in conducting empirical research, under supervision, in a specialised field of psychology. The project will lead to a report in the form of a journal article, a critical review of the research literature and a statistical report.

**BHS40005-6**

**RESEARCH METHODS AND APPLIED PROJECT**  
Consult the University Schedule of Units for semester availability

Considers research issues in applied settings and provides students with an opportunity to develop their skills in bringing together knowledge of theory, research, assessment and methodology to address an identified real-world problem. Additional statistical procedures will be introduced including factor analysis, meta-analysis and quasi-experimentation.

**BHS40007-8**

**ETHICS AND PROFESSIONAL ISSUES**  
Requires 4th Year Co-ordinator written approval for enrolment.

Acquaints students with ethical issues involved in the practice of psychology in research and professional contexts. Material covered includes ethics of research and practice, professional issues (Registration Board, APS, etc) and legal matters. Involves an examination of confidentiality, the nature of the relationship with clients, and suicide.

**BHS40009-10**

**HISTORY AND PHILOSOPHY OF PSYCHOLOGY**  
Requires 4th Year Co-ordinator written approval for enrolment.

Provides coverage of historical, conceptual and philosophical issues in Psychology. Students will study issues in the philosophy of science, such as epistemology, human consciousness, intention, determinism and the mind-body problem. Attempts to develop grand theories in psychology will be explored. Philosophical issues will be
explored in relation to current projects.

**BHS40011-12**

**ADVANCED SEMINARS IN PSYCHOLOGY**

*Requires 4th Year Co-ordinator written approval for enrolment.*

Provides an opportunity to study a selected area in depth to develop conceptual and practical skills. Students will be able to choose from a set of fields nominated by psychology, reflecting research areas which are currently being pursued within the School.

**BIO00101**

**PHYSIOLOGICAL PATHOLOGY I**

*Pre-requisite/s: BIO01202 Anatomy and Physiology II and CHE00002 Biochemistry (can be co-requisite).*

*Co-requisite/s: CHE00002 Biochemistry*

Pre 1999 students pre-requisites BIO00305 Human Physiology and BIO00307 Physiology for Human Movement

Provides an overview of the pathophysiology of various disease states of the immune, integumentary, gastrointestinal, respiratory and endocrine systems. Places a focus on understanding disease processes from the cellular level through to the levels of organ and system emphasising microbiological and pharmacological principles, which underlie many treatment regimes.

**BIO00102**

**PHYSIOLOGICAL PATHOLOGY II**

*Pre-requisite/s: BIO00101 Physiological Pathology I*

Provides an overview of the pathophysiology of various disease states of the cardiovascular, renal, reproductive, locomotor and nervous systems. Places a focus on understanding disease processes from the cellular level through to the levels of organ and system emphasising microbiological and pharmacological principles, which underlie many treatment regimes.

**BIO00105**

**FISHERIES BIOLOGY**

Examines the biology and ecology of marine and freshwater fish species important to commercial and recreational fisheries, emphasising the Australian scene. Introduces the topics of fisheries management and aquaculture management by focusing on the aspects of the species’ biology which are important for their exploitation.

**BIO00201**

**BIOLOGY**

Covers material on cell structure, physio-chemical cellular responses, plant and animal physiology, structure and diversity, elementary genetics, population concepts, natural selection and evolution as well as the necessary practical techniques required to demonstrate chemical and biological processes in living organisms.

**BIO00202**

**ECOLOGY**

*Pre-requisite/s: BIO00201 Biology*

Examines principles and concepts of plant and animal interactions with the abiotic and biotic environment. Consideration is given to the individual, population, community and ecosystem levels of organisation. Aspects of human ecology and human impact on the environment are introduced. Field and laboratory studies will include quantitative analysis and qualitative observations of natural systems and processes, experimental design and critical comparisons of different quantitative sampling and measurement techniques.

**BIO00203**

**EXERCISE PHYSIOLOGY I**

*Pre-requisite/s: BIO00307 Physiology for Human Movement*

Examines the physiological responses of the body to various exercise stresses and the adaptations which occur within the body as a result of repeated exposure to these stresses.

**BIO00204**

**EXERCISE PHYSIOLOGY II**

*Pre-requisite/s: BIO00203 Exercise Physiology I*

An extension of Exercise Physiology I with a major emphasis on muscular, metabolic and thermoregulatory changes during exercise.

**BIO00207**

**BIOMECHANICS I**

Provides an introduction to physical laws and the application of these laws to mechanics of motion.

**BIO00209**

**KINESIOLOGY**

*Pre-requisite/s: BIO01302 Anatomy for Human Movement or BIO01301 Human Anatomy*

Designed to provide detailed study of the
muscular, skeletal and nervous systems in relation to their function in human movement and body mechanics. Emphasis is on the structure and function of the human body related to age and abnormality in sport and physical activity.

**BIO00212 WILDLIFE CONSERVATION**

*Anti-requisite/s*: BIO00230 Principles of Plant and Animal Conservation

Introduces the theory and practice of wildlife conservation. This includes learning the techniques used to collect basic data for wildlife management and conservation. An emphasis will be placed on developing the skills required to communicate the results of research projects that investigate conservation issues.

**BIO00213 PLANT IDENTIFICATION AND CONSERVATION**

*Pre-requisite/s*: BIO00202 Ecology

*Anti-requisite/s*: BIO00230 Principles of Plant and Animal Conservation

Provides students with a background in the basic skills required in plant conservation. Skills covered range from plant and plant community identification, to the determination of conservation priorities for management. Covers the various ex-situ and in situ conservation measures currently used in New South Wales and Australia, and the student has to develop their own conservation strategy for a target area following current guidelines for conservation.

**BIO00232 COASTAL MARINE ECOSYSTEMS**

*Anti-requisite/s*: BIO01203 Marine Biology

Covers the major types of marine habitat, from estuaries to the deep sea, to show their basic structure and the processes that maintain them as recognisable entities. In addition, builds on the basic knowledge acquired in the Biology and Ecology units of the first year to survey the major groups of marine animals and plants and show their roles in the maintenance of marine habitats.

**BIO00233 COMMERCIAL AND RECREATIONAL FISHERIES MANAGEMENT**

*Anti-requisite/s*: BIO00208 Fisheries Science and Management

Covers commercial and recreational fisheries management. Looks at fisheries both from biological and economic perspectives. Extensive use will be made of case history examples to examine the methods, application and outcomes of the various fishery assessment, management and regulation methods adopted in Australia and overseas.

**BIO00244 PROTECTED AREA MANAGEMENT**

*Anti-requisite/s*: FOR00244 Protected Area Management

Offered in a 3 week intensive mode with a one week compulsory on campus residential at Lismore held during the break between semesters 1 and 2.

Examines biodiversity conservation and the principles in conservation biology in the terrestrial and marine environments. Special emphasis is placed on Australian and local (Northern NSW) case studies, techniques for conservation, and practical field experience in local terrestrial or marine protected areas.

**BIO00301 BIOMEDICAL SCIENCE I**

*Pre-requisite/s*: BIO10062 Applied Human Bioscience II or BIO01202 Anatomy and Physiology II

*Note*: External study not available to Bachelor of Nursing students without Head of School approval.

Focuses on the body’s cellular level responses to disease and to the disease processes that originate from cellular malfunction. In addition aspects of the pharmacological principles of drug action will be considered.

**BIO00302 BIOMEDICAL SCIENCE II**

*Pre-requisite/s*: BIO00301 Biomedical Science I

*Note*: External study not available to Bachelor of Nursing students without Course Co-ordinator approval.

Focuses on pathophysiology at the level of the organs. A variety of disorders of several body systems including the respiratory, cardiovascular, renal, endocrine, digestive and reproductive systems will be discussed, with an emphasis on the causal relationships between aetiology, pathophysiology and clinical manifestations and the pharmacological therapy used to manage these disorders.
UNIT DESCRIPTIONS
Southern Cross University, 2007

BIO00307
PHYSIOLOGY FOR HUMAN MOVEMENT
The areas to be examined will be cellular metabolism, muscle physiology, excitation of nervous tissues, regulation of the cardiovascular system, respiratory dynamics, kidney and body fluid homeostasis, the gastrointestinal tract, growth, metabolism, reproduction and immune defence.

BIO00324
BIOMECHANICS II
Pre-requisite/s: BIO00207 Biomechanics I
This unit introduces the student to qualitative and quantitative methods for analysing human movement. There will be a strong emphasis on learning practical skills for the analysis of human movement including ethical aspects of research with humans. Students will apply the principles of biomechanics in an analysis and reporting of selected human movements including gait.

BIO00326
EXERCISE BIOCHEMISTRY AND DRUGS IN SPORT
Pre-requisite/s: BIO00307 Physiology for Human Movement
Anti-requisite/s: BIO00323 Biochemistry and Pharmacology
Covers the basic chemical organisation of the body, bioenergetics, aspects of biosynthetic pathways, basic principles of drug action, drug metabolism and pharmacokinetics and an overview of the major classes of drugs with a particular emphasis on drugs that are used and abused by athletes.

BIO01201
ANATOMY AND PHYSIOLOGY I
Provides students with a foundation knowledge of the structures and functions of the human body based on a systematic approach with an emphasis on medical physiology. Prepares students for later units which address various aspects of normal and pathological function of the human body.

BIO01202
ANATOMY AND PHYSIOLOGY II
Pre-requisite/s: BIO01201 Anatomy and Physiology I
Describes the structure and function of the human body. Examines some of the body systems, describing structure and function of the nervous, cardiovascular, respiratory, renal, digestive and reproductive systems. Students explore anatomical structures on models and computers. Completes the basis of an understanding of the function of the human body, both normal and diseased. Focuses on medical physiology.

BIO01204
WETLAND ECOSYSTEMS
Pre-requisite/s: BIO00202 Ecology
Provides an understanding of the structure, functioning and importance of aquatic ecosystems in coastal, estuarine and freshwater environments and emphasises the need for their careful management. The importance of water as the medium for abiotic and biotic components needs to be recognised in order to understand the effects of human influence on aquatic ecosystems.

BIO01209
AQUACULTURE MANAGEMENT
Examines the development of aquaculture in Australia and overseas, the main aquaculture techniques and species, and the potential of aquaculture in Australia. Examines the main components of aquaculture ventures, such as water quality control, disease control, nutrition, economics, legislation and environmental impacts. Provides practical experience in rearing of silver perch and other species, and culturing techniques for algae and brine shrimp. Visits are made to silver perch, oyster, snapper and other aquaculture farms and research facilities. Particular emphasis is given to the maintenance of water quality and the management of the environmental impacts of aquaculture.

BIO01230
PRINCIPLES OF COASTAL RESOURCE MANAGEMENT
Anti-requisite/s: AGT00205 Coastal Resources and their Management and BIO10125 Sustainable Use of the Marine Environment
Offered in a 3 week intensive mode, with a one week compulsory residential at Lismore during the break between semesters 1 and 2
Covers identification of coastal resources and their uses, methods of handling the wide range of information required for effective management and specific Australian coastal resource-management issues, using case studies in sewage treatment and disposal, environmental impact assessment and wetlands management to show how coastal resource management works in practice.
BIO01302  
**ANATOMY FOR HUMAN MOVEMENT**  
Examines cellular and tissue organisation, the integument, osteology, arthrology, myology, the nervous, endocrine, cardiovascular, respiratory, digestive, urinary and reproductive systems, and the sensory organs.

BIO03073  
**WETLAND ECOSYSTEMS**  
Provides an understanding of the structure, functioning and importance of aquatic ecosystems in coastal, estuarine and freshwater environments and emphasises the need for their careful management. The importance of water as the medium for abiotic and biotic components need to be recognised in order to understand the effects of human influence on aquatic ecosystems. A Masters Tutorial component is included in which students address advanced issues of critical analysis in this field.

BIO03074  
**COMMERCIAL AND RECREATIONAL FISHERIES MANAGEMENT**  
Analyses commercial and recreational fisheries management, both from biological and economic perspectives. Extensive use will be made of case history examples to examine the methods, application and outcomes of the various fishery assessment, management and regulation methods adopted in Australia and overseas. A Masters Tutorial component is included in which students address advanced issues of critical analysis in this field.

BIO03075  
**COASTAL MARINE ECOSYSTEMS**  
Covers the major types of marine habitat, from estuaries to the deep sea, to show their basic structure and the processes that maintain them as recognisable entities. In addition, surveys the major groups of marine animals and plants, and shows their roles in the maintenance of marine habitats. A Masters Tutorial component is included in which students address advanced issues of critical analysis in this field.

BIO03077  
**PLANT IDENTIFICATION AND CONSERVATION**  
Provides a background in the basic skills required in plant conservation including plant and plant community identification, the determination of conservation priorities for management, and various ex-situ and in situ conservation measures currently used in NSW and Australia. Students will develop their own conservation strategy for a target area following current guidelines for conservation. A Masters Tutorial component is included in which students address advanced issues of critical analysis in this field.

BIO03092  
**AQUACULTURE MANAGEMENT**  
Examines the development of aquaculture in Australia and overseas, the main aquaculture techniques and species, and the potential of aquaculture in Australia, and the main components of aquaculture ventures, such as water quality control, disease control, nutrition, economics, legislation and environmental impacts and provides practical experience in rearing of silver perch and other species, and culturing techniques for algae and brine shrimp. Visits are made to silver perch, oyster, snapper and other aquaculture farms and research facilities. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

BIO03093  
**FISHERIES BIOLOGY**  
Examines the biology and ecology of marine and freshwater fish species important to commercial and recreational fisheries with emphasis on the Australian scene. Students will be introduced to the topics of fisheries and aquaculture management by focusing on the aspects of the species’ biology which are fundamental to the management of their exploitation for recreational and commercial fisheries, and for aquaculture ventures. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

BIO03094  
**PRINCIPLES OF COASTAL RESOURCE MANAGEMENT**  
Identifies coastal resources and their uses, methods of handling the wide range of information required for effective management, and specific Australian coastal resource-management issues. Case-studies in sewage treatment and disposal, environmental impact assessment and wetlands management will be used to show how coastal resource management works in practice. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.
BIO03095  CORAL REEFS ON THE EDGE
Provides a unique approach to the study of coral reefs by integrating essential scientific ecological training with important management techniques, and critical analysis of the current global reef status and recent initiatives designed to manage major threats to coral reef ecosystems worldwide. Students will be actively involved with field and laboratory studies of aspects of quantitative coral reef ecology and management. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

BIO03096  GLOBAL CLIMATE AND OCEAN SYSTEMS
Discusses the ocean/atmosphere interactions and their short- and long-term effects on climate and examines modern technologies such as remote sensing used for ocean/atmosphere research, and modelling techniques used for climate change prediction. Models of ocean systems at different scales will be examined, from the whole ocean basins to regional and small-scale models, the predictions made by existing models, and the degree of confidence we have in them. Students will consider the effects that large-scale physical processes have on biological systems and the management implications of climate change at various scales. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

BIO03097  MARINE COMMUNITIES AS SENTINELS OF CHANGE
Examines the range of natural marine communities, their ecological structure and function, links between communities, and their responses to natural and human-induced disturbances. Students will be actively involved with quantitative field ecology studies of various subtropical marine communities. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

BIO03098  MARINE SYSTEMS SCIENCE AND MANAGEMENT
Examines processes and issues and integrate principles of natural science, engineering, legislation and economics as they relate to the global marine environment. Study will cover the complex coupling and feedback mechanisms linking the geosphere, hydrosphere, atmosphere and the biosphere, and will provide integrated regional case studies displaying the ecological and economic implications of environmental policy decisions. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

BIO03099  POLLUTION OF THE MARINE ENVIRONMENT
Presents a multidisciplinary approach to defining the major types of chemical, physical, biological and genetic pollutants that impact upon marine environments, and the pathways, fates and effects of these pollutants on marine ecosystems and human health. Examine different approaches to the design of monitoring programs for detecting pollutants, and techniques for controlling pollutants and regenerating pollution-impacted ecosystems, and gain skills in sampling techniques and analysis of pollutant samples. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

BIO03100  SCIENCE FOR MANAGEMENT
Develops new and innovative ways of bridging the gap between science and management. Integrates social, economic and political approaches with physical environmental and biological data in an attempt to provide ways of achieving better management outcomes. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the overlapping discipline areas of science and environmental management.

BIO03101  SURVEY DESIGN
Provides an understanding of the nature of scientific investigation in field studies in the marine environment and methods of data collection and analysis, and practical skills in collecting and analysing field data and in interpretation of data for application to management problems in the marine environment. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.
BIO03102
SUSTAINABLE USE OF THE MARINE ENVIRONMENT

Anti-requisite/s: BIO03094 Principles of Coastal Resource Management

Examines how ocean resources can be used sustainably. The practical application of environmental planning and management instruments such as environmental impact assessment, state of the environment reporting, cost/benefit analysis, ecological risk assessment and threat abatement plans are explained. Principles of fisheries management are critically examined. Threats to marine biodiversity (particularly wildlife such as whales, turtles and seabirds) are considered, and conservation strategies such as marine protected areas and species recovery plans are discussed. The practical application of the above are considered in the assessment of the neighbouring multiple-use Solitary Islands Marine Park. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

BIO03103
WILDLIFE CONSERVATION

Introduces students to the theory and practice of wildlife conservation. This includes learning the techniques used to collect basic data for wildlife management and conservation. An emphasis will be placed on developing the skills required to communicate the results of research projects that investigate conservation issues. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

BIO03202
MARINE MAMMALS: BIOLOGY AND CONSERVATION

This course introduces students to the marine mammal fauna off eastern Australia, which includes whales, dolphins, seals and dugongs, and examines the biology, conservation and management of human interactions with marine mammals in Australia and worldwide. It involves field studies, examines case studies of human interactions with marine mammals in a variety of situations, including studies in the local region, and looks at how to manage and conserve marine mammals. This unit includes a masters tutorial component in which students address advanced issues of critical analysis in the field of marine mammal biology and conservation.

BIO10061
APPLIED HUMAN BIOSCIENCE I

Anti-requisite/s: BIO1201 Anatomy and Physiology I

Introduces the study of the structure and function of the human body with an emphasis on application to human health and disease. Provides an introduction to basic chemistry, and examines the structure and function of the cell, the organisation of tissues, and the anatomy and physiology of the musculoskeletal and nervous systems.

BIO10062
APPLIED HUMAN BIOSCIENCE II

Pre-requisite/s: BIO10061 Applied Human Bioscience I or BIO1201 Anatomy and Physiology I

Anti-requisite/s: BIO1202 Anatomy and Physiology II

Describes the structure and function of the human body with an emphasis on application to human health and disease. Focuses on the structure and particularly the function of the endocrine, cardiovascular, respiratory, renal, digestive and reproductive systems.

BIO10120
MARINE SYSTEMS SCIENCE AND MANAGEMENT

Pre-requisite/s: Any sixteen (16) units from Bachelor of Applied Science

Offered only at the National Marine Science Centre in a 3 week intensive mode, with a compulsory one week residential

Examines processes and issues and integrates principles of natural science, engineering, legislation and economics as they relate to the global marine environment. Covers the complex coupling and feedback mechanisms linking the geosphere, hydrosphere, atmosphere and the biosphere. Provides integrated regional case studies displaying the ecological and economic implications of environmental policy decisions. The unit is problem focused rather than discipline focused.

BIO10121
SURVEY DESIGN

Pre-requisite/s: MAT0211 Quantitative Analysis and any sixteen (16) units from Bachelor of Environmental Science

Offered only at the National Marine Science Centre in a 3 week intensive mode, with a
compulsory one week residential
Provides an understanding of the nature of scientific investigation in field studies in the marine environment and methods of data collection and analysis. Practical skills in collecting and analysing field data and in interpretation of data for application to management problems in the marine environment are also developed.

BIO10122
SCIENCE FOR MANAGEMENT
Pre-requisite/s: Any sixteen (16) units from Bachelor of Environmental Science
Offered only at the National Marine Science Centre in a 3 week intensive mode, with a compulsory one week residential
Develops new and innovative ways of bridging the gap between science and management. It integrates social, economic and political approaches with physical environmental and biological data in an attempt to provide ways of achieving better management outcomes.

BIO10123
MARINE COMMUNITIES AS SENTINELS FOR CHANGE
Pre-requisite/s: Any sixteen (16) units from Bachelor of Environmental Science
Offered only at the National Marine Science Centre in a 3 week intensive mode, with a compulsory one week residential
Examines the range of natural marine communities, their ecological structure and function, links between communities, and their responses to natural and human-induced disturbances. Students will be actively involved with quantitative field ecology studies of various subtropical marine communities.

BIO10124
GLOBAL CLIMATE AND OCEANS SYSTEMS
Pre-requisite/s: Any sixteen (16) units from Bachelor of Environmental Science
Offered only at the National Marine Science Centre in a 3 week intensive mode, with a compulsory one week residential
Discusses the ocean/atmosphere interactions and their short and long-term effects on climate. Examines modern technologies such as remote sensing used for ocean/atmosphere research, and modelling techniques used for climate change prediction. Examines the biogeochemical cycles of carbon, sulphur and nitrogen in the coupled ocean-atmosphere system and how they have a critical effect on climate. Palaeoclimates are also examined to illustrate that climate has always been changing. The effect of climate change on marine ecology is briefly examined to illustrate how organisms adapt. The management implications of climate change are examined, as well as the use of novel adaptations such as carbon trading and the use of remote sensing of the ocean for use in agriculture.

BIO10125
SUSTAINABLE USE OF THE MARINE ENVIRONMENT
Pre-requisite/s: Any sixteen (16) units from Bachelor of Environmental Science
Offered only at the National Marine Science Centre in a 3 week intensive mode, with a compulsory one week residential
Anti-requisite/s: BIO01230 Principles of Coastal Resource Management
Examines how we can use ocean resources sustainably. It integrates the information delivered in preceding units to identify the major issues affecting the marine environment. It explores the underlying principles of ecological sustainable development, integrated catchment management, and large marine ecosystem management. The practical application of environmental planning and management instruments such as environmental impact assessment, state of the environment reporting cost/benefit analysis, ecological risk assessment and threat abatement plans are explained. Principles of fisheries management are critically examined. Threats to marine biodiversity (particularly wildlife such as whales, turtles and seabirds) are considered, and conservation strategies such as marine protected areas and species recovery plans are discussed.

BIO10126
POLLUTION OF THE MARINE ENVIRONMENT
Pre-requisite/s: Any sixteen (16) units from Bachelor of Environmental Science
Offered only at the National Marine Science Centre in a 3 week intensive mode, with a compulsory one week residential
Provides a multidisciplinary approach to defining the major types of chemical, physical, biological and genetic pollutants that impact upon marine environments, and the pathways, fates and effects of these pollutants on marine ecosystems and
human health. Different approaches to the design of monitoring programs for detecting pollutants, and techniques for controlling pollutants and regenerating pollution-impacted ecosystems will be examined. Students will also gain skills in sampling techniques and analysis of pollutant samples.

**BIO10127**

**CORAL REEFS ON THE EDGE**

*Pre-requisite/s:* Any sixteen (16) units from Bachelor of Environmental Science

*Offered only at the National Marine Science Centre in a 3 week intensive mode, with a compulsory one week residential*

Provides a unique approach to the study of coral reefs by integrating essential scientific ecological training with important management techniques, and critical analysis of the current global reef status and recent initiatives designed to manage major threats to coral reef ecosystems worldwide. Students will be actively involved with field and laboratory studies of aspects of quantitative coral reef ecology and management.

**BIO10184**

**ECOLOGICAL RESTORATION AND MONITORING**

The challenge for our society is to maintain, enhance, and restore our many degraded ecosystems. This unit gives students a background in the basic skills required in ecological restoration and adaptive monitoring in tropical and subtropical environments. The topics covered in this unit will equip students with the skills necessary to design and support effective and successful restoration projects, both professionally and in the community. Skills covered range from the assessment of site potential and the determination of possible actions, to the practice and principles of adaptive environmental management and monitoring in the context of the community in which the restoration is taking place.

**BIO10185**

**MARINE MAMMALS: BIOLOGY AND CONSERVATION**

*Pre-requisite/s:* Any sixteen (16) units from Bachelor of Environmental Science

*Offered only at the National Marine Science Centre in a 3 week intensive mode, with a compulsory one week residential*

Introduces students to the marine mammal fauna off eastern Australia which includes whales, dolphins, seals and dugongs, and examines the biology, conservation and management of human interactions with marine mammals in Australia and worldwide. It involves field studies, examines case studies of human interactions with marine mammals in a variety of situations, including studies in the local region, and looks at how to manage and conserve marine mammals.

**BIO10187**

**GLOBAL ENVIRONMENTAL ISSUES**

Introduces major global and regional environmental issues associated with the impacts of human land use. Working in the context of increasing human populations, climate change and the political responses to evidence for increasing global environmental change, the unit examines issues of soils, water, air and biological degradation, placing Australian regional issues into a global context.

**BIO10454**

**CELLULAR AND NEUROPATHOPHYSIOLOGY**

*Anti-requisite/s:* BIO00301: Biomedical Science I

Focuses on the body's cellular level responses to disease and to the disease processes that originate from cellular malfunction. In addition aspects of the pharmacological principles of drug action will be considered. The assumed prior knowledge required for this unit includes the objectives for BIO10061 Applied Human Bioscience I and BIO10062 Applied Human Biocsience II.

**BIO10467**

**SYSTEMS PATHOPHYSIOLOGY**

*Anti-requisite/s:* BIO00302 Biomedical Science II

Focuses on pathophysiology at the level of the organs. A variety of disorders of several body systems including the respiratory, cardiovascular, renal, endocrine, digestive and reproductive systems will be discussed, with an emphasis on the causal relationships between aetiology, pathophysiology and clinical manifestations and the pharmacological therapy used to manage these disorder. The assumed prior knowledge required for this unit includes the objectives for BIO10061 Applied Human Bioscience I and BIO10062 Applied Human Bioscience II and BIO10454 Cellular and Neuropathophysiology.
BIO10492
CULTURAL HERITAGE SCIENCE
Anti-requisite/s HIS00201 Cultural heritage Conservation, SOC10186 Indigenous Environmental Management
Cultural heritage conservation embraces the areas of cultural history, applied science, technology and management required to assess, manage and conserve both prehistoric and historical human heritage material (artefacts, sites, landscapes and knowledge). The unit is both theoretically and practically based, and introduces the principles and methods of heritage management, conservation and education. It concentrates on theoretical underpinnings, legislation and public administration and management of heritage, archaeological and historical investigation, conservation and management, and heritage education.

BIO10493
MOTOR CONTROL
Pre-requisite/s BIO01302 Anatomy for Human Movement and BIO00307 Physiology for Human Movement
Provides students with the knowledge basis for the understanding of neural processes involved in the control of movement and of issues involved in cerebral organisation of goal directed movement. It also provides background to neurological and movement disorders.

BIO10494
HUMAN GROWTH, DEVELOPMENT AND AGEING
Pre-requisite/s BIO01302 Anatomy for Human Movement and BIO00307 Physiology for Human Movement
Provides an understanding of how age, gender and developmental stages influence an individual’s exercise capacity and motivation to participate in regular physical activity and how physical activity may influence growth and development. Adaptations to specific training programs across the lifespan will also be covered.

BIO10496
PRINCIPLES OF EXERCISE TESTING AND PRESCRIPTION
Pre-requisite/s BIO00702 Advanced Exercise Physiology
This unit examines the principles and objectives of an effective exercise assessment program. Program design is studied in detail in relation to different populations. Aspects of consultation, interview and testing techniques, health education and counseling will be studied with an emphasis on developing practical skills.

BIO10497
APPLIED EXERCISE TESTING AND PRESCRIPTION
Pre-requisite/s BIO00702 Advanced Exercise Physiology
This unit provides the student with the opportunity to apply the principles and objectives of an effective exercise assessment program. Program design is studied in detail in relation to different populations. Aspects of consultation, interview and testing techniques, health education and counseling will be studied with an emphasis on developing practical skills.

BIO40001
APPLIED SCIENCE HONOURS I
Pre-requisite/s Admission into Bachelor of Applied Science Honours

BIO40002
APPLIED SCIENCE HONOURS IIA
Pre-requisite/s BIO40001 Applied Science with Honours I

BIO40003
APPLIED SCIENCE HONOURS IIB
Pre-requisite/s BIO40002 Applied Science with Honours IIA

BIO40004
APPLIED SCIENCE HONOURS III
Pre-requisite/s BIO40001 Applied Science with Honours I and BIO40002 Applied Science with Honours IIA and BIO40003 Applied Science with Honours IIB

BIO40005
APPLIED SCIENCE HONOURS IV
BIO40004 Applied Science with Honours III

BUS00211
GAMING MANAGEMENT I: INTRODUCTION
Pre-requisite/s Admission into Bachelor of Business in Club and Gaming Management
Comprehensively examines the major types of gambling operated by registered and licensed clubs in Australia – gaming machines, keno, TAB and minor gaming. Examines the external environment within which club gaming operates, and the internal day-to-day operation and control of gaming activities.
BUS00212
GAMING MANAGEMENT II: ANALYSIS
Pre-requisites: Admission into Bachelor of Business in Club and Gaming Management and BUS00211 Gaming Management I Introduction
Provides managers with the skills to implement security procedures in accordance with the club policy and legislation. Also considers the analysis process and implementing methods of investigation in the event of discrepancies.

BUS00213
GAMING MANAGEMENT III: IMPACTS
Pre-requisites: Admission into Bachelor of Business in Club and Gaming Management and BUS00212 Gaming Management II Analysis
Examines three main areas relating to impacts in gambling. Firstly examines key influences on gambling emanating from government policies, socio-cultural factors, psychological and personal characteristics of individual gamblers, management and marketing strategies of gambling operators, and gambling product design. Second, examines key socio-economic impacts of gambling, both positive and negative. Third, discusses approaches and issues relevant to managing some of the negative social impacts of gambling.

BUS00214
GAMING MANAGEMENT IV:
STRATEGIC GAMING MANAGEMENT
Pre-requisites: Admission into Bachelor of Business in Club and Gaming Management and BUS00213 Gaming Management III Impacts
Covers contemporary issues of gaming management through self-instructional chapters, each relating to different issues within the gaming function. Students are expected to reflect on their own current practices in areas such as player profiles and historical membership databases, change management, gaming and gender, gaming area layout, trends in gaming acceptance and policy and government responses to gaming.

BUS00747
CRITICAL ISSUES FOR MANAGEMENT
Sets the contemporary scene in which business operates by overviewing economic, environmental and ethical issues. Issues addressed include globalisation, the impact of capital movements on national and global economic health, emerging regional groupings and 'trading blocs', and the impact of information technology. Environmental sustainability issues will be explored including sustainability of natural resources, population, pollution control and the impact of emerging and emergent national policy. Human diversity issues that have the potential to impact on business will be analysed including ethics, culture and changing social expectations.

Students are encouraged to complete the unit MNG00716 Strategic Management prior to undertaking this unit.

BUS00913
BUSINESS ANALYSIS FOR TOURISM AND HOSPITALITY MANAGERS
Not available to undergraduates.
The collection, analysis and interpretation of data are essential for planning, strategy development and problem solving in the tourism and hospitality industry. This unit introduces students to business analysis and planning and they will learn to evaluate a business issue using these vital research methodologies.

BUS00914
MANAGING EMPLOYEE RELATIONS AND ORGANISATIONAL CHANGE IN THE TOURISM AND HOSPITALITY INDUSTRIES
Not available to undergraduates.
Managers in the hotel and tourism industry must understand how organisations function in a global environment; they must understand how cross-cultural issues can affect the workforce and how change must be managed to compete successfully in the world. This unit will arm students with the skills to go out into that world and make a difference.

CAR40001
RESEARCH METHODS – ARTS
Co-requisites: COM40005 Research Methods – Humanities or ART40004 Research Methods – Visual Arts or COM40004 Research Methods – Media or Research Methods – Contemporary Music
Surveys the history, philosophies and methodologies of research. Students will be expected to develop an understanding of Arts research approaches and perspectives in the broad context of contemporary research practices.
CAR40002
RESEARCH METHODS – CONTEMPORARY MUSIC
Co-requisite/s: CAR40001 Research Methods - Arts
Provides an overview of research methodologies relevant to the students chosen area of specialisation, and develops skills in relation to spoken and written presentations.

CAR40003
CREATIVE ARTS RESEARCH THESIS (STAGE 1 OF 3)
Pre-requisite/s or Co-requisite/s: CAR40002 Research Methods – Contemporary Music or ART40004 Research Methods – Visual Arts
Provides an introduction to contemporary popular music research through the planning of a substantial research project, conducted under the supervision of academic staff with relevant expertise.

CAR40004
CREATIVE ARTS RESEARCH THESIS (STAGE 2 OF 3)
Pre-requisite/s: CAR40002 Research Methods – Contemporary Music or ART40004 Research Methods – Visual Arts
Co-requisite/s: CAR40005 Creative Art Thesis (Stage 3 of 3)
Provides an introduction to contemporary popular music or visual arts research through the completion of a draft of a substantial part of a research project.

CAR40005
CREATIVE ARTS RESEARCH THESIS (STAGE 3 OF 3)
Pre-requisite/s: CAR40003 Creative Arts Thesis (Stage 1 of 3)
Co-requisite/s: CAR40004 Creative Art Thesis (Stage 2 of 3)
Provides an introduction to contemporary popular music or visual arts research through the completion of a substantial research project.

CHE00073
ENVIRONMENTAL CHEMISTRY
Pre-requisite/s: CHE00201 Chemistry
Introduces the major physical, chemical and biological processes that control the concentration and dispersion of chemical elements in natural and impacted environments. Knowledge of these processes, the factors that control them, and the interactions between sediment/soil/rock, water, biota and the atmosphere is essential for scientifically sound environmental management and for distinguishing between natural conditions and human impacts. Introduces many of our environmental problems that are chemically based, but whose solution involves knowledge of geochemistry, biology, and engineering. Demonstrates how knowledge of natural processes and products can be applied in engineering projects to minimise human impact and remediate previously impacted sites.

CHE00102
BIOLOGICAL CHEMISTRY I (FOUNDATIONS OF CHEMISTRY)
Students are introduced to basic aspects of chemistry, which are treated from a biomedical point of view. Emphasis is given to aspects of chemistry that are relevant to further curricular disciplines such as organic chemistry, biochemistry, nutrition and phytotherapy. Provides the students with basic skills in the manufacture and dispensing of herbal preparations. Lectures are complemented with tutorial and laboratory sessions.

CHE00103
BIOLOGICAL CHEMISTRY II (NATURAL PRODUCTS CHEMISTRY)
Pre-requisite/s: CHE00102 Biological Chemistry I (Foundations of Chemistry) or CHE00201 Chemistry
Introduces basic aspects of organic chemistry through study of the structure-function relationship of organic compounds, the interaction of organic compounds with solvents, and analysis of
functional groups. There is a special focus on the chemical analysis of natural products found in plants and the manufacture of herbal preparations. Lectures are complemented with tutorial sessions and laboratory classes that provide students with experience in relevant basic techniques and methods.

CHE00201 CHEMISTRY
Provides an introduction to basic chemical concepts in inorganic and organic chemistry. It includes atomic and molecular theory, bonding, the periodic table, and chemical reactions important in understanding the nature of geological materials, chemical processes in biological systems, water chemistry, and pollution. Laboratory classes complement lecture content, and provide experience in basic techniques.

CHE03078 ENVIRONMENTAL CHEMISTRY
Post graduate unit
Introduces the major physical, chemical and biological processes that control the concentration and dispersion of chemical species in natural and impacted environments. Knowledge of these processes, the factors that control them, and of interactions between sediment/soil/rock, water, biota and the atmosphere is essential for scientifically sound environmental management and for distinguishing between natural conditions and human impacts. Students will gain knowledge of natural processes and products can be applied in engineering projects to minimise human impact and remediate previously impacted sites. A Masters Tutorial component is included in which students address advanced issues of critical analysis in this field.

CMM00001 OVERVIEW OF MENTAL HEALTH
Not available to undergraduates.
Enables health care practitioners to explore and critically analyse the social, political, ethical, legal and economic context of mental health care in Australia, pre- and post-Burdekin. In particular, the student will analyse the ways in which mental illness and mental health have historically been conceptualised and how this has influenced the way in which mental health care is currently organised and administered within Australian health care settings. Students will reflect on and evaluate their own practice in relation to contemporary mental health care.

CMM00002 MODELS OF MENTAL HEALTH AND MENTAL ILLNESS
Not available to undergraduates.
It is the responsibility of every mental health worker, particularly at the senior level, to be able to evaluate their own practice and the service in which they practice. Provides the student with the opportunity to analyse and evaluate the major mental health approaches and services in contemporary mental health care. In doing so the student will develop a sophisticated understanding of the broad and specific implications of currently using these models of mental health care delivery, and develop futuristic models for best practice.

CMM00003 THERAPIES IN MENTAL HEALTH CARE
Not available to undergraduates.
Involves a critical analysis of a variety of therapies used in treating the mentally ill and the “worried well”, including the study of differential diagnosis and assessment. Will also focus on determining strategies for maintaining mental health gains and outcomes and the definition of “therapist”. Effects of various therapies on the client and the practitioner, and on the cost, administration and organisation of mental health care are analysed. Students will critically evaluate the therapeutic relationship, including issues such as sexuality, co-dependency, co-morbidity, ageism and culture.

CMM00004 EVALUATION OF MENTAL HEALTH SERVICES: PREVENTION TO REHABILITATION
Not available to undergraduates.
The learner will undertake an analysis and evaluation of a variety of mental health services and interventions. This analysis will be based on an evaluation of the intervention processes, outcomes, costs, management and planning of these modalities.

CMM00215 EXERCISE TESTING AND PRESCRIPTION
Pre-requisite/s: BIO00204 Exercise Physiology II
Anti-requisite/s: CMM00206 Exercise Assessment and Counselling
Examines the principles and objectives of an...
effective exercise assessment programme. Programme design is studied in detail in relation to different applications: the fitness centre, community, corporate, athletic, disabled and elderly. Aspects of consultation, interview technique, health education and counselling will be studied with an emphasis on developing practical skills.

**CMM00251**
PUBLIC AND ENVIRONMENTAL HEALTH
Pre-requisite/s: HEA00292 Health Care Practices II
This unit will provide health professionals with knowledge and skills in public and environmental health theory, research and practice. The relationships between political, social and economic factors and health status will be examined, in addition to historical, current and future approaches to public and environmental health.

**CMM00705**
HEALTH AND EPIDEMIOLOGY
Not available to undergraduates.
Addresses current health needs in Australian society from the perspective of epidemiological and other research findings. These findings are then used to consider the development of an appropriate health care agenda.

**CMM03140**
EVIDENCE-BASED PRACTICE
Not available to Undergraduates
Introduces students to an evidence based approach to clinical and public health practice. Students are taught how to frame a relevant clinical or public health question, search and appraise the available evidence, and use this to develop appropriate responses in day-to-day practice and policy setting.

**CMM03141-47**
MASTER OF PUBLIC HEALTH RESEARCH PROJECT I – VII
The MPH thesis consists of an approved program of supervised research study agreed to by the MPH coordinator and an approved supervisor. There is no formal syllabus for the research component of the MPH, however candidates are expected to proceed in accordance with an approved research plan and preliminary literature review.

**CMM03160**
CRITICAL REFLECTION FOR HEALTH WORKERS
Not Available to Undergraduates
This unit aims to introduce health workers to the process of critical reflection in order to facilitate clinical practice and to improve job satisfaction. It introduces experienced health workers to the reflective practice literature in general and in health, and to the types of knowledge that can be generated in clinical practice. Practical strategies are offered for preparing to reflect and technical, practical and emancipatory reflection are described and applied to practice problems. Strategies are also suggested for sharing and maintaining reflective practice.

**CMM03161**
NEGOTIATED PRACTICUM I: TECHNICAL REFLECTION
Not Available to Undergraduates
Pre-requisite/s: CMM03160 Critical Reflection for Health Workers
This unit aims to facilitate experienced health workers to undertake a practicum experience in order to begin to explore the process of critical reflection in the context of issues related to workplace policies and procedures. Technical reflection, based on the scientific method and rational, deductive thinking will allow you to generate and validate empirical knowledge through rigorous means, so that you can be assured that work procedures are based in scientific reasoning.

**CMM03162**
NEGOTIATED PRACTICUM II: PRACTICAL REFLECTION
Not Available to Undergraduates
Pre-requisite/s: CMM03161 Negotiated Practicum I: Technical reflection
This unit builds on previous units of study and allows experienced health workers to undertake further practicum experience in order to develop the process of critical reflection in the context of interpersonal relationships in the workplace.

**CMM03163**
NEGOTIATED PRACTICUM III: EMANCIPATORY REFLECTION
Not Available to Undergraduates
Pre-requisite/s: CMM03162 Negotiated Practicum II: Practical Reflection
This unit builds on previous units of study by allowing experienced health workers to undertake
a practicum experience in order to refine the process of critical reflection in the context of workplace power and politics. Emancipatory reflection leads to “transformative action” which seeks to free health care workers from taken for granted assumptions and oppressive forces which limit them and their practice.

**CMM03177**  
**INDIGENOUS COUNSELLOR TRAINING**  
Introduces and helps develop attributes which reflect integrated Indigenous and non-Indigenous theory and counselling practice. It helps establish protocols and the practice of cultural safety with practical exercises in counselling preparation and practice. The use of sandplay, story maps, narrative, and emotional release as specific tools from both Indigenous and non-Indigenous counsellor training are experienced. Offered in external mode with a compulsory block residential attendance required at a nominated site.

**CMM03178**  
**TRAUMA AND RECOVERY - EXPERIENTIAL**  
A ‘hands on’ practical unit which introduces the theory of trans- and inter-generational trauma through group exercises and activities, supported by informed discussions. This method encourages participants to gain insight through understanding their own pain stories and those within the learning group, to help identify the long-term consequences of trauma across generations, and trauma recovery theory and skills, including genograms, family history reconstruction, the healing power of art, music, theatre and narrative as core components in trauma recovery work. Offered in external mode with compulsory block residential attendance required at a nominated site.

**CMM03179**  
**FAMILY VIOLENCE/FAMILY RECOVERY**  
*Pre-requisite/s: CMM03177 Indigenous Counsellor Training or CMM03178 Trauma and Trauma Recovery - Experiential*  
Provides students with the skills to become family violence community educators and workers. The unit which is a blend of the theoretical and experiential, enables students to increase their awareness of family violence, develop skills for individual and community problem solving strategies, from a firm cultural foundation appropriate to recovery from the trauma of violence within families and communities. The completed unit includes a community project relative to local community needs. Offered in external mode with a compulsory block residential attendance required at a nominated site.

**CMM03180**  
**WORKING WITH CHILDREN**  
*Pre-requisite/s: CMM03179 Family Violence/Family Recovery*  
Develops and applies the experiences of cultural safety in working with Indigenous children who have been emotionally damaged. Explores the practice of emotional healing through sensory and tactile therapeutic work in nature discovery, narrative, art, music, dance, movement, play therapies, story-telling and performance using sandplay in working with children. The theory is balanced with application of practical skills. Offered in external mode with a compulsory block residential attendance required at a nominated site.

**CMM03181**  
**DADIRRI – INDIGENOUS SPIRITUALITY**  
*Pre-requisite/s: CMM03177 Indigenous Counsellor Training*  
Provides the theory and practice to enable participants to define and implement cultural sensitivity and safety as an essential protocol in all cross-cultural counselling and healing. An Indigenous process of deep listening as the pre-requisite to all counselling/healing is introduced. Offered in external mode with compulsory block residential attendance required at a nominated site for 5 days.

**CMM03182**  
**LOSS AND GRIEF GROUP FACILITATION COUNSELLOR TRAINING**  
*Pre-requisite/s: CMM03177 Indigenous Counsellor Training*  
*Co-requisite/s: CMM03181 Dadirri – Indigenous Spirituality*  
Uses learning circles, with the cultural narrative approaches of story maps and reflective discussion, to provide participants with both the theory and practice of working in groups to grieve and heal the multiple losses experienced by Indigenous families and communities. Offered in external mode with a compulsory block residential attendance required at a nominated site.
CMM03183
RECREATING THE CIRCLE OF WELL-BEING
Pre-requisite/s: CMM03178 Trauma and Trauma Recovery – Experiential
Co-requisite/s: CMM03184 The Prun – Indigenous Group Conflict Management
In a learning circle within the context of cultural narrative, experiential learning and reflective discussion and practice, participants experience deeper understanding of the interconnection between spirituality, environment, relationships, emotions, physical body, sexuality, stress and life purpose for well being. Offered in external mode with compulsory block residential attendance required at a nominated site.

CMM03184
THE PRUN – INDIGENOUS GROUP CONFLICT MANAGEMENT
Pre-requisite/s: CMM03178 Trauma and Trauma Recovery – Experiential
Co-requisite/s: CMM03183 Recreating the Circle of Well-being
Provides practical experiences of working through conflict from the perspective of Indigenous conflict management traditions and western dispute resolution practice. Contextualizes the diversity of approaches to managing conflict; experience and be able to recognise eldership, leadership in conflict management processes; and identify and explicate three formal Indigenous processes of managing large group (communal) conflict; identify and analyse the complexity of diverse points of view as conflicted groups work towards consensus. Offered in external mode with compulsory block residential attendance required at a nominated site.

CMM03185
MEN'S AND WOMEN'S HEALING RECOVERY
Pre-requisite/s: CMM03179 Family Violence/Family Recovery
Co-requisite/s: Addictions-Violence- Spirituality
Where men and women will explore classical and contemporary roles of men and women in the family and in society generally, develop concepts of healthy sexuality, masculinity and/or femininity, and celebrate the contribution to the human species within our universal ecosystem. Offered in external mode with compulsory block residential attendance required at a nominated site.

CMM03186
ADDICTIONS – VIOLENCE – SPIRITUALITY
Pre-requisite/s: CMM03179 Family Violence/Family Recovery
Co-requisite/s: CMM03185 Men's and Women's Healing Recovery
Makes the often unacknowledged links in: the relationship between addictions and the long shadow of slavery, colonisations, and other forms of oppressions and domination; addiction as a universal human dilemma; the history of addiction’s theory and treatment; the birth of the 20th century Recovery Movement; the inadequacy of the disease paradigm in addiction treatment; problems facing the field; and the Wellness Paradigm – a transpersonal spiritual model of healing work in addiction mediation. Offered in external mode with a 5 day compulsory block residential attendance required at a nominated site.

CMM03187
POSITIVE PARENTING
Pre-requisite/s: CMM03180 Working with Children
Co-requisite/s: CMM03188 It’s My Life! – Working with Adolescents
Demonstrates principles of cultural safety while working with Indigenous parents, allows parents (or potential parents) to help each other in parenting and see strengths and weaknesses in their own parenting practice, while acknowledging the stress in parenting and develops skills to stay calm and manage stress in order to better respond to the parenting needs of children. Offered in external mode with a compulsory block residential attendance required at a nominated site.

CMM03188
IT’S MY LIFE/WORKING WITH ADOLESCENTS
Pre-requisite/s: CMM03180 Working with Children
Co-requisite/s: CMM03187 Positive Parenting
Helps establish protocols for working from within a culturally safe practice with young indigenous people in crisis and at risk of self-harm and establishes a community development approach to suicide prevention, intervention and post-vention, and provides concepts and skills to build on the cultural strengths and abilities across generations, to promote leadership potential in young Indigenous people. Offered in external mode with
a 5 day compulsory block residential attendance required at a nominated site.

CMM03189
INDIGENOUS RESEARCH THEORY AND PRACTICE
Double-weighted unit
Introduces students to Indigenous research theory and practice; and to ethics, intellectual property considerations and various research methods appropriate to specific fields of study. Encouraged to develop a critical appreciation of legal, ethical and professional practice issues in research. On completion of the unit students will be able to construct a research proposal and prepare ethics documentation.

CMM03197
LEADERSHIP IN PUBLIC HEALTH
Not available to undergraduates
Introduces student to principles and practices of leadership in the context of health services delivery systems, particularly population health promotion and disease prevention programs carried out by government agencies.

CMM03211
HEALTH PROMOTION STRATEGIES AND METHODS I: THEORY AND CORE STRATEGIES
Introduces students to the practice of health promotion for both public health and clinical purposes. While the basics of behaviour theory relevant to health promotion are considered, students are expected to develop practical skills in strategy selection and apply these from the outset. Students begin the process of learning skills in applying core strategies focusing on one-on-one and group work, to the broader public health field of social marketing.

CMM03212
HEALTH PROMOTION STRATEGIES AND METHODS II: ADVANCED STRATEGIES AND PLANNING
Continues the student’s progression into strategy use for applied health promotion, using population-based strategies and planning. Approaches for working in communities and dealing with environmental issues are covered as well as applied models of planning and the progression through these. At the end of this strategies and methods unit, students can begin to apply both high risk and population approaches to prevention and health promotion.

CMM03213
SOCIAL MARKETING
Pre-requisite/s: CMM03211 Health Promotion Strategies and Methods I: Theory and Core Strategies
Expands on the summary version of social marketing covered in Health Promotion Strategies and Methods I. It allows the student to develop skills in marketing that are appropriate to the advancement of the social good. It includes knowledge of formative research, media use and selection, target segmentation and program development to develop social marketing as an “umbrella” for other promotion programs.

CMM03214
OBESITY, WEIGHT CONTROL AND METABOLIC HEALTH MANAGEMENT
Pre-requisite/s: CMM03211 Health Promotion Strategies and Methods I: Theory and Core Strategies
Provides students with state-of-the-art knowledge about the development of overweight and obesity, its relationship to metabolic disorders (particularly type two diabetes), and evidence-based ways of dealing with this. The unit follows National Clinical Guidelines for Weight Control and Obesity Management as well as ways of dealing with the National guidelines at a public health level.

CMM03250
THE AGEING BODY
This unit explores the age-related changes to physiology and drug pharmaco-kinetics and dynamics; the prevalence of chronic disease and disability in this age group, and the principles and approaches to health assessment of the older person.

CMM03251
APPROACHES TO HEALTHY AGEING
This unit explores the determinants of healthy ageing and focuses on the relationship between ageing and physical activity, sexuality, spirituality and nutrition. It will provide an evidence-based approach to the role of complementary therapies and complementary medicines for common health conditions in this age group.
CMM03252
RESPONSES TO AN AGEING POPULATION
This unit focuses on the health care needs of an ageing population. It explores how needs impact on demand and supply of health care and the value of evidence in informing priority setting and planning for services. In addition, it examines the key principles that underpin local, national and international responses to population ageing.

CMM03252
THE SOCIAL CONTEXT OF AGEING
This unit examines the implications of population ageing in relation to the social networks, social support and distribution of social resources in later life. It highlights the important contribution older people make to the community and identifies some of the risk factors that predispose them to social disadvantage and isolation.

CMM10464
PSYCHOSOCIAL CONTEXTS OF HEALTH
Anti-requisite/s: HEA00291 Health Care Practices I
Introduces students to the dominant metanarratives of health and illness, enabling them to develop a holistic understanding of health and provides them with foundation concepts which will be explored in greater depth later in their studies. There is no assumed prior knowledge required for students to undertake this unit.

CMP03305
ORGANISATION AND TECHNOLOGY IN RESEARCH
Develops students understanding of the principles and practices of efficient organisation and the range of technological tools available to them to enhance their research practice. The unit is intended for higher degree students and researchers who are working on their own research projects. Students will be encouraged to apply the principles and tools as far as possible to their own work.

CM040000
MULTIMEDIA RESEARCH SEMINAR
Pre-requisite/s: Admission into Bachelor of Multimedia(Honours)
Co-requisite/s: CMP40001 Multimedia Research Thesis (Stage 1 of 3)
This is a double unit which provides an introduction to the context, issues, paradigms, methodologies, tools and techniques of research used in multimedia. Methodologies and paradigms covered include qualitative and quantitative measures and experimental design in the context of multimedia. Culminates in the presentation by the student of a research proposal to peers and academic staff.

CMP40001
MULTIMEDIA RESEARCH THESIS
(STAGE 1 OF 3)
Pre-requisite/s: Admission into Bachelor of Multimedia(Honours)
Co-requisite/s: CMP40000 Multimedia Research Seminar
This is a double unit and Stage 1 of the research thesis undertaken in the Bachelor of Multimedia Honours course. The thesis consists of an approved programme of supervised research study agreed with the Head of School.

CMP40002
MULTIMEDIA RESEARCH THESIS
(STAGE 2 OF 3)
Pre-requisite/s: CMP40000 Multimedia Research Seminar and CMP40001 Multimedia Research Thesis (Stage 1 of 3)
Co-requisite/s: CMP40003 Multimedia Research Thesis (Stage 3 of 3)
This is a double unit and Stage 2 of the research thesis undertaken in the Bachelor of Multimedia Honours course. The thesis consists of an approved programme of supervised research study agreed with the Head of School.

CMP40003
MULTIMEDIA RESEARCH THESIS
(STAGE 3 OF 3)
Pre-requisite/s: CMP40000 Multimedia Research Seminar and CMP40001 Multimedia Research Thesis (Stage 1 of 3)
Co-requisite/s: CMP40002 Multimedia Research Thesis (Stage 2 of 3)
This is a double unit and Stage 3 of the research thesis undertaken in the Bachelor of Multimedia Honours course. The thesis consists of an approved programme of supervised research study agreed with the Head of School.

COM00207
PERSONAL COMMUNICATIONS FOR THE TOURISM AND HOSPITALITY INDUSTRY
Anti-requisite/s: MNG01208 Human Resource
Management I: Introduction
Provides an understanding of the role and importance of communication within hospitality and tourism-related enterprises. Students are introduced to a range of communication theories and concepts applicable in service-based industries. The dynamics of interpersonal, group, and organisational communication, as well as attitudinal and motivational factors affecting performance, are examined.

COM00333
COMMUNICATION AND CULTURE
Introduces the skills and knowledge needed for the study of communication as an ongoing process of cultural production. The elements and processes that underpin communication practices are studied from both theoretical and practical perspectives. The unit challenges and extends personal understanding of contemporary cultural conditions and their significance in the cultural webs of communication practices.

COM00334
LEARNING TECHNOLOGIES AND THE ACADEMY
Ante-requisite/s: EDU00220 Learning, Communicating and Educational Computing, EDU10235 Learning and Communication
Introduces students to university culture and to the skills and practices of reading, writing and research. A consideration of the historical and cultural emergence of the university as an institution provides a framework for the practical application of academic skills appropriate to the 21st Century. There is an emphasis on the convergence of “old” and new technologies of teaching and learning with a focus on flexible learning practices. Students are encouraged to self-consciously consider their place in the current university culture.

COM00439
FOUNDATIONS IN MEDIA STUDIES
Introduces students to a range of theoretical perspectives and issues relevant to the production, distribution and reception of media in Australia and elsewhere. A critical approach to the study of media is promoted. A range of media (print, film, television, radio, internet, etc.) are contextualised within a broad cultural, political and historical framework. This will encompass an analysis of media practices and the use of media in everyday life. Special consideration is given to how we engage with media and what impact it has on our perceptions of ourselves and the world around us.

COM00446
INTERNATIONAL MEDIA STUDIES
In an era of global media interaction, media studies students need at least a basic understanding of how the overseas media systems work in relation to Australia. Students explore communications systems within different socio-cultural frameworks in case studies drawn from Asia, America, Europe, Africa and the Pacific region.

COM00447
MEDIA AND NEW TECHNOLOGIES STUDIES
Pre-requisite/s: COM00439 Foundations in Media Studies
Students examine the socio-cultural impact of the new communications technologies. Using a range of theoretical approaches, students explore the impact of new technologies such as satellite and cable broadcasting, multimedia, computer and video systems.

COM00455
MULTIMEDIA ARTS I
Pre-requisite/s: COM10109 Introduction to Media Production or COM00451 Text Media I or EDU10003 Educational Information Technology or ART10094 Digital Art and Design I or ISY00324 Digital media I: Images, Text and Interface Design
Develops students’ understanding of theory and practice relevant to digital technologies and communication processes as they relate to text-based materials. Students acquire skills in Web site design, with a focus on coding web pages.

COM00456
MULTIMEDIA ARTS II
Pre-requisite/s: COM00455 Multimedia Arts I
Introduces students to the theory and practice of digital multimedia communication and production. Students develop their pre-requisite knowledge and skills in digital production techniques for text, still images, audio, animation and video, integrating these digital media to create a basic multimedia product.

COM00457
MULTIMEDIA ARTS III
Pre-requisite/s: COM00456 Multimedia Arts II
Extends students’ critical understanding of the
theory and practice of interactive multimedia communication, production and distribution. Students develop their knowledge and skills in interactive multimedia production and explore the possibilities of human-computer interaction. Students design and create an interactive multimedia product.

**COM00461**  
**RADIO I**  
*Pre-requisite(s): Any eight (8) units*  
Students are introduced to the beginnings of broadcasting skills in the areas of announcing and technical operations of the radio station in theory and practice. It provides a basis for the acquisition of effective radio communication and awareness of the resources available to the industry.

**COM00462**  
**RADIO II**  
*Pre-requisite(s): COM00461 Radio I*  
Students further develop an understanding of the theory and practice of national, commercial and community radio broadcasting. On-air and technical skills are refined through the advanced study of radio programming, awareness of current issues, recording and announcing techniques.

**COM00471**  
**PROFESSIONAL PLACEMENT**  
*Pre-requisite(s): Any four (4) units*  
Students gain professional experience in public or commercial organisations to enable them to use their knowledge and skills acquired in the Media Communications course. Students undergo both workplace and course supervision thereby gaining an understanding of how their skills and knowledge can be applied in professional environments.

**COM00481**  
**JOURNALISM I**  
*Pre-requisite(s): COM10109 Introduction to Media Production or COM00439 Foundations in Media Studies*  
Introduces students to journalism. Students will be introduced to basic aspects of news writing, research and interviewing which may be applied across print, radio, television and emerging digital media such as the Internet. They will also gain a critical appreciation of legal, ethical and professional practice issues in contemporary journalism.

**COM00482**  
**JOURNALISM II**  
*Pre-requisite(s): COM00481 Journalism I*  
Completes students’ introduction to journalism as a contemporary cultural and media practice. Students will consolidate their skills in news gathering and writing, and be introduced to feature writing techniques. Students will also learn further research and interviewing skills, as well as gaining a critical understanding of key professional, legal and ethics issues relevant to journalism.

**COM10402**  
**SCRIPTWRITING**  
*Pre-requisite(s): COM10109 Introduction to Media Production or ENG00410 Introduction to Written Texts or COM00439 Foundations in Media Studies.*  
Students are introduced to the theory and practice of scriptwriting with introduction to the concepts of character, plot, dialogue, and script presentation. By being exposed to and analysing examples of scripts, the student will be able to select appropriate form and content as applied to radio, film, video, television, and multimedia.

**COM10081**  
**ENTERTAINING JOURNALISM**  
*Pre-requisite(s): COM00481 Journalism I*  
Examines a wide range of contemporary journalism theories and practices in Australia and internationally. The cultural construction of news and its relationship to established and emerging media entertainment genres is critically discussed.

**COM10082**  
**FILM STUDIES**  
*Pre-requisite(s): COM00439 Foundations in Media Studies*  
*Anti-requisite(s): COM00401 Cross-Cultural Film Studies*  
Addresses film as a major communication medium in terms of its form, history and its social, cultural, economic and political contexts. By examining the production and reception of film texts in their cultural contexts students are given an understanding of the place of film in everyday life – its passion, politics and pleasures.

**COM10109**  
**INTRODUCTION TO MEDIA PRODUCTION**  
*Pre-requisite(s): COM00439 Foundations in*
**Media Studies**
Introduces students to some practical and theoretical approaches to the study of Australian media through an introduction to the nature of audiovisual media production and the Australian media industries. Students engage in practical exercises in different media forms (such as recording an interview, shooting a video sequence and producing digital graphics) and study the social, cultural, political, economic, legal and ethical contexts of contemporary media production.

**COM10110 DESKTOP MEDIA**  
*Anti-requisite/s: COM00451 Text Media I or COM00452 Text Media II*
Introduces students to a range of skills and concepts essential for using desktop computer and networked digital media in contemporary media industries, educational and workplace settings. Students are involved in an extensive range of contemporary media computer and internet uses, communication, activities, and cultural products, focusing on text-based communication and cultural forms.

**COM10111 ELECTRONIC JOURNALISM**  
*Pre-requisite/s: COM00481 Journalism I*
Introduces students to the concepts and practices of electronic journalism in three media forms: radio, television and World Wide Web. Students will work in teams to produce thematic news and current affairs programming for flexible electronic delivery. Students should also develop an understanding of the impacts of digitisation, multiskilling and hypertextual, interactive production modes on journalistic practice.

**COM10112 DIGITAL VIDEO PRODUCTION I**  
*Pre-requisite/s: COM10109 Introduction to Media Production  
Anti-requisite/s: COM00465 Video I.*
Introduces students to the theory and practice of video production: research, scripting, budgeting, directing, producing, camera operating, and presenting. Students will design and shoot a short video in one of the following genres: current affairs feature, documentary, drama, experimental, promotional, or educational.

**COM10113 DIGITAL VIDEO PRODUCTION II**  
*Pre-requisite/s: COM10402 Scriptwriting and COM10082 Film Studies and COM10112 Digital Video Production I or COM00465 Video I  
Anti-requisite/s: COM00466 Video II*
Concentrates on the acquisition of advanced knowledge and skills, both practical and theoretical, in the pre-production, production, post-production, and audience perception of video and television. These skills and knowledge include, research, scripting, producing, budgeting, directing, camera operating, and acting/presenting.

**COM10144 FOUNDATION STUDY: INTRODUCTION TO INDIGENOUS WRITING**  
*Only available to Foundation Program students.*
Introduces students to Indigenous Australian writing from across a range of forms: novels, plays, screenplays, poetry, short stories and many more. Introduces elements of writing and develops skills in reading, summarising, comprehending and preliminary analysis of texts. Explores different perspectives and political issues embedded in Indigenous Australian writing.

**COM40000 ARTS RESEARCH SEMINAR**  
*Pre-requisite/s: Admission to Bachelor of Arts with Honours*

**COM40001 ARTS THESIS FOUNDATION**

**COM40002 ARTS THESIS (STAGE 1 OF 2)**  
*Pre-requisite/s: COM40001 Arts Thesis Foundation*

**COM40003 ARTS THESIS (STAGE 2 OF 2)**  
*Pre-requisite/s: COM40002 Arts Thesis (Stage 1 of 2)*

**COM40004 RESEARCH METHODS – MEDIA**  
*Co-requisite/s: CAR40001 Research Methods – Arts  
Anti-requisite/s: ENG10083 Knowledge and Culture or COM40000 Arts Research Seminar*
Provides an overview of research methodologies relevant to media theory and practice. Develops skills in relation to spoken and written presentations, and development of project proposals.
COM40005
RESEARCH METHODS – HUMANITIES
Co-requisite/s: CAR40001 Research Methods - Arts
Provides an overview of research methodologies relevant to the students chosen area of specialisation, and develops skills in relation to spoken and written presentations.

COM40006
ARTS RESEARCH THESIS
(STAGE 1 OF 3)
Co-requisite/s: COM40004 Research Methods – Media or COM40005 Research Methods - Humanities
Designed as staged thesis units for the Humanities and Media Honours Programs. Students have the opportunity to complete a thesis only where they have prior research methods experience.

COM40007
ARTS RESEARCH THESIS
(STAGE 2 OF 3)
Pre-requisite/s: COM40006 Arts Research Thesis (Stage 1 of 3)
Co-requisite/s: COM40008 Arts Research Thesis (Stage 3 of 3)
Designed as staged thesis units for the Humanities and Media Honours Programs. Students have the opportunity to complete a thesis only where they have prior research methods experience.

COM40008
ARTS RESEARCH THESIS
(STAGE 3 OF 3)
Pre-requisite/s: COM40006 Arts Research Thesis (Stage 1 of 3)
Co-requisite/s: COM40007 Arts Research Thesis (Stage 2 of 3)
Designed as staged thesis units for the Humanities and Media Honours Programs. Students have the opportunity to complete a thesis only where they have prior research methods experience.

CSC00125
INTRODUCTORY COMPUTING
Anti-requisite/s: ISY00221 Introduction to Information Technology and ISY00241 Computing in Applied Science and ISY00550 Educational Information Technology for the School Practitioner
Introduces computer-based information systems and examines how they may be used to provide information which is timely, accurate and relevant for the operation and management of a modern business organisation. Furthermore, students will have the opportunity to acquire basic skills in the use of application software packages to enhance their personal productivity in their respective fields of study.

CSC00205
DATA STRUCTURES
Pre-requisite/s: CSC10210 Object Oriented Program Development
Designed to extend the students’ knowledge of programming by complementing the programming skills obtained in introductory units with understanding and skill in data structures and techniques. Introduces the concept of an abstract data type and its relationship to the objected oriented paradigm.

CSC00217
PROGRAMMING LANGUAGES
Pre-requisite/s: CSC00239 Object Oriented Programming or CSC10210 Object Oriented Program Development
Students will be exposed to a selection of programming languages for comparison purposes. Focuses on language principles, paradigms and constructs. Students will also be introduced to language specification and run-time implementation.

CSC00223
SOFTWARE ENGINEERING
Pre-requisite/s: ISY00243 Systems Analysis and Design and either ISY00245 Principles of Programming or CSC00235 Applications Development
Examines the principles and practices of software engineering, systems development techniques, software tools and support environments, software specification, software design, software testing, software management, software re-use and re-engineering, software economics, software metrics and software quality assurance.

CSC00228
DATABASE SYSTEMS I
Pre-requisite/s: ISY00243 Systems Analysis and Design
Gives the student an overall understanding of database philosophy which then leads to the design of a data base from data analysis to mapping to a specific model. The relational and network models are introduced with reference to Rdb/SQL
and VAX/DBMS software.

CSC00234
OPERATING SYSTEMS AND COMPUTER ARCHITECTURE
Pre-requisite/s: ISY00245 Principles of Programming
Introduces students to the architectures of computer systems and the operating systems that run on them. In particular, allows the student to explore and gain practical experience in the use of at least two common computer architectures and associated operating systems. Topics include systems software layer, interaction with hardware, instruction sets, assembler, system calls input/output control, resource sharing, memory management, file systems, command shells, GUI and distributed operating systems.

CSC00235
APPLICATIONS DEVELOPMENT
Introduces students to the development of GUI applications in GUI operating environments. Students will use object-oriented techniques to design and code programmes with graphical user interfaces. Applications development will cover coding, graphics, code generation, interface design, object embedding and integrated database and spreadsheet applications.

CSC00238
INTERFACE DEVELOPMENT AND EVALUATION
Pre-requisite/s: CSC00239 Object Oriented Programming
An advanced unit which builds upon the principles of object oriented design and the object oriented programming skills studied earlier in the course. Both interactive techniques and formal methods are used to develop and evaluate graphical user interfaces. Will teach programmers the necessary skills required to develop efficient and easy to use graphical user interfaces at the application program interface level using one or more modern programming languages.

CSC00239
OBJECT ORIENTED PROGRAMMING
Pre-requisite/s: ISY00245 Principles of Programming
The object oriented paradigm is presented from first principles within a modern programme development environment. Principles and techniques taught will include objects and classes, abstraction, inheritance and polymorphism. Within this framework, procedural control structures and top-down design will also be used to ensure that students have a sound basis in programming skills.

CSC00240
DATA COMMUNICATIONS AND NETWORKS
The student is taught the concepts underlying how data and voice are transmitted through the telecommunication system in analogue and digital form. Network and Internet work protocols and topologies are examined including SNA, X.25 and TCP/IP. The student will gain hands-on experience with the various Internet services including usenet, WWW, gopher and anonymous ftp.

CSC10059
INTERNET PROGRAMMING AND SCRIPTING
Pre-requisite/s: ISY00245 Principles of Programming
Introduces students to programming and scripting languages used on the Internet to rapidly develop applications, customise and automate existing Internet objects, and develop system software for Internet server applications.

CSC10208
SOFTWARE DESIGN
Introduces students to the discipline of program design and working with computer-based applications. Students are introduced to the tools and techniques used by professional programmers and web developers to design and develop applications. Students are encouraged to plan projects and to develop effective solutions to problems.

CSC10210
OBJECT ORIENTED PROGRAM DEVELOPMENT
Pre-requisite/s: ISY00245 Principles of Programming
Anti-requisite/s CSC00239 Object Oriented programming
The object-oriented paradigm is presented from first principles from both a design and a programming viewpoint. The Unified Modelling Language (UML) is used to model object-oriented (OO) designs and these designs are implemented using a professional object-oriented programming...
language. Principles, concepts and techniques taught include abstraction, classes and objects, class diagrams, actors and use cases, objects and responsibilities, OO programming fundamentals, aggregation, association, static and dynamic behaviour, generalisation/inheritance, polymorphism and software patterns.

CSC10213
INTERACTIVE ANIMATED NARRATIVES:
VECTOR ANIMATED RESOURCES & INTERACTIVE SCRIPTWRITING

Pre-requisite/s: CMP00225 Special Topics and COM01402 Scriptwriting

This unit introduces students to the knowledge and skills required to effectively plan and implement communication in a variety of media including text, audio, graphics and animations. Students will develop projects demonstrating skills in communication utilising a variety of media, including vector-based animations, and displaying interactive branching narrative structures.

CSC10214
INTERACTIVE MULTIMEDIA APPLICATION DEVELOPMENT I

Pre-requisite/s: CSC10208 Software Design or or ISY10209 Web Development I
Anti-requisite/s: IST00322 Interactive Multimedia Development II

With the increased demand for quality multimedia products for presentation, desktop and internet delivery, this unit extends the skills of students to incorporate standard software design and development techniques for the creation of interactive multimedia applications. Students will create multimedia products through problem-based approaches to teaching and learning.

CSC10215
INTERACTIVE MULTIMEDIA APPLICATION DEVELOPMENT II

Pre-requisite/s: CSC10214 Interactive Multimedia Application Development I
Anti-requisite/s: IST00323 Interactive Multimedia Development III

Appropriate design and utilisation of interactivity is a fundamental component of successful multimedia applications. This unit provides students with the knowledge and skills to analyse different types of interactivity in multimedia applications and to apply rapid prototyping methods to develop a highly interactive multimedia application.

CSC10216
OBJECT ORIENTED GUI DEVELOPMENT

Pre-requisite/s: IST00246 Client/Server Systems

In today's world of graphical user interfaces (GUIs), good interface design has become essential in order to maintain and increase user productivity. Computers are no longer the province of experts and users demand interfaces that are easy and efficient to use. This unit introduces elements of HCI (human-computer interaction) and builds upon the principles of object-oriented design and the object-oriented programming skills studied earlier in the course. Design patterns, modelling languages, interactive techniques and formal methods are used to develop and evaluate graphical user interfaces. The unit will teach programmers the necessary skills required to develop efficient and easy to use graphical user interfaces at the application program interface level.

CSC10217
WEB DEVELOPMENT II

Pre-requisite/s: ISTY0209 Web Development I and ISTY00245 Principles of programming or CSC00235 Applications Development

Introduces students to programming and scripting languages used on the Internet to rapidly develop applications, customise and automate existing Internet objects, and develop system software for Internet server applications. Students will design and construct server side applications in multiple languages. This unit assumes knowledge of HTML design and implementation.

CSC10273
GRAPHICS TECHNOLOGY AND DESIGN

Available to Bachelor of Technology students only

Students explore strategies for teaching the graphics technology content of relevant Stage 4, 5 and 6 Syllabus’ with particular focus on the Graphics Technology Years 7-10 Syllabus. Advanced techniques in drawing include introduction to descriptive geometry and computer-aided designing, CAD/CAM, animation, photo-realistic rendering and 3D modelling methods. These techniques are applied in a problem-based learning approach in built environment design.
CSC40001
RESEARCH METHODS IN
INFORMATION TECHNOLOGY
Pre-requisite/s: Admission into Bachelor of
Information Technology (Honours)
Co-requisite/s: CSC40002 Information
Technology Research Topic and CSC40003
Information Technology Research Thesis (Stage 1
of 3)
Provides an introduction to the multiple
paradigms, methodologies, tools and techniques of
research used in information technology. Methodologies and paradigms covered include
qualitative, quantitative, scientific, developmental,
software engineering and formal methods in
computer science. Culminates in the presentation
by the student of a research proposal to peers and
academic staff.

CSC40002
INFORMATION TECHNOLOGY
RESEARCH TOPIC
Pre-requisite/s: Admission into Bachelor of
Information Technology (Honours)
Co-requisite/s: CSC40001 Research Methods in
Information Technology and CSC40003
Information Technology Research Thesis (Stage 1
of 3)
Provides advanced coursework related to the
research undertaken in units CSC40003,
CSC40004 and CSC40005.

CSC40003
INFORMATION TECHNOLOGY
RESEARCH THESIS (STAGE 1 OF 3)
Pre-requisite/s: Admission into Bachelor of
Information Technology (Honours). CSC40001
Research Methods in Information Technology
CSC40002 Information Technology Research
Topic, CSC40003 Information Technology
Research Thesis (Stage 1 of 3), CSC40004
Information Technology Research Thesis (Stage 2
of 3)
Co-requisite/s: CSC40004 Information
Technology Research Thesis (Stage 2 of 3)
This is a double unit and Stage 2 of the research
thesis undertaken in the Bachelor of Information
Technology Honours course. The thesis consists
of an approved programme of supervised research
study agreed with the Head of the School of
Multimedia and Information Technology.

CSC40004
INFORMATION TECHNOLOGY
RESEARCH THESIS (STAGE 2 OF 3)
Pre-requisite/s: Admission into Bachelor of
Information Technology (Honours). CSC40001
Research Methods in Information Technology
CSC40002 Information Technology Research
Topic, CSC40003 Information Technology
Research Thesis (Stage 1 of 3)
Co-requisite/s: CSC40005 Information
Technology Research Thesis (Stage 3 of 3)
This is a double unit and Stage 3 of the research
thesis undertaken in the Bachelor of Information
Technology Honours course. The thesis consists
of an approved programme of supervised research
study agreed with the Head of the School of
Multimedia and Information Technology.

CSL00113
FIELD EDUCATION I
Double-weighted unit.
Pre-requisite/s: One of BHS00119 Working with
Groups, BHS00210 Group Dynamics, BHS10241
Group Work and SOY10106 Human Services:
Practice and Ethics and any five SCU units
Students are required to spend 150 hours in a
welfare organisational setting under the
supervision of an experienced field educator who
assists the student to integrate theory with practice
by creating a suitable learning environment.

CSL00114
FIELD EDUCATION II
Double-weighted unit.
Pre-requisite/s: CSL00113 Field Education I
Students are required to spend 250 hours in a
welfare organisational setting under the
supervision of an experienced field educator who
assists the student to integrate theory with practice
by creating a suitable learning environment.
CSL00120 DEALING WITH CONFLICT
Pre-requisite/s: BHS00161 Interpersonal Communication
Introduces students to the theory and practice of conflict and conflict resolution including techniques and processes for managing conflict situations. Provides an opportunity for students to develop insight into the interconnection between conflict, culture, power and gender, and to critically analyse contemporary conflicts and possible conflict management strategies to deal with them.

CSL00164 CONSULTATION AND PARTICIPATION
Pre-requisite/s: BHS00161 Interpersonal Communication
Introduces strategies for identifying those likely to be affected by decisions and explores the notions of participation and consultation within a variety of contexts, examining a number of ways in which consultation and participation can assist decision making. It applies this knowledge to organisational and community settings.

CSL00231 INTRODUCTION TO COUNSELLING: THEORY AND PRACTICE
Provides an overview of the process of counselling and shows how the counsellor contributes to that process through research, self-awareness and the therapeutic relationship. The concepts of this unit provide a foundation for further units in the major.

CSL00416 CULTURAL AND SPIRITUAL WELLBEING
Introduces students to concepts of spirituality as an integrating life force in a holistic paradigm. A cross-cultural perspective of spiritual practices, beliefs and expressions is explored, in particular, the role of others in resourcing and facilitating Spiritual Care. Students are expected to analyse their own concepts of spiritual well-being and develop a practical management plan for delivery of Spiritual Care to a specific group.

CSL10014 INTERVENTIONS IN COUNSELLING
Pre-requisite/s: CSL10015 Issues in Counselling Assessment or CSL10239 Assessment in Counselling for Bachelor of Social Science students or CSL00231Introduction to Counselling: Theory and Practice for Bachelor of Human Services students or CSL10239 Assessment in Counselling
Anti-requisite/s: CSL00233 Applications of Counselling: Theory and Practice
Examines two major applications of counselling intervention, generalist and crisis counselling. Students will be expected to demonstrate entry level entry skills in at least one of these two models. Appropriate intervention processes for each area will be discussed and evaluated, along with issues of termination of counselling.

CSL10015 ISSUES IN COUNSELLING ASSESSMENT
Pre-requisite/s: CSL00231 Introduction to Counselling: Theory and Practice
Anti-requisite/s: CSL00232 Methods in Counselling: Theory and Practice and CSL10239 Assessment in Counselling
Provides students with a thorough understanding of the individual, theoretical and contextual issues affecting the client. Theories and knowledge relating to individual and contextual factors are integrated. This allows students to analyse major areas of significance for the client, and to undertake effective counselling assessments.

CSL10239 ASSESSMENT IN COUNSELLING
Pre-requisite/s: CSL00231 Introduction to Counselling: Theory and Practice
Anti-requisite/s: CSL00232 Methods in Counselling and CSL10015 Issues in Counselling Assessment
Considers contemporary understandings of counselling skills regarding information gathering and processing. Exposes students to social constructionist theory and its influence on mutuality and respect within the developing counselling relationship. Outlines professional ethical issues relevant to counselling assessment, while building knowledge of the strengths people bring to the counselling process.

CSL10242 GRIEF, TRAUMA AND CRISIS COUNSELLING
Pre-requisite/s: CSL10239 Assessment in Counselling or CSL10015 Issues in Counselling Assessment Compulsory residential school for external students.
Explores issues of grief, trauma and crises, such as death, illness, family breakdown, violence, abuse,
disasters, and life changes. Examines theory and skills, attitudes and responses to grief, trauma and crises. Applies intervention models to grief, trauma and crises. There is a compulsory residential school for external students.

CSL10243
RELATIONSHIPS COUNSELLING
Pre-requisite/s: CSL10015 Issues in Counselling Assessment or CSL10239 Assessment in Counselling or CSL00232 Methods in Counselling: Theory and Practice
Provides an overview of the theoretical frameworks in relationship counselling, family conferencing and group facilitation. Includes an exploration of counselling and group issues related to and relevant for indigenous settings and/or a multi-cultural society. Requires development and demonstration of intermediate counselling, facilitation and mediation, with a focus on contemporary approaches such as strength-based and narrative counselling. Builds on the skills and theory learned in the prerequisite units.

CUL00210
AUSTRALIA/ASIA
Provides an introduction to the study of Australia’s relations to nations in the Asian region. Examines the historical, cross-cultural and contextual implications of the Australia/Asia interface, focusing on thematic issues of identity, human rights, construction of culture and immigration, and uses these themes to explore case studies including Indonesia, China, India and Japan. The aim is to question assumptions about Asia through engaging in cross-cultural issues that implicate Australia’s presence in the region.

CUL00211
PERSPECTIVES ON AUSTRALIA
Students are introduced to Australia as concept and experience. Key ideas and aspects of the Australian experience are studied through Australian cultural studies, Indigenous studies, literature, media, history, sociology, political science, visual arts, music and environmental studies. Particular attention is paid to the significance of identity, place and culture in Australia and to the nature of historical and contemporary Australian social values.

CUL00401
INDIGENOUS WORLD-VIEWS
Introduces students to the dynamics, diversity, richness and fluidity of Indigenous cultures and social practices. Through examining spirituality, customary lore, teaching, custodianship, reciprocal economics, care for country and people, the unit challenges contemporary concepts of gender and relationships, individuality and community, history and the Dreamtime.

CUL00402
CONTEMPORARY AUSTRALIAN INDIGENOUS ISSUES
Pre-requisite/s: CUL00401 Australian Indigenous Societies Prior to Invasion
Encourages students to develop a critical awareness of the issues pertaining to self-determination for Indigenous Australian peoples. Students are introduced to many of the most contemporary issues affecting Indigenous and non-Indigenous people in Australia today. In support of Indigenous self-determination, a diverse and challenging range of issues and concepts are explored.

CUL00408
HEALTH AND INDIGENOUS AUSTRALIAN PEOPLES
Examines the conflicts between Indigenous healing practices and the mainstream health industry. The concepts of Indigenous wellbeing, spiritual integrity and community cohesion are explored, and the impact of invasion on the health status of Indigenous peoples is analysed from historic and contemporary points of view. Aims to provide students with understanding and awareness of the socio-economic issues and cultural sensitivities required for delivery of effective and appropriate care by health workers and allied personnel.

CUL00409
THE MENTAL HEALTH OF AUSTRALIAN INDIGENOUS PEOPLES
Pre-requisite/s: CUL00408 Health and Australian Indigenous Peoples
Explores aspects of Indigenous mental and spiritual care in relation to terms, definitions and diagnoses used in the area of Australia’s mental health services. Personal, social, and political issues impacting on the psychological wellbeing of Indigenous people will be examined with special emphasis on appropriate health worker responses to recognised mental illnesses, trauma, substance and physical abuse patterns within Indigenous families, communities and mainstream society.
CUL00412
INDIGENOUS WAYS OF CULTURAL EXPRESSION
Introduces students to a number of historical and present-day issues related to Indigenous ways of cultural expression. Will examine the role of art, dance, music, and literature in pre- and post invasion societies. Will also investigate the interaction between Indigenous and non-Indigenous expression and its impact on society today. Will look at the protection of Indigenous expression from exploitation through exploration of intellectual and cultural property rights. Finally will be introduced to the ways that Indigenous cultural expression includes both cultural maintenance and cultural capital.

CUL00413
HUMAN RIGHTS AND INDIGENOUS PEOPLES
Pre-requisite/s: LAW00055 Aborigines, Islanders and Contemporary Legal Issues or LAW00056 Aborigines, Islanders and the Criminal Justice System or any eight SCU units.
Protection of human rights under both Australian law and the international legal system is introduced to students from the viewpoint of Indigenous peoples. General human rights and specific Indigenous human rights and their interrelationship are critically analysed. Validity of the actions of Australian governments under both international law and Australian human rights law are assessed in a number of human rights areas particular to Indigenous Australians. Practical and theoretical understandings of how human rights law can be utilised on behalf of Indigenous Australians are addressed.

CUL00414
INDIGENOUS COMMON LAW
Pre-requisite/s: CUL00401 Australian Indigenous Societies Prior to Invasion and CUL00402 Contemporary Australian Indigenous Societies
Examines Indigenous Australia’s legal systems and processes in detail. Looks at specific areas such as Family, Spiritual and Criminal law and examines the conflict between Indigenous and Anglo-Australian law. Looks closely at the emerging Australian case law in both the Criminal and Civil fields and considers the possibility of the co-existence of the two legal systems as a solution to the legal oppression of Australia’s Indigenous peoples.

CUL00420
HISTORY OF INVASION OF ABORIGINAL NATIONS
Students will learn about the history and impact of European invasion, dispossession, colonisation, racism, government control and cultural oppression of Indigenous peoples. Students will also explore the political resistance of Aboriginal peoples to that construction of history.

ECO00107
ECONOMIC POLICY
Pre-requisite/s: ECO10250 Economics or ECO00102 Applied Microeconomics and ECO00101 Macroeconomics
Builds on Microeconomic Theory and Macroeconomic Theory by applying microeconomic and macroeconomic theories to current economic policy issues. Topics covered include privatisation and corporatisation, competition policy, public housing, labour market reform (including enterprise bargaining), the provision of health care, industry and trade policy, monetary and fiscal policy, and the external debt controversy.

ECO00108
ENVIRONMENTAL ECONOMICS
Pre-requisite/s: ECO10250 Economics or ECO00102 Applied Microeconomics and ECO00101 Macroeconomics
Anti-requisite/s: ECO00201 Natural Resource Economics
Builds on Microeconomic Theory by applying microeconomic concepts and theories to environmental and resource issues. In particular covers property rights, externalities, benefit-cost analysis; renewable and non-renewable/ depletable resources; energy resources (such as oil, gas and solar power), pollution control, global warming, ozone depletion, and water pollution, and sustainable development.

ECO00150
INTERNATIONAL ECONOMICS AND TRADE
Pre-requisite/s: ECO10250 Economics or ECO00101 Macroeconomics and ECO00102 Applied Microeconomics
Anti-requisite/s: ECO00103 International Economics and ECO00312 International Trade
Covers both theoretical and practical aspects of trade, the development of the international economy, inter-industry trade and trade policy. An
assessment of Australian multilateral relations within the Asia Pacific region, including political and economic alliances and their impact on trade, will be undertaken.

ECO00202
ENVIRONMENTAL ECONOMICS
Anti-requisite/s: ECO00201 Natural Resource Economics
The economic features of different types of natural resources are examined in this unit. The contribution that economics can make to the consideration of environmental questions is considered, along with the use of economic instruments as a way of managing and preventing environmental degradation. The technique of benefit-cost analysis and its use in natural resource based projects and other activities is explained, as are certain other valuation methods such as contingent valuation and the travel cost method.

ECO00424
ECONOMIC ANALYSIS FOR TOURISM AND HOSPITALITY
Provides an overview of the economic basis and consequences of tourist behaviour. Emphasis is placed on the economic implications of tourism for local communities and the international travel and tourism industry. The role of government in tourism development and management is also addressed.

ECO00720
ECONOMICS FOR MANAGEMENT
Not available to undergraduates.
This unit will concentrate on those aspects of theoretical and applied microeconomics and macroeconomics of most relevance to managers. The main themes will be the market system and what it can accomplish; the limitations and failures of the market; the operation of imperfectly competitive firms and industries; factors in the macro economic environment which impact on firms and on macroeconomic objectives; government policy options for macroeconomic management; balance of payments and exchange rates issues associated with international trade and various kinds of government involvement in the economy at both the microeconomic and macroeconomic level.

ECO03079
ENVIRONMENTAL ECONOMICS
Examines the economic features of different types of natural resources. The contribution that economics can make to the consideration of environmental questions is considered, along with the use of economic instruments as a way of managing and preventing environmental degradation. The technique of benefit-cost analysis and its use in natural resource based projects and other activities is explained, as are certain other valuation methods such as contingent valuation and the travel cost method. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

ECO10250
ECONOMICS
Anti-requisite/s: ECO00102 Applied Microeconomics; ECO00101 Macroeconomics
This unit introduces students to an understanding of price formation and market structures, the tools of economic analysis, the behaviour of the consumer, government and the firm and the external and internal forces influencing that behaviour, especially in the current Australian economic environment.

EDU00017
VOCATIONAL EDUCATION AND TRAINING STUDIES
Provides participants with the opportunity to consider the current context of vocational education and training. Covers socio-political, policy and economic issues which impact upon the
provision of vocational education and training in Australia.

EDU00018
TEACHING FOR DIVERSITY
Not available to undergraduates
Identifies issues in teaching in a multicultural setting. Assists participants to identify the needs of a diverse range of vocational education and training clients, and to address these needs through inclusive design and delivery strategies.

EDU00019
EVALUATION, ASSESSMENT AND PROFESSIONALISM
Not available to undergraduates
Evaluation remains problematic in educational contexts because emphasis is placed on process rather than product. Various evaluation models will be selected for examination focusing on their epistemological foundations as well as how they operate in practice. The Action Research Model will be examined as a model of evaluation, practitioner research, and self-assessment.

EDU00067
EDUCATION STUDIES
Introduces students to the nature of the education system in its cultural, economic, social and historical context. Students are encouraged to explore the changing nature of education in post-industrial society, having regard to issues related to the global economy, economic productivity, social transformation and the attainment of social justice. Students are expected to develop an informed perspective on a range of contemporary educational issues, and to investigate and report on one issue in depth.

EDU00085
TRAINING METHODS
Not available to undergraduates
Contrasts the various theories of instruction with their practical applications. The main theories include those of subject-centred instruction, objectives-centred instruction, experience-centred instruction and instruction. Trainers will develop skills in the areas of public presentation, organising for learning, media use to assist presentation, managing learning and teaching styles and techniques.

EDU00220
LEARNING, COMMUNICATING AND EDUCATIONAL COMPUTING
Helps students to develop effective learning and communication skills in different work settings. Examines and promotes the use of computers as tools for learning and communication, and students are encouraged to understand and access various electronic networks. Students will require access to the computer network through a computer laboratory or modem.

EDU00221
TEACHING AND LEARNING
Introduces the theory and practice of teaching and learning in formal education contexts as underpinned by psychological research and requires students to examine ways in which learners differ in terms of cognitive and social development and how appropriate teaching strategies can accommodate such individual differences. Students are also introduced to the elements of basic teaching skills to guide their focused observations of classroom teaching and to aid their development as reflective practitioners.

EDU00353
TEACHING THE GIFTED
Available to Education students only
Focuses on the teacher’s task of meeting the needs of all children, and particularly the needs of able learners. Students will become aware of the methods by which able children are identified and will gain experience in planning and implementing enrichment programs.

EDU00356
READING SUPPORT IN THE CLASSROOM
Pre-requisite/s: EDU00401 Curriculum Studies: English I Language Acquisition
Enables students to gain an understanding of diagnostic assessment techniques and to design and teach an appropriate intervention programme based upon a child’s individual needs.

EDU00401
CURRICULUM STUDIES: ENGLISH I
Available to Education students only
Will provide a theoretical and practical understanding of language acquisition and development in the Primary student. This unit will give an overview of the English K–6 curriculum and will develop knowledge and skills in teaching and assessing Talking and Listening and Writing in the Primary classroom.
EDU00402
CURRICULUM STUDIES: ENGLISH II
Pre-requisite/s: EDU00401 Curriculum Studies: English I
Will provide a theoretical and practical understanding of teaching and assessing Reading in the Primary School. This unit will also have a focus on Critical and Visual Literacy along with understanding the literacy characteristics of diverse learners.

EDU00404
CURRICULUM STUDIES: MATHEMATICS I
Available to Education students only
Focuses on the teaching of a range of topics typical of K–6 mathematics curricula, e.g. early number, whole number arithmetic, pre-algebra, number patterns and logic. Emphasises constructivist approaches, understanding children’s mathematical strategies and current issues in mathematics curriculum and teaching.

EDU00405
CURRICULUM STUDIES: MATHEMATICS II
Pre-requisite/s: EDU00404 Curriculum Studies: Mathematics I
Anti-requisite/s: EHO00415 Curriculum Studies: Mathematics II
Focuses on the learning and teaching of a range of topics in K-6 mathematics including geometry, measurement, fractions, decimals, ratio, proportion and percentage, and chance and data. Also focuses on working mathematically and mathematical problem solving.

EDU00412
CURRICULUM STUDIES: HUMAN SOCIETY AND ITS ENVIRONMENT
Anti-requisite/s: EHO00412 Curriculum Studies: Human Society and its Environment
Introduces the key curriculum area of Human Society and Its Environment / Studies of Society and Environment at the Primary school level as an approach which focuses on children critically investigating the human world around them. Provides for both content and process in teaching HSIE/HSOE.

EDU00413
CURRICULUM STUDIES: SCIENCE AND TECHNOLOGY I
Available to Education students only
Introduces the Investigation, Design, Make, and Appraise, and Using Technology (including ICT) processes. Ways to constructively change primary students’ and preservice teachers’ conceptions related to these processes and the content strands of Living Things, The Building Environment and Physical Phenomena are studied. Interaction with primary students is required to practise elicitation and conceptual change strategies.

EDU00414
CURRICULUM STUDIES: SCIENCE AND TECHNOLOGY II
Pre-requisite/s: EDU00413 Curriculum Studies: Science and Technology I
Anti-requisite/s: EHO00414 Curriculum Studies: Science and Technology II
Focuses on creating opportunities for children to use the processes of ‘Investigating’, ‘Designing, Making and Appraising’ and ‘Using Technology’; constructivism and its teaching and learning implications; gender inclusive teaching strategies; cooperative learning; assessing children’s progress; children’s images of science; basic concepts underpinning selected components of the content of strands of Earth and its Surroundings, Information and Communications and Products and Services. School and classroom implementation of the Science and Technology K-6 syllabus with emphasis on the above areas.

EDU00415
CURRICULUM STUDIES: CREATIVE AND PERFORMING ARTS I
Introduces students to the basic skills and personal development required for teaching the creative arts and demonstrates the links between visual arts, music, dance and drama to other key learning areas in the K-6 classroom.

EDU00416
CURRICULUM STUDIES: CREATIVE AND PERFORMING ARTS II
Pre-requisite/s: EDU00415 Curriculum Studies: Creative and Performing Arts I
Anti-requisite/s: EHO00416 Curriculum Studies: Creative and Performing Arts II
Develops students’ skills and understandings to enable them to confidently teach creative arts in the K-6 classroom.
EDU00417  
CURRICULUM STUDIES: PERSONAL DEVELOPMENT, HEALTH, PHYSICAL EDUCATION I  
*Available to Education students only*  
Examines the essential information underpinning the curriculum content related to Interpersonal Relationships, Human Sexuality and Health Choices, and explores the application of current curriculum and learning theory to these curriculum areas. It also examines the issues of safety and programming in Personal Development, Health and Physical Education, and seeks to develop personal and teaching/planning skills.

EDU00418  
CURRICULUM STUDIES: PERSONAL DEVELOPMENT, HEALTH, PHYSICAL EDUCATION II  
*Pre-requisite/s:* EDU00417 Curriculum Studies: PDHPE I or EDU01021 Curriculum Specialisation: PDHPE I (Movement)  
*Anti-requisite/s:* EHO00418 Curriculum Studies: PDHPE II  
Examines the essential information underpinning the curriculum content related to Interpersonal Relationships, Human Sexuality and Health Choices, and explores the application of current curriculum and learning theory to these curriculum areas. It also examines the issues of safety and programming in Personal Development, Health and Physical Education, and seeks to develop personal and teaching/planning skills.

EDU00550  
UNDERSTANDING EDUCATIONAL RESEARCH  
*Available to Master of Education students only*  
Explores and analyses the nature of educational research – its purposes, processes and outcomes, from various perspectives, e.g., positivist, interpretive and critical. Criteria for assessing quality research are noted, including ethical considerations. Action research styles are discussed. Critically interpreting educational research is a focus, but the teacher as researcher is also examined.

EDU00554  
EDUCATIONAL LEADERSHIP  
*Available to Master of Education students only*  
Provides students with an understanding of the importance of leadership within the School environment. The concept of leadership will be explored within the context of research and literature and students will be encouraged to apply and develop educational leadership skills within their workplace.

EDU00557  
DEVELOPING SCHOOL COMMUNITIES  
*Available to Master of Education students only*  
Introduces recent evidence that parental involvement has positive effects on overall learning outcomes for children. Analyses how this impact is dependent on the extent and quality of interaction between the school, parents and community. Describes how the increased emphasis on partnership and collaboration is part of the broader issue of democratising schools in pursuit of achieving greatest equity in outcomes. Presents the potential benefits of such partnership and collaboration, the policy context and constraints upon participation and the challenges facing teachers and parents with such a conceptualisation of schools.

EDU00558  
PROFESSIONAL PRACTICE IN EDUCATION I  
*Pre-requisite/s:* EDU00550 Understanding Educational Research  
*Available to Master of Education students only*  
Provides students with the opportunity to enhance their professional praxis by being reflexive and developing skills of critical reflection through collaborative action research. Designed for students who wish to focus upon a particular project within their workplace in the context of the principles of reflective practice.

EDU00731  
ENQUIRY I  
*Anti-requisite/s:* EHO00731 Enquiry I  
*Available to Med students only*  
Explores the nature of enquiry in the social sciences by examining positivist, interpretative (e.g. phenomenological, ethnomethodological) and critical research paradigms; introduces students to basic terminology and concepts employed in descriptive and inferential statistics and to the use of computers in analysing numerical data; introduces students to various data-gathering techniques (including the use of ethnographies, participant observation unstructured interviews
Types of educational enquiry and evaluation are considered, and specific data collection procedures reviewed. Basic statistical terminology and concepts are included and students will then have the option of further exploring qualitative or quantitative data analytic techniques.

EDU00733
THE NATURE AND PROCESS OF EDUCATIONAL CHANGE
Students other than Education require MEd Co-ordinator written approval
 Begins with an historical examination of empirical and conceptual developments in the educational change literature. At a theoretical and conceptual level, the unit draws upon more traditional and positivist analyses and contrasts these with assumptions and understandings from critical and alternative perspectives. The unit design permits students to relate course content to processes in their own workplace.

EDU00751
INDEPENDENT STUDY UNIT I: NEGOTIATED READING COURSE
Written approval from the Post graduate co-ordinator required. Students other than Education require MEd Co-ordinator written approval
An essential requirement of this unit will be a critical review of the literature in an agreed area leading to the identification of research possibilities. Other requirements are negotiable. A unit outline must be approved through the MEd Committee.

EDU00753
RESEARCH PROJECT – BACKGROUND AND PROPOSAL
Available to Master of Education students only. Written approval from Post Grad Coordinator required.
Requires the student to undertake a literature review and to develop a Research Project proposal in preparation for his/her 2-unit Research Project. An individually negotiated unit outline must be approved through the MEd Committee.

EDU00754
RESEARCH PROJECT
Available to Master of Education students only. Written approval from Post Grad Coordinator required.
The 2-unit Research Project units involves an investigation of an area of educational or training and development significance both the student and the field of education or training and development as a whole, and will result in the production of 10,000 to 20,000 word report

EDU00755
RESEARCH PROJECT
Available to Master of Education students only. Written approval from Post Grad Coordinator required.
Is identical to EDU00754, but permits the completion of the 2-unit Research Project over two semesters.

EDU00761–63
RESEARCH DISSERTATION
Triple-weighted unit.
The topic for the Dissertation is defined by the student in conjunction with the Head, School of Social Sciences or delegate and the principal supervisor. The dissertation is to be completed in a minimum of two (2) semesters.

EDU01021
CURRICULUM SPECIALISATION: PDHPE I (MOVEMENT)
School of Education students only
Focuses upon the nature of teaching PDHPE in secondary school and how this teaching can impact on the student’s personal philosophy in health and physical education. It examines the Rational and Aims of the Years 7-12. It defines the necessary terms and studies the objectives and outcomes of this syllabus. This unit gives meaning to the content taught in Years 7-12 by it’s understanding of the syllabus structure regarding processes, content strands and key ideas.

EDU01022
CURRICULUM SPECIALISATION: PDHPE II (LIFESTYLE)
Pre-requisite/s: EDU01021 Curriculum Specialisation PDHPE (Movement) and TCH10000 Professional Experience I and Admission into Graduate Diploma of Education or Bachelor of Human Movement Science/ Bachelor of Education
Focuses upon the nature of teaching PDHPE in secondary schools. This unit develops specific skills, knowledge and experiences applicable to health, physical education and personal development with the NSW PDHPE Syllabus, Stages 4, 5 and 6. It examines the teaching of a number of subjects in PDHPE Years 7-12 with specific reference to Stage 6. Wherever possible, this curriculum unit will be taught in school by senior practising PDHPE teachers. This enables the students to be exposed to current teachers of PDHPE and allows them to gain access to additional background information for planning lessons and units of work.

EDU01029
ADULT LEARNING
Not available to undergraduates
Examines both the various processes that individuals go through as they attempt to change or enrich their knowledge, values, skills or strategies and the resulting knowledge, values, skills, strategies and behaviours.

EDU01094
EARLY CHILDHOOD EDUCATION
Pre-requisite/s: EDU00401 Curriculum Studies: English I
Students other than Education require BEd Course Coordinator approval.
This unit specialises in a study of children 0-6 years. Topics such as observing children, linking child development to observations, planning appropriate learning activities, accreditation, working with parents, a historical perspective of early childhood education, investigating the role of play, nutrition, safety and health, anti-bias curriculum and National and State policies are covered. Practical work is with 0-6 year olds in child care services.

EDU01095
SPECIAL EDUCATION
Introduces special education and the complex interaction of instructional, behavioural, curricular, community and society influences that require all teachers to have an understanding of special education philosophies, techniques and skills.

EDU01104
ASSESSMENT AND REPORTING
Examines the concepts, issues, concerns and techniques associated with assessment, evaluation and reporting of school achievement.

EDU01105
PROJECT
Pre-requisite/s: EDU10131 Professional Identity and Values and EDU10132 Program Design
The addressing of an educational problem in a systematic, practical and theory-driven way, and producing a written report of the investigation.

EDU01143
CURRICULUM SPECIALISATION:
MUSIC I
School of Education students only
Designed to provide students with an understanding of teaching non-elective music in secondary schools. Special emphasis will be placed upon the areas of educational planning, variety of teaching strategies and the development of classroom resources.

EDU01144
CURRICULUM SPECIALISATION:
MUSIC II
Pre-requisite/s: EDU01143 Curriculum Specialisation: Music I and TCH10000 Professional Experience I
Provides students with an understanding of the teaching of non-elective and elective music in secondary schools. Special emphasis will be placed upon educational planning provision of a variety of teaching strategies, the development of classroom resources and the general running of a Music Department.

EDU01145
CURRICULUM SPECIALISATION:-
MATHEMATICS I
Available to Education students only
Using the recommendations of recent national enquiries into mathematics education, considers specific strategies for best mathematics teaching, practice, including lesson planning, assessment and use of technologies in the framework of the NSW Mathematics Syllabus 7-10.

EDU01146
CURRICULUM SPECIALISATION:-
MATHEMATICS II
Pre-requisite/s: EDU01145 Curriculum Specialisation: Mathematics I
Introduces the mathematics syllabi for the preliminary and HSC Courses, and focuses on teaching strategies with special emphasis on assessment.
EDU01153  
**CURRICULUM SPECIALISATION:** VISUAL ARTS I  
*Anti-requisite/s:* EDU01151 Curriculum Specialisation: Visual Arts I (Junior)  
*School of Education students only.*  
Develops specific skills and knowledge of the Stage 4, 5 making some connections to the Stage 6 Syllabus. Topics related to teaching practice, producing artworks, classroom management and the general running of an Art Department are included.

EDU01154  
**CURRICULUM SPECIALISATION:** VISUAL ARTS II  
*Pre-requisite/s:* EDU01153 Curriculum Specialisation: Visual Arts I or EDU01151 Curriculum Specialisation: Visual Arts I (Junior) and TCH10000 Professional Experience I  
*Anti-requisite/s:* EDU01152 Curriculum Specialisation Visual Arts II (Senior)  
Extends skills and knowledge developed in EDU01153, providing a deeper investigation of the Senior Syllabus and reviewing key strategies for Stages 4 and 5. Topics related to programming, outcomes based teaching and Art department policy will also be included.

EDU01246  
**CURRICULUM SPECIALISATION:** SCIENCE I  
*Anti-requisite/s:* EDU01244 Curriculum Specialisation: Science (Junior)  
*Available to Education students only.*  
Introduces planning, implementation and evaluation strategies in relation to the Stage 4, 5 & 6 Science Syllabus. The intentions and assumptions (stated and implied) of the syllabus are considered within the broader context of the purposes of secondary education and the nature of science.

EDU01247  
**CURRICULUM SPECIALISATION:** SCIENCE II  
*Pre-requisite/s:* EDU01246 Curriculum Specialisation: Science I and TCH10000 Professional Experience I  
*Anti-requisite/s:* EDU01245 Curriculum Specialisation: Science II (Senior)  
Introduces students to Science Stage 5 and 6 Syllabuses. The pedagogical and curriculum concerns of the syllabus content areas (core and option) will be chosen to highlight particular methodological aspects. The social content of secondary science is explored, as well as epistemological issues and practical teaching strategies and techniques (including ICT).

EDU01264  
**STAFF DEVELOPMENT AND TRAINING**  
*Anti-requisite/s:* MNG00122 Human Resource Management II  
Develops student’s ability to critically examine the function of staff development and training in an Australian organisational setting and to explore the theory and practice of designing, implementing and evaluating staff development and training programs in this context. Students may elect to be assessed through practical as well as theoretical assignments.

EDU01286  
**ENVIRONMENTAL EDUCATION**  
Introduces interpretations of environmental education (EE) including education for sustainability (EFS); teaching-learning strategies to achieve EE/EFS for, in, with and about the environment; environmental education centres; Indigenous peoples and the environment; environmental concepts and EE across the curriculum. Teaching EE lessons in a local school or community involvement is integral to the unit.

EDU01290  
**OUTDOOR EDUCATION I**  
Introduces students to outdoor education and adventure management as a personal development activity. The unit is presented in two parts, theoretical and practical. The theory component will be delivered during University based tutorials and in the field, while the practical component will be delivered during field trips.

The focus of the unit is two-fold: to investigate how outdoor education activities and settings can enable the development of personal skills and personal development; and, to enable the students to participate in a range of outdoor pursuits and to develop personal both hard and soft outdoor education and management skills, specifically related to school settings and school outdoor education programs.
EDU01304  MUSIC EDUCATION IN THE K-6 CLASSROOM I  
Designed to further develop students’ skills in music, and to give them a greater depth of understanding of musical concepts, so that they can approach the teaching of classroom music with confidence and competence.

EDU01308  INDIGENOUS AUSTRALIANS IN EDUCATION  
Bachelor of Education students must be Stage V or VI.  
Pre-requisites: EDU00550 Understanding Educational Research  
Indigenous Australians in Education provides a diversity of Indigenous voices within the wider discourse on education in Australia. Past and current colonial education practices in Australia are critically analysed, especially in terms of their relationship to Indigenous peoples and Indigenous education models and practices. Focuses include the history of colonial education in Australia, the impact of colonisation on Indigenous teaching and learning processes, governmental response to Indigenous educational needs and the process of best practice education policy making. Students will develop critical analysis and advocacy skills that will enable them to engage the discourse around education delivery and practice within Australia and beyond.

EDU01550  UNDERSTANDING EDUCATIONAL RESEARCH  
Pre-requisites: EDU00550 Understanding Educational Research  
Students other than Education require MEd Course Co-ordinator written approval. Written approval from BEd course co-ordinator required for 4th Year BEd and BEd(Hons) students  
Explores and analyses the nature of educational research – its purposes, processes and outcomes, from various perspectives eg positivistic, interpretive and critical. Criteria for assessing quality research are noted, including ethical considerations. Action research styles are discussed. Critically interpreting educational research is a focus, but the teacher as researcher is also examined.

EDU01551  ENQUIRY I: QUALITATIVE RESEARCH IN EDUCATION  
Pre-requisites: EDU00550 Understanding Educational Research  
Available to Education Doctorate students only  
Provides students with a detailed overview of the range of different qualitative approaches and with an in-depth understanding on how to conduct a qualitative study in education. Techniques such as in-depth interviewing, participant observation and document analysis are covered, together with a focus on data analysis and report writing.

EDU01552  ENQUIRY II: QUANTITATIVE RESEARCH IN EDUCATION  
Provides an overview of quantitative-based research methods in education with a specific emphasis on developing students’ skills in undertaking survey-based and questionnaire-based studies, including the use of computer packages in the design of instruments and in the analysis of data.

EDU03135  LITERACY, DIVERSITY AND PEDAGOGY  
Pre-requisites: EDU00550 Understanding Educational Research  
Students other than Education require MEd Course Co-ordinator written approval.  
Undertakes a critical analysis of literacy practices in schools and other learning institutions in relation to issues of pedagogy and diversity. Particular focus will be placed on the issues of English-as-a-second language, literacy for/in low socio-economic, rural remote and Indigenous contexts, socio-political agendas of literacy assessment practices and current advances towards cyber-schooling and technology.

EDU03136  ASSESSING EARLY NUMERACY  
Pre-requisites: EDU00550 Understanding Educational Research  
Students other than Education require MEd Course Co-ordinator written approval.  
Focuses on the assessment aspects of the ‘Count Me In Too’ program, including the Learning Framework in Number (LFIN), the Schedules for Early Number Assessment (SENA 1 and 2), and the application of these in assessing children’s numeracy knowledge. Also focuses on current research in numeracy assessment.

EDU03137  TEACHING EARLY NUMERACY  
Available to Master of Education students only  
Provides an overview of the range of different qualitative approaches and with an in-depth understanding on how to conduct a qualitative study in education. Techniques such as in-depth interviewing, participant observation and document analysis are covered, together with a focus on data analysis and report writing.
individuals. Also focuses on current research in numeracy teaching and learning.

EDU03138
SCHOOLING IN THE MIDDLE YEARS
Available to Master of Education students only
Introduces students to the concept of middle schooling. Provides opportunities for exploring the unique characteristics and needs of young adolescents. Looks at pedagogical and organisational implications of middle school reform.

EDU03173
REVIEW OF CONTEMPORARY ISSUES IN EDUCATION
Requires EdD candidates to report in detail on contemporary issues in a field of educational practice. Candidates will be required to present a short lecture on the topic, followed by a research seminar, and to produce a comprehensive written report.

EDU03173
RESEARCH PROPOSAL FOR THE EED
Requires EdD candidates to present a research proposal for the investigation to be undertaken during completion of the EdD Thesis units.

EDU10003
EDUCATIONAL INFORMATION TECHNOLOGY

Anti-requisite/s: EDU01297 Technology in Learning and Teaching and EDU01291 Computers in Education: Software Evaluation and Training
Introduces students to a range of computer functions and their potential integration in classrooms and school contexts to support curriculum and pedagogy. Incorporates evaluation and production of technology-based resources, and considers issues associated with learning and teaching using computer technology. This unit is specifically targeted toward individuals pursuing a career in teaching.

EDU10004
LANGUAGE, LITERACY AND DIVERSITY
Available to Education students only
Provides an understanding of the significant impact diversity has on literacy learning in secondary school contexts. The notions of difference, ethnicity, gender and special needs are examined. Students consider these perspectives when they are exposed to the current theories and approaches to teaching and assessing literacy across all Key Learning Areas. The issues of state-wide testing in relation to equity and access are also explored. Students develop skills in teaching reading and writing to older students who experience difficulties and/or under-achieve in secondary subjects due to their literacy competencies.

EDU10042
RESEARCH METHODS
Pre-requisite/s: EDU10040 Technacy for Innovation: Introductory Research and Foresighting Methods
Students other than BTechEd require BTechEd Course Co-ordinator approval
Extends students' knowledge of educational research. Focuses on positivistic, interpretive and critical paradigms, and a range of methodologies: qualitative, quantitative and action research. Addresses a range of research approaches and techniques, and includes a focus design and analysis, ethics and designing a research proposal.

EDU10043
TECHNACY IN INDIGENOUS COMMUNITIES AND DEVELOPMENT PROJECTS
Pre-requisite/s: EDU10040 Technacy for Innovation: Introductory Research and Foresighting Methods
Available to Bachelor of Technology Education students only
Introduces advanced skills, knowledge and issues addressing the transfer of technology and technology education across cultural settings and environment contexts. A history and analysis of technology development and transfer is broadly presented with particular focus on cross-cultural events both in the Australian Indigenous Context and other Indigenous contexts.

EDU10044
RESEARCH PROJECT (PART 1 OF 2)
Pre-requisite/s: EDU10042 Research Methods
Available to Bachelor of Technology Education students only
Synthesises students' knowledge of educational research. Focuses on the development and presentation of a research idea, the methods used and implications for innovation in education. Through the submission of a research mini-thesis and optional innovation project, a contribution to educational futures is made.
EDU10045
RESEARCH PROJECT (PART 2 OF 2)
Pre-requisite/s: EDU10042 Research Methods
Available to Bachelor of Technology Education students only
Synthesises students' knowledge of educational research. Focuses on the development and presentation of a research idea, the methods used and implications for innovation in education. Through the submission of a research mini-thesis and optional innovation project, a contribution to educational futures is made.

EDU10050
ENGINEERING MECHANICS: STATICS AND DYNAMICS
Available to Bachelor of Technology Education students only
Provides a focused study of the physical forces and movement that affect the design of the built environment for teaching the Stage 6 Engineering Studies Syllabus in NSW schools. Covers mechanics and hydraulic sciences such as mass, forces, scalars and vector quantities, simple mechanisms, stress, strain and basic aerodynamics and electronics.

EDU10053
TEXTILES III: FASHION DESIGN PROCESSES
Introduces aesthetic and functional, clothing and fashion design. Fashion trends throughout history and other cultures are examined, and the mediums through which these trends are conveyed. The Australian clothing and fashion industry is also investigated, in conjunction with the nature of the Australian fashion/clothing consumer.

EDU10054
FOOD CULTURE AND INDUSTRY STUDIES
Introduces students to food, developing student understanding of production, processing, preservation, manufacture, marketing and distribution of foods and food products. The issues of food in other cultures and food for social justice is also investigated in combination with the development of appropriate units and associated resources for junior and senior food technology classes.

EDU10099
MOVEMENT SKILLS I
Available to students enrolled in the BHMS,BEd(Sec) combined degree or the BEd (Sec) only.
Develops specific skills, knowledge and experiences in a range of major team sports as reflected in the teaching of games within the NSW PDHPE 7-10 Syllabus. Examines the premise that movement experiences should aim to develop not only movement concepts and skills necessary for satisfying performance but also self awareness, teamwork, problem solving and inter-personal skills.

EDU10100
MOVEMENT SKILLS II
Pre-requisite/s: EDU10099 Movement Skills I
Develops advanced skills, knowledge and experiences in gymnastics, dance, aquatics and athletics as reflected in the teaching movement skills and movement sense within the NSW PDHPE 7 - 10 Syllabus. It further examines the premise that movement experiences should aim to develop not only movement concepts and skills necessary for satisfying performance but also self awareness, aesthetic appreciation, problem solving and inter-personal skills in relation to gymnastics, dance, aquatics and athletics.

EDU10101
MOVEMENT CONCEPTS IN EDUCATION
Pre-requisite/s: EDU10099 Movements Skills I or EDU00417 Curriculum Studies: PDHPE I
Develops student awareness of the role of games and sport in PDHPE and Australian society generally and investigates movement concepts in education and the integration of movement education in the PDHPE syllabus.

EDU10102
ADOLESCENT HEALTH ISSUES
Provides students with skills in the development, implementation and evaluation of teaching strategies in adolescent mental health. Introduces principles of curriculum development and techniques for undertaking descriptive analyses of school and classroom features which affect the teaching and learning programs, and introduces students to methods of short-term and long-term programming and evaluation.

EDU10133
**ISSUES IN LITERACY AND NUMERACY**
*Pre-requisite/s: EDU00402 Curriculum Studies: English II – The Whole Language Classroom and EDU00405 Curriculum Studies: Mathematics II*
*Anti-requisite/s: EDU00403 Curriculum Studies: English III - Language Across the Curriculum*
Focuses on the politics of educational discourses surrounding the teaching and learning of literacy in contemporary school climates, current approaches to the teaching of numeracy and current issues in the teaching of literacy and numeracy.

EDU10146
**FOUNDATION STUDY: ACADEMIC STUDY SKILLS I**
*Only available to Foundation Program students*
Students will learn the basic skills necessary to be successful at tertiary study, time management and effective study habits, researching information from the library, web and community sources, basic essay writing skills and oral presentation skills.

EDU10147
**FOUNDATION STUDY: ACADEMIC STUDY SKILLS II**
*Pre-requisite/s: EDU10146 Foundation Study: Academic Study Skills I*
*Only available to Foundation Program students*
Further develop academic study skills to ensure preparedness for first year undergraduate study. Students learn more advanced skills in critical
thinking, analysis and the skills of developing an argument. Introduces a range of common assessment types including examinations, reports and journal writing.

**EDU10172 EXTENDED EDUCATION PROJECT**
*Double-weighted unit*
Requires students to address an educational problem in a systematic, practical and theory-driven way, and produce a written report of the investigation. Provides the opportunity to investigate in depth a problem related to professional practice in schools.

**EDU10235 LEARNING AND COMMUNICATION**
*Anti-requisite/s: EDU00220 Learning Communication and Educational Computing*  
Gives students the opportunity to develop tools for self-managing learning, communication and research in academe, which can be transferred to the workplace and the community. Students require Internet access through a computer laboratory or modem.

**EDU10440 ACADEMIC STUDY SKILLS**
*Double-weighted unit*
Introduces students to the academic expectations of university study and assists students in the development of critical analysis to build argument. The unit adopts a student-focused strategy aimed at students developing critical thinking and foundation skills in academic research, essay writing, report writing, oral presentation and time management. There is an online component to the unit and 72 face-to-face teaching hours. This unit does not accrue credit towards any undergraduate program at Southern Cross University.

**EDU10441 INTRODUCTION TO UNIVERSITY STUDIES**
Seeks to assist students acquire the skills necessary for effective university studies. The unit focuses on giving the student practical information about student services and study skills, along with the information literacy and computing skills required to research and complete assignments. Students learn to communicate effectively in the MySCU student intranet and email environments. The unit introduces students to literature research using print and electronic library resources and the internet. There is no prior knowledge required for students to undertake this unit. There is an online component to the unit and 48 face-to-face teaching hours. This unit does not accrue credit towards any undergraduate program at Southern Cross University.

**EDU10442 PREPARING FOR SUCCESS IN ARTS**
Introduces students to areas of study within the University’s Faculty of Arts. The unit will assist students with the development of skills in researching, critical analysis and writing through the exploration of a major contemporary issue in one of the Arts discipline areas. In a workshop-based learning environment, students present a portfolio of their research; communicate their ideas in written and oral form; and apply academic conventions to their work. There is an online component to the unit and 48 face-to-face teaching hours. This unit does not accrue credit towards any undergraduate program at Southern Cross University.

**EDU10443 PREPARING FOR SUCCESS IN BUSINESS**
Prepares students for undergraduate study in the Business Faculty at SCU. Students will address each of the disciplines in the Faculty and incorporate them in the research and development of a business plan. The unit also involves developing a personal academic and career plan. The teaching approaches focus on developing self-directed learning in the development of the project. There is an online component to the unit and 48 face-to-face teaching hours. This unit does not accrue credit towards any undergraduate program at Southern Cross University.

**EDU10444 PREPARING FOR SUCCESS IN SCIENCES**
Introduces students to some basic concepts of science and mathematics and provides students with a foundation to undergraduate studies in applied science. Students will be required to study independently and in groups and will practice sitting a formal exam as many of the assessment tasks in the applied sciences use exam format. The unit also covers academic report and online journal writing. There is an online component to the unit and 48 face-to-face teaching hours. The unit does not accrue credit towards any undergraduate program at Southern Cross University.
EDU10498
SOCIAL AND EMOTIONAL WELLBEING IN ADOLESCENCE
Provides students with the opportunity to extend their knowledge and skills concerning mental wellbeing, sexual health and risk-taking behaviours as it applies to adolescence in particular. In addition, it provides opportunity for development, implementation and evaluation of teaching strategies in adolescent mental health, and for the development of an understanding of a whole-of-school approach to these issues.

EDU40001
RESEARCH METHODS FOR THE SOCIAL SCIENCES
Double-weighted unit
Anti-requisite/s: EDU01326 Qualitative Research Methods for the Social Sciences and MAT00792 Research Methods
Bachelor of Social Science with Honours students. Undergraduate students require written approval of the Honours Co-ordinator to enrol in this unit.
Introduces students to a range of basic research skills required for the production of a sound research thesis within the social sciences. It explores the ontological and epistemological foundations of various approaches to social science research and draws out the implications each has in terms of research design, including the collection and analysis of data. Students are introduced to a range of theoretical frameworks through which research findings can be differentially interpreted.

EDU89021
DOCTOR OF EDUCATION THESIS
Pre-requisite/s: EDU03171 Review of Contemporary Issues in Education
Requires EdD candidates to complete an approved program of supervised research and publication, resulting in the production of the equivalent of three (3) peer-refereed research articles on a common theme that have been accepted for publication in journals approved by the EdD Committee. These articles shall comprise a portfolio of articles to be included, together with linking chapters, in the EdD thesis.

ENE10268
COMMUNICATION TECHNOLOGY AND DESIGN I
Only available to Bachelor of Technology Education students
Pre-requisite/s or Co-requisite/s: CSC10273 Graphics Technology and Design
Anti-requisite/s: EDU10037 Technacy in Design Concepts and Virtual Expression
The unit aims to provide students with an introduction to technacy education theory and practice as it applies in the area of communications: information and software technologies. Essential design concepts are explored, including the central role that media and digital technologies play in design, problem solving and modelling of solutions. Introductory skills and knowledge in computer hardware and software devices, 2D, 3D and 4D representation, digital rendering and the use of design computing to model 2D and 3D form is learned. Student’s progress by way of information and communication projects learning suggested classroom techniques for the medium.

ENE10269
COMMUNICATION TECHNOLOGY AND DESIGN II
Pre-requisite/s: ENE10268 Communications Technology and Design I
Anti-requisite/s: EDU10055 Design and Technology for Information Management
Addresses the utilisation of cross-curricula information and communication tools in design and technology teaching and learning. Students are introduced to methods for including narrative and procedural text types in support of the attainment of syllabus-based learning outcomes in secondary schools. A collaborative short film production project showing innovative ways to meet syllabus requirements is produced. Students develop applied skills in such technologies as digital film planning, production and post-production, DBD and sound technologies, lighting and related film-event technologies including miniatures and prop design and construction where appropriate.

Covers a range of techniques associated with audio engineering in multitrack recording studios and in live recording and mixing environments. (NB: Not available to Music Production Specialisation).

MUS00497 Introduction to Music Technology
Not available to Music Production majors
ENG00351
CHILDREN'S LITERATURE
Pre-requisite/s: EDU00401 Curriculum Studies: English I Language Acquisition
Based on the belief that children need a well-balanced literature program to enhance their imaginative and verbal experience. It works through a study of genres, the critic’s views of central issues and programming according to the Piagetan theories of child growth and development.

ENG00355
STORYTELLING
Students other than Education require BEd Course Coordinator approval
Emphasises the importance of storytelling as a method of transmitting culture. Enables students to enjoy, prepare and tell stories to children.

ENG00400
INTRODUCTION TO WRITTEN TEXTS
Semester 1
Co-requisite/s: ENG00410: Introduction to Creative Writing

Particular attention is paid to those issues and themes which can be seen as having special relevance to post-colonial societies. There is an emphasis on Australian writing.

ENG00403
PROSE
Introduces students to a range of different writing strategies and techniques through practical work and through theoretical and critical readings. Students have an opportunity to write creatively and to develop drafting and self-editing skills.

ENG00407
WRITING FOR PERFORMANCE
Designed to give students a practical and experiential introduction to a broad range of performance writing practices, dramaturgy techniques and theories of performance. Students will be given an opportunity to develop their writing based on a practical experience of methods, approaches and styles relating to writing for live performance.

ENG00408
WRITING PROJECT
Pre-requisite/s: Any five writing units
Students undertake a major project of writing and will engage in critical practices which are alert to the relationship between writing and cultural production. The result could be one or more pieces of prose (fictional or non-fictional), poetry/lyrics or theoretical/critical work written during the semester.

ENG10022
WRITING FROM THE EDGE
Introduces students to the theories and practices involved in a comprehensive range of innovative and experimental writing techniques used in fiction, non-fiction, poetry and writing for performance. Students will be encouraged to experiment with and make practical use of the aesthetic conventions and textual strategies discussed in the course in their own writing.

ENG10083
KNOWLEDGE AND CULTURE
Double-weighted unit
Anti-requisite/s: HUM00793 Research Core
Develops students' capabilities in the areas of academic enquiry and writing, covering a broad range of contemporary theoretical literature in order to provide a sound foundation for research. Students can focus upon material relevant to their
area of specialisation.

ENM10197
SURFING TECHNOLOGY AND SKILLS I
Only available to students undertaking the Surfing Studies Specialisation
Introduces students to the development and enhancement of the practical surfing and design skills of students. Its purpose is twofold. First, it enables students to develop a range of practical surfing skills, techniques, tactics and a comprehensive understanding of surfing rules and ethics as they apply in competition. Second, it introduces the student to a wide spectrum of available commercial materials within the context of modern industrial surfboard design and manufacture.

ENM10198
SURFING TECHNOLOGY AND SKILLS II
Surfing Studies Specialisation
Further develops the student’s enhancement of the practical surfing and design skills. The unit enables students to build on the skills and knowledge achieved in Surfing Technology and Skills I.

ENM10256
INDUSTRIAL TECHNOLOGY STUDIES I: CONVENTIONAL PROCESSES
Anti-requisite/s: EDU10046 Wood Technologies
Available to Bachelor of Technology Education students only
Introduces students to the Industrial Technology Syllabus, teaching techniques and advanced techniques in wood construction. The unit features timber technology teaching methods and compares the cross-cultural dimensions to woodcrafts and their techniques to broaden the professional appreciation of the medium.

ENM10257
INDUSTRIAL TECHNOLOGY STUDIES II: MACHINED PROCESSES
Pre-requisite/s: EDU10256 Industrial Technology Studies I: Conventional Processes.
Available to Bachelor of Technology Education students only
Further develops students to the Industrial Technology Syllabus, teaching techniques featuring machining technologies and teaching folio presentation of technacy systems. Students learn to compare manual and machined timber processes and safety test procedures for school based learning.

ENM10258
INDUSTRIAL TECHNOLOGY STUDIES III: NEW AND EMERGING PROCESSES
This unit develops fundamental innovative capacities among students in industrial production based on new and advance materials, processes, systems and devices emerging in production industries. Emphasis is placed on new technology cases studies and self-assessed knowledge audits to identify innovative new processes. Students plan to research and demonstrate familiarity with selected emerging processes and associate skills supportive of teaching in the year 11-12 syllabus. The unit is presented in a seminar/workshop format.

ENM10261
TEXTILES TECHNOLOGY AND DESIGN I
Anti-requisite/s: EDU10039 Design and Technology in Clothing and Production and EDU10051 Textiles I: Design and Technology
Introduces students to the processes of textile design and decoration. Cultural, historical, environmental and economic aspects of textile industries are also explored. Students gain practical skills in a variety of textile visual communication and decoration methods, and apply knowledge to the preparation and presentation of design projects.

ENM10262
TEXTILES TECHNOLOGY AND DESIGN II
Anti-requisite/s: EDU10039 Design and Technology in Clothing and Production and EDU10052 Textiles II: Clothing Industry and Construction Fundamentals
Introduces students to advanced properties and performance of textiles. This unit develops appreciation, knowledge and skills used in various textile and clothing industry sectors such as apparel pattern making, construction methods, and collaborative work skills. Knowledge gained throughout the unit is used in the design of appropriate learning experiences through theoretical content and an applied project work for a secondary school context.
ENM10263
TEXTILES TECHNOLOGY AND DESIGN III
Pre-requisite/s: ENM10262 Textiles Technology and Design II
Anti-requisite/s: EDU10053 Textiles III: Fashion Design Processes
Manipulation and decoration techniques and alternative industrial textile applications are considered as innovation and applied as they pertain to textile furnishing. Construction and deconstruction of patterns are explored for specific end-uses. Successful innovations in design are analysed parallel with the historical developments of a textile product with relation to cultural, social, and environmental impact on contemporary society.

ENM10266
PRODUCT TECHNOLOGY AND DESIGN I
Pre-requisite/s: Admission to the Bachelor of Technology Education
Anti-requisite/s: EDU00492 Design and Technology in Engineering Systems and Built Environments
Introduces students to design and project application of product development with emphasis on basic production systems. Students develop technacy and specific systems knowledge through participation in functional eco-design projects. Students learn to implement systems thinking, design processes and safe work practices in strategies and programs for teaching selected NSW syllabus.

ENO03200
ECOTECHNOLOGY
Ecotechnology is “the design of sustainable ecosystems that integrate human society with its natural environment for the benefit of both”. This unit uses ecotechnology to address the question: “How can we create human settlements which mimic the closed cycle structure of ecosystems using natural technologies (with minimum energy and chemical requirements)?” Issues such as the management of the modified water, nutrient and carbon cycles and energy efficiency are examined at household, small settlement (eco-village) and large settlement levels. The unit introduces students to engineering modelling techniques and draws on practical local examples of the eco-engineering craft.

ENO10264
ENGINEERING STUDIES I
Only available to Bachelor of Education Technology students
Pre-requisite/s: ENM10257 Industrial Technology Studies II: Machined processes
Anti-requisite/s: EDU10048 Engineering Materials
Explores the knowledge and understanding for teaching the Preliminary Course in the Engineering Studies Stage 6 Syllabus in NSW Schools. Specific applications of engineering are investigated: household appliances, landscape products, braking systems, bio-engineering and mining engineering. Each application is investigated in terms of material structure, mechanical performance, social and environmental impacts, and strategies for teaching.

ENO10265
ENGINEERING STUDIES II
Available only to Bachelor of Technology Education students
Pre-requisite/s: ENM10264 Engineering Studies I
Anti-requisite/s: EDU10050 Engineering Mechanics: Statics and Dynamics
Explores the knowledge and understanding for teaching the HSC Course in Engineering Studies Stage 6 Syllabus in NSW Schools. Further specific applications of engineering are investigated: civil structures, personal and public transport, lifting devices, aeronautical engineering, telecommunications engineering and marine engineering. Each application is investigated in terms of material structure, mechanical performance, social and environmental impacts.
and strategies for teaching.

ENP10260
FOOD TECHNOLOGY AND DESIGN II
Pre-requisites: SCI10259 Food Technology and Design I
Only available to Bachelor of Technology Education students
Anti-requisites: ENO10283 Built Environment Technology and Design

Provides an opportunity for a focused examination of the practical implications of food preparation as a science, an art, and a life-sustaining practical activity. Students learn about food properties, handling and storage procedures, preparation skills and techniques and presentation and the technacy principles that underpin food processing tools and their design.

ENP10276
FOOD TECHNOLOGY AND DESIGN III
Pre-requisites: ENP10260 Food Technology II

Provides an opportunity for a focused examination of the practical implications of food preparation as a science, an art, and a life-sustaining practical activity. Students learn about food properties, handling and storage procedures, preparation skills and techniques and presentation and the technacy principles that underpin food processing tools and their design.

ENO10283
BUILT ENVIRONMENT TECHNOLOGY AND DESIGN I
Only available to Bachelor of Technology Education students
Anti-requisites: ENO10283 Built Environment Technology and Design

Develops students’ knowledge, understanding and skills for the design and implementation of complex socio-technical systems in the built environment. Students also develop skills in research, design thinking and the graphic communication techniques through participation in ecologically sustainable built environment design projects. Students learn advanced strategies for implementing systems thinking, technacy, ecologically sustainable design processes and safe work practices appropriate for teaching built environment topics in relevant syllabus in NSW schools.

ENS00203
EARTH SYSTEMS II: THE HYDROSPHERE

Takes a step by step look at the movement of water through the global hydrological cycle. Provides a treatment of techniques used for the measurement and analysis of surface and subsurface water and looks at the effect this water has on stream and catchment development. Uses real data gathered by the students and case examples from Australia and overseas to provide a practical basis for the understanding of techniques and principles studied during the course.

ENS00218
WASTE TECHNOLOGY

Examines the problems of waste disposal with emphasis on classification of waste types and their impacts on the environment. Includes practical and applied examination of disposal methods, site selection and rehabilitation, hazard evaluation, risk analysis, monitoring strategies, waste reduction and waste recycling. The human aspects of waste management are also included.
ENS03104
WASTE TECHNOLOGY
Examines the problems of waste disposal with emphasis on classification of waste types and their impacts on the environment. Includes practical and applied examination of disposal methods, site selection and rehabilitation, hazard evaluation, risk analysis, monitoring strategies, waste reduction, and waste recycling. The human aspects of waste management are also included. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

ENV00207
ENVIRONMENTAL PLANNING
Covers both theoretical and practical aspects of land use planning, through the introduction and application of planning concepts, issues and approaches. The focus of the unit is on planning at the local and regional levels in order to provide an appreciation of planning processes in different contexts.

ENV03117
ENVIRONMENTAL PLANNING
post graduate unit
Examines both theoretical and practical aspects of land use planning, through the introduction and application of planning concepts, issues and approaches. Focus is on planning at the local and regional levels in order to provide an appreciation of planning processes in different contexts. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FIN00115
SECURITY ANALYSIS AND PORTFOLIO MANAGEMENT
Pre-requisite/s: ACC00152 Business Finance or ACC00142 Accounting and Financial Management II

Provides coverage of contemporary finance theory and relates that theory to the development of appropriate investment strategies for different classes of investor (individual, corporate and institutional). This material is put into perspective by treatment of topics relating to the investment environment, such as the regulation of securities markets, sources of market information and the nature of investment risk.

FIN00126
INTERNATIONAL FINANCE
Pre-requisite/s: ECO10250 Economics or ECO00101 Macroeconomics and ECO00102 Applied Microeconomics or ACC00142 Accounting and Financial Management II or ACC00152 Business Finance

Deals with the operation of international financial markets, and covers various aspects of the operations and activities of the trans-national business enterprise, the management of international financial risks, the implications of the rapid development of centres of offshore banking and finance, and their impacts on the way Australian firms finance their operations.

FIN00320
FINANCIAL MANAGEMENT FOR SPORT AND EXERCISE

Demonstrates how the principles of financial management can be used to manage profitability in a sport and recreation organisation. Emphasis will be placed on financial planning, management and evaluating the performance of a sports business.

FIN00721
MANAGERIAL FINANCE
Not available to undergraduates

It is recommended that students take ACC00724 before taking this unit as it extends the material introduced and provides a foundation of more advanced units in finance and financial economics. Considers in more detail the investment, financing and dividend decisions of organisation, and focuses on the role that these decisions play in creating value within organisations. Aims to provide an understanding of the conceptual basis for these decisions and provides opportunities for the development of practical decision making frameworks that incorporate this conceptual base.

FIN00723
INTERNATIONAL FINANCE FOR MANAGERS

Deals with the operation of international currency, debt, equity and derivative security markets and the role of related institutions. Topics include Eurodollar loans, accessing the American corporate bond market, appraising the investment
performance of international mutual funds, operations and activities of the multinational business enterprise, appraising international financial impacts on domestic firms and the management of international financial risk.

FIN00919
INVESTMENT ANALYSIS AND PORTFOLIO MANAGEMENT
Anti-requisite/s: FIN00915 Financial Institutions Management
Utilises contemporary finance theory to appraise the development of appropriate investment and portfolio management strategies for different classes of investors (individuals, corporate and institutional). These core decision areas are put into perspective by the treatment of topics relating to the investment environment, the regulation of securities markets, sources of market information and the nature of investment risk.

FIN03203
PRINCIPLES OF INVESTMENT AND RETIREMENT PLANNING
Pre-requisite/s: FIN10252 Fundamentals of Financial Planning
Provides an overview of investment and retirement planning, focusing on investment vehicles and strategies (superannuation and non-superannuation) as well as the current legislative and policy environment.

FIN03204
INSURANCE PLANNING
Pre-requisite/s: FIN10252 Fundamentals of Financial Planning
Examines the role of insurance in protecting individuals and businesses against risk. Encompassing and applying principles of insurance theory, it focuses on types of risk, evaluation of risk, and types of insurance products and strategies available to manage risk.

FIN03205
FINANCIAL PLAN – CONSTRUCTION AND REVIEW
Pre-requisite/s: FIN03203 Principles of Investment and Retirement Planning
Draws on theoretical and technical perspectives of financial plan development and client reviews. The unit utilises case studies and actual products.

FIN03206
FINANCIAL PLAN – SKILLS AND MANAGEMENT
Pre-requisite/s: FIN03203 Principles of Investment and Retirement Planning
Application of theoretical and technical understanding to practical client-planner situations. Development of interpersonal and management skills in business communication and management will provide the foundation required to attain the highest standards in financial planning practice.

FIN03207
ADVANCED INVESTMENT AND RETIREMENT PLANNING
Pre-requisite/s: FIN03203 Principles of Investment and Retirement Planning
Follows on from the unit Principles of Investment and Retirement Planning and provides a detailed examination of the retirement planning process with particular emphasis on advanced investment, taxation and superannuation strategies.

FIN10071
WAREHOUSING I
Provides foundation knowledge and skills to supervise and manage the distribution of goods and services through a warehousing facility using current systems and methods and the flow of material from receipt to despatch. It includes the use of technology to reduce the reliance on paper-based systems and its interface with mechanical handling equipment and storage systems. The primary objective of warehouse management is to improve productivity and achieve lower operating costs. Government legislation also requires compliance for the storage of nominated goods, associated risks, staff safety and training.

FIN10072
DISTRIBUTION PLANNING
Students are introduced to the key components of the distribution and supply cycle and the techniques used to manage the distribution of goods and services both internal and external to an organisation taking in to account profitability and survival. Students will also examine the expansion of e-commerce in traditional distribution systems and methods.

FIN10073
INTRODUCTION TO LOGISTICS
Provides foundation knowledge and skills to manage the logistics network of an organisation to distribute goods and services through a supply cycle including a distribution facility using current systems and methodologies from raw material to
distributed finished product. It includes the various legislative requirements for transportation methods, safety and benchmarking.

FIN10075
TRANSPORT MANAGEMENT
Students will be able to identify the various transport systems and methods used for the distribution of goods and services within Australia and globally, including the trends in transportation from regional to national distribution systems and associated cost structures. A focus of the unit is the factors that businesses need to consider in their choice of transport modes for goods and services distribution and acquisition.

FIN10252
FUNDAMENTALS OF FINANCIAL PLANNING
This unit provides an overview of Financial Planning; Investments; Retirement; and Cash-Flow Planning; Taxation; Legal Structures; Risk Assessment; and Insurance focusing on critical aspects of the financial planner-client relationship.

FIN10254
FINANCIAL INSTRUMENTS AND MARKETS
Pre-requisite/s: ECO10250 Economics or ECO00101 Macroeconomics
Anti-requisite/s: ECO00104 Monetary Economics
Provides an analysis of equity, debt, foreign exchange and derivatives markets and differentiate the securities traded in each market from a domestic and international perspective. Risk management strategies are developed utilising a range of derivative securities.

FOR00100
FIRE ECOLOGY AND MANAGEMENT
Examines principles of combustion and fire behaviour, based on an understanding of meteorological events; role of fire in ecosystem function; techniques of fire control including hazard reduction and other prescribed burning techniques; review of suppression strategies.

FOR00101
PLANT PHYSIOLOGY AND ECOLOGY
Pre-requisite/s: BIO00230 Principles of Plant and Animal Conservation or BIO00213 Plant Identification and Conservation
Describes the function of forest trees, stands and communities, building on the concepts introduced in BIO00230 Principles of Plant and Animal Conservation and BIO00213 Techniques in Plant Conservation. It is presented in four parts: basic ecophysiological parameters and growth, the role of water, the role of nutrients and the use of integrative models in understanding plant and community function and hence nature.

FOR00102
MEASURING TREES AND FORESTS
Concerns the measurement of trees and forests. It includes techniques of individual tree and stand measurement and inventory of forest resources. Particular attention is paid to the measurement of the tree stem and the estimation of wood volumes available from it. Techniques of broad-scale forest inventory to describe fully the resources of a forest are considered.

FOR00103
NATIVE FOREST SILVICULTURE
Introduces students to the theory and practice of silviculture, by reviewing the underlying physiological and ecological principles and explaining how these are applied in controlling the composition, growth and regeneration of native forests.

FOR00104
FOREST OPERATIONS
Imparts knowledge of the techniques used in harvesting operations and their environmental
effects. Also stresses the interrelationship of harvesting and silviculture.

FOR00105
PLANTATION SILVICULTURE
Introduces the policies and technologies that drive plantation investment and management today. Exposes students to the theory behind those technologies and the silvicultural problems involved in establishing and maintaining plantations of both native and exotic species.

FOR00106
WOOD SCIENCE AND UTILISATION
Pre-requisite/s: FOR00104 Forest Operations
Aims to relate wood anatomy, ultrastructure and wood chemistry to the various end-uses of wood and to its susceptibility to insect attack and fungal decay.

FOR00107
FOREST HEALTH: PEST AND DISEASE MANAGEMENT
FOR00108
AGROFORESTRY AND FARM FORESTRY
Pre-requisite/s: FOR00105 Plantation Silviculture
Provides an understanding of the role of trees in agricultural ecosystems and their place in the rural landscape. It will also illustrate the dual significance of integrated tree cropping for environmental conservation and for diversifying and supplementing farm income. Students will become aware, that when evaluating agroforestry proposals for a range of species, soils and climates, ecological and biological considerations must be included, in conjunction with financial and organisational aspects including tax law, planning restrictions and marketing.

FOR00109
FOREST LAND USE AND MANAGEMENT
Provides background knowledge to evaluate land for various forestry, conservation and tourism uses at a local and a regional level. Develops the skills needed to estimate the sustainable harvest and use simulation modelling in a decision support framework. Students will gain skills in the practical aspects of both plantation and natural forest management.

FOR00110
NATURAL RESOURCES POLICY
Discusses the evolution of natural resources policy in general and forest policy in Australia in particular, in the context of changing community attitudes and values. Events leading to the formulation of the National Forest Policy Statement are reviewed. Recognition of the multi-function role of forests provides the rationale for balancing their protection and preservation values during policy implementation in order to achieve ecologically sustainable forest management.

FOR00112
PRODUCT DEVELOPMENT AND MARKETING
Pre-requisite/s FOR00106 Wood Science Utilisation and Conservation Technology
Offered in a 3 week intensive mode; with a one week compulsory residential at Lismore during the break between semesters 1 and 2
Development of new forest products as a means of industry adjustment to the decreasing availability and changing quality of traditional products, based on a knowledge of wood properties and market analysis to determine user requirements. Attention is directed towards the whole range of end-products from high-value, appearance grade timber to lower quality, uniform material suitable for pulping or wood composites.

FOR00113
EXTENSION AND ADVISORY SERVICES
Communication of technical information on forestry and the forest industries to landholders. Provision of extension and advisory services by government agencies, business enterprises and consultants. Introduction to relevant sociological research methods.

FOR03019
EXTENSION AND ADVISORY SERVICES
Covers communication of technical information on forestry and the forest industries to landholders. Provision of extension and advisory services by government agencies, business enterprises and consultants. Introduction to relevant sociological research methods. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FOR03081
FOREST HEALTH: PEST AND DISEASE MANAGEMENT
Covers the identification and control of pests and diseases. Factors conducive to the spread of insects and diseases at outbreak levels are
examined and methodologies for their control presented and discusses, including the potential for integrated pest management. Techniques used in the diagnosis and correction of nutritional disorders are presented and illustrated. The problems with weeds in natural forests and plantations are discussed and various control techniques, including the use of chemicals are demonstrated. A Masters Tutorial component is included in which students’ address advanced issues of critical analysis in the field.

FOR03082
FOREST LAND USE AND MANAGEMENT
Provides students with the background knowledge to evaluate land for various forestry, conservation and tourism uses at a local and a regional level. A secondary aim is for students to identify the issues of interest to stakeholders and to employ the methods of conflict resolution to negotiate outcomes acceptable to industry and conservation groups. Students will gain skills in the practical aspects of both plantation and natural forest management. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FOR03083
MEASURING TREES AND FORESTS
Concerns the measurement of trees and forests. It includes techniques of individual tree and stand measurement and inventory of forest resources. Particular attention is paid to the measurement of the tree stem and the estimation of wood volumes available from it. Techniques of broad-scale forest inventory to describe fully the resources of a forest are considered. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FOR03084
FOREST OPERATIONS
Imparts knowledge of the techniques used in harvesting operations and their environmental effects. Also stresses the interrelationships of harvesting and silviculture. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FOR03085
NATIVE FOREST SILVICULTURE
Examines the theory and practice of native forest silviculture. The focus is on dry eucalypt, wet eucalypt and rainfall forest types. Regeneration techniques and silvicultural systems appropriate to even and uneven-aged stands are discussed. The history of silvicultural practices as well as current management regimes and possibilities for future native forest silviculture are explored through lectures, readings, field trips with State Forests workers and farmers, and field exercises. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FOR03105
FIRE ECOLOGY AND MANAGEMENT
Examines principles of combustion and fire behaviour based on an understanding of meteorological events; the role of fire in ecosystem function; techniques of fire control including hazard reduction and other prescribed burning techniques; review of suppression strategies. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FOR03106
PLANT PHYSIOLOGY AND ECOLOGY
Describes the function of forest trees, stands and communities, presented in four parts: basic ecophysiological parameters and growth, the role of water, the role of nutrients and the use of integrative models in understanding plant and community function and hence nature. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FOR03107
PLANTATION SILVICULTURE
Introduces the policies and technologies that drive plantation investment and management today. Exposes students to the theory behind those technologies and the silvicultural problems involved in establishing and maintaining plantations of both native and exotic species. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FOR03108
WOOD SCIENCE AND UTILISATION
Relates wood anatomy, ultrastructure and wood chemistry to the various end-uses of wood and to its susceptibility to insect attack and fungal decay. A Masters Tutorial component is included in which students address advanced issues of critical
analysis in the field.

FOR03110
AGROFORESTRY AND FARM FORESTRY
Provides an understanding of the role of trees in agricultural ecosystems and their place in the rural landscape, and illustrates the dual significance of integrated tree cropping for environmental conservation and for diversifying and supplementing farm income. Students will become aware that when evaluating agroforestry proposals for a range of species, soils and climates, ecological and biological considerations must be included, in conjunction with financial and organisational aspects including tax law, planning restrictions and marketing. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FOR03111
NATURAL RESOURCES POLICY
Discusses the evolution of natural resources policy in general and forest policy in Australia, in particular, in the context of changing community attitudes and values. Events leading to the formulation of the National Forest Policy Statement are reviewed. Recognition of the multifunction role of forests provides the rationale for balancing their production and preservation values during policy implementation in order to achieve ecologically sustainable forest management. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

FOR03169-70
MINOR THESIS
Involves identification of a suitable resource management issue or research topic, the planning and design of research methods, the gathering of relevant information and data, and the preparation of a professional report.

FOR10176
INTRODUCTION TO SUSTAINABLE FORESTRY
Develop an overview of the world’s forests, their species, extent and condition; the ability to identify local trees and other forest species; understand the principles of tree and forest growth and the implications for management; appreciate the range and value of goods and services provided by forests and their role in the local and national economy; have the ability to make basic measurements of land, trees and forests; and will understand the elements of information systems for sustainable forestry.

GLY00201
EARTH SYSTEMS I : THE LITHOSPHERE
Investigates tectonic processes leading to the formation of the distinctive environments of the earth’s surface and the rocks and minerals found in those environments. The role of geology in understanding and managing environmental changes and natural hazards is emphasised, and the geology of the local area is studied using geological maps and field work.

GLY00223
INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS
Pre-requisite/s: ISY00241 Computing in Applied Science and SUR00201 Environmental Mapping
Anti-requisite/s: GLY00219 Remote Sensing and Geographic Information Systems
Gives both conceptual background and empirical experience with Geographical Information Systems techniques. Achieved through (a) the introduction of fundamental spatial concepts and issues related to spatial data and Geographical Information Systems, and (b) using several GIS software packages. Covers an introduction to GIS, spatial data, GIS concepts, GIS components, and an overview of their applications in applied sciences and related fields.

GLY00231
COASTAL GEOMORPHOLOGY AND SEDIMENTOLOGY
Pre-requisite/s: GLY00201 Earth Systems I: The Lithosphere
Anti-requisite/s: GLY00206 Coastal Geomorphology
Describes coastal landforms and the processes that
formed them and continue to change them. The role of periodic high energy events and the use of data on past trends and present conditions to predict future changes and the effects of human intervention are emphasised. The use of knowledge of coastal landforms and processes in land use planning will be demonstrated.

**GLY00232 COASTAL BIOGEOCHEMISTRY**

*Anti-requisite/s: GLY00221 Coastal Engineering and Oceanography*

Focuses on the biogeochemical processes that operate in coastal ecosystems and the procedures for planning and conducting environmental sampling and monitoring programs for measuring biogeochemical processes. Also familiarises students with modern wet chemical and instrumental analytical techniques that are part of environmental sampling and monitoring programs. Real data gathered by the students and case examples from both Australia and overseas are used to provide a practical basis for understanding the principles and techniques studied during the unit.

**GLY03086 COASTAL BIOGEOCHEMISTRY**

Focuses on the biogeochemical processes that operate in coastal ecosystems and the procedures for planning and conducting environmental sampling and monitoring programs for measuring biogeochemical processes. Also familiarises students with modern wet chemical and instrumental analytical techniques that are part of environmental sampling and monitoring programs. Real data gathered by the students and case examples from both Australia and overseas are used to provide a practical basis for understanding the principles and techniques studied during the unit. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

**GLY03112 COASTAL GEOMORPHOLOGY AND SEDIMENTOLOGY**

Describes coastal landforms and the processes that formed them and continue to change them. The role of periodic high energy events and the use of data on past trends and present conditions to predict future changes and the effects of human intervention are emphasised. The use of knowledge of coastal landforms and processes in land use planning will be demonstrated. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

**GLY03113 GEOGRAPHICAL INFORMATION SYSTEMS**

Provides the conceptual background and empirical experience with Geographical Information Systems techniques. This will be achieved through exposure to fundamental spatial concepts and issues related to spatial data and Geographical Information Systems, and by using several GIS software packages. The unit covers an overview to GIS, spatial data, GIS concepts, GIS components, and their applications in applied environmental sciences and related fields. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

**HEA00203 STUDIES IN SUBSTANCE ABUSE**

Focuses on the way the discourses on substance abuse shape the various perspectives on drug dependence and its social, economic and health effects. Also determines the nature of educational, legal and health management strategies.

**HEA00292 HEALTH CARE PRACTICES II**

*Anti-requisite/s: NRS00307 Nursing VII or NRS00227 Applied Health Research*

Not available to BNursing students externally without Course Coordinator approval

Provides undergraduate students with an overview of the research process in the context of contemporary health care practices. Also helps students develop basic competencies in health research. Addresses common research methods used in health and epidemiology.

**HEA00293 HEALTH CARE PRACTICES III**

*Anti-requisite/s: BHS00305 Health Psychology*

Not available to BNursing students externally without Course Coordinator approval

Provides students with skills in the development, implementation and evaluation of health promotion strategies for individuals, groups and communities. Addresses the concepts underpinning health promotion, critiques the various approaches and allows students to examine a specific programme.
HEA00294
HEALTH CARE PRACTICES IV
Anti-requisite/s: SOC00355 Sociology of Health Care Practice
Not available to BNursing students externally without Course Coordinator approval
Critically examines the factors that affect the health status of individuals and the delivery of health care. Also analyses the way in which cultural concepts of illness and health care delivery are constructed and examines the factors that affect illness behaviour of individuals in the context of health and illness.

HEA00203
STUDIES IN SUBSTANCE ABUSE
Focuses on the way the discourses on substance abuse shape the various perspectives on drug dependence and its social, economic and health effects. Also determines the nature of educational, legal and health management strategies.

HEA00331
SPORT AND EXERCISE PSYCHOLOGY I
Within the physical activity arena, this unit provides an understanding of behavioural theory as applied to individuals, groups and special populations. The fundamentals of human behaviour will provide a theoretical background on which to interpret an understanding of the psychological factors that underlie and sustain participation in performance based activities and exercise and health related domains.

HEA00332
SPORT AND EXERCISE PSYCHOLOGY II
Pre-requisite/s: HEA00331 Sport and Exercise Psychology I
This unit provides students with an introduction to Sport Psychology as a theoretical and applied discipline. A major focus is the development of practical skills and interventions that can be applied in sport and exercise settings to positively influence the behaviour, performance, and level of participation of individual participants or groups. A variety of methods will be used to engage students with a broad knowledge and understanding of the complexities and dynamics that exist in the realm of sport and exercise.

HEA00501
ISSUES AND METHODS IN RESEARCH I
Not available to undergraduates
Provides an overview of current theory and issues in research practice. The major philosophical perspectives of health research are examined from historical and social contexts. A critical analysis of empiricist, interpretive and critical approaches to health research will be the focus of this unit.

HEA00502
ISSUES AND METHODS IN RESEARCH II
Not available to undergraduates
Provides an in-depth examination of the research process and a broad range of research methodologies applicable to health research. The methodological approaches covered in this unit will be derived from the empiricist, interpretive and critical paradigms of research.

HEA10063
CARE OF THE OLDER PERSON I
Made up of three modules that aim to familiarise students to the historical, political and economic, legal and ethical context in which older people in Australia are cared for.

HEA10064
CARE OF THE OLDER PERSON II
The first of two units that develop skills and knowledge required in the care of some older people as indicated by Standards 2 and 3 of the Aged Care Act 1997.

HEA10065
CARE OF THE OLDER PERSON III
The second unit in a series of two that develop skills and knowledge in the personal care of older people as indicated by Standards 2 and 3 of the Aged Care Act 1997.

HEA10066
CARE OF THE OLDER PERSON IV
Aims to provide students with knowledge and skills in managing the lifestyle and the environment of residents in aged care facilities and in care at home as indicated by Standard 4 of the Aged Care Act 1997.

HEA10200
TRANS- AND INTERGENERATIONAL TRAUMA
Introduces and develops critical analysis of the themes: World populations – violence – trauma and health. Students will consider human societies, violence in wars, colonisations and natural disasters; the anthropology of violence in relationship to trauma; the trauma in violence and transgenerational aspects of trauma. A public health model in working with individuals, families
and communities for recovery from trauma will be examined.

**HEA10201**
**THE BIOLOGICAL EFFECTS OF TRAUMATIC STRESS**
Blends both the theoretical and conceptual foundations of traumatic stress syndromes at four interrelated levels: biological, psychological, socio-interpersonal and cultural. The delivery of this unit will include lectures and group activities to ensure that the relationship between healthy creative adaptation and trauma recovery educational approaches can be understood.

**HEA10202**
**THE STORY OF HEALING/INDIGENOUS HEALING**
Healing legacies are contained in the stories of healing from western, eastern, classical and contemporary Indigenous healing practices, giving meaning to the root of the word heal from the anglo-saxon haelan, meaning to be, or to become whole. To be whole means to understand the vital energies between physical, emotional, mental and spiritual/metaphysical well-being, embedding healing processes in the functions of the word educare - to bring forth, to draw out from to show the way, to rear up the children. The unit gives power to the stories that progress healing education.

**HEA10203**
**HEALING CHILDHOOD TRAUMATISATION**
A practical unit integrated with recent theories of human development which introduces the theory of childhood trauma through group exercises and activities, supported by informed discussions. Helps identify the long-term consequences of childhood trauma and personal development, and trauma recovery theory and skills through the healing power of art, music, story and play, and renegotiation of the traumatic event(s) as core components in trauma recovery work. This unit involves a semester lecture series plus a three (3) day workshop.

**HEA40001-04**
**HEALTH SCIENCE THESIS**
**HEA40005-08**
**HUMAN MOVEMENT SCIENCE THESIS**
**HEA40009-12**
**EXERCISE SCIENCE THESIS**
**(STAGE 1 - 4)**

**HIS10016**
**NATURE OF HISTORY MAKING**
*Anti-requisite/s:* HIS00230 Issues in History
Draws on environmental and cultural history, to introduce theoretical models and methodologies used to examine the relationship between nature and culture from various perspectives: history-making, ecology, anthropology, modes of reproduction, political economy, colonialism, feminism and cultural geography. Students will make history using historical concepts and sources that highlight the intersection between place and culture.

**HIS10017**
**COLONIALISM AND WORLD ENVIRONMENTAL HISTORY FROM 1942**
Introduces students to the ecological as well as cultural encounters that were a part of the colonial project. A transnational approach to the subject of colonialism will be taken which offers a cultural and ecological account of transformations over the last 500 years. Using the vantage point of a view from the periphery, colonial history will be interpreted from the interplay of global processes and local forces, drawing on the insights of local ecology and history.

**HIS10018**
**WRITING PLACE: LANDSCAPES, MEMORY, HISTORY**
Examines the connection between people and place, community and identity in terms of how a sense of place is imagined and interpreted over time. Different ways of reading landscapes in visual and literary historical documents linking time and place will be introduced. Students will be encouraged to reflect on their practice as historians and their craft as writers to develop their own writing skills in the process of making history.

**HIS10019**
**ECOACTIVISM**
Provides students with a historical perspective of
contemporary conservation and environmental movements that prepares the ground for critical reflection on the role of intellectuals, changing concepts of nature and wilderness, resource management and sustainability. Environmental activism will be explored in terms of a cultural politics.

**HLT00252**
**INTRODUCTION TO THE NATURAL THERAPIES**
This unit provides an introduction for nurses and other health care practitioners to natural and complementary therapies. The unit provides a critical overview of the medicinal, energetic, bodywork and self-healing therapies, as well as contemporary issues for the nursing and health care professions.

**HLT00255**
**HOMOEOPATHY I (INTRODUCTORY HOMOEOPATHY)**
*Pre-requisite/s: HLT00259 Naturopathic Foundations*
*Anti-requisite/s: HLT10088 Homoeopathy I (Part 1 of 2), HLT10089 Homoeopathy I (Part 2 of 2)*
Introduces students to the origins, theory and practice of homoeopathy. Students will learn methods and approaches for analysing simple acute case histories and selecting homoeopathic remedies. Study of the materia medica will commence, based on acute cases.

**HLT00256**
**HOMOEOPATHY II (HOMOEOPATHIC THEORY AND PRACTICE)**
*Pre-requisite/s: HLT00255 Homoeopathy I, HLT00259 Naturopathic Foundations*
*Anti-requisite/s: HLT10086 Homoeopathy II, (Part 1 of 2) HLT10087 Homoeopathy II (Part 2 of 2)*
Involves intensive study of the theory of chronic disease and of case-taking, prescription, case-management of complex cases involving long established illness and multiple conditions. Laboratory based practicum sessions will continue to explore the notion that “like cures like”. Study of homoeopathic materia medica will continue throughout the unit.

**HLT00257**
**PHYTOTHERAPY I (FOUNDATIONS OF HERBAL MEDICINE)**
*Pre-requisite/s: HLT00259 Naturopathic Foundations*
A comprehensive introduction to herbal medicine, the study of plants as healing agents. Based on study of the western herbal tradition as it originated in ancient Greece. Covers the historical and philosophical framework of western herbal medicine, its language and modern application.

**HLT00259**
**NATUROPATHIC FOUNDATIONS**
Provides a comprehensive introduction to basic naturopathic principles and places the practice of naturopathy into its social, cultural and historical context. Covers a broad range of topics including the assumptions of the biomedical and holistic paradigms, the social context of disease and health care delivery, and naturopathic approaches to health care.

**HLT00260**
**PROFESSIONAL NATUROPATHIC STUDIES**
*Pre-requisite/s: HLT00278 Naturopathic Clinic I*
Integrates the various components of naturopathic clinical practice to allow final year students the ability to synthesise them prior to graduation and independent clinical practice. Includes consideration of legal, ethical and professional issues.

**HLT00263**
**HOMOEOPATHY III (CLINICAL HOMOEOPATHY)**
*Pre-requisite/s: HLT00256 Homoeopathy II*
Further consolidates understanding of the principles and practice of homoeopathy and study of the materia medica. Will assist the student to further integrate homoeopathic principles with naturopathic practice.

**HLT00266**
**PHYTOTHERAPY IV (PHARMACOGNOSY)**
*Pre-requisite/s: HLT00257 Phytotherapy I and HLT00302 Phytotherapy II and HLT00303 Phytotherapy III and CHE00102 Biological Chemistry I and CHE00103 Biological Chemistry II and CHE00002 Biochemistry and BIO00101 Physiological Pathology I and BIO00102 Physiological Pathology II*
Provides students with knowledge of pharmacologically active constituents and medicinal plant pharmacology. Covers major
groups of active constituents, pharmacodynamics, pharmacokinetics, and safety issues including herb-drug interactions. Includes the study of the therapeutic applications of a number of medicinal plants.

**HLT00267**
**PHYTOTHERAPY V (CLINICAL HERBAL MEDICINE)**

*Pre-requisite/s: HLT00257 Phytotherapy I (Foundations of Herbal Medicine) and HLT00302 Phytotherapy II (Medicinal Plants: Botany and Applicators) and HLT00303 Phytotherapy III (Herbal Materia Medica) and HLT00266 Phytotherapy IV (Pharmacognosy)*

Further consolidates understanding of the principles and practice of herbal medicine. Study of the materia medica will continue, with specific reference to clinical application of herbs. Major issues in contemporary herbal practice will be addressed, and the philosophical underpinning of contemporary practice will be exercised. Students will learn to integrate herbal remedies into naturopathic practice.

**HLT00274**
**CLINICAL DIAGNOSIS I**

*Pre-requisite/s: NUT00215 NutritionII and HLT00302 Phytotherapy II and CHE00102 Biological Chemistry I and CHE00103 Biological Chemistry II and BIO00101 Physiological Pathology I and BIO00102 Physiological Pathology II and HLT00255 Homoeopathy I and HLT00256 Phytotherapy III*

A comprehensive introduction to clinical diagnosis, an essential component of naturopathic clinical practice. Provides skills in critical thinking, understanding of the common manifestations of disease and a systematic approach to reaching a clinical diagnosis based upon a reasoned judgement of the presentation. The material will be presented in a problem-based format.

**HLT00275**
**CLINICAL DIAGNOSIS II**

*Pre-requisite/s: HLT00274 Clinical Diagnosis I, and HLT00302 Phytotherapy III*  
*Co-requisite/s: HLT10118 Clinical Studies I and HLT00260 Naturopathic Studies*

Builds on previous experience and provides students with continued supervised clinical experience in integrated naturopathic practice combining phytotherapy, nutrition, homoeopathy and tactile therapies within a student clinic.

**HLT00278**
**NATUROPATHIC CLINIC I**

*Pre-requisite/s: HLT00275 Clinical Diagnosis II and HLT00255 Homoeopathy I and HLT00277 Clinical Preparation II, or HLT10119 Clinic Studies II and HLT00274 Clinical Diagnosis I, and NUT00217 Nutrition IV and HLT00266 Phytotherapy IV*

Provides students with supervised clinical experience in integrated naturopathic practice combining phytotherapy, nutrition, homoeopathy and tactile therapies. Within this supervised environment the student clinician will be responsible for case management and planning.

**HLT00279**
**NATUROPATHIC CLINIC II**

*Pre-requisite/s: HLT00278 Naturopathic Clinic I, and HLT10119 Clinic Studies II*

Builds on previous experience and provides students with continued supervised clinical experience in integrated naturopathic practice combining phytotherapy, nutrition, homoeopathy and tactile therapies within a student clinic.

**HLT00302**
**PHYTOTHERAPY II (MEDICINAL PLANTS: BOTANY AND APPLICATIONS)**

*Pre-requisite/s: HLT00257 Phytotherapy I and HLT00302 Phytotherapy II*  
*Anti-requisite/s: HLT00256 Phytotherapy III*

Provides knowledge and practical skills in botany, plant identification and plant biology of medicinal plants relevant to naturopathy. Additionally, the unit provides students with basic skills in the manufacture and dispensing of herbal preparations and includes the study of the therapeutic applications of a select number of medicinal plants. The issues of intellectual property rights and medicinal plant conservation are discussed.

**HLT00303**
**PHYTOTHERAPY III (HERBAL MATERIA MEDICA)**

*Pre-requisite/s: HLT00257 Phytotherapy I and HLT00302 Phytotherapy II*  
*Anti-requisite/s: HLT00256 Phytotherapy III*

**HLT00414**
**NATURAL MEDICINE AND REPRODUCTION**

*Co-requisite/s: HLT00279 Naturopathic Clinic II*
Explores the issues and practices pertaining to conception, pregnancy and the perinatal period, takes a naturopathic approach to issues of reproductive health in men and women including barriers relating to reproduction.

**HLT00415**
**NATURAL MEDICINE IN CHILDHOOD AND ADOLESCENCE**
**Co-requisite/s:** HLT00279 Naturopathic Clinic II
Outlines the specific differences and needs that children display during their development. Emphasis is on the recognition of normal developmental progress of the child, the clinical presentation of the common childhood diseases and the application of naturopathic treatment and therapeutic strategies.

**HLT00416**
**NATURAL MEDICINE AND THE AGED**
**Co-requisite/s:** HLT00279 Naturopathic Clinic II
Explores the ageing process in an holistic manner, with specific reference to diagnosing common health problems experienced by ageing people, and the naturopathic approach to the management of therapeutics and treatment.

**HLT00417**
**NATURAL MEDICINE AND MENTAL HEALTH**
**Co-requisite/s:** HLT00279 Naturopathic Clinic II
Focuses through a naturopathic perspective on mental health disorders and explores holistic strategies to support people experiencing mental health problems.

**HLT00418**
**INDEPENDENT STUDY IN NATURAL MEDICINE**
**Pre-requisite/s:** HLT00420 Critical Reasoning and Research Methods in Natural Medicine (or equivalent)
Provides students with an opportunity to undertake an in-depth study of a particular topic of their choice in the area of natural and complementary medicine.

**HLT00419**
**RESEARCH PROJECT IN NATURAL MEDICINE (PART 1 OF 2)**
**Pre-requisite/s:** HLT00420 Critical Reasoning and Research Methods in Natural Medicine (Qualified Practitioners only) or NRS00227 Applied Health Research and 192 credit points
**Anti-requisite/s** HLT00418 Independent Study in Natural Medicine
This two-semester unit provides students with an opportunity to undertake an in-depth study of a particular topic of their choice in the area of natural and complementary medicine and to carry out a minor research project relevant to the topic.

**HLT00420**
**CRITICAL REASONING AND RESEARCH METHODS IN NATURAL MEDICINE**
Provides a comprehensive introduction to critical reasoning within the context of contemporary natural medicine practice and an exploration of the appropriate application and limitations of research methods in natural medicine.

**HLT00421**
**RESEARCH PROJECT IN NATURAL MEDICINE (PART 2 OF 2)**
**Pre-requisite/s:** HLT00419
This two-semester unit provides students with an opportunity to undertake an in-depth study of a particular topic of their choice in the area of natural and complementary medicine and to carry out a minor research project relevant to the topic.

**HLT00439**
**EASTERN MEDICAL CONCEPTS**
*Available to Postgraduate students only*
This unit provides the student with an introduction to the history and philosophy of traditional Chinese medicine. At the completion of the unit the student will be able to understand the relationship of the basic principles to the practice of acupuncture. Students will be required to attend a residential program for clinical observation and practical skills development.

**HLT00440**
**ACUPUNCTURE CONCEPTS**
*Available to Postgraduate students only*
This unit provides the student with an opportunity to attain an in-depth knowledge of meridian theory and the location, classification and function of the acupuncture points. This unit of study will require revision, by the student, of the theoretical concepts presented in the previous unit; Eastern Medical Concepts. Students will be required to attend a residential program for clinical observation and practical skills development.
HLT00421
RESEARCH PROJECT IN NATURAL MEDICINE (PART 2 OF 2)
Pre-requisite/s: HLT00419 Research Project in Natural Medicine (Part 1 of 2)

ESSENTIALS OF HERBAL MEDICINE
This unit extends student’s knowledge and understanding of the basis of herbal medicine practice. It will explore the scientific and the traditional basis for clinical herbal medicine practice and compare culturally different forms of herbal practice in common usage. Students will review the use of plants as a source of physiologically active compounds and as a basis for pharmaceutical and herbal drugs. They will be encouraged to critically assess issues including the sourcing of quality of raw materials, commonly used extraction methods, and methods of identifying and standardising herbal medicines that may impact on safety and efficacy.

Students will develop an understanding of the application of herbal medicines to a number of clinical presentations. Students will explore the traditional and the scientific rational for some applications of herbal medicines.

HLT03222
ESSENTIALS OF NUTRITIONAL MEDICINE
This unit will provide a comprehensive introduction to the essential role of evidence-based nutrition (healthy eating, macro- and micronutrients, bioactive substances and phytochemicals) in the optimisation of health and prevention of disease. Students will become familiar with nutritional constituents required for healthy human metabolism. They will critically evaluate the role of nutritional supplementation in clinical practice and evaluate bioavailability, efficacy and safety issues of commonly used nutritional supplements. The unit will also demonstrate how to most effectively integrate sound nutrition principles into professional health care.

HLT03223
EVIDENCE-BASED COMPLEMENTARY MEDICINE II
Pre-requisite/s: PHA03149 Evidence-based Complementary Medicine I

Evidence Based Complementary Medicine II will focus on the process of critical evaluation in the field of complementary medicine. Students will develop an in-depth knowledge of how to use the systematic review process to critically assess an area of complementary medicine. The unit will explore the process of evaluating clinical trial methodology and critically assessing systematic reviews of complementary medicines that have already been developed. Students will become familiar with the Cochrane Database of Systematic Reviews and the protocols used to develop a rigorous review process.

HLT03224
INDEPENDENT STUDY – COMPLEMENTARY MEDICINE
Pre-requisite/s: PHA03149 Introduction to Complementary Medicine AND PHA03149 Evidence-based Complementary Medicine I

Provides practitioners with an opportunity to undertake an in-depth study of a particular topic of their choice in the area of natural and complementary medicine.

HLT03225
RESEARCH PROJECT – COMPLEMENTARY MEDICINE I
Pre-requisite/s: Eight (8) units of approved study from Graduate Certificate, Graduate Diploma of Evidence-based Complementary Medicine

This unit provides students with an opportunity to undertake an in-depth study of a particular topic of their choice in the area of natural and complementary medicine and to carry out a minor research project relevant to the topic.

HLT03226
RESEARCH PROJECT – COMPLEMENTARY MEDICINE II
Pre-requisite/s: HLT03225 Research Project – Complementary Medicine I

This unit provides students with an opportunity to undertake an in-depth study of a particular topic of their choice in the area of natural and complementary medicine and to carry out a minor research project relevant to the topic.

HLT03240
CHINESE MEDICINE DIAGNOSIS
Pre-requisite/s: HLT00439 Eastern Medical Concepts and HLT00440 Acupuncture Concepts

This unit provides the student with an opportunity to develop clinical case history writing skills and consolidate the diagnostic technique. Further the student will develop a sound diagnostic technique.
and treatment plan. Students will be required to attend a residential program for clinical observation and practical skills development.

**HLT03241 ACUPUNCTURE THERAPEUTICS**

*Pre-requisite(s):* HLT00439 Eastern Medical Concepts and HLT00440 Acupuncture Concepts

This unit provides the student with an opportunity to develop therapeutic skills such as needle technique, moxibustion and cupping. The student will also develop tongue and pulse diagnostic skills. Auricular acupuncture, electro-acupuncture and laser therapy will also be studied in this unit. The eight extra channels will be introduced thus expanding and consolidating meridian theory. The extraordinary points will also be discussed. Students will be required to attend a residential program for clinical observation and practical skills development.

**HLT03242 MUSCULOSKELETAL DISORDERS, TRAUMATOLOGY AND HEALTH PRESERVATION**

*Pre-requisite(s):* HLT00439 Eastern Medical Concepts and HLT00440 Acupuncture Concepts and HLT03240 Chinese Medicine Diagnosis and HLT03241 Acupuncture Therapeutics

This unit will provide the opportunity for students to expand upon their basic theoretical knowledge of acupuncture. This unit is related to the diagnosis and treatment of Musculo-skeletal disorders, Traumatology and Health Preservation. Students will be required to attend a residential program for clinical observation and practical skills development.

**HLT03243 INTERNAL MEDICINE**

*Pre-requisite(s):* HLT00439 Eastern Medical Concepts and HLT00440 Acupuncture Concepts and HLT03240 Chinese Medicine Diagnosis and HLT03241 Acupuncture Therapeutics

This unit introduces students to internal medicine. In this unit the methods of treatment are discussed, including aetiology, pathogenesis, differentiation of treatment, principle of treatment and treatment plan. A case study is presented to consolidate the traditional Chinese medicine treatment of each internal disease. Students will be required to attend a residential program for clinical observation and practical skills development.

**HLT03244 DERMATOLOGY, PAEDIATRICS AND DISEASES OF THE SPECIAL SENSES**

*Pre-requisite(s):* HLT00439 Eastern Medical Concepts and HLT00440 Acupuncture Concepts and HLT03240 Chinese Medicine Diagnosis and HLT03241 Acupuncture Therapeutics

This unit will cover the topics of Dermatology, Paediatrics and Ear, Nose and Throat disorders. Students will be required to attend a residential program for clinical observation and practical skills development.

**HLT03245 GYNAECOLOGY AND OBSTETRICS**

*Pre-requisite(s):* HLT00439 Eastern Medical Concepts and HLT00440 Acupuncture Concepts and HLT03240 Chinese Medicine Diagnosis and HLT03241 Acupuncture Therapeutics

This unit introduces students to the topics of Gynaecology and obstetrics, covering the traditional Chinese medicine definitions, terminology, diagnosis, treatment principles and treatment conditions within the topics. Students will be required to attend a residential program for clinical observation and practical skills development.

**HLT03246 PROFESSIONAL PRACTICE IN TRADITIONAL CHINESE MEDICINE**

This unit focuses on the historical, political, ethical, and legal issues pertaining to the development of traditional Chinese medicine as an emerging discipline within Australia. Within this unit the student will also explore the multiple issues of implementing private practice within the community and the business management skills related to implementation. Students will be required to attend a clinical observation.

**HLT10115 TACTILE THERAPIES I (RELAXATION AND THERAPEUTIC MASSAGE)**

*Pre-requisite(s):* BIO01202 Anatomy and Physiology II

*Anti-requisite(s):* HLT00280 Clinical Preparation IA and HLT00281 Clinical Preparation IIB

Provides a comprehensive introduction to the history, principles, physiological basis and practice of western tactile therapy. Musculo-skeletal anatomy is continually reviewed throughout the semester. The unit will include experiential learning of western massage techniques, with the emphasis on students achieving competence in
assessing a patient and delivering a full-body relaxation and specific therapeutic massage.

**HLT10116 TACTILE THERAPIES II (LYMPHATIC TECHNIQUE, SPORT/PERFORMANCE, HYDROTHERAPY)**

*Pre-requisites*: BIO01202 Anatomy and Physiology II and HLT10115 Tactile Therapies I (Relaxation and Therapeutic Massage) or HLT00281 Clinical Preparation IB

Enhances the tactile therapies skills of the students to an advanced level enabling the treatment of more complex cases. A range of advanced techniques are taught, including lymphatic and systems treatment for naturopaths. The theoretical and practical applications of sports and performance management in tactile therapies are taught, with supervised clinical practicum supporting the learning.

**HLT10117 TACTILE THERAPIES III (MYOFASCIAL TECHNIQUES, EXERCISE AND POSTURAL THERAPY)**

*Pre-requisites*: BIO01202 Anatomy and Physiology II and HLT10115 Tactile Therapies I (Relaxation and Therapeutic Massage) or HLT00281 Clinical Preparation IB

Develops skills in the management and treatment of patients with pain by myofascial techniques and electrotherapeutics. Enhances the skills of body mind techniques, postural education and exercise prescription to enable treatment of more complex cases, demonstrated in Clinical Practicum. Facilitates the development of research skills in tactile therapies.

**HLT10118 CLINICAL STUDIES I**

*Pre-requisites*: HLT00281 Clinical Preparation IB or HLT10115 Tactile Therapies I (Relaxation and Therapeutic Massage) and BIO00102 Physiological Pathology I and HLT00255 Homoeopathy I and HLT 00302 Phytotherapy II and NUT00216 Nutrition III

*Co-requisite*: HLT00274 Clinical Diagnosis I

*Anti-requisite*: HLT00277 Clinical Preparation II

Provides a comprehensive introduction to clinical skills required in the holistic assessment of the individual. Emphasis is on cue recognition of physical signs of unwellness and disease. Practical methods for clinical management of common problems will be studied, supported by both internal and external supervised clinical placements.

**HLT10119 CLINICAL STUDIES II**

*Pre-requisite*: HLT10118 Clinical Studies I and BIO00102 Physiological Pathology II

*Co-requisite*: HLT00275 Clinical Diagnosis II

*Anti-requisite*: HLT00277 Clinical Preparation II

Develops the clinical skills required in the holistic assessment of the individual. Emphasis is on cue recognition of physical signs of unwellness and disease. Practical methods for the management of common problems encountered in clinical practice will also be studied, and both internal and external supervised clinical placements will support the student learning.

**HLT10481 OSTEOPATHIC STUDIES I**

*Pre-requisite*: BIO01201 Anatomy and Physiology I (can be undertaken as a co-requisite)

This unit gives a critical and reflective introduction to the history and principles of osteopathic medicine, the osteopathic concept of diagnosis and treatment, and commences the palpatory knowledge of somatic tissues by the study of surface anatomy.

**HLT10482 OSTEOPATHIC STUDIES II**

*Pre-requisite*: HLT10481 Osteopathic Studies I

This unit continues the development of palpatory and patient handling abilities, extends the student's diagnostic and technique skills, and develops an applied understanding of osteopathic principles.

**HLT10483 OSTEOPATHIC STUDIES III**

*Pre-requisite*: BIO01202 Anatomy and Physiology II and BIO00207 Biomechanics II and HLT10482 Osteopathic Studies II

*Co-requisite*: SCI10475 Neuroscience

This unit further advances the student understanding of osteopathic diagnosis and treatment, and introduces the concept of integration of underlying principles into osteopathic health care.

**HLT10484 OSTEOPATHIC STUDIES IV**

*Pre-requisite*: SCI10475 Neuroscience and HLT10483 Osteopathic Studies III
This unit further advances the students’ osteopathic diagnosis and technique abilities, and prepares students for the clinical training in personal and professional skill development.

**HLT10485**

**OSTEOPATHIC STUDIES V**

*Pre-requisite/s: HLT10484 Osteopathic Studies IV*

This unit deepens the skills of osteopathic diagnosis and treatment to a clinical practice level, and applies the theoretical understanding of ethical and patient centred issues into problem solving in clinical setting.

**HLT10486**

**OSTEOPATHIC STUDIES VI**

*Pre-requisite/s: HLT10485 Osteopathic Studies VI*

This unit consolidates the more advanced student skills of osteopathic diagnosis and treatment, applies them in the real clinical setting, and further develops critical appraisal and problem solving abilities in the early clinical and pre-research phase of the training.

**HLT40001-04**

**NATUROPATHY THESIS**

*Pre-requisite/s: Bachelor of Naturopathy with Honours students only*

**HMS00201**

**FIELD STUDIES I**

Field Studies I is the first of a series of units designed to prepare graduates for eventual entry into the workforce. To accomplish this students will be exposed to a range of practical experiences that are associated with the professional area.

**HMS00202**

**FIELD STUDIES II**

Deals with the basic principles related to communication and personal interrelationships. Introduces coaching and skill acquisition principles.

**HMS00203**

**FIELD STUDIES III - SPORTS CONDITIONING AND TRAINING METHODOLOGY**

Focuses on the practical application of training methods for sport. In particular, emphasis is placed on designing, organising and presenting “yearly” training programmes for a variety of sports.

**HMS00214**

**PREVENTION AND MANAGEMENT OF INJURY**

*Pre-requisite/s: BIO01302 Anatomy for Human Movement*

Focuses on the prevention and care of injuries sustained during physical activity in sport and exercise. Also develops an awareness of causative mechanisms of injury and investigates the role of the exercise scientist in preventive and rehabilitative exercise programming.

**HMS00220**

**GRADUATING SEMINAR**

*Pre-requisite/s: HMS00301 Research Design in Sport Science*

Involves the student conducting and presenting the results of a limited research project in his/her major area of study within the Bachelor of Human Movement Science programme.

**HMS00223**

**INTERNSHIP I**

Provides students with a systematic approach to developing a strategy for entry into the employment market place. In particular, attention focuses on preparing for the employer/employee selection process.

**HMS00224**

**INTERNSHIP II**

*Pre-requisite/s: HMS00223 Internship I*

Students will actively seek and undertake a 4 week internship with community and/or private enterprise organisations, in order to obtain practical on the job experience while providing a beneficial and worthwhile opportunity for that host organisation.

**HMS00225–8**

**INTERNSHIP III**

*Pre-requisite/s: HMS00223 Internship I*

Students will actively seek and undertake a 12-week internship with community and/or private enterprise organisations in order to obtain practical on the job experience while providing a beneficial and worthwhile opportunity for that host organisation.

**HMS00301**

**RESEARCH DESIGN IN SPORT SCIENCE**

Designed to examine the philosophical and ethical considerations necessary when conducting a research project. Will provide the necessary skills for critical analysis of published material and writing and presenting a research proposal using one of the various methods presented in the unit.
HMS00328
MOTOR LEARNING I
This unit is designed to introduce students to the major concepts related to the theory and application of motor learning and to develop their ability to structure and present effective learning situations in human movement.

HMS00423
TOURISM PLANNING AND THE ENVIRONMENT
Anti-requisite/s: HMS00216 Recreation and Tourism Planning
Recreation and tourism activities are widely promoted by government, industry and many communities as socially, economically and environmentally desirable land uses. The challenge to managers is to ensure that they are suitable in the longer term. Achieving this requires recognition that two aspects of recreation and tourism require careful management – the quality of the consumer experience and the environmental setting for leisure activities.

HMS00721
SPORTS LAW
Not available to undergraduates.
Concentrates on relating the theory and practical application of selected legal areas to the day to day running of a sport/fitness organisation. These areas have been selected for their relevance to current and future managers’ administrative interests and needs. The participant will investigate the application of the law and its principles and practices, basic legal concepts and risk management as they relate to sport and fitness organisations. The major focus will be on the recognition of potential legal problems and the steps needed to minimise legal risk.

HOS10199
FOODSERVICE OPERATIONS
Pre-requisite/s: SCI00419 Food and Beverage Management
Anti-requisite/s: SCI00428 Food and Beverage Operations SCI00429 Managing Food and beverage Operations
This unit aims to offer students an experience in planning, organising, managing and the delivery of a themed meal function. Students will develop these skills to complete a meal function project within the framework of a set management process. Pertinent theories learned in other units are drawn upon to provide theoretical underpinning for the process.

HUM00198
ACADEMIC STUDY METHODOLOGY
Internal students require written permission to study externally.
Introduces students to a range of necessary academic skills for tertiary study. The main focus is on library skills, essay writing, tutorial presentation, and report writing. A component of the unit addresses computer skills (for internal students only). In the assessment task emphasis is placed on Indigenous content.

HUM00270
INTRODUCTION TO CULTURAL STUDIES
Introduces students to contemporary cultural studies. Students examine the value of knowledge and its relationship to cultural and everyday contexts. Through specific engagements with social, political and cultural understandings of identity, the unit focuses on power, place and ethics. Students are equipped with the necessary tools to critically engage in the complex world of the twenty first century.

HUM00271
UNRULY SUBJECTS: CITIZENSHIP
Drawing on recent developments in cultural theory, and contemporary socio-cultural conditions, students are introduced to a variety of
discourses and institutions in which cultural and civil subjects are formed and governed and contested. The intermeshing layers of the local, national and global will be considered as a series of negotiations within the context of particular machineries of power. Specific institutional settings will be used to examine the political conflicts at stake, in concrete contexts and for particular groups of people.

**HUM00274**

**ECOCULTURAL STUDIES**

Draws on contemporary cultural theories which will engage students in the development of an interactive theory of nature and culture, cutting across a number of the traditional disciplines of knowledge: science, social sciences and the humanities. Detailed readings of regional cultural practices will be contextualised within the wider framework of national and international scholarship and concerns.

**HUM00275**

**CULTURAL STUDIES RESEARCH PROJECT**

*Pre-requisite/s: HUM00270 - Introduction to Cultural Studies and three units in the cultural studies major: HUM00270 - 274.*

Provides students with an opportunity to pursue in depth a topic of particular interest to them arising from theoretical or practical issues raised in earlier units of the Cultural Studies Major. Cultural study methods will be used to carry out a substantial research project. Research projects will be closely supervised and can be undertaken independently or as a group activity.

**IST00151–4**

**INDEPENDENT STUDY – EDUCATION I–IV**

**IST00161–4**

**INDEPENDENT STUDY – SOCIOLOGY I–IV**

**INDEPENDENT STUDY – TRAINING AND DEVELOPMENT I–IV**

**IST00171–4**

**INDEPENDENT STUDY – MANAGEMENT I–IV**

**IST00181–4**

**INDEPENDENT STUDY – COMMERCE I–IV**

Students may complete Independent Study Units. Specific proposals need be formulated in consultation with a supervisor and submitted to Head of School for approval.

**IST00191–4**

**INDEPENDENT STUDY – INFORMATION TECHNOLOGY I–IV**

**IST00201–4**

**INDEPENDENT STUDY – COMPLEMENTARY MEDICINE I–IV**

**IST00211–4**

**INDEPENDENT STUDY – SCHOOL OF INDIGENOUS AUSTRALIAN STUDIES I–IV**

**IST00251–4**

**INDEPENDENT STUDY – BUSINESS I–IV**

Students undertaking Independent Study Units (ISU’s) need to formulate a specific proposal in consultation with a Supervisor and submit to Head, School of Commerce and Management for approval.

**IST00351–6**

**INDEPENDENT STUDY – THE ARTS I–VI**

**IST00361-4**

**INDEPENDENT STUDY – SOCIAL SCIENCE I–IV**

*(NB Students will normally have completed 10 units of study in the BSocSc programme before being admitted to one or more of these units. Admission to these units requires prior approval by the Course Co-ordinator.)*

**IST00365-8**

**INDEPENDENT STUDY – HUMAN SERVICES I–IV**

**IST00751–4**
INDEPENDENT STUDY – TOURISM I–IV
Provision exists in some courses for students to undertake units in the Independent Study mode (see Glossary). Specific proposals need to be formulated in consultation with a supervisor and submitted in unit outline format. These units can only be undertaken with the approval of the Head of School.

IST03070
ADVANCED ENVIRONMENTAL RESEARCH METHODS
Provides a detailed study of research methods appropriate to students’ environmental research needs. Under the supervision of individual academic staff members with expertise in the relevant research areas, students will undertake a negotiated designed study course in the research methods suitable for their further research needs and intentions.

IST03115
ENVIRONMENTAL RESEARCH PROJECT II
Provides an opportunity for students to develop a research project appropriate to their environmental research interests, in conjunction with their research in SCI03071 Environmental Research Project I, to a level of competency equivalent to entry standard into a scientific research career. Under the supervision of individual academic staff members with expertise in the relevant research areas, students will develop the research project commenced in unit SCI03071 Environmental Research project I.

ISY00230
INFORMATION RESOURCES MANAGEMENT
Pre-requisites: ISY00243 Systems Analysis and Design or MNG10247 Managing Organisations in a Global Context plus any five (5) units
Provides students with a corporate perspective on the value and management of information. Also provides students with the necessary skills and knowledge to efficiently supervise and control human and computer resources within a small or large information systems department.

ISY00231
COMPUTING PROJECT
Pre-requisites: ISY00243 Systems Analysis and Design, and CSC00228 Database Systems I (or ISY00245 Principles of Programming or CSC00235 Applications Development) plus five (5) other core units
Enables students working in groups to integrate and apply skills learnt in programming, systems analysis and design and data base to a complete real-life project, from feasibility to system implementation.

ISY00241
COMPUTING IN APPLIED SCIENCE
Introduces computing skills required for environmental and the different types of software (spreadsheet, word processor, and presentation software) and the Internet. Emphasis is placed on making students independent in their future computing activities.

ISY00243
SYSTEMS ANALYSIS AND DESIGN
Studies the techniques, tools and methods of structured systems analysis in a business environment. Aims to assist students to develop analytical skills in enterprise modelling, information requirements analysis, problem identification, feasibility assessment, data modelling, data flow analysis, structured specification and socio-technical issues of the systems development life cycle.

ISY00245
PRINCIPLES OF PROGRAMMING
Introduces the basic principles of programming using a block-structured procedural programming language in a command-line environment. Students will gain a thorough theoretical and practical understanding of the programming process, including the ability to write and debug structured programs, stepwise refine code, use top-down development, develop appropriate algorithms and write modularised code using blocks and functions. Emphasis in the unit is at all times on a sound understanding of the principles involved, with particular attention being paid to worked examples to demonstrate these principles in a clear and straightforward fashion.

ISY00246
CLIENT/SERVER SYSTEMS
Pre-requisites: CSC10210 Object Oriented Program Development or CSC00239 Object Oriented programming
Introduces client/server systems both from a theoretical and a practical programming point of view. Students will gain a theoretical
understanding of important client/server standards and will learn how to use a network oriented programming language to implement systems using popular standards.

**ISY00312 INSTRUCTIONAL DESIGN I: TOOLS AND TECHNIQUES FOR ANALYSIS AND DESIGN**

In the fields of computer based training, educational multimedia and e-learning the essential elements of instructional design are based on the appropriate matching and implementation of learning theories to content, users and situational needs within the context of Instructional Systems Development (ISD). This unit examines both traditional and modern approaches.

**ISY00313 INSTRUCTIONAL DESIGN II: ANALYSIS AND DESIGN FOR ILL DEFINED & WELL DEFINED PROBLEM DOMAINS**

*Pre-requisite/s: ISY00312 Instructional Design I*

The analysis tools and design strategies adopted in a project are strongly influenced by the nature of the content and the profiles of the expected users. This unit explores the effects and relation between content and user profile by considering instructional materials in ill-defined and well-defined problem domains.

**ISY00314 INSTRUCTIONAL DESIGN III: MULTIMEDIA PRODUCT EVALUATION**

*Pre-requisite/s: ISY00312 Instructional Design I*

Evaluation of computer based training, educational multimedia and e-learning is critical in terms of both the functional integrity and instructional effectiveness of the application. This unit examines the role of both qualitative and quantitative forms of evaluation. Students will define, collect and analyse interview and performance data for multimedia products.

**ISY00324 DIGITAL MEDIA I: IMAGES, TEXT AND INTERFACE DESIGN**

The design and integration of graphics, text and interface elements are fundamental to multimedia applications. This unit introduces students to the essential elements of screen design, interface design, intelligibility and usability which are core features impacting upon developing digital media resources and the matching of those resources to end users.

**ISY00325 DIGITAL MEDIA II: AUDIO-VIDEO RESOURCES AND LINEAR SCRIPTWRITING**

Convergence of digital audio and digital video has resulted in a proliferation of these resources. This unit provides students with the skills to develop a range of digital audio and digital video resources suitable for a wide range of situational contexts within interactive multimedia applications.

**ISY00326 DIGITAL MEDIA III: 3D RESOURCES; MODELLING & ANIMATION**

*Pre-requisites: ISY00324 Digital Media I or ISY00325 Digital Media II or CSC10213 Interactive Animated Narratives*

Emerging digital media technologies in 3D modelling and animation have resulted in rapid expansion of 3D resources in multimedia, educational and 3D games applications. This unit provides students with the opportunity to develop a range of complex and integrated 3D digital models and animated resources for such contexts.

**ISY00330 MULTIMEDIA DESIGN UPDATE**

*Pre-requisites: ISY00350 Multimedia Design and either ISY00322 Interactive Multimedia Development II or CSC10214 Interactive Multimedia Application Development I*

Students will be introduced to the research process with specific reference to current areas of research and assessment in multimedia design. Emphasis will be placed on the interrelationship between graphics design, interface design, interactive design and instructional design and how these interrelate with aspects of the user, content and context.

**ISY00331 MULTIMEDIA DESIGN PROJECT**

*Pre-requisites: CSC10214 Interactive Multimedia Application Development I plus any seven (7) additional core units.*

Requires students to undertake a client-based project in the area of educational multimedia design, incorporating elements of instructional design, graphical design, interface design and interactive design. Students are expected to
maintain a record of their activities and produce a report on and presentation of their design experiences in either a work-related or client-driven project.

**ISY00332**
MULTIMEDIA DEVELOPMENT UPDATE
*Pre-requisites:* CSC10214 Interactive Multimedia Applications Development I

This unit provides students with the opportunity and environment to research and assess the current fields of practice in multimedia resource production and development. It will extend their knowledge and skills in selected software with specific focus placed upon tools that provide increased efficiencies and automated facilities for multimedia developers.

**ISY00333**
MULTIMEDIA DEVELOPMENT PROJECT
*Pre-requisite/s:* ISY00331 Multimedia Design Project

This unit requires students to undertake a client-based project in multimedia development, incorporating elements of software development, courseware engineering, logic design, web-site creation, authoring, programming and testing. Students will maintain a record of their activities, manage and market their product, and produce a detailed presentation to represent their development experiences.

**ISY00350**
MULTIMEDIA DESIGN

Effective and successful multimedia applications result from the application of sound multimedia design and technical documentation principles. This unit focuses on information design, communication design, interface design, graphic design, interaction design and instructional design in the design and technical documentation process for the development of interactive multimedia applications.

**ISY00550**
EDUCATIONAL INFORMATION TECHNOLOGY FOR THE SCHOOL PRACTITIONER
*Anti-requisite/s:* EDU10003 Educational Information Technology

Available to Master of Education students only
Students will develop their computer skills while critically evaluating the application of information technology in educational environments. They will also apply these skills in the creation of pedagogically sound technology-based teaching materials.

**ISY00551**
INTEGRATING INFORMATION TECHNOLOGY INTO CLASSROOM PRACTICE
*Available to Master of Education students only*

Provides an understanding of the theory and application of Computer Assisted Learning in the classroom setting and examines the effect of learning and teaching approaches on technological skill development. Issues associated with the management and integration of information technology in the classroom will also be addressed.

**ISY00552**
MANAGEMENT OF INFORMATION TECHNOLOGY IN THE SCHOOL ENVIRONMENT
*Available to Master of Education students only*

Develops an understanding of policy and management issues surrounding the adoption of information technology in the school environment, including staff development, resource allocation and management and administrative applications.

**ISY00720**
MANAGEMENT INFORMATION SYSTEMS

Covers the characteristics and organisation roles of the MIS functions; MIS technology (data, DBMS, networks, EDI); MIS theory including information, systems and organisational theory as well as decision-making processes; MIS management including planning and strategies, user roles and general management and security; plus MIS development – phototyping, methodologies and user participation.

**ISY00731**

**ISY00732**
INFORMATION SYSTEMS RESEARCH PROJECT B

**ISY00733**
INFORMATION SYSTEMS RESEARCH PROJECT C

**ISY00734**
INFORMATION SYSTEMS RESEARCH
UNIT DESCRIPTIONS
Southern Cross University, 2007

PROJECT D
Not available to undergraduates.
Anti-requisite/s: ISY00707 Information Systems Case Study

In this series of four units the student conducts an in-depth research study of an aspect of information systems. It may take the form of an industry-based case study, controlled experiments, a survey of IT issues, a systems development project or an exploration of some theoretical concepts, the results of which are presented in a research report. The units may be taken singly or in groups. For every two units, students are expected to submit a paper for publication.

ISY00740
E-COMMERCE FOR MANAGERS
Focuses on managerial issues related to e-commerce: benefits and opportunities as supported and enabled by modern information technology applications; security, legal and ethical issues; the role of government. The unit uses a text but also relies heavily on web-based materials; students therefore must have access to the Internet.

ISY01224
REMOTE SENSING AND SPATIAL ANALYSIS
Pre-requisite/s: GLY00223 Introduction to Geographic Information Systems
Anti-requisite/s: GLY00219 Remote Sensing and Geographic Information Systems

Concentrates on the principles, sensor characteristics, extraction of information from satellite data and applications of remote sensing with some relevance to GIS. Students will have ‘hands-on’ training in computer processing of digital data from satellite sensors and continue to work on GIS principles and applications learnt in the GLY00223 unit. The GIS component covers Digital Elevation Models, predictive modelling and GIS/remote sensing integration. The emphasis will be given to use of these new spatial information technologies in addressing resource management issues.

ISY03087
REMOTE SENSING AND SPATIAL ANALYSIS
Examines remote sensing and GIS as tools used by earth scientists to study the spatial associations, spatial extent of earth surface features and provide necessary information to decision makers to manage earth resources. Students will primarily concentrate on the principles, sensor characteristics, extraction of information from satellite data and applications of remote sensing with some relevance to GIS and will experience ‘hands-on’ training in computer processing of digital data from satellite sensors. The GIS component covers Digital Elevation Models, predictive modelling and GIS/remote sensing integration. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

ISY10056
INTELLIGENT DECISION SYSTEMS
Pre-requisite/s: ISY00243 Systems Analysis and Designs and ISY00245 Principles of Programming
Anti-requisite/s: CSC00236 Artificial Intelligence

Introduces students to decision support systems and expert systems used in organisational decision support. Topics include decision models, information requirements, management style, uncertainty, data base, model base, knowledge base, expert systems, neural networks, deductive versus inductive reasoning, executive information systems, group decision support.

ISY10058
ELECTRONIC COMMERCE SYSTEMS
Pre-requisite/s: ISY10209 Web Development I

Examines the principles and practices of the field of electronic commerce to enable students to gain a realistic understanding of the potential benefits and limitations of e-business systems. Students will be given the opportunity to design a simple e-business Internet site to gain hands-on experience.

ISY10060
E-COMMERCE SITE DEVELOPMENT
Pre-requisite/s: ISY10058 Electronic Commerce Systems

Examines the principles and practices of how to design and develop an E-commerce site for a business enterprise, and how to integrate the data processing activities with the enterprise wide information system. Particular attention will be devoted to the management and development of a project, and post development maintenance and evaluation.

ISY10148
FOUNDATION STUDY: COMPUTER SKILLS I
Only available to Foundation Studies students.
Focuses on teaching computer skills, essential to being ready for university. Topics include touch typing, using the internet and library for research, e-mail, word processing, designing a PowerPoint presentation and MySCU.

**ISY10149**  
**FOUNDATION STUDY: COMPUTER SKILLS II**  
*Only available to Foundation Studies students.*  
**Pre-requisite/s** ISY10148 Foundation Study: Computer Skills I  
Builds on ISY10148 Computer Skills I, offering students the opportunity to further develop their skills, particularly online and web based skills. Students will learn more advanced word processing and PowerPoint skills, scanning and spreadsheets.

**ISY10209**  
**WEB DEVELOPMENT I**  
**Anti-requisite/s:** ISY00321 Interactive Multimedia Development I  
Creating functional web-sites requires the structures of the product to be both efficient and maintainable. This unit provides students with an introduction to the essential elements of web-site development including functional specifications, structured design, efficient coding, logic diagrams, and conditional structures. Students will use a variety of development tools to create web-site products for desktop and on-line delivery.

**ISY10211**  
**PRINCIPLES OF MULTIMEDIA BASED LEARNING**  
Provides an overview of the major concepts and issues associated with the design and application of computer-based technology to support teaching, training and learning. Presents an outline of major theories of learning and how they can be utilised in the context of computer based training, educational multimedia, and e-learning.

**ISY10212**  
**CONTEMPORARY ISSUES IN MULTIMEDIA & INFORMATION TECHNOLOGY**  
**Anti-requisite/s:** ISY00311 Multimedia Issues  
Creating multimedia applications needs consideration of social, legal and ethical factors. This unit focuses on issues associated with human impact, regulation, the law, equity, access and cultural & indigenous issues which influence and affect the multimedia design and development environment.

**ISY10218**  
**DATABASE SYSTEMS II**  
**Pre-requisite/s:** CSC00228 Database Systems I  
This unit provides the student with exposure to industrial strength client - server databases. Students will learn how to work with Oracle Structured Query Language (SQL) to create tables, indexes and other objects and to manipulate data; PL/SQL programming; SQL* Plus, Forms Builder and Reports Builder are briefly covered. An introduction to Oracle (10g) database administration is included. Students will learn how Oracle can provide, over the Internet, a secure and powerful database for global organisations.

**ISY10221**  
**COMPUTING PROJECT I: ANALYSIS & DESIGN**  
**Pre-requisite/s:** CSC00228 Database Systems I and ISY00243 Systems Analysis and Design and either ISY00245 Principles of Programming or CSC00228 Database Systems I plus 5 other core units  
Requires students to undertake the analysis and design of a client-based project relevant to their major area of study. Students will be required to demonstrate and apply skills in project management, software and applications development, documenting program and function design, and interact and manage relationships with clients. Students are expected to maintain a record of their activities and provide a final report documenting their experience throughout the project.

**ISY10222**  
**COMPUTING PROJECT II: DEVELOPMENT & IMPLEMENTATION**  
**Pre-requisite/s:** ISY00221 Computing project I: Analysis and Design  
Requires students to undertake the development of a client-based project relevant to their major area of study. Students will be required to demonstrate and apply skills in project management, software and applications development, documenting program and function designs, and interact and manage relationships with clients. Students are expected to maintain a record of their activities and provide a final report documenting their experience throughout the project.

LAW00004
COMPANY LAW
Pre-requisite/s: LAW00131 Business Law or LAW00102 Legal Studies II, or LAW00150 Introduction to Business Law or LAW10159 Principles of Contract Law
Students enrolled in a Bachelor of Laws degree may not enrol in this unit.
Will cover those aspects of partnership and company law that are required to equip students for their future careers with particular reference to such topics as the development of company and partnership law, types of companies, rights of members, responsibilities and duties of company officers, audit and accounts, takeovers, and corporate insolvency.

LAW00048
LEGAL PROJECT
Pre-requisite/s: LAW00051 Legal Research and Writing and eleven (11) other Law units for Bachelor of Legal and Justice Students or (3) law units for Graduate Diploma in Law students.
Anti-requisite/s: LAW00046 Project A, LAW00047 Project B
Students will undertake an extensive study of a project relevant to an area of legal practice. This unit forms a bridge between the theory and the practice of law.

LAW00050
CRIMINAL PROCESS
In the practice and study of law, criminal law concepts are a foundation to an understanding of the way our legal system operates. This unit provides the student with an introduction to the principles of criminal law, and includes a discussion of the application of these principles in respect of major crimes. Emphasis will also be placed on domestic violence, summary offences and offences involving motor vehicles.

LAW00051
LEGAL RESEARCH AND WRITING
The unit introduces students to a law library, and develops the skills necessary to locate use and apply law reports, statutes, and secondary legal sources, using both computer assisted legal research and hard copy methods. It will also examine the principles of good legal writing, including and understanding of the use and preparation of legal research material, and provide an introduction to drafting ‘plain’ legal language to prepare legal documents.

LAW00052
INTRODUCTION TO LAND LAW
Pre-requisite/s: LAW00051 Legal Research and Writing plus LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW00150 Introduction to Business Law or LAW10157 Australian Legal System
Discusses the theoretical aspects of the Real Property Act and old system law. Gives the background to the legislation and common law of the various interests in property (including the types of ownership and their implications), mortgages, and generally gives a framework on which Conveyancing Law then builds.

LAW00053
FOUNDATIONS OF TORTS
Pre-requisite/s: LAW00051 Legal Research and Writing plus LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW00150 Introduction to Business Law or LAW10157 Australian Legal System
This unit is concerned with the enforcement of private rights created by civil law. The unit concentrates on the fundamental principles of the law of torts and aims to provide students with the vocational skills required by paralegals to work in
this area of the law. Access to the Internet is essential for study in this unit.

**LAW00054**

**FAMILY LAW PRACTICE**

*Pre-requisite/s:* LAW00051 Legal Research and Writing plus LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW00111 Legal Process or LAW00150 Introduction to Business Law or LAW10157 Australian Legal System

Examines the relationship of the family (both the traditional family and the family in its extended form) to the existing legal system. Will discuss the legal rights and obligations of all the parties involved in the family. Included in this study is the Family Law Act, and the De Facto Relationships Act.

**LAW00055**

**ABORIGINALS, TORRES STRAIT ISLANDERS AND CONTEMPORARY LEGAL ISSUES**

Looks briefly at the history of the application of English law to Aboriginal and Islander societies over the last 200 years. Then looks at how this legal system can be used by Aboriginal and Islander people in the push for self-determination. Students are made aware of the legislation affecting Aboriginal and Islander people today and how it can be used. Students also gain an understanding of international human rights issues.

**LAW00056**

**ABORIGINALS, TORRES STRAIT ISLANDERS AND THE CRIMINAL JUSTICE SYSTEM**

Looks at the history of the Australian criminal justice system in relation to Aboriginal and Islander people focusing on the National Report on the Royal Commission into Aboriginal Deaths in Custody. Covers processes in the criminal justice system and introduces concepts in dispute resolution as well as the use of customary law when dealing with offenders.

**LAW00057**

**CONVEYANCING LAW**

*Pre-requisite/s:* LAW00052 Introduction to Land Law or LAW00116 Property Law

Requires compulsory attendance at a one day workshop

After completing Introduction to Land Law students are now introduced to the practical implications of the conveyancing transaction.

Students will cover all areas involved in the preparation and completion of a conveyance of real property and an old system title together with the preparation of leases and mortgages and the execution and registration thereof.

**LAW00059**

**WELFARE LAW**

*Pre-requisite/s:* LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW00150 Introduction to Business Law or LAW10157 Australian Legal System or any eight (8) units

Introduces students to legal concepts and resources within the welfare system and will develop their ability to make appropriate referrals. Welfare law is an area that has grown with the increasing sophistication of the welfare state. An understanding of the complexities of this emerging area of law is essential for those working within this field.

**LAW00061**

**DRUGS, CRIME AND THE LAW**

*Pre-requisite/s:* LAW00050 Criminal Process or LAW00507 Criminal Law and Procedure or any eight (8) units

Students will consider the drug laws and their application in the legal system, with emphasis on legal, illegal and prescription drugs. Students will first look at the history of drug laws in Australia and compare these to developments internationally. Students will then study the current laws in terms of the principal offences of possession, cultivation/ manufacture, self-administration, importation, prescription offences and supply. This provides the platform for analysis of the way the law is currently operating, and the options for change in the future.

Relevant to those studying law, sports science, health science and welfare disciplines.

**LAW00062**

**WILLS AND ESTATES**

*Pre-requisite/s:* LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW00111 Legal Process or LAW00150 Introduction to Business Law or LAW10157 Australian Legal System

**Anti-requisite/s:** LAW00060 Wills and Probate Law

Concerned with the law relating to wills and the administration of deceased estates. In addition to conveyancing, the law in relation to wills and the
administration of estates is one of the major areas of practice for lawyers in NSW. The nature and characteristics of wills and the statutory formalities governing their execution will be considered. The procedures required to obtain a grant of representation (probate or letters of administration) following a person’s death will also be examined. Will also consider the law in relation to intestate succession and testator’s family maintenance.

LAW00104
EMPLOYMENT AND INDUSTRIAL RELATIONS LAW
Pre-requisite/s: LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW00503 Contract Law or LAW00150 Introduction to Business Law or LAW10159 Principles of Contract Law.
A knowledge of employment law, industrial law and industrial relations is very important for legal advisers. The ability to identify and resolve problems in this area of law will greatly assist the new graduate. Covers the major areas of employment law and industrial relations law. Looks at the law in relation to the Federal jurisdictions and legal issues involving both the employer and employee are discussed. Equal opportunity law is also discussed.

LAW00106
EEO AND OH&S LAW AND PRACTICE
Pre-requisite/s: LAW10157 Australian Legal System or LAW00150 Introduction to Business Law or LAW00101 Legal Studies I or LAW00130 Introduction to Law and Contract or LAW00111 Legal Process or any eight (8) units
The first part of this unit traces the development of equal employment opportunity and affirmative action legislation and the reactions thereto by employers and unions. It familiarises the student with the legal obligations of employers through the presentation of case studies in the field. The second part of this unit exposes the student to the importance of physiological, physical and socio-psychological factors in the workplace and their importance in creating a safe working environment. It discusses the State legislative provisions and the legal obligations these laws impose on the employer and employee.

LAW00107
CONVEYANCERS PROFESSIONAL PRACTICE
Pre-requisite/s: LAW00057 Conveyancing Law plus LAW00108 Legal and Conveyancing Practice
Students will be exposed to legislative provisions contained in Part 3 of the Conveyancers Licensing Act 1992. Professional ethics and behaviour will be addressed. A detailed study of trust accounts and appropriate record keeping practices are included.

LAW00108
LEGAL AND CONVEYANCING PRACTICE
Conveyancing and legal practice is not limited to providing legal services to clients. To survive in today’s highly competitive and complex business environment, all law firms, from the mega firm to the sole practitioner, must demonstrate high level practice management skills and a through knowledge of the accounting, legal and statutory requirements which affect day to day business operations. An acknowledgment of the special situation of a duty to client and to court is also covered.

LAW00111
LEGAL PROCESS
Pre-requisite/s: Enrolment in a Bachelor of Laws degree or Head of School written approval
Internal students need Head of School written approval to enrol externally.
Provides an introduction to law that places law in context. Law will be scrutinised as a construction of a particular society at a particular moment in history. Develops a sound knowledge and understanding of the origins of Australian law from both a jurisprudential and historical viewpoint, and of the structure of our legal institutions and divisions of legal personnel. Develops skills of legal reasoning, the ability to interpret cases and statutes, and clear and concise oral and written legal communication.

LAW00112
CONSTITUTIONAL LAW
Pre-requisite/s: LAW00111 Legal Process and enrolment in a Bachelor of Laws degree or Head of School written approval
Internal students need Head of School written approval to enrol externally.
The Australian legal system is federal in nature, dividing power between the Commonwealth and the States. Such a division means that Constitutional Law impinges on many areas of practice. The power of the State may be checked by Constitutional Law. In addition, Constitutional
Law is relevant to issues of civil liberties. The emerging concepts of “the people” and implied human rights will be explored in depth. In addition, the New South Wales constitution will be examined.

**LAW00114 EVIDENCE AND CIVIL PROCEDURE**  
*Pre-requisite/s:* LAW00111 Legal Process and enrolment in the Bachelor of Laws degree or Head of School written approval.  
*Internal students need Head of School written approval to enrol externally.*

Introduces the general principles governing the law of evidence and to the rules of procedure adopted by the civil courts. Develops understanding of the law at work in the community by studying and observing the application of the law of evidence in the determination of civil and criminal disputes and the application of the rules of civil procedure in the determination of civil disputes. Critically examines the effectiveness of the law of evidence and the rules of civil procedure in achieving their objective of ensuring fairness in the hearing and determination of civil and criminal disputes.

**LAW00115 EQUITY**  
*Pre-requisite/s:* LAW00503 Contract Law and LAW00116 Property Law (or as a co requisite) and enrolment in Bachelor of Laws degree or Head of School written approval  
*Internal students need Head of School written approval to enrol externally.*

Provides a sound knowledge of the principal doctrines and remedies of equity and the law of trusts; and of the interrelationship between equity and other substantive law subjects, particularly the laws of property, contracts and succession.

**LAW00116 PROPERTY LAW**  
*Pre-requisite/s:* LAW00503 Contract Law and enrolment in Bachelor of Laws degree or Head of School written approval  
*Internal students need Head of School written approval to enrol externally.*

Provides students with a working knowledge of the basic concepts and different legal classifications of property; the concepts of ownership and possession of property; the nature and types of proprietary interests; systems of title to real property; and particular interests in real property including co-ownership, future interests, perpetuities and accumulations, easements, covenants, mortgages, leases and licences.

**LAW00117 ADMINISTRATIVE LAW**  
*Pre-requisite/s:* LAW00111 Legal Process and enrolment in Bachelor of Laws degree or Head of School written approval  
*Internal students need Head of School written approval to enrol externally.*

As one of law’s major growth areas, the study of administrative law is fundamental to a lawyer’s understanding of the Australian legal system. Administrative law is concerned with the mechanisms by which the power exercised by governments and public officials can be reviewed and controlled. Administrative law has come to be regarded as an important means of controlling bureaucratic excess and of ensuring sound and consistent public bureaucratic decision-making.

**LAW00118 ENVIRONMENTAL LAW**  
*Pre-requisite/s:* LAW00111 Legal Process or LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW00150 Introduction to Business Law or LAW10157 Australian Legal System  
*Internal Bachelor of Laws students need Head of School written approval to enrol externally.*

Environmental law impacts on many areas of practice. It encompasses laws of planning and pollution control, as well as laws dealing with land and nature conservation. As society’s awareness of environmental issues increases, the area of environmental law is rapidly expanding, and it is an important area for students to understand. The theoretical framework of environmental law provides important insights into government practice and policy with respect to the environment.

**LAW00119 LOCAL GOVERNMENT AND PLANNING LAW**  
*Pre-requisite/s:* LAW00111 Legal Process or LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW00150 Introduction to Business Law or LAW10157 Australian Legal System.  
*Local government has significant powers over the environment, and additional delegated authority under the Local Government Act 1993. Examines*
the crucial role of local government in relation to environmental decision-making, and its powers and functions generally. Provides a comprehensive grasp of planning laws within New South Wales, and provides a critical perspective on these laws.

**LAW00120 VICTIMOLOGY**

**Pre-requisite/s:** LAW00507 Criminal Law and Procedure or LAW00050 Criminal Process or any eight (8) units

Introduces students to the discipline of victimology. The social, psychological, financial and legal consequences of criminal victimization will be examined, and the past, present and suggested future rights of crime victims will be discussed. Contemporary issues will be explored, such as the question of the appropriate role of victims in the criminal justice system, victim impact statements, the right of crime victims to compensation and restitution, the special needs of various categories of crime victims, restorative justice and whether other types of victims should be included in the study of victimology.

**LAW00121 INTELLECTUAL PROPERTY**

**Pre-requisite/s:** LAW00111 Legal Process or LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW10157 Australian Legal System or LAW00150 Introduction to Business Law.

Introduces the fundamental legal principles concerned in the protection of intellectual property, as they are expounded in the relevant statutes and leading cases. Examines copyright, patents, trade-marks and industrial designs, with the aim of fostering a thorough understanding of the various systems which underpin the protection of intellectual property. Cultivates an appreciation of the complex, challenging and often controversial issues, such as the ethical dilemmas posed by the patenting of new life forms, raised by the protection of intellectual property. Encourages an understanding of the increasingly important role played by international conventions and agreements, in the protection of intellectual property in markets overseas.

**LAW00122 CLINICAL LEGAL EXPERIENCE**

**Pre-requisite/s:** 12 Bachelor of Law units and enrolment in a Bachelor of Laws degree

This unit exposes students to experiences in practice within a legal office environment, and involves hands on participation in the handling of client matters. Students will undertake a placement within a local legal office during the semester, and will be supported by discussions and activities in classes. Attendance at classes is compulsory in this unit. The School will assist students to arrange their placement. Students should contact the unit assessor prior to enrolling to discuss placement options. This will assist the unit assessor to make arrangements for placements in a timely manner for all students. Students may arrange their own placement but must have their placement approved by the unit assessor and/or the Head of School. Students may not commence the placement until this approval is granted, and insurance arrangements are finalised by the Head of School who will make the final decision on the placement and will not be required to give reasons for that decision.

**LAW00123 LAW PLACEMENT**

**Pre-requisite/s:** 12 Bachelor of Law units and enrolment in a Bachelor of Laws degree

The School places considerable emphasis on the gaining of insights and practical skills through the completion of a significant period of time working within the legal environment. These units aim to ensure that Southern Cross University law graduates who have completed one or both of these units are eligible to apply for exemption from some or all of the practical experience requirements for admission to practice as a legal practitioner.

**LAW00124 INTERNATIONAL BUSINESS LAW**

**Pre-requisite/s:** LAW00503 Contract Law or ECO00312 International Trade or LAW00102 Legal Studies II or LAW00131 Business Law or LAW00150 Introduction to Business Law or LAW10159 Principles of Contract Law

Introduces the fundamental legal principles concerned in the conduct of, as they are expounded in international agreements, private international law, Australian domestic legislation and in each instance, relevant cases. Cultivates an appreciation of the complex issues raised by the regulation of international business such as the impact of technology on commercial transactions, the pressing drive for economic rationalism, investment into developing countries and the
demand for environmental protection. Encourages an appreciation of the issues, such as the adequacy of local laws and enforcement procedures faced by Australian companies when “doing business” in this region.

**LAW00125 INFORMATION TECHNOLOGY AND THE LAW**

*Pre-requisite/s:* LAW00111 Legal Process or LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW10157 Australian Legal System or LAW00150 Introduction to Business Law.

Computer technology has become a pervasive technology in our society, extending into many facets of our everyday lives. As the regulatory system in our society which aims to protect rights and resolve disputes, the legal system is being forced to consider and to respond to the problems thrown up by the use and abuse of computer technology. This unit provides an awareness of the present responses in order to give accurate advice to the computer industry and its users and of the uses to which information technology as management systems can be put in our courts, legal offices, and legal information retrieval systems.

**LAW00126 TRADE PRACTICES LAW**

*Pre-requisite/s:* LAW00130 Introduction to Law and Contract or LAW00150 Introduction to Business Law or LAW00050 Contract Law or LAW00101 Legal Studies I or LAW10159 Principles of Contract Law.

Will consider in detail the laws relating to marketing and consumer protection with particular reference to Parts IV and V of the Trade Practices Act, the Sale of Goods Act and the Fair Trading Acts. Consumer credit transactions will also be examined.

**LAW00128 INTERVIEWING, NEGOTIATION AND ETHICS**

Introduces students to the theory, procedures and skills underpinning work in an environment in which the principles and skills of interviewing, negotiation and advocacy are applied. Discusses the ethical considerations related to the interview process. Provides students with the oral and analytical skills required in interviewing and negotiation. Explores the ethical issues related to the interview and negotiation processes.

**LAW00150 INTRODUCTION TO BUSINESS LAW**

*Anti-requisite/s:* LAW00101 Legal Studies I, LAW00130 Introduction to Law and Contract, LAW10159 Principles of Contract Law

Designed for those students contemplating a career in business, either within the accounting profession or within the business environment itself. Students receive an understanding of the Australian system of government with particular focus on the legal system and, then, various topics are examined which are of relevance to those working within the Australian business community. Particular attention is given to the law of contract.

**LAW00203 BUSINESS LAW AND ETHICS FOR TOURISM AND HOSPITALITY**

Introduces students to philosophical concepts of law and social theory and examines the Australian legal system. Key elements of business law (business entities, contracts, negligence and consumer protection) and their implications for firms within the tourism and hospitality industries are examined. Aspects of employment law and bailment that are specifically relevant to tourism and hospitality are also examined. Another segment of this unit introduces students to some general principles of business ethics and their application to tourism and hospitality operations.

**LAW00214 MEDIATION AND DISPUTE RESOLUTION**

This unit requires compulsory attendance at a weekend workshop.

*Pre-requisite/s:* Any eight (8) units

Will examine the theory and applications of conflict resolution and alternative dispute resolution. Students will be required to demonstrate a thorough understanding of the major theories and approaches to mediation, conflict, negotiation, resolution and reconciliation.

**LAW00215 DISPUTE RESOLUTION AND ABORIGINAL COMMUNITIES**

*Pre-requisite/s:* LAW00055 Aborigines, Islanders and Contemporary Legal Issues

Will provide students with an introduction to dispute resolution methods used by Aboriginal and non-Aboriginal communities. The processes of
negotiation and mediation will be examined. Students will consider the appropriateness and effectiveness of such methods of dispute resolution as relevant to Aboriginal communities.

LAW00241
LEGISLATION, ADMINISTRATION AND COMMUNICATION
Provides an understanding of the three-tiered government system in Australia, and the varying responsibilities of each level. Relates to an understanding of the various legislative and administrative controls which stem from governments and their subsidiary agencies. Stresses the importance of effective communication skills for technically-oriented resource managers and provides practical experience in a range of settings.

LAW00503
CONTRACT LAW
Double-weighted unit.
Pre-requisite/s: LAW00111 Legal Process and enrolment in a Bachelor of Laws degree or Head of School written approval
Internal students need Head of School written approval to enrol externally
A contract is a set of promises leading to legally binding obligations. This unit examines the principles of contract law and how they regulate the 'private' obligations entered into between individuals and/or individual legal entities, and the theoretical influences that have shaped the development of common law contract principles. The principles are analysed from a range of critical perspectives, namely economic theory, critical legal studies, feminist theory, and social relations theory. The topics covered look at the legal principles related to the formation of a contract, the meaning given to the terms of the contract, performance of a contract’s obligations, the enforceability of a contract, and the statutory remedies and equitable doctrines that have developed to moderate the effect of the common law. Contract law is a foundation unit within the LLB, and is double weighted.

LAW00507
CRIMINAL LAW AND PROCEDURE
Double-weighted unit.
Pre-requisite/s: LAW00111 Legal Process (or as a Co-req) and enrolment in a Bachelor of Laws degree or Head of School written approval.

LAW00514
CRIMINOLOGY
Pre-requisite/s: LAW00507 Criminal Law and Procedure or LAW00050 Criminal Process or any eight (8) units
Provides the student with an understanding of the major international strands of criminology together with a detailed knowledge of the application of these principles in an Australian context. Emphasis will be placed on modern Australian criminology concentrating on the role of legal personnel in the criminal justice system.

LAW00516
ADVANCED ADVOCACY
Pre-requisite/s: LAW00507 Criminal Law and Procedure and LAW00114 Evidence and Civil Procedure
Summer School 2006
Specifically aimed at those students who will in their practice anticipate involvement in appearing in courts as an advocate. Whilst some solicitors may not appear in court, nevertheless the skills of persuasion by written and oral argument in court are useful in many other legal contexts. Will be taught with an emphasis on the acquisition and practice of courtroom skills up to District Court level.

LAW00519
PROFESSIONAL CONDUCT
Pre-requisite/s: LAW00111 Legal Process and eleven (11) law units and enrolment in a Bachelor of Laws degree or Head of School written approval.
Internal students need Head of School written approval to enrol externally
Will provide the student with an understanding of the principles of legal ethics together with a detailed knowledge of the application of these principles in respect of the legal profession. Emphasis will be placed on the most significant ethical considerations encountered by practitioners
such as entry and regulation of the profession, delivery of legal services, duties to clients, duties to lawyers and duties to the courts.

**LAW00520**

**THE PHILOSOPHY OF LAW**

*Pre-requisites:* LAW00111 Legal Process or PH00210 Ways of Knowing or PH00200 History of Ideas

Internal students need Head of School written approval to enrol externally

Examines major themes in the philosophy of law. Introduces students to a range of philosophical perspectives with implications for law, legal institutions and legal practices, identifying the assumptions, values and methodology which render each perspective distinctive, and the practical consequences of these perspectives.

**LAW00521**

**INTERNATIONAL LAW**

*Pre-requisite/s:* LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I or LAW00111 Legal Process or LAW00150 Introduction to Business Law or LAW10157 Australian Legal System

Is an introductory course in public international law. Designed to introduce students to the basic concepts of the law which regulate relations between nations. Will examine the nature, origins, structure, functions, sources and subjects of international law. Is affected by its political and social context. Where appropriate, emphasis will be placed upon examining Australian foreign policy and upon international legal questions that particularly affect Australia.

**LAW00522**

**HUMAN RIGHTS**

*Pre-requisite/s:* LAW00111 Legal Process or LAW00130 Introduction to Law and Contract or LAW10157 Australian Legal System or LAW00101 Legal Studies I or LAW00150 Introduction to Business Law PLUS any 7 units

Examines the principles of human rights from international, Australian, comparative and theoretical perspectives. Will discuss the international human rights regime, the method by which human rights are protected in Australia and other countries (such as the United States and/or South Africa), and the question of whether Australia should have its own Constitutional or legislative Bill of Rights. Will analyse the common theoretical critiques of human rights, and

will study some selected human rights issues.

**LAW00523**

**COMMERCIAL LAW**

*Pre-requisite/s:* LAW10159 Principles of Contract Law or LAW00503 Contract Law or LAW00150 Introduction to Business Law or LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I

*Anti-requisite/s:* LAW00102 Legal Studies II or LAW00131 Business Law

Addresses the fundamental principles governing commercial law. The unit is divided into 2 parts: Part A discusses the law related commercial transactions, including the sale of goods, credit law, negotiable instruments and insurance. Part B discusses other related areas, including the law of trusts, bankruptcy, intellectual property and employment law.

**LAW00524**

**INDEPENDENT LEGAL RESEARCH**

*Pre-requisite/s:* LAW10181 Legal Research Context, Perspective and Method and LAW00051 Legal Research and Writing and 10 Bachelor of Laws units and enrolment in a Bachelor of Laws degree

*Anti-requisite/s:* LAW00517 Legal Research

It is fundamental to both the study and practice of law that graduates can carry out legal research. Students must be able to find the law in an efficient and expeditious manner before they are able to apply it to the solution of real or hypothetical legal problems. This unit will further develop legal research skills that have been introduced at an earlier stage in the degree. Examines advanced legal research techniques and methodology and then allows students to apply their research skills to an area of law of their choosing.

**LAW00526**

**INTERNATIONAL CRIMINAL JUSTICE**

*Pre-requisite/s:* any eight units

Examines the rules of international individual criminal responsibility in the context of the most heinous crimes of the modern era. These include the crimes committed during the Nazi regime, the Apartheid era in South Africa, the Khmer Rouge regime in Cambodia, the wars in former Yugoslavia during the 1990's, and the practices of the military rulers in Burma. The extent, consistency, adequacy and variety of the international community's response, in respect to
both the perpetrators and the victims of these crimes, will be critically analysed. The issues concerning the creation of a permanent International Criminal Court will also be explored.

LAW00527
CORPORATIONS LAW

Pre-requisite/s: LAW00503 Contract Law and enrolment in a Bachelor of Laws degree or Head of School written approval

Is a core unit in the Bachelor of Laws curriculum and a requirement under the “Priestley” uniform admission rules. Will develop the student’s understanding of the role of partnerships and companies in commercial legal practice. Will familiarize students with relevant legislation and case law and critically examine the role played by corporations law in modern society, particularly as it impacts upon directors, other officers, members, and creditors. Corporations law reform will be an overriding issue.

LAW00529
RESTORATIVE JUSTICE

Pre-requisite/s: LAW00550 Criminal Process or LAW00507 Criminal Law and Procedure or any (8) eight units at a tertiary level

Examines the philosophy and principles of restorative justice as an alternative approach to orthodox criminal justice processes. Will discuss the theory and practice of restorative justice at various state, national and international levels. Will analyse the appropriateness of restorative justice from the perspectives of participants including victims, offenders, state representatives and minority groups such as Indigenous people and people from non-English speaking backgrounds. Will examine the application of restorative justice across the entire spectrum of the criminal justice system, from pre-sentence conferencing to inmate misconduct.

LAW00701
CORPORATION AND SECURITIES LAW

Not available to undergraduates.

Pre-requisite/s: LAW00720 Legal Studies

Involves the study of partnership law and company law with respect to formation, operation, administration, takeover and liquidation. Also looks at current and proposed companies and securities codes and stock exchange listing requirements. Examines briefly the law relating to trust estates, particularly trading trusts, and provisions relation to incorporation of associations. Also studies current issues in relation to proposed amendments to securities and corporate legislation.

LAW00720
LEGAL STUDIES

Not available to undergraduates.

Legal issues associated with business activities; the legal system in Australia; the historical background to Australia’s legal system; the development of case and statute law; contract law and various statutory influences that have taken place in contract law; legislation with implications for contract law (Trade Practices Act, Fair Trading Act, Contracts Review Act and various state consumer laws); legal entities; industrial law; business, taxation and commercial law.

LAW00722
HEALTH LAW

Not available to undergraduates.

Commences with an introduction to the Australian legal system, its origins, basic concepts and legal processes. Following this introduction, students will examine the major legal concepts which impact upon health managers such as Consent, Negligence, Death and Dying and Patients’ Rights. Relevant Health Acts will also be examined in detail.

LAW00730
LAW OF FINANCE AND SECURITIES

Designed to develop a detailed knowledge of the ways in which the regulation of financial markets can be analysed so as to evaluate the effect of current (and proposed) regulations of the Australian Securities Market. A detailed analysis of the regulation of the banking industry and securing finance from a legal perspective will be covered. The course is designed to provide examples of the practical application of finance and banking laws to managers and senior financial advisers.

LAW01125
STOCK EXCHANGE AND FINANCE LAW

Pre-requisite/s: LAW00102 Legal Studies II or LAW00131 Business Law or LAW00503 Contract Law or LAW00150 Introduction to Business Law or LAW10159 Principles of Contract Law

Designed to develop an understanding in the student of the ways in which the regulation of financial markets can be analysed in order to evaluate the effect of current (and proposed)
regulation of the Australian Securities Markets. Will include a detailed analysis of the regulation of the banking industry and several methods of securing finance from a legal perspective.

LAW0116
LEGISLATION, ADMINISTRATION AND COMMUNICATION
Only offered externally if sufficient numbers
Provides an understanding of the three-tiered government system in Australia, and the varying responsibilities of each level. It relates to an understanding of the various legislative and administrative controls which stem from the governments and their subsidiary agencies. The unit stresses the importance of effective communication skills for technically-oriented resource managers and provides practical experience in a range of settings. A Masters Tutorial component is included in which students address advanced issues of critical analysis in the field.

LAW10068
LAW AND GOVERNMENT DECISION MAKING
Pre-requisite/s: LAW00130 Introduction to Law and Contract or LAW00051 Legal Research and Writing or LAW10157 Australian Legal System
Students enrolled in a Bachelor of Laws degree may not enrol in this unit.
Provides an introduction to the basic principles of government decision making and to the role of tribunals, courts and the Ombudsman in enabling people to challenge federal government decisions that affect them, including the mechanisms by which the power exercised by governments and public officials may be reviewed and regulated.

LAW10069
VETERANS’ LAW I
Pre-requisite/s: LAW00130 Introduction to Law and Contract or LAW00051 Legal Research and Writing (or as a Co-reg) or LAW10157 Australian Legal System (or as a Co-reg)
Introduces students to the basic principles of eligibility for pension, Commonwealth liability to pay pension and assessment of pension for veterans, including medical concepts and terminology relevant to veterans’ claims. Provides students with the ability to assist veterans and their dependants in making claims for pension and preparing applications and written submissions for review of pension decisions.

LAW10070
VETERANS’ LAW II
Pre-requisite/s: LAW10069 Veterans’ Law I
Examines the more complex issues involved in veterans law, particularly concerning the invalidity service pension and income and assets test and military compensation in Australia, and gives students an appreciation of a number of current issues in veterans law by analysing the conflicting legal arguments involved in those issues.

LAW10157
AUSTRALIAN LEGAL SYSTEM
Introduces students to the concept of law and the nature and structure of the Australian legal system and its institutions, including parliaments, courts and other decision-making bodies. Discusses the basic concepts of the Australian legal system including federalism, parliamentary sovereignty, separation of powers, rule of law, statutory interpretation, the doctrine of precedent and procedural fairness. Explores interesting and controversial questions such as republicanism, whether there should be a Bill of Rights, issues related to Indigenous Australian Peoples and recognition of customary law, the role of international and foreign legal systems, and questions of whether the legal system is fair towards traditionally disadvantaged groups.

LAW10158
INTRODUCTION TO EVIDENCE AND ADVOCACY
Pre-requisite/s: LAW00130 Introduction to Law and Contract or LAW10157 Australian Legal System or LAW00150 Introduction to Business Law
This unit provides paralegal students with a basic understanding of evidence and advocacy in the context of civil procedure in local courts and small tribunals. It deals with (a) how a civil case is structured (pre-trial procedure), (b) how it is proved in a local court or small tribunal (evidence), (c) how it is presented in such a forum (advocacy), and (d) how a judgement is enforced (post-judgement procedure). The civil case focused on is one involving a claim for debt in a local court or small tribunal. Students will need access to the Internet.

LAW10159
PRINCIPLES OF CONTRACT LAW
Pre-requisite/s: LAW10157 Australian Legal System and LAW00051 Legal Research and
Writing

Anti-requisite/s: LAW00102 Legal Studies II or LAW00131 Business Law or LAW00150 Introduction to Business Law or LAW00130 Introduction to Law and Contract or LAW00101 Legal Studies I

Provides the basis for a sound understanding of the basic principles governing the formation, interpretation and performance of contractual rights and obligations and the remedies available to parties in contractual disputes, under both common law and statute.

LAW10180

LAW OF TORTS

Pre-requisite/s: LAW00111 Legal Process and enrolment in a Bachelor of Laws degree or Head of School written approval.

Anti-requisite/s: LAW00502 Torts

Internal students need Head of School written approval to enrol externally.

The law of torts is concerned with compensation for wrongful interference with the rights of another. This unit is directed to providing students with a basic understanding of the principles upon which liability to pay compensation is based through detailed study of a number of tort actions including negligence, trespass, and nuisance. In the tort actions selected for study, examples will be found of the various forms of conduct and states of mind which can give rise to liability, and the different consequences which may be compensated, ranging from tangible physical injury to person or property to intangible or financial loss unaccompanied by any physical injury. The unit also aims to examine critically the effectiveness of the law of torts in achieving its principal objectives of deterrence, resource allocation, compensation and loss distribution, particularly in the area of compensation for personal injury.

LAW10181

LEGAL RESEARCH: CONTEXT, PERSPECTIVE AND METHOD

Pre-requisite/s: LAW00520 The Philosophy of Law and LAW00051 Legal Research and Writing

Legal research skills are an integral part of legal education and legal practice. This unit is designed to introduce researchers in the discipline of law to a number of qualitative and quantitative research traditions and to the various theoretical and epistemological frameworks which may inform different types of legal research. It will also familiarise students with a range of methods and methodologies which may be employed in the legal research process. Students will also be introduced to some of the ethical issues which may arise during the conduct of research.

LAW10292

EDUCATION AND THE LAW

Pre-requisite/s: Any eight (8) units at tertiary level

Education Law is emerging as a major area of practice for lawyers, and knowledge of its intricacies is also very important for teachers and school and university administrators. This unit analyses selected legal issues relating to schools and universities, their students and their staff; including management issues, student issues relating to the obligation of the school to educate in a safe environment, discrimination and inclusiveness, employment issues and academic freedom.

LAW10487

ANIMAL LAW

Pre-requisite/s: Enrolment in a law degree OR any eight (8) units at tertiary level

Using an inter-disciplinary approach, this unit covers several major areas of law in which the nature of non-human animals is an important factor. It introduces the main schools of thought associated with animal industries and different parts of the animal protection movement.

LAW10488

CRIME, GLOBALISATION AND GOVERNMENT LAW

Pre-requisite/s: Any eight (8) law units

‘Crime, Globalisation and Governance’ applies comparative legal analysis to contemporary concerns for global governance and international relations. Considerations of international criminal law, criminal justice and globalisation are integrated to analyse a selection of case-studies wherein governance is challenged and crime control priorities are prominent. Students will understand the intersection between crime and control, risk and security in the present epoch of globalisation.

LAW10489

AUSTRALIAN MILITARY AND NATIONAL SECURITY LAW

Pre-requisite/s: LAW00507 Criminal Law and LAW00117 Administrative Law or any eight (8)
In the defence of Australia, the ADF coexists and co-operates with other bodies such as the police and intelligence agencies. However, for the ADF personnel, they live and work under a dual system of laws. On the one hand they adhere to the laws of armed conflict during operations, whilst on the other they comply with their own code of 'military law'. In peacetime, the ADF also continue to function under 'military law' as well as carry the same social obligations as other citizens pursuant to 'civilian law'. This unit will examine these systems of laws and their applicability to all relevant stakeholders in the defence of Australia.

**LAW10490**  
**TRIALS AND WITNESSES**  
**Pre-requisites:** Any eight (8) law units  
(knowledge of criminal law and/or evidence law would be an advantage)

Trials and Witnesses examines many well known political and criminal trials, both from an historical and psychological perspective. Consideration of the technical aspects of the trial such as rules of evidence and skills of advocacy are covered and the adversarial nature of a court trial is explored to determine to what extent an advocate is an actor. Students will also evaluate the psychological impact of a trial on witnesses and juries.

**LAW10491**  
**SEXUAL ORIENTATION AND THE LAW**  
**Pre-requisites:** Any eight (8) law units

This unit will centre sexuality and discuss it in a thematic, rather than doctrinal manner. We will consider the multitude of ways in which law in Australia, and elsewhere, constructs and regulates individuals and families by reference to their sexuality. In doing so we will traverse and re-traverse various legal doctrinal areas, such as criminal law, international law, family law, anti-discrimination law and so on, but our focus is not on the legal rules as such. Rather we will be examining ideas of sexuality and gender that generate, reproduce and/or change such rules. Law in this course will be examined as an ideological and discursive system rather than as a rule-based system. A major theme through the unit is the tension between assimilation and resistance, specifically, the extent to which lesbians, gay men and other sexual outsiders can transform law, or are in turn, pressed into conforming to it through their efforts.

**MAT00211**  
**QUANTITATIVE ANALYSIS**  
**Pre-requisites:** ISY00241 Computing in Applied Science

Introduces statistical methods required for environmental management, the different types of variables, how to summarise and graphically represent data, descriptive statistics and tests of significance (chi square, t test, correlation and regression and analysis of variance). Emphasis is placed on choosing a suitable type of data and using an appropriate statistical method in an environmental management setting.

**MAT00213**  
**DISCRETE MATHEMATICS**

Introduces the student to selected topics in discrete mathematics essential to studies involving computing and computer applications. Topics include computer arithmetic, set theory, logic, Boolean algebra, matrices and graph theory.

**MAT00330**  
**RESEARCH AND ANALYSIS IN HEALTH**

This unit will provide students with an understanding of research methods and design so that they can be applied to the study of the science and management of sport and exercise. Students will analyse relevant statistical data and gain an understanding of the research process and ethical issues. Computing skills and appropriate software packages will be introduced that aid with report presentation and analysis.

**MAT00331**  
**ADVANCED STATISTICS**  
**Pre-requisite/s:** MAT00330 Statistics  
Honours students of Head of School of ESSM written approval required.

Will provide students with an understanding of advanced statistical methods and procedures. There will be a strong emphasis on analysing experimental paradigms and associated statistical techniques used in contemporary research in the field of Human Movement Science. Students will also gain a detailed understanding of the use of computer system packages designed to perform the statistical analyses.

**MAT00400**  
**RESEARCH METHODS**  
**Pre-requisite/s:** MAT00115 Statistics I  
**Anti-requisite/s:** MKT00106 Marketing Research

The purpose of this unit is to introduce students to
the methodologies, tools and techniques of research in business. Both the qualitative and quantitative aspects of research methods will be addressed. Topics considered include philosophy of research, types of research, problem identification, hypotheses formulation, research design, data collection and sampling, survey questionnaires, observations, validity and reliability, measurement techniques, data analysis, statistical computation tools, and interpretation of research findings.

MAT00722
QUANTITATIVE METHODS FOR COMMERCE
Not available to undergraduates

Anti-requisite/s: MAT00720 Quantitative Analysis for Management

Introduces students to financial mathematics and statistics relevant to accounting and business. The mathematical component includes simple and compound interest, annuities, loan repayment methods and investment analysis. The statistical component includes aspects of descriptive statistics, probability and distributions, statistical inference, chi-square tests, analysis of variance, regression and correlation, and selected nonparametric tests.

MAT00792
RESEARCH METHODS
Available to Honours students. May be used as a qualifying unit for Masters students with approval from the School of Commerce and Management.

Anti-requisite/s: EDU40001 Research Methods for the Social Sciences

The purpose of this unit is to introduce students to the methodologies, tools and techniques of research in business. Both the qualitative and quantitative aspects of research methods will be addressed. Topics considered include philosophy of research, types of research, problem identification, hypotheses formulation, research design, data collection and sampling, survey questionnaires, observations, validity and reliability, measurement techniques, data analysis, statistical computation tools, and interpretation of research findings.

MAT03069
QUANTITATIVE ANALYTIC TECHNIQUES FOR MANAGEMENT

Anti-requisite/s: MAT00720 Quantitative Analysis for Management

Gives an introduction to statistics and operations research as applied to business. The statistical component includes the role of, uses and limitations of statistics, measures of central tendency and dispersion, regression, correlation, probability and distributions, sampling distributions, estimation and confidence intervals, and testing hypotheses. The operations component includes decision theory, Markov Processes, linear programming, transportation and assignment models and queuing theory.

MAT03088
QUANTITATIVE ANALYSIS

Introduces students to statistical methods required for environmental management. Students are introduced to the different types of variables, how to summarise and graphically represent data, descriptive statistics, tests of significance (chi square, t test, correlation and regression and analysis of variance). An emphasis is placed on choosing a suitable type of data and using an appropriate statistical method in an environmental management setting. A Masters Tutorial component is included in which students address advanced issues of critical analysis of quantitative analysis of environmental data.

MAT10248
QUANTITATIVE ANALYSIS FOR BUSINESS

Anti-requisite/s: MAT00115 Statistics I and MAT00051 Business Mathematics

Quantitative Analysis for Business gives an introduction to mathematics and statistics as applied to business. INTRODUCTION TO VOCAL STUDIES  
Not available to voice majors.  
Introduces students to vocal techniques, occupational health and safety issues relating to the voice, and the music industry requirements of vocalists. (Note: Not available to vocal specialisation.)

MUS00630  
SONGWRITING  
Students require approval by Music Course Co-ordinator to enrol externally.  
Examines formal compositional techniques, as well as both structured and intuitive cognitive processes in relation to contemporary songwriting.

MUS00641  
PRACTICAL STUDIES I  
Pre-requisites: Bachelor of Contemporary Music or Bachelor of Contemporary Music, Bachelor of Education (Secondary) or Bachelor of Contemporary Music, Bachelor of Laws  
Provides a grounding in practical techniques, technical routines, theory applications and musicianship skills relevant to the studio specialisation of the student.

MUS00642  
PRACTICAL STUDIES II  
Double-weighted unit.  
Pre-requisites: MUS00641 Practical Studies I  
Provides a consolidation of practical techniques, technical routines, theory applications and musicianship skills relevant to the studio specialisation of the student, and also introduces studio production presentations such as concerts and recordings.

MUS00643  
PRACTICAL STUDIES III  
Double-weighted unit.  
Pre-requisites: MUS00642 Practical Studies II  
Provides a continuation of practical techniques, technical routines, theory applications, musicianship skills and studio production relevant to the studio specialisation of the student.

MUS00644  
PRACTICAL STUDIES IV  
Double-weighted unit.  
Pre-requisites: MUS00643 Practical Studies III  
Provides a continuation of practical techniques, technical routines, theory applications, musicianship skills and studio production relevant to the studio specialisation of the student, and also provides the opportunity for some cross school activities.

MUS00645  
PRACTICAL STUDIES V  
Double-weighted unit.  
Pre-requisites: MUS00644 Practical Studies IV  
Focuses on studio production relevant to the chosen specialisation, as well as continuing technical routines and theory applications. Further work may, if desired, be undertaken in another studio area.

MUS00646  
PRACTICAL STUDIES VI  
Double-weighted unit.  
Pre-requisites: MUS00645 Practical Studies V  
Focuses on studio production relevant to the studio specialisation of the student.

MUS40000  
CONTEMPORARY MUSIC RESEARCH METHODS  
Double-weighted unit.  
Pre-requisites: Admission to Bachelor of Contemporary Music (Hons)  
Provides an overview of research methods with an emphasis on contemporary popular music research methods, and develops skills in relation to both spoken and written presentations.

MUS40001  
CONTEMPORARY MUSIC RESEARCH PROJECT (STAGE 1 OF 3)  
Double-weighted unit.  
Co-requisites: MUS00510 Contemporary Music Research Seminar  
Provides an introduction to popular music research through the completion of a substantial research project – conducted under the supervision of academic staff with relevant expertise.
MUS40002
CONTEMPORARY MUSIC RESEARCH
PROJECT (STAGES 2 OF 3)
Double-weighted unit.
Pre-requisite/s: MUS40001 Contemporary Music Research Project (Stage 1 of 3)
Provides an introduction to popular music research through the completion of a substantial research project – conducted under the supervision of academic staff with relevant expertise.

MUS40003
CONTEMPORARY MUSIC RESEARCH
PROJECT (STAGE 3 OF 3)
Double-weighted unit
Pre-requisite/s: MUS40002 Contemporary Music Research Project (Stage 2 of 3)
Provides an introduction to popular music research through the completion of a substantial research project – conducted under the supervision of academic staff with relevant expertise.

NRS00229
CLINICAL PROJECT I
This is the first of two units which provides students with an opportunity to progressively expand their current level of knowledge and clinical expertise in either a nursing speciality or an area of clinical interest.

NRS00230
CLINICAL PROJECT II
This is the second of two units which provide students with an opportunity to progressively expand their current level of knowledge and clinical expertise in either a nursing speciality or an area of clinical interest.

NRS00250
STRESS MANAGEMENT
Aims to introduce students to the notion of stress as a problem and to discuss in what ways stress impact on one's health. Distinguishes between stress and crisis and considers intervention strategies for both situations.

NRS00274
INFECTION CONTROL
Infections add considerably to health expenditure. This unit is designed to provide up-to-date information on current infection control practices for nurses interested in a range of clinical applications including the delivery of patient care. It is also suitable for a nurse responsible for coordinating infection control in a health care unit or facility. Learners will be encouraged to adapt clinical material to suit their current work interests.

NRS00277
ADVANCED NURSING PRACTICE – MENTAL HEALTH II
Provides a comprehensive review of contemporary literature in the areas of loss, grief and dying, focussing on helping clients successfully negotiate loss. Also designed to help carers deal with these issues in their personal and professional lives. Students are encouraged to investigate topics of interest/relevance to their health care practice.

NRS00291
ADVANCED NURSING PRACTICE - PAIN MANAGEMENT
Nurses spend more time with patients in pain than do any other health care workers. This unit addresses the growing need to understand pain, its perception by the sufferer, its expression and the methods of relief.

NRS00325
CLINICAL NURSING STUDIES V
Pre-requisite/s: NRS00324 Clinical Nursing Studies IV and BIO01202 Anatomy and Physiology II or BIO10062 Applied Human Bioscience II
Third of four units that offer students clinical experience in a number of selected settings and with a number of selected client groups. Students will develop the process of diagnostic reasoning through acting and reflecting upon their actions in the clinical setting. There is a major focus on cardiac and respiratory skills.

NRS00326
CLINICAL NURSING STUDIES VI
Pre-requisite/s: NRS00324 Clinical Nursing Studies IV and BIO01202 Anatomy and Physiology II or BIO10062 Applied Human Bioscience II
Final of four units that offer students clinical experience in a number of selected settings and with a number of selected client groups. Students will develop the process of diagnostic reasoning through acting and reflecting upon their actions in the clinical setting. There is a major focus on infant hygiene, neurological, and ear, nose and throat nursing care.

NRS00335
NURSING PRACTICE V
Pre-requisite/s: BIO01202 Anatomy and Physiology II or BIO10062 Applied Human
**Bioscience II**

**Anti-requisite/s:** NRS00305 Nursing V

Introduces students to the role of the nurse in the care of clients with life threatening and long-term surgical conditions and the care of their significant others. Consists of three modules covering secondary prevention, tertiary prevention, and pharmacotherapeutics applied to surgical conditions in a number of health care settings.

**NRS00336**

**NURSING PRACTICE VI**

**Pre-requisite/s:** BIO01202 Anatomy and Physiology II or BIO10062 Applied Human Bioscience II

**Anti-requisite/s:** NRS00306 Nursing VI

Provides the student with the knowledge and thinking and planning skills required to provide nursing and health care to people from three particular groups who may experience some disadvantage in terms of their health status, using the process of diagnostic reasoning. These groups are people from non-dominant cultural groups; children; and women.

**NRS00610**

**THE ROLE OF THE PERIOPERATIVE NURSE – SURGEON’S ASSISTANT**

Not available to undergraduates.

**Pre-requisite/s:** Perioperative Nursing Certificate, Graduate Diploma or Graduate Certificate of Perioperative Nursing plus three (3) years experience as a Perioperative Nurse or five (5) years experience as a Perioperative Nurse.

The core unit in a stream of four specialist units. Introduces the experienced perioperative nurse to the advanced role of the Perioperative Nurse as Surgeon’s Assistant (PN-SA) and the scope of practice. Students will also review their skills and understanding of core principles underpinning standards of practice in asepsis, occupational health and safety, medico-legal and epidemiological issues related to perioperative nursing.

**NRS00611**

**PREOPERATIVE ASSESSMENT AND PLANNING**

Not available to undergraduates.

**Pre-requisite/s:** NRS00610 The Role of the Perioperative Nurse – Surgeon’s Assistant

Second unit in the PN-SA stream. Explores the preoperative planning and assessment phase and enables students to expand their knowledge and skills in the important areas of needs analysis, history taking, physical and psychosocial assessment and planning for general surgical procedures. Students work with a clinical mentor to practise skills in a lifelike setting and gain feedback on performance. Students are also given the opportunity to apply principles of general surgery to a selected area of surgical specialty.

**NRS00612**

**INTRAOPERATIVE ASSISTING AND NURSING CARE**

Not available to undergraduates.

**Pre-requisite/s:** NRS00611 Preoperative Assessment and Planning

Third unit in the PN-SA stream. Explores the intraoperative assisting phase and enables students to expand their knowledge and skills in the areas of positioning, skin preparation, draping, retraction, provision of haemostasis, tissue handling, provision of specific instruments, equipment and supplies, suturing and wound closure with the added support of a surgeon mentor in a work setting. Students are also given the opportunity to apply these principles to a selected area of surgical specialty.

**NRS00613**

**POSTOPERATIVE NURSING CARE AND PROFESSIONAL ISSUES**

Not available to undergraduates.

**Pre-requisite/s:** NRS00612 Intraoperative Assisting and Nursing Care

Fourth and final unit in the PN-SA stream. Explores the postoperative phase and enables students to expand their knowledge and skills in this area with the added support of a nurse mentor in a work setting. Students are also given the opportunity to apply these principles to a selected area of surgical specialty.

**NRS03153**

**MENTAL HEALTH NURSING PRACTICE**

Not Available to Undergraduates

**Pre-requisite/s:** CMM00001 Overview of Mental Health

The unit explores the role of the mental health nurse and nursing in the 21st century and the influences that mental health reform has had on that role with reference to the Australian and New Zealand College of Mental Health Nurses Standards of Practice. Recognition of the collaborative process with consumers will allow mental health nurses to establish integrated and
individual approaches to contemporary mental
health nursing practice and wellness promotion.

NRS03159
MENTAL HEALTH NURSING CLINICAL
PROJECT
Not Available to Undergraduates
Pre-requisite/s: NRS03153 Mental Health
Nursing Practice
This unit aims to take the concepts from the
Mental Health Nursing Practice unit and further
apply them to advanced mental health nursing
practice. Students will be required to make
arrangements for supervised clinical practice
during the period of their study in this unit, and
will critically reflect on this supervised practice.

NRS10451
CLINICAL NURSING I
Pre-requisite/s (can be completed as co-
requisites) NRS10462 Community Health Nursing
or NRS00322 Nursing Practice II and BIO10061
Applied Human Bioscience I and NRS00331
Nursing Practice I or NRS10452 Contexts of
Nursing Practice
Anti-requisite/s: NRS00322 Clinical Nursing
Studies II
This unit provides students with the opportunity to
acquire and demonstrate foundation knowledge
underpinning nursing skills and the nursing
process. In addition knowledge and skills will be
demonstrated in communication, record keeping,
and numeracy. Students will be required to
incorporate a degree of technical ability when
demonstrate non-complex skills. There is no
assumed prior knowledge required for students to
undertake this unit.

NRS10452
CONTEXTS OF NURSING PRACTICE
Anti-requisite/s: NRS00321 Clinical Nursing
Studies I and NRS00331 Nursing Practice I
Introduces students to the contexts of the discipline
of nursing. It is a teacher/student focused
interaction that intends that the student acquire
critical thinking skills, ethical, legal,
communication and interpersonal knowledge and
skills in order to function safely and effectively in
nursing and health care settings. Access to a
computer and network is required in order to meet
the requirements of the unit. There is no assumed
prior knowledge required for students to undertake
this unit.

NRS10453
FOUNDATION STUDIES IN MENTAL
HEALTH NURSING
Anti-requisite/s: NRS0033 Nursing Practice III
Introduces students to the role of the nurse in the
care of clients with acute and long-term mental
health problems and the care of their significant
others. The unit consists of three modules
covering prevention to recovery, with the
application of pharmacotherapeutics to mental
health problems, in a number of health care
settings. The assumed prior knowledge required
for this unit includes the objectives for Contexts of
Nursing Practice.

NRS10455
MEDICAL-SURGICAL NURSING I
This is one of four units that develops a knowledge
base leading towards evidence-based practice, the
use of the nursing process and reflection of the
care of the patient/client in the peri-operative,
pain management, infection control, skin and
wound care, and orthopaedic domains. The
assumed prior knowledge required for this unit
includes the objectives for all first year BNurs
units.

NRS10456
FAMILY HEALTH NURSING
Introduces students to the role of the nurse in the
care of maternity clients, paediatric clients, and the
family members of clients who come in contact
with the health care system. The unit consists of
three modules focused on each of the client
groups, and emphasises the development of
problem-solving skills in relation to the personal
needs of these clients so that their health is
promoted. The assumed prior knowledge required
for this unit includes the objectives for all first year
Bachelor of Nursing units.

NRS10457
MEDICAL-SURGICAL NURSING II
This is one of four units that develops knowledge,
the nursing process and reflection towards
evidence-based practice in the care of the
patient/client in the cardiovascular, respiratory,
renal and fluid and electrolyte management
domains. The assumed prior knowledge required
for this unit includes the objectives for all the first
year Bachelor of Nursing units.

NRS10462
COMMUNITY HEALTH NURSING
Anti-requisite/s: NRS00332 Nursing Practice II
Introduces students to the Australian health care
system and provides an introduction to community health. Primary health care and models of health which underpin community health are explained and the student learns how to apply this knowledge across the lifespan in community settings for individuals, groups and populations. There is a particular focus on the application of this knowledge to older people and people with a disability. There is no assumed prior knowledge required for students to undertake this unit.

**NRS10463 CLINICAL NURSING II**

*Pre-requisite/s:* NRS10451 Clinical Nursing I or NRS00322 Clinical Nursing Studies II  
*Co-requisite/s:* BIO10062 Applied Human Bioscience II, and CMM10464 Psychosocial Contexts of Health or HEA00291 Health Care Practices I, NRS10453 Foundation Studies in Mental Health Nursing or NRS00333 Nursing Practice III  
*Anti-requisite/s:* NRS00324 Clinical Nursing Studies IV  

This unit provides students with the opportunity to acquire and demonstrate foundation knowledge underpinning nursing skills in the following practice domains: skin integrity, elimination and health assessment. In addition knowledge and skills will be demonstrated in medication administration and numeracy. Students will be required to incorporate a degree of technical ability when demonstrating non-complex skills.

**NRS10465 CLINICAL NURSING III**

*Pre-requisite/s:* NRS10463 Clinical Nursing II  
*Co-requisite/s:* BIO10454 Cellular and Neuropathophysiology, NRS10455 Medical-Surgical Nursing I, NRS10456 Family Health Nursing  

This unit provides students with the opportunity to acquire and demonstrate intermediate level knowledge underpinning nursing skills in the following practice domains: peri-operative care, orthopaedic care, and pain management. In addition, knowledge and skills will be demonstrated in intravenous care, and numeracy. Students will be required to incorporate problem solving and deliver moderately complex care.

**NRS10466 CLINICAL NURSING IV**

*Pre-requisite/s:* NRS10465 Clinical Nursing III  
*Co-requisite/s:* BIO10454 Cellular and Neuropathophysiology, NRS10455 Medical-Surgical Nursing I, NRS10456 Family Health Nursing  

This unit provides students with the opportunity to acquire and demonstrate intermediate level knowledge underpinning nursing skills in the following practice domains: cardiovascular, respiratory, renal, and fluid and electrolyte management. In addition, knowledge and skills will be demonstrated in numeracy. Students will be required to incorporate problem solving and deliver moderately complex care.
standard diets and other nutrition education tools will also be discussed.

NUT00216
NUTRITION III (NUTRITIONAL PHARMACOLOGY AND BIOCHEMISTRY)
**Pre-requisite/s:** NUT00214 Nutrition I and CHE00002 Biochemistry and BIO01202 Anatomy and Physiology II
**Co-requisite/s:** NUT00215 Nutrition II (Life Cycle Nutrition and Diet Therapy)
Provides students with knowledge of the biochemical roles of general classes of nutrients, emphasizing the significance of essential amino acids, essential fatty acids, vitamins and minerals in human metabolism. An introduction to the clinical application of micronutrients will also be incorporated. Covers the critical assessment of scientific information and incorporates an introduction to biostatistics.

NUT00217
NUTRITION IV (CLINICAL NUTRITION)
**Pre-requisite/s:** NUT00215 Nutrition II and BIO00101 Physiological Pathology I and BIO00102 Physiological Pathology II and NUT00004 Nutritional Biochemistry or NUT00216 Nutrition III (Nutritional Pharmacology and Biochemistry)
Provides additional knowledge and critical skills in the use of nutrition therapy for specific conditions. Students will also gain skills in nutrition education and in promoting desirable nutrition behaviours in their clients. Integrates and builds on previous learning in nutrition and prepares students for clinical practice.

NUT00330
NUTRITION FOR HEALTH AND PHYSICAL ACTIVITY
**Anti-requisite/s:** NUT00333 Sport and exercise Nutrition
Provides the student with the knowledge, attitudes and skills related to achieving better health through proper nutrition. Additionally, it develops an understanding of social and cultural influences on dietary habits and the dietary needs of physically active persons.

NUT00333
SPORT AND EXERCISE NUTRITION
**Co-requisite/s:** NUT00214 Nutrition I and NUT00216 Nutrition III or BIO00326 Exercise Biochemistry and BIO00204 Exercise Physiology II
**Anti-requisite/s:** NUT00330 Nutrition and Human Performance
Provides a comprehensive overview of nutritional science and its relationship to sport and exercise performance. Enables students to gain skills in nutrition counselling and education when related to exercise.

PHA00315
INTRODUCTORY PHARMACOLOGY
**Pre-requisite/s:** BIO01201 Anatomy and Physiology I or BIO10062 Applied Human Bioscience II or BIO00305 Human Physiology or BIO10061 Applied Human Bioscience I
All pre-requisites are waived for B Health Science in Nursing students only. Not available to B Nursing students.
The focus is on the principles of drug action, receptor theory, pharmacodynamics and pharmacokinetics. Takes a systems approach in discussing pharmacotherapeutic agents, focusing on drugs in current clinical use in Australia, as well as new therapeutic agents. Will also introduce the student to toxicology, again with reference to agents used in Australia.

PHA03148
INTRODUCTION TO COMPLEMENTARY MEDICINE
Students will extend pharmacists’ knowledge of the history and philosophy of key complementary medicine disciplines including the beliefs and practices that underpin them. It will examine predictors of complementary medicine usage, the practice of complementary medicines in Australia, pharmacists’ experience of complementary medicines and consumer profiles. Students will extend their knowledge of how to access and evaluate complementary medicine.

PHA03149
EVIDENCE-BASED MEDICINE IN COMPLEMENTARY MEDICINE I
**Co-requisite/s:** PHA03148 Introduction to Complementary Medicine
Post graduate unit
Describes the process of evidence-based medicine as it applies to complementary medicine giving an overview of research methods and their application to complementary medicine. Strengths and weaknesses of these common research methods will be reviewed. Students will examine the interpretation of the levels of evidence as a
research hierarchy and the research methods associated with each level and explore the process of making safety determinations in relation to complementary medicines.

**PHI00201 WAYS OF KNOWING**
Contextualises and critiques the legitimation of particular knowledges in Western cultures and marginalisation of others. It considers the paradigm shifts which occurred circa the 17th century and argues that in the 21st century we are in the midst of another significant shift in Western ways of knowing.

**POL00005 POLITICAL IDEOLOGIES**
Examines the range of political ideologies within Western political thought. In particular, it explores the dynamic of the political spectrum from the Right to the Centre and to the Left. Critically evaluates Fascism, Nazism, Conservatism, Liberalism, Democratic Socialism, Communism and Anarchism. Also explores the impact of ideological shifts toward green, feminist and anti-racist theories.

**POL00006 AUSTRALIAN GOVERNMENT AND POLITICAL INSTITUTIONS**
*Anti-requisite/s* POL10244 Introduction to Politics
Involves the study of the role and structure of government in Australia. The powers and responsibilities of the three levels of government are analysed and the relationships between them are examined. The primary focus is on the nature and working of the formal institutions and processes that characterise the Australian political system.

**POL00013 GLOBAL SOCIAL MOVEMENTS**
Explores notions of power and ethics, which underpin political action and social movements, providing an opportunity to examine the dynamics that create social change. Contemporary social movements are examined so that students can evaluate their significance and assess the value of social movements to their own lives.

**POL00131 INTERNATIONAL COMMUNITY DEVELOPMENT**
*Pre-requisite/s:* BHS00130 Introduction to Community Development or BHS00104 Community Development
Examines the context of international community development through an exploration of key issues, policies and players. The evolution of the nature of "giving" is explored and how colonisation impacted on the process. Case studies are explored in developing societies focusing on issues world wide.

**POL10023 PEACE, WAR AND INTERNATIONAL POLITICS**
Overviews Australian and global responses to peace and war in current international politics. Examines Australia’s relationships with neighbouring countries in terms of responses to rights, regional conflict, trade and security. Explores the broad political context surrounding global issues of peace, war and international relations relating to aid, justice, national conflict, defence, peace-keeping and pluralist identities.

**POL10024 JUSTICE IN WORLD POLITICS**
Examines the varying meanings to a range of contemporary ideas and the problems raised at community, national and international level in their application. Ideas such as human rights, justice, development, ethnicity, gender, power, liberty, citizenship, pluralism and democratic dialogue are applied to everyday political life. Significant ideological differences in political viewpoints are critically evaluated.

**POL10145 FOUNDATION STUDY: INTRODUCTION TO POLITICS, MEDIA AND IDENTITY**
*Only available to Foundation Program students.*
Introduction to the Australian political system, structure and processes relating to government. Focusing on political parties, ideology across the political and social spectrum, and the media’s role in politics. Issues of Indigenous identity in relation to the Australian political system, and media representation of Indigenous Australian peoples and Indigenous Australian issues will be explored.

**POL10237 GLOBALISATION AND DIVERSITY**
*Pre-requisite/s:* POL10244 Introduction to Politics or POL00006 Australian Government and Political Institutions
Examines debates surrounding globalisation, global citizenship, global ethics and global risk. Applies these debates to practical examples including multiculturalism, cultural coexistence, immigration, refugees, labour struggle and diasporic global movements. Critical questions are asked of racism, othering and intolerance. The unit also explores the nature of the global risk, securities and peace.

**POL10244**

**INTRODUCTION TO POLITICS**

*Anti-requisite/s:* POL00006 Australian Government and Political Institutions

Explores both the language of politics, including concepts such as representation, democracy, power, citizenship and participation, and the structure and processes of government in Australia. Encourages students to think critically about political and government institutions, about how and why issues become political, and about the ways in which politics shapes our lives.

**SCI00211**

**INTEGRATED PROJECT**

*Double-weighted unit*

*Pre-requisite/s:* All core units plus four electives

Involves identification of a suitable resource management issue or research topic, the planning and design of research methods, the gathering of relevant information and data, and the preparation of a professional report. The project allows students to integrate knowledge attained in the previous five semesters of the course.

**SCI00419**

**FOOD AND BEVERAGE MANAGEMENT**

*Anti-requisite/s:* MKT01204 Quality Management I: Food and Beverage

Provides students with an understanding of strategic, operational and managerial issues facing food and beverage operators. The unit commences with a strategic overview of the development and current status of the food and beverage service industry, with particular attention to the socio-cultural, market and competitive factors and the development of food and beverage service concepts. Once a concept has been developed, food and beverage managers must communicate and implement the concept on a daily basis through the firm’s operational activities, which include menu planning, purchasing, receiving, storing, issuing, production, service and sale. The unit then focuses on the managerial issues in food and beverage operations, including financial control, menu pricing and analysis, human resource management and legal and ethical obligations.

**SCI00428**

**FOOD AND BEVERAGE OPERATIONS**

*Available only to students enrolled at The Hotel School, Sydney*

*Anti-requisite/s:* SCI00428 Food and Beverage Service and Delivery Systems.

Presents a theoretical and practical approach to food and beverage delivery service systems, focusing on the development of service skills, as well as quality assurance, cost control and efficiency for front-of-house procedures.

**SCI00429**

**MANAGING FOOD AND BEVERAGE OPERATIONS**

*Available only to students enrolled at The Hotel School, Sydney*

*Anti-requisite/s:* SCI00429 Food and Beverage Service and Delivery Systems

Presents a theoretical and practical approach to food preparation and production systems, focusing on the development of operational skills and quality assurance, cost control and efficiency for back-of-house procedures.

**SCI03071**

**ENVIRONMENTAL RESEARCH PROJECT 1**

*Double-weighted post graduate unit*

**SCI10259**

**FOOD TECHNOLOGY AND DESIGN I**

Students explore the social, economic and environmental impact of food and the role product development plays in the distribution of food from the point of production to the impact of food consumption. Tool/equipment, material/environment and human elements are investigated. The unit develops teaching approaches and techniques that underpin essential occupational, health, safety and hygiene practices in the food technology classroom.

**SCI10473**

**HISTOLOGY AND EMBRYOLOGY**

*Co-requisite/s:* BIO01201 Anatomy & Physiology I

Provides students with the essential facts of human development, a useful basis for the understanding of definitive human anatomy. The unit develops the understanding of normal embryological development and malformations, and the
knowledge of the etiology of congenital defects are taught with reference to the clinical relevance to the student. The study of histology is taught as an effective building block for understanding the cellular basis of physiology and pathology, while demonstrating the intimate relation of structure and function.

**SCI10474 ADVANCED VISCERAL ANATOMY**
*Pre-requisite/s: BIO01202 Anatomy and Physiology II and SCI10473 Histology and Embryology*

This unit develops an advanced understanding of thoracic, abdominal and pelvic visceral anatomy, with reference to functional neurovascular features and connective tissue relations.

**SCI10475 NEUROSCIENCE**
*Pre-requisite/s: BIO01202 Anatomy and Physiology II*

To integrate the structure and function of the human nervous systems - central, peripheral and automatic, and to develop and apply an understanding of neural mechanisms in sensation and the control of posture and movement. To understand the neural basis of cognition, perception, emotion and behaviour. Prepares students for clinical units.

**SOC00101 THE FUTURE OF WORK**

Provides insights into the identified future trends in the nature of work. Leisure, technology and changed relationships are discussed in the context of political and economic structures.

**SOC00107 SOCIAL PLANNING**

Considers the planning processes necessary to allocate scarce resources in an equitable and feasible way within a society. Issues of social justice and equity are discussed within the context of specific communities and across the three levels of government. Socio-demographic data are analysed and interpreted and community consultation processes are emphasised.

**SOC00112 SOCIAL POLICY**

Introduces the fundamental issue of social policy in welfare practice. Issues of inequality and social policy-making, implementation and analysis are covered. Students are guided to critically analyse one specific social policy in its historical, political and social welfare context.

**SOC00115 GLOBAL INEQUALITY**
*Pre-requisite/s: SOC00118 Introduction to Sociology*

Invites students to explore the notions of globalisation and social inequality by using a variety of sociological theories, and to question the structures that maintain those inequalities. Specific inequalities such as the distribution of wealth and problems surrounding age, gender and religion are examined, as are policies designed to produce social change.

**SOC00118 INTRODUCTION TO SOCIOLOGY**

Provides an overview of concepts and traditions in sociology, as well as using critical thinking to explore social issues. It moves from the early work of classical sociologists to contemporary theorists. The unit focuses on enduring topics of social concern in Australia, for example work, family, health, sport and information technology.

**SOC00417 RACE AND RACISM**

The concepts and issues of race and racism are examined both theoretically and practically in the Australian context. Racism, from the time of European invasion, is examined in relation to Aboriginal peoples, and related policies. This subject is strongly focused on student self-directed learning and each student’s own discourse. The best way to summarise the learning journey is in the context of experiential learning. This approach ensures that students are able to fully manifest their views, overt or covert, positive or negative, regarding this subject in a positive genre of self-directed learning.

**SOC00722 THE SOCIOLOGICAL AND POLITICAL BASIS OF HEALTH CARE**

*Not available to undergraduates.*

Analyses the impact of social factors on health and studies the impact of dominant models of the body and illness and the effect of these images on the structure of health care delivery. The structure of the health care system is examined both from the perspective of government responsibility for health and the impact of more recent policy trends upon health care delivery.
SOC01123
DEVIANCE IN SOCIETY
Pre-requisite/s: SOC00118 Introduction to Sociology
Explodes the notion of deviance using different sociological perspectives. Students will examine the ways by which morally condemned behaviours come to be defined as deviant, and explore the process by which people, who perform actions perceived as deviant, acquire a certain identity and respond to their label in various ways. In particular, students are encouraged to analyse a number of examples of constructed meaning by drawing on the accounts which various people have used to explain their actions.

SOC10027
INTERNET SOCIETY
Pre-requisite/s: SOC00118 Introduction to Sociology
Invites students to examine the use of computers and the Internet. It explores what these new developments mean for social organisation and interpersonal relationships as well as posing questions about the phenomenon of ‘virtual’ worlds. The unit focuses on the effect on of computers and Internet technologies in four key areas, identity and community, government and commerce. Students will need access to internet facilities to complete some parts of this unit.

SOC10205
INDIGENOUS RESEARCH THEORY AND PRACTICE
Pre-requisite/s: HEA10201 The Biological Effects of Traumatic Stress and HEA10200 Trans and Intergenerational Trauma (co-req)
SOC10236
ETHICS AND SUSTAINABILITY
Anti-requisite/s: LAW00105 Marketing Law and Ethics or MNG00245 Environmental Issues for Business or MNG00246 Environmental and Ethical Issues for Business
The influence of culture and society on the creation of knowledge, truth and morality provide the foundation to explore a broad range of ethical theories. These theories are applied to diverse contemporary issues including human rights and corporate governance. The unit explores the ethical roots of the ecological crisis and examines the contribution of the sustainability concept to the search for a solution.

SOC10238
ETHICS IN SOCIETY
Anti-requisite/s: SOC10236 Ethics and Sustainability
Introduces students to the philosophical and moral theories that influence contemporary societal ethical issues. Identifies and explores personal values and beliefs that relate to ethics and resolving ethical dilemmas. Encourages students to engage in discussing ethical societal issues, in order to develop ethical thinking and living.

SOC10240
THE ORGANISED SOCIETY
Investigates how the lives of individuals within contemporary societies are organised, coordinated and regulated by and through their involvement in organisations and social institutions. Seeks to explain the different kinds of interdependent relationships that occur between the individual and society through the medium of organisations, and examines the possible consequences on personal freedom, equality, the realisation of interests, and the capacity of individuals to bring about social change.

SOC10245
WORKING IN ORGANISATIONS
Examines the characteristics and complexities of modern work-based organisations and the tensions, conflicts and contradictions that are embedded in them. Explores the interdependence of organisations and their social, economic and political environments, especially in terms of what this might mean for the performance of work. Considers organisational structures, processes and work arrangement, with special emphasis on the concept of power and its application within organisations to resolve the challenges that are endemic to working in organisations.

SOC10246
WORK: ITS ORGANISATION AND REMUNERATION
Pre-requisite/s: SOC10245 Working in Organisations or MNG00320 Principles and Practice of Human Resource Management
Investigates the significance and complexity of how work is, and ought to be, organised; how its value can be determined; and the ways in which staff should be remunerated for its performance. Draws heavily upon theories and concepts of job design, job evaluation, motivation, and remuneration systems and practices. Locates
these within more general theories of organisation insofar as the willing and effective participation of employees is contingent on the existence of appropriate rewards and the interface between individual and organisational needs and priorities.

**SOC10274**  
**NON-STANDARD LIVES: WORK AND THE FAMILY IN AUSTRALIA**  
*Pre-requisite/s:* SOC00118 Introduction to Sociology  
*Anti-requisite/s:* SOC01122 Sociology of the Family  
Examines the connections between work and its various guises and the contemporary family in the context of late modernity. It profiles the family and the labour market, provides underpinning theoretical approaches and examines work/family issues and relationships, and their implications from a sociological perspective.

**SOC10430**  
**RELIGIONS AND THE STATE**  
Introduces students to key theoretical approaches to the sociological study of religion. Particularly the unit focuses on the relationships between religious and political worldviews underlying contemporary social issues such as terrorism, abortion and homosexuality. Students will explore the history, main social teachings and beliefs of Judaism, Christianity or Islam as a basis for examining contemporary religious fundamentalisms.

**SOC40001–40004**  
**SOCIAL SCIENCE THESIS (8 UNIT)**  
**SOC40009–40011**  
**SOCIAL SCIENCE THESIS (6 UNIT)**  
Designed as staged thesis units for the Social Sciences Honours program. Students have the opportunity to complete a thesis only where they have prior research methods experience.

**SOY00011**  
**SPORT TOURISM I**  
Theories and constructs about sport tourism are studied, leading into a number of significant issues, which are explored with examples from Australia and other countries. These issues include impacts upon environments such as economic, social, cultural and natural environments; sport tourism and development; the organisation of sport tourism and future management issues.

**SOY00012**  
**SPORT TOURISM II**  
*Pre-requisite/s:* SOY00011 Sport Tourism I  
Designed to explore more theories and constructs, illustrated with practical examples, about the impact of sport tourism on various environments such as economic, sociocultural, natural and physical health. Aims to investigate the organisation of sport tourism and conceptualise future directions.

**SOY000127**  
**IDENTITY AND RELATIONSHIPS**  
*Pre-requisite/s:* BHS00161 Interpersonal Communication  
Familiarises students with psychological, sociological and cultural perspectives on key human relations concepts such as identity, gender, race, class, age in the context of intimate, friendship and work relationships.

**SOY000132**  
**EVALUATION IN COMMUNITY WELFARE**  
*Pre-requisite/s:* One of SOY10105 Introduction to Human Services: Theory and Practice or BHS00130 Introduction to Community Development or SOC00111 Contexts of Social Welfare Practice.  
Evaluation is a usual requirement for the funding of current or new social welfare programs. With a demand for greater accountability in the social and community services sector, it is expected that most social welfare and community development practitioners can and should be able to initiate, conduct, and evaluate research, irrespective of whether they are working with individuals, families, groups or communities. This unit has been designed to demystify the notion of research and to equip you with some basic evaluation skills.

**SOY000133**  
**COMMUNITIES, GLOBALISATION AND CHANGE**  
*Pre-requisite/s:* BHS00130 Introduction to Community Development or BHS00104 Community Development  
This unit explores how globalisation is shaping rural and urban communities and offers an analytical framework informed by community development principles for responding to such changes. The major areas of study include globalisation and change, contemporary rural and urban analysis, and the development of civil
society.

**SOY00137**
**ENVIRONMENTAL MANAGEMENT FOR THE HOTEL INDUSTRY**
*Available only to students enrolled in The Hotel School, Sydney*

Topics covered in this unit include a systematic framework that encourages a strategic approach to the environment as a business issue. The unit encourages a proactive approach to environmental management while examining the environmental review process, staff commitment, resource acquisition and allocation, leadership and team building, the selection of priority areas, developing plans, measurement target setting, implementation and review of the process.

**SOY00159**
**PROJECT MANAGEMENT AND PROMOTION**

Considers the processes of developing, implementing and evaluating a specific project. Needs analysis, budgeting, scheduling, resource allocation, tendering procedures and legal considerations, and the uses of computer software are discussed.

**SOY00204**
**COMMUNITY PROJECT MANAGEMENT**

Considers the theoretical perspectives and political environment of community project management and the processes of developing and implementing a specific project. Government structures, parliamentary processes, current community structures, alternative structures and managing the project are core aspects of the unit.

**SOY00220**
**UNDERSTANDING SOCIAL SCIENCES**

Introduces students to the interdisciplinary nature of the field of Social Science. Examines classical and contemporary theories about the nature of individuals, organisations and society. Explores key themes and concepts within the field of social science and applies social sciences knowledge to particular areas of human endeavour such as business and human services.

**SOY00222**
**INTERNSHIP STUDY**
*Pre-requisite/s: Completion of 16 units from the Bachelor of Environmental Science: All Streams*

Provides experience in workplaces related to their course. Includes preparation of applications, employment interviews, and a minimum of an eight week work placement which is formally assessed. Placements in work experience will be by competitive application.

**SOY00247**
**BUSINESS INTERNSHIP**
*Double-weighted unit.*

*Pre-requisite/s: 96 credit points*

*Anti-requisite/s: SOY10097 Business Internship (Part 1 of 2) and SOY10098 Business Internship*

Provides practical workplace experience within business, commerce or industry. Students can undertake a placement in any appropriate industry sector (e.g. corporate [consumer, services, industrial], professional, government, etc.) in Australia or overseas. Students are provided with an opportunity to apply concepts and principles of business and management to a workplace setting in industry and to better appreciate the nature of employment in the industry. Students are responsible for finding their own positions for internship.

**SOY00411**
**TOURISM THEORIES AND PRACTICES**

*Anti-requisite/s: MNG10225 Introduction to Convention and Event Tourism*

Tourism and phenomena directly associated with tourism are complex. Is tourism best understood as a form of trip, a market, an industry, a set of environmental impacts of something else? Systematic ways of studying tourism can be developed and applied to topics including tourist types and behaviour, places and itineraries, and tourism industries.

**SOY00412**
**CONTEMPORARY TOURISM ISSUES**

*Pre-requisite/s: SOY00411 Tourism Theories and Practices or MKT01211 Australian Tourism Studies I*

*Anti-requisite/s: MKT01212 Australian Tourism Studies II*

More foundation topics about tourism and hospitality, including environmental impacts and attractions. Topical issues are explored with examples from many countries. These include sustainability and ecotourism; strategic and structural issues in tourism industries, authenticity; and impacts on tourism of the Olympic Games.
SOY00419  
CARING FOR KUNTRI: INDIGENOUS ENVIRONMENTAL MANAGEMENT
Caring for Kuntri focuses on contemporary issues surrounding Indigenous peoples' rights and responsibilities to care for and manage what is commonly referred to as the "environment". Will have an opportunity to examine the historical processes that have led to the current social, political and legal issues surrounding these rights and responsibilities. Government policy and process as it relates to the environment and Indigenous cultural heritage will be critically analysed. A diverse range of Indigenous voices will be presented as a means of highlighting the current priorities and directions that Indigenous people are taking in regards to Caring for Kuntri. Will be encouraged to reflect on the role of social justice and human rights advocacy as an effective and important process within environmental management systems.

SOY03036  
PROJECT B – PROFESSIONAL PRACTICE (PART 1 OF 2)
Not available to undergraduates

SOY03037  
PROJECT B – PROFESSIONAL PRACTICE (PART 2 OF 2)
Not available to undergraduates

Pre-requisite/s:  Any 4 units

Explores elements of professionalism including reflecting on practice, peer supervision and mentoring by an experienced training professional. Builds on learning in coursework units and culminates in the development, delivery and evaluation of a training event under the direction of university staff and with the possible assistance of approved industry professionals.

SOY10097  
BUSINESS INTERNSHIP (PART 1 OF 2)
Pre-requisite/s:  96 credit points

Anti-requisite/s:  SOY00247 Business Internship

SOY10098  
BUSINESS INTERNSHIP (PART 2 OF 2)
Pre-requisite/s:  SOY10097 Business Internship (Part 1 of 2)

Anti-requisite/s:  SOY00247 Business Internship

SOY10105  
INTRODUCTION TO HUMAN SERVICES – THEORY AND PRACTICE

Anti-requisite/s:  SOC00111 Contexts of Social Welfare

Provides students with a critical analysis of development of human services practice in Australia from both theoretical and practical perspectives. Challenges students to critically analyse their own assumptions and values to reflect those that underpin human services work.

SOY10106  
HUMAN SERVICES – PRACTICE AND ETHICS

Pre-requisite/s:  SOY10105 Introduction to Human Services – Theory and Practice or SOC00111 Context of Social Welfare

Anti-requisite/s:  CSL00208 Intervention for Change or POL00134 Intervention and Case Management

1.1 Definitions

In these Rules, unless the context otherwise indicates or requires, the following definitions shall apply:

(a) "Academic Board" means the body of that name appointed by the Council of the University;

(b) "advanced standing" means recognition which may be granted to an enrolled student for studies successfully completed at this University or at another approved tertiary institution; advanced standing may also be granted in particular circumstances for professional experience relevant to a specific award course;

(c) "aegrotat award" means an award granted under circumstances where a student was unable in the final study period to complete particular assessment tasks on account of death or incapacity;

(d) "anti-requisite unit" means a specified unit that is deemed to have content that is too much in common with another unit, thereby prohibiting enrolment in the other unit either concurrently with the specified unit, or where the specified unit has been successfully completed;

(e) "assessment" means the process by which student academic progress is monitored and judged;

(f) "assessment task" means any item of assessment, for example, tests, examinations, assignments, practicals, clinicals, orals and any other performances required as part of an assessment;

(g) "award course" means a course leading to an accredited award of the University;

(h) "Board of Assessors" means a sub-committee of Academic Board which meets to determine grades. The membership of a semester Board of Assessors is the unit assessors, or their nominees, of units in a School, College or other teaching unit taught in that study period. For all other study periods membership of a Board of assessors is the unit assessors, or their nominees, of all units taught in the University in that study period. A semester Board of Assessors will be chaired by the Head of School or their nominee. For all other study periods the Board of Assessors will be chaired by the Chair of Academic Board or their nominee;

(i) "candidate" means a person admitted to the University as a student and proceeding towards an accredited award of the University;

(j) "census dates" are set for each unit of study that the University proposes to offer each year. Census dates are published by 1 December of the year prior to the commencement of that unit;

(k) "co-requisite unit" means a unit which a candidate is normally required to enrol in concurrently with another specified unit;

(l) "Commonwealth Supported Place" is a place for which the Commonwealth makes a contribution towards the cost of that place.

(m) "Commonwealth Supported Student" means a student who is generally required to contribute to the cost of their education through a student contribution, while the Commonwealth Government also funds part of the costs involved.

(n) "elective unit" means a free choice unit drawn from anywhere within the University;
(o) "examination" means the formally supervised examination held at the end of a study period;

(p) "feeder region" means the region bounded in the south by Bulahdelah, by Dubbo and Goondiwindi in the west, and Greater Gold Coast area in the north;

(q) "Head of School" means the person appointed by the Vice-Chancellor to manage a School; all references to Head of School should be read additionally as references to Director of College;

(r) "major" means an approved combination of six or more units in a subject area; twelve or more units in a subject area constitutes a double major;

(s) "pre-requisite unit" means a unit which a candidate must have successfully completed before enrolling in another specified unit;

(t) "Schedule of Units" means the table of units annexed to and forming part of specific award Rules;

(u) "School Board" means a body of that name appointed by the Academic Board. All references to a School Board should be read additionally as references to a College Board;

(v) "special consideration" means consideration for extension or variation of deadlines for assessment tasks, for a special examination, or for consideration related to a completed assessment task;

(w) "special examination" means an examination offered in lieu of the normal examination;

(x) "student" means a person enrolled as a candidate in a course leading to an accredited award of the University, or in units which do not lead to an accredited award of the University;

(y) “Student Learning Entitlement” provides a student with access to a Commonwealth support place.

(z) "study period" means a semester, or trimester, or any other period as designated by the Academic Board;

(aa) "study plan" means an approved program of study leading to the completion of an award course

(ab) "unit" means a discrete component of an award course; units are identified by a title and code number, and require 150 hours of dedicated study time;

(ac) "unit assessor" means the academic staff member, designated by the Head of the relevant School, responsible for ensuring that the assessment process for a unit is implemented and completed.

(ad) "unit statement" means a document approved initially by the Academic Board, and maintained by the relevant School Board, setting out details in accordance with the University's policy on course accreditation and course changes.

(ae) "enabling (bridging) program" means a program that is provided for particular types of disadvantaged students who need preparation prior to commencing a formal award course; it is offered to students to enable them subsequently, if they so choose, to commence an award course in a student place that is funded either partially or fully by the Commonwealth. Programmes which form part of a formal award course or for which credit will or may be given towards an award course are not considered to be bridging programs.

1.2 Preliminary Provisions

(a) Unless the context otherwise indicates or requires, any officer, committee or board of the University authorised or required under these Rules to exercise any authority, duty or responsibility may nominate another officer,
committee or board to exercise that authority, duty or responsibility. Such delegated authority may not be further delegated without the approval of original delegating authority.

(b) The Academic Board at its discretion may permit departure from any of these Rules in particular instances.

(c) The Academic Board may make such special provision in a matter as it considers reasonable in circumstances where:

(i) the application of any addition or amendments to an existing Rule causes special hardship to a student or class of students; or

(ii) the development of alternative modes of delivery, or of cooperative arrangements with employer bodies or other education providers, causes special hardship to a student or class of students; or

(iii) the application of any Rule is rendered inappropriate or impracticable in particular circumstances.

(d) Nothing in these Rules, nor any action taken under them, shall deprive the University of any other right or remedy it may have in the circumstances or prevent the University from taking any other action consistent with its Act and By-laws.

2.1 Admission

(a) An application for admission to a coursework award course shall be made on the prescribed form in accordance with the required procedures and lodged as directed by a specified date. An applicant who has not completed the required admission procedures by a specified date and who wishes to apply may be liable for payment of a late fee. An application for admission shall not normally be approved later than two weeks prior to the commencement of the relevant semester, trimester or other study period.

(b) An applicant who satisfies all relevant eligibility for admission requirements, as documented in Rules 2.2 to 2.3, and who is offered a place in a course, shall be considered eligible to become enrolled as a student of the University.

(c) An applicant may be required to attend for consultation and advice prior to enrolment, as determined by the relevant Head of School, and shall not be enrolled in the course until compliance with this requirement has been confirmed by the relevant Head of School.

(d) An applicant who is offered a place in an undergraduate award course shall be granted a deferment of offer for 6 or 12 months following written application to the Director of Student Services and upon payment of the prescribed non-refundable fee by the prescribed date. Deferment of offer shall be available to all applicants seeking admission in an undergraduate award course. Any request for an extension of deferment of offer greater than 12 months shall be decided by the relevant Head of School, and approval is not automatic.

2.2 Eligibility for Admission to an Undergraduate Award Course

An applicant for admission to an undergraduate award course must satisfy one or more of the requirements in Rule 2.2(a–f).

Additional requirements may be prescribed in the Specific Award Rules.

(a) Current Year 12 applicants:

(i) An applicant who has completed the NSW Higher School...
Certificate may be considered for admission on the basis of a Universities Admission Index or Limited Universities Admission Index, or equivalent.

(ii) An applicant who has completed the Queensland Senior Certificate may be considered for admission on the basis of an Overall Position, or equivalent. An applicant may also be considered on the basis of results in specific subjects and the Queensland Core Skills Test.

(iii) An applicant who has completed an another qualification may be considered for admission, provided that the qualification and level of attainment are equivalent to the NSW Higher School Certificate.

(iv) An applicant completing Year 12 who is resident in the University's feeder region is eligible to receive bonus points, as determined by the Academic Board, which are added to the applicant's Universities Admission Index or Overall Position.

(v) An applicant completing Year 12 at a high school or TAFE college in the University's feeder region may be admitted under the Star Scheme. Applicants will be assessed on the basis of a report prepared by their Principal and must satisfy any specific University entry criteria.

(b) All other Applicants:

An applicant who satisfies one or more of the following qualifications for admission, may be considered for admission on the basis of a rank determined by either the relevant Tertiary Admissions Centre or the University:

(i) completion of the New South Wales Higher School Certificate, or equivalent;

(ii) completion of at least six (6) months full-time equivalent study, in a degree, diploma, associate diploma, advanced certificate or certificate level IV course offered by an Australian tertiary institution, the Open Learning Agency of Australia, a TAFE college or a private provider, and which satisfies the guidelines determined by the Australian Qualifications Framework;

(iii) completion of at least 6 months full-time equivalent study, in a tertiary preparation course at an Australian university or TAFE college;

(iv) completion of the Special Tertiary Admissions Test,

(v) work or field experience of at least one year full-time, or equivalent,

(vi) professional qualifications, including health care qualifications, commissioned officer qualifications, apprenticeships, traineeships and qualifying examinations of professional associations;

(vii) submission of a Personal Competencies Assessment addressing specific selection criteria;

(viii) interview, audition or other form of individual assessment.

(c) Applicants under 18 years of age:

An applicant who is under 18 years of age as at 1 March in the year of intended course commencement, and who does not satisfy at least one of the requirements in Rule 2.2(a)(i–iii) may be considered for admission if the applicant's qualifications and level of
attainment are acceptable to the relevant Head of School.

(d) Educational disadvantage:
The University has adopted policies to ensure that educational opportunities are provided for all sections of the community without discrimination on the basis of race, sex, or social or ethnic origin. An applicant who can demonstrate educational disadvantage may be considered for admission provided the applicant can demonstrate, to the satisfaction of the relevant Head of School, an ability to cope with the academic content of the course for which admission is sought.

(e) Indigenous Applicants:
Applicants may be considered for admission on the basis of individual assessment programs run by the College of Indigenous Australian Peoples. Applicants may be required to undertake Foundation program for Indigenous Australians as preparation for tertiary study.

(f) Overseas Qualifications:
An applicant with overseas qualifications may be considered for admission provided the University accepts the applicant's qualifications as being the equivalent of an Australian qualification required for entry to a particular course. An applicant whose first language is not English, must demonstrate proof of English proficiency by obtaining either an overall band score of not less than 6 in the International English Language Testing System (including a minimum score of 5.5 in the sub-bands), a TOEFL score of not less than 550 paper based score, (including a minimum score of 4.5 in the Test of Written English), or an equivalent score in a comparable test as determined by the Academic Board.

2.3 Eligibility for Admission to a Postgraduate Coursework Award Course
An applicant for admission to a postgraduate coursework award course must:

(a) have fulfilled all the requirements for admission to a degree (or qualification of equivalent standing) at this University or at another university or tertiary institution approved by the Academic Board; or

(b) have satisfied such additional, or alternative, admission requirements as are prescribed in specific award Rules.

2.4 Advanced Standing

(a) A Head of School may grant a student advanced standing no greater than 50% for units on the basis of studies successfully completed at this or another Australian University, or at other types of tertiary education institutions acceptable to the Academic Board; or on another basis acceptable to the Academic Board. The study plan for a student granted advanced standing shall be determined in each case by the relevant Head of School.

(b) Advanced standing over 50% by no more than two units may be granted by the Faculty Board. Any advanced standing in excess of this may be approved by Programs Committee or as provided for in specific award Rules.

(c) Subject to the approval of the relevant Head of School, a student who is readmitted to a course may be granted advanced standing for units successfully completed while enrolled in that course on a previous occasion.

(d) A student permitted to undertake an internal course transfer (see Rule 2.12) may be granted advanced standing for units successfully completed while enrolled in the previous course. The number of units of advanced standing granted shall be decided by the Head of...
School into which the student is transferring.

(e) Advanced standing shall not be granted for units completed within an enabling (or bridging) program.

2.5 Enrolment

(a) A student is responsible for ensuring they are correctly enrolled at all times and that their enrolment is kept up to date. All provisions in the Rules concerning enrolment shall apply both to the first enrolment and to all subsequent re-enrolments.

(b) If a commencing student fails to enrol for the study period by the date specified in the offer of admission, the offer of admission may lapse and be withdrawn. Commencing students must enrol as specified in the letter of offer, including the specific course, attendance mode and campus.

(c) A commencing student is enrolled on completion of all of the following:
   (i) acceptance of the offer of admission;
   (ii) completion of enrolment in units;
   (iii) payment of prescribed fees (unless the Director of Student Services has granted an extension of time for such payment);
   (iv) submission of a correctly completed Request for Commonwealth Assistance Form;

(d) An international applicant who is liable to pay the Overseas Student Health Charge, as required by the Commonwealth Government for issue and continuation of student entry permits, and who fails to pay the charge to the University by a specified date, or fails to provide evidence that the charge has been paid to Medibank Private, shall not be accepted as an enrolled student until the charge has been paid.

(e) Re-enrolling students are required to re-enrol by the published closing date. Enrolment may be undertaken after the closing date at the discretion of the Director of Student Services.

(f) Enrolled students are obliged to provide personal information, including their full name, for record keeping purposes and for statistical purposes as required by the Commonwealth Government. The University takes seriously its obligations relating to an individual's right to privacy of personal information and has developed policies and guidelines in this area.

(g) A student shall remain enrolled until having:
   (i) completed the coursework requirements, together with any additional units approved by the Head of School; or
   (ii) taken leave of absence for a specified period; or
   (iii) withdrawn; or
   (iv) failed to re-enrol; or
   (v) been excluded; or
   (vi) had enrolment terminated as a result of student conduct proceedings.

(h) An enrolled student shall undertake the study units approved by the relevant Head of School on the student's current enrolment form, as amended by any approved variation.

(i) In exceptional circumstances, the Head of School may permit a candidate to enrol in a unit or units other than those specified in the Schedule of Units for a specific award course.

(j) A student may not be enrolled in more than one award course, except with the approval of the relevant Executive Deans.

(k) A student shall not enrol for the equivalent of more than four study
units in any one study period, except with the approval of the relevant Head of School.

(l) In respect of any unit, the relevant Faculty Board may prescribe that another unit is, or other units are, pre-requisite, co-requisite or anti-requisite. A student shall not, except with the approval of the relevant Head of School, be permitted to enrol in a unit if the specified pre-requisite, co-requisite and anti-requisite requirements for that unit are not satisfied.

(m) Upon enrolment, a student shall be entitled to receive a student identification card, which should be carried while on University premises and at such other locations as are prescribed in the requirements for particular courses. A student may be required to show this identification card upon request by a designated employee of the University. Lost identification cards will be replaced upon payment of a prescribed administrative charge.

(n) Upon enrolment, a student shall provide the Director of Student Services with an address for the mailing of all official correspondence. A student is expected to notify in writing the Director of Student Services of any change of address within no more than five (5) working days of the change. The University will not accept responsibility if official correspondence fails to reach a student who has not notified the Director of Student Services of a change of address.

2.6 Variation of Enrolment

(a) A student who has enrolled for a study period may vary their enrolment by adding or withdrawing from individual units. Students may only add or withdraw from units in the manner prescribed by the Director of Student Services. Students are required to manage their study plan as prescribed by University Rules, Policies and Guidelines.

(b) Adding Units

A student may enrol in additional units in a study period without penalty or special approval subject to the following:

(i) The student needs to be aware that they may receive study materials later than usual or miss lectures and tutorials. The Unit Assessor need make no allowances regarding deadlines for submission to assessment items because of this.

(ii) the student varies their enrolment according to the deadlines as published by the Director of Student Services (normally the final day of week 2 of the specified study period)

(iii) the student complies with all requisite conditions, enrolment restrictions and special approvals as listed in the Schedule of Units active at the time of the unit addition.

(iv) the unit addition complies with the provisions of Enrolment Rule 2.5.

Where the student proposes to add the unit after the final day of week 2 of the specified study period has passed, units may be added to their enrolment in the study period subject to the following:

(i) the census date for that study period has not yet passed; and

(ii) the student obtains written authorisation from the relevant Head of School. Where the Head of School responsible for the student’s admitted course and the Head of School responsible for the proposed unit enrolment are different, written authorisation must be obtained from both.
A student will not be permitted to add units to their enrolment in a study period after the census date for that study period has passed. In cases where special circumstances, which were beyond the student’s control, prevented the student from properly enrolling, the Director of Student Services may consider retrospective enrolment if the student can demonstrate that a lack of enrolment in that study period would cause them to suffer a significant disadvantage. Approval is not automatic and will be subject to the following:

(i) The student places their claim for retrospective enrolment in writing to the Director of Student Services, fully explaining the circumstances that led to their failure to properly enrol and outlining the significant disadvantage they would suffer if not enrolled retrospectively. Unit enrolment claims older than 12 months will not normally be considered.

(ii) The student’s claim for retrospective enrolment is accompanied by written authorisation from the relevant Head of School. Where the Head of School responsible for the student’s admitted course and the Head of School responsible for the proposed retrospective unit enrolment are different, the student must obtain written authorisation from both.

(c) Withdrawing From Units

A student may withdraw from a unit until the last day of that study period, subject to the following provisions:

(i) A student who withdraws from a unit before the relevant census date shall have their enrolment in that unit deleted from their academic record.

(ii) A student who withholds from a unit after the census date but before two-thirds (2/3) of the specified study period has elapsed shall have a withdrawn notation for that unit recorded on their academic record.

(iii) A student who withdraws from a unit after the expiration of two-thirds (2/3) of the specified study period shall have a grade of Fail for that unit recorded on their academic record.

(iv) If special circumstances require a student to withdraw from a unit after the expiration of two-thirds (2/3) of the specified study period, the student may apply in writing to the Head of School responsible for the unit to “withdraw without failure” from the unit. The application must be made to the Head of School within 12 calendar months of the last day of the study period to which the enrolment relates. Approval may be given by the Head of School for a notation of “withdrawn” to be recorded against that unit on the student’s academic record. A “Withdrawn without failure” authorisation from the Head of School does not reduce the student’s financial liability for the unit.

(v) The relevant Executive Dean may approve a “withdrawal without failure” older than 12 months if it can be demonstrated that special circumstances applied to prevent the student from applying for withdrawal without failure. The onus is on the student to demonstrate special circumstances. Special circumstances apply only if they were beyond the student’s control; impacted on the student’s ability to apply for “withdrawal without failure” within the specified time frame; were such that it was impracticable for the student to apply for “withdrawal without failure” within the specified time frame.
Commonwealth Supported Students will incur the full financial liability for the unit if the variation request to withdraw from the unit is submitted after the census date for the study period has passed. Commonwealth Supported Students will have their Student Learning Entitlement reduced for the unit if the variation request to withdraw from the unit is submitted after the census date for the study period has passed. Fee Paying students will incur the financial liability applicable under the University tuition refund rules current at the time the variation request to withdraw from the unit is submitted.

Where special circumstances beyond the student’s control have forced a student to withdraw from a unit after the unit census date, the student may apply to the Director of Student Services for a remission/refund of the financial liability applicable associated with the unit subject to the following provisions:

(i) Remission/refund claims older than 12 months will not be considered.

(ii) Remission/refund claims must be made in the manner prescribed by the Director of Student Services.

(d) Unit Swaps

Changing from one unit to another unit requires two steps:

(i) Withdrawing from one unit

(ii) Enrolling in a different unit

All standard Variation of Enrolment rules and penalties apply for both the unit withdrawal and unit enrolment.

(e) Unit Cancellations

Where a School cancels a unit offering, the Head of School responsible for the unit will advise any student enrolled in that unit. The School will ensure that any student withdrawn due to School cancellation is provided with an alternative unit offering where appropriate. The Head of School will provide the Director of Student Services with written authorisation to withdraw the availability of the unit and to process any associated withdrawal of students.

(f) Students on Sanctions

Students on student sanctions are not permitted to enrol in units. Students on sanctions may withdraw from units in accordance with the standard rules for Variation of Enrolment.

(g) Changing Mode (Internal or External)

Changing from one mode of study (Internal or External) to another is a two-step process:

(i) withdrawing from the unit in one mode

(ii) enrolling in the same unit in a different mode

All standard Variation of Enrolment rules and penalties apply to both the unit withdrawal and the unit enrolment.

(h) Changing Location

Changing from one location of study (campus) is a two-step variation request:

(i) withdrawing from the unit at one location

(ii) enrolling in the same unit at a different location

All standard Variation of Enrolment rules and penalties apply for both the unit withdrawal and unit enrolment.

2.7 Leave of Absence for a Specified Period

(a) a student may, by giving notice in writing to the Director of Student Services, take leave of absence for a specified period of up to one (1) year. A student may be granted more than one period of leave of absence, but the total period of leave of absence shall not normally exceed two (2) years. Leave of absence for a single period in excess of one (1) year, requires approval by the relevant Head of School.
(b) A student granted leave of absence for a specified period shall be treated as having taken leave of absence from the course and withdrawn from any enrolled units of study in the study period in which leave is commenced. The student's academic record shall be amended as appropriate (see Rule 2.6).

(c) Leave of absence shall not normally be granted until a student has completed the requirements for at least one unit.

(d) A student resuming studies after a period of approved leave of absence shall be subject to the award Rules in operation at the time of resumption and shall be required to re-enrol as directed by the Director of Student Services.

(e) A student who fails to re-enrol as directed after a period of approved leave of absence shall be treated as prescribed in Rule 2.9(a).

(f) Periods of approved leave of absence shall not be counted as part of the period for completion of a coursework award course (see Rule 2.15).

2.8 Withdrawal from a Course

(a) A student who does not wish to continue to be enrolled in a course may, by giving notice in writing to the Director of Student Services, withdraw from the course.

(b) A student who, having withdrawn from a course, subsequently wishes to be readmitted to the course shall comply with the requirements for admission as prescribed in Rule 2.1.

2.9 Failure to Re-enrol

(a) A student who fails to re-enrol shall be regarded as having abandoned the course.

(b) A student who, having failed to re-enrol, subsequently wishes to be readmitted to the course shall comply with the requirements for admission as prescribed in Rule 2.1.

2.10 Exclusion

(a) The grounds for exclusion shall normally be:

(i) failure in 50 per cent or more of unit load during each of the previous two (2) study periods in which the student was enrolled; or

(ii) failure to satisfy professional experience or compulsory fieldwork requirements affecting professional competency, such that the student is deemed by the relevant Head of School to be unsuitable to continue in the course.

(b) At the end of each year, upon notification of final grades, the Director of Student Services shall provide Heads of Schools with a list of those students whose academic performance provides grounds for exclusion. A Head of School may at any time seek a list of students whose academic performance provides grounds for exclusion.

(c) The ESOS Act requires the University to monitor the academic progress of international students. At the end of each study period, upon notification of final grades, the Director of Student Services shall provide Heads of Schools and the Director, International Office with a list of students whose academic performance provides grounds for exclusion. A Head of School may at any other time seek a list of international students whose academic performance provides grounds for exclusion.

(d) A Head of School shall review the academic performance of those students who meet any of the grounds for exclusion, and shall within five (5) working days make a determination that:

(i) the student be allowed to continue; or
(ii) the student be allowed to continue with specified conditions; or

(iii) the student be excluded for a specified period; or

(iv) the student be excluded permanently.

(e) The Head of School's decision shall within a further five (5) working days be notified in writing to the student by the Director of Student Services. The notification shall include:

(i) specification of the grounds for exclusion, or of any conditions placed upon continuing in the course,

(ii) an indication of the student's right of appeal against the decision, and

(iii) details of the appeals process.

(f) A student may request the Executive Dean to review the decision. This request, stating clearly the reasons for a review, must be submitted in writing to the Executive Dean within ten (10) working days of notification of exclusion. The Executive Dean shall review the decision and advise the student in writing of the outcome of this review within ten (10) working days of receipt of the request.

(g) If the request for review is unsuccessful the Executive Dean must inform the student of the appeals process.

(h) Where a student is not satisfied with the outcome of the Executive Dean's decision, an appeal on the prescribed form may be made to the Academic Board within ten (10) working days of the date on which the Executive Dean writes to the student about the outcome of the review. A late appeal may be received at the discretion of the Chair of the Academic Board Appeals Committee.

(i) An appeal to the Academic Board may only be made on the grounds that Rule 2.10(c) was inappropriately or unreasonably applied, or that there were exceptional circumstances not likely to continue which contributed to poor academic performance. A decision of the Academic Board Appeals Committee shall be final.

(j) A student refused readmission after a period of exclusion may appeal on the prescribed form, within ten (10) working days off sending of official notification by the University to the Academic Board Appeals Committee against that decision.

(k) An application for readmission following exclusion must be made in a form and at a time determined by the Director of Student Services. An application may be made prior to expiration of a period of exclusion, but readmission will not be permitted until expiration of the period of exclusion.

(l) Where a student has been readmitted after having served a period of exclusion, only those units undertaken after readmission shall be taken into account when considering grounds for exclusion at any future date.

(m) Where a student has transferred from one course to another, only units taken as part of the new course shall be taken into account when considering grounds for exclusion.

(n) Periods of exclusion shall not be displayed on any academic transcript issued by the University.

2.11 Readmission after Expulsion from the University

A student who has been expelled from the University as a result of student conduct proceedings and who subsequently wishes to be readmitted to the University shall not be readmitted except with the permission of the University Council.

2.12 Internal Course Transfer

(a) A student who is enrolled past census date may apply for an internal course transfer for the following study period
in a form and at a time determined by the Director of Student Services.

(b) An internal course transfer is not automatic, and applicants will be assessed in accordance with Rule 2.2(b)

2.13 Requirements for Coursework Awards

(a) Unless the Academic Board determines otherwise:

(i) a candidate for a Master's degree by coursework shall complete the equivalent of either twelve (12) or eight (8) units, as detailed in the specific award Rules;

(ii) a candidate for a Graduate Diploma shall complete the equivalent of eight (8) units, as detailed in the specific award Rules;

(iii) a candidate for a Graduate Certificate shall complete the equivalent of four (4) units, as detailed in the specific award Rules;

(iv) a candidate for a double Bachelor's degree shall complete the equivalent of either thirty-six (36) or forty (40) units, as detailed in the specific award Rules;

(v) a candidate for a combined Bachelor's degree shall complete the equivalent of thirty-two (32) units, as detailed in the specific award Rules;

(vi) a candidate for a Bachelor's degree shall complete the equivalent of either twenty-four (24) units, twenty-eighth (28) or thirty-two (32) units, as detailed in the specific award Rules;

(vii) a candidate for an Associate Degree shall complete the equivalent of sixteen (16) units, as detailed in the specific award Rules.

(viii) a candidate for a Diploma shall complete the equivalent of eight (8) units, as detailed in the specific award Rules;

(ix) a candidate for a Certificate shall complete the equivalent of four (4) units, as detailed in the specific award Rules.

(b) Additional requirements may be prescribed in the specific award Rules.

2.14 Completion of a Unit

A student shall be deemed to have completed a unit when either:

(a) a grade indicating satisfactory completion of the unit has been attained as prescribed in Rule 3.8(b), or

(b) advanced standing has been granted in that unit.

2.15 Duration of Coursework Award Courses

Unless a Head of School otherwise determines, a candidate for a:

(a) forty (40) unit or thirty-six (36) unit award shall normally complete the course in not more than 30 study periods;

(b) thirty-two (32) unit award shall normally complete the course in not more than 20 study periods;

(c) twenty-eight (28) unit award shall normally complete the course in not more than 18 study periods;

(d) twenty-four (24) unit award shall normally complete the course in not more than 16 study periods;

(e) sixteen (16) unit award shall normally complete the course in not more than 12 study periods;

(f) twelve (12) unit award shall normally complete the course in not more than 10 study periods;

(g) eight (8) unit award shall normally complete the course in not more than 6 study periods;
(h) four (4) unit award shall normally complete the course in not more than 4 study periods.

3. Coursework Awards: Student Assessment and Examinations

3.1 Assessment Information in Unit Statements

(a) The unit assessor during the first two weeks of each study period shall make available to all students enrolled in that unit and shall lodge with the Library a unit statement which shall contain details of the aims, objectives, syllabus, prescribed texts and materials, recommended reference material, student assessment requirements and the intended distribution of student load.

(b) The unit statement shall normally include at least the following information about student assessment:

(i) a description of each assessment task, including information such as length and format;
(ii) the relation of each assessment task to the unit objectives;
(iii) the weighting of each assessment task towards the final grade;
(iv) whether a pass in the unit requires an overall mark of 50 per cent, or whether there are components of the assessment which must be completed at a specified level for the unit to be completed satisfactorily;
(v) whether contributions to tutorial or seminar discussions will be taken into account and, if so, how such contributions will be assessed;
(vi) identification of any assessment task that must be completed to pass the unit but which does not count towards the final grade;

(vii) in units where assessment tasks and requirements are negotiable between lecturers and students, the processes and timelines for the completion of negotiations;
(viii) due dates for submission or completion of each assessment task and penalties which may be applied for late submission;
(ix) the mode of grading (that is, whether graded or ungraded - see Rule 8(a));
(x) a statement concerning time-lines for the return of marked assignments.
(xi) a statement of the criteria against which performance in assessment tasks will be judged.

3.2 Amendments to Assessment Requirements

Any amendment to the assessment requirements presented to students in a unit statement shall be notified to all students by the relevant Head of School in a form and at a time determined by the Head of School. Unless the relevant Head of School approves otherwise, no such amendments, other than an extension of the due date of an assessment task, shall be made or notified after the conclusion of the sixth teaching week of a study period.

3.3 Assessment Provision for Students with Disabilities

(a) This Rule refers to the conditions under which variations to assessment tasks or requirements may be made to accommodate the needs of students with disabilities. Such variations may include, for example, the method of completing assignments or recording answers, a lengthening of the time taken over a test or examination, the venue for tests or an examination, the provision of sound amplification or of large print for test or examination papers, and the provision of particular furniture requirements. The onus is on
a student with a disability who wishes to seek variations to assessment tasks or requirements to bring this matter to the attention of the Disabilities Liaison Officer in accordance with the University’s "Policy on Academic Adjustments for Students with Disabilities".

(b) Procedures for students registered under the "Policy on Academic Adjustments for Students with Disabilities" as having a disability shall be those specified in that Policy. Once a determination is made under the Policy concerning variations to assessment tasks or requirements for a student with a disability, these variations shall be available throughout the period of enrolment unless changed in accordance with the Policy.

(c) All students with disabilities who are not registered under the Policy and who seek accommodation for a disability must contact the Disabilities Liaison Officer. An application for a special examination or special consideration in a unit does not relieve the student of this onus.

3.4 Grounds for Special Consideration

(a) Requests for special consideration in relation to assessment tasks shall only be considered on the following grounds: health, compassionate circumstances, serious unforeseen personal events, selection in State, national or international sporting or cultural events or attendance at Defence Forces activities.

(b) For consideration on health grounds, the following information in relation to a student's condition shall be required from a registered health practitioner: (i) the date or dates on which the student was examined; and (ii) a specific statement of the practitioner's opinion of the effect of the complaint or treatment on the student's ability to complete the assessment task.

Requests that do not contain this information will not be considered. The unit assessor, or Head of School, as appropriate under Rule 3.5, may, with written permission by the student, seek further clarification from the relevant registered health practitioner concerning the extent to which a complaint or treatment may affect the student's ability to complete the assessment task. A registered health practitioner means a health practitioner registered as a provider under Medicare or a private health fund, together with such other health practitioners as the University may determine from time to time.

(c) For consideration on grounds of compassionate circumstances or serious unforeseen personal events, a student shall provide factual details of the circumstances or events, together with such corroborative evidence as may support the student's application. In this context "serious unforeseen personal events" refer normally to events which are outside the student's control to prevent or overcome.

(d) For consideration on grounds of selection in State, national or international sporting or cultural events or attendance at Defence Forces activities, a student shall provide a statement signed by an authorised officer of the appropriate organisation which validates a conflict with the University's timetable.

(e) Misreading the advised due date for any assessment task including misreading the exam timetable, as officially advised by the University, is not grounds for special consideration. Official advice only includes information provided in Unit Statements, on University websites and formal written correspondence.
3.5 Types of Special Consideration

(a) Variation of the due date for an assessment task, other than an examination

(i) Requests for this type of special consideration shall comply with the conditions and requirements as set out in Rule 3.4 and shall be submitted on the University's prescribed form of application.

(ii) Requests shall be submitted to the unit assessor as soon as possible before the due date of the submission of the assessment task.

(iii) Requests to bring forward the due date for an assessment task, other than an examination, shall be submitted to the unit assessor in sufficient time for alternative arrangements to be made.

(iv) Requests for variation of the due date for an assessment task, other than an examination, on the grounds of selection in State, national or international sporting, educational or cultural events or attendance at Defence Forces activities shall be submitted to the unit assessor at least one (1) month in advance of the starting date of the activity.

(v) With respect to Rules 3.5(a)(ii), (iii) and (iv), the relevant Head of School may approve a later date for submission of a request if exceptional circumstances can be demonstrated by a student.

(vi) The unit assessor, on the evidence available and after consultation with other academic staff responsible for student assessment in the task in question, shall determine whether or not to grant a variation and advise the student accordingly within five (5) working days of receipt of the student's completed application form. If a variation is not granted, the student shall be informed in writing of the reasons. If a variation is granted, the student shall be informed in writing of the new due date for the assessment task.

(vii) With respect to Rule 3.5(a)(vi), the relevant Head of School may approve a later date for response to the student if exceptional circumstances for delay can be demonstrated by the unit assessor.

(viii) Where extensions have been granted beyond the due date of the finalisation of grades for the semester or trimester, the student shall receive an interim notation of Incomplete.

(b) Special consideration in the end-of-unit examination

(i) Requests for this type of special consideration shall comply with the conditions and requirements as set out in Rule 3.4 and shall be submitted on the University's prescribed form of application.

(ii) Requests shall be submitted to the relevant Head of School.

(iii) Except where otherwise approved by the relevant Head of School, the timing of the submission of requests shall be as follows: (i) on grounds of health, compassionate circumstances or serious unforeseen personal events, as soon as possible before the due date of the examination; (ii) on grounds of event conflict resulting from selection in State, national or international sporting or cultural events or attendance at Defence Forces activities, at least one (1) month in advance of the starting date of the activity.
(iv) The relevant Head of School, after consultation with the relevant unit assessor, shall make a determination and advise the student, the unit assessor and the Director of Student Services of the outcome. A student shall not normally be granted special consideration in an end-of-unit examination unless the student has complied with all other compulsory assessment requirements in that unit.

(v) Where a student has been granted special consideration in relation to an end-of-unit examination, the student may choose to:

1. sit the end-of-unit examination and be considered under the provision in Rule 3.5(c)(iv), or
2. not sit the end-of-unit examination and be granted a special examination.

(vi) Where a student has been granted a special examination, a notation of Special Examination shall be entered on the student's record.

(c) Consideration in relation to a completed assessment task

(i) Requests for this type of special consideration shall comply with the conditions and requirements as set out in Rule 3.4 and shall be submitted on the University's prescribed form of application.

(ii) Requests shall be submitted to the unit assessor no later than two (2) working days after completion of the assessment task.

(iii) The relevant Head of School may approve a later date for submission of an application if exceptional circumstances can be demonstrated by the student.

(iv) The unit assessor shall retain all applications until the time of the determination of final grades for the unit. At that time, the unit assessor, taking into account the student's application, and, after consultation with any other staff member responsible for the assessment task related to the application, shall either decide the student's final grade or, in exceptional circumstances, recommend to the Board of Assessors that the student be granted further assessment prior to determination of the final grade. The Head of School shall ensure that all applications are retained for a period of six (6) months.

3.6 Examination and Special Examination Periods

(a) Examination periods shall be those periods as determined by the Vice-Chancellor and approved by Council.

(b) A student who wishes to obtain a change of examination venue less than 4 weeks prior to the commencement of an examination period shall be required to pay a prescribed administrative charge.

(c) Special examinations shall be held in the next available exam period, unless determined otherwise by the Head of School.

(d) Students granted a special examination less than 4 weeks prior to commencement of the special examinations period may be required by the Director of Student Services to sit the special examination in the subsequent examination period.

(e) Students enrolled internally are required to return to the University to sit an examination, unless prior arrangements for an alternative venue have been approved in writing by the Director of Student Services.

(f) In any examination period, where a unit has either Special Examinations or
Supplementary Assessment examinations, the unit shall normally have and examination paper that is different, but of an equivalent standard, to the examination previously set.

3.7 Conduct of Examinations

(a) Timetables for examinations shall be prepared and posted on the appropriate notice boards, or due notice of examinations shall be given to students by other means as determined by the University. Such notice shall be given not less than ten (10) working days prior to the commencement of the examination.

(b) A person other than a student, a supervisor, a unit assessor or other authorised person may not, except with the permission of a supervisor, enter or remain in an examination room during an examination session.

(c) A student may not enter an examination room before being given permission to do so by a supervisor, or thirty (30) minutes after the commencement of the writing time for the examination.

(d) No student may leave the examination room before the expiry of thirty (30) minutes from the commencement of writing time or after the ten-minute warning given by a supervisor before the end of the examination.

(e) A person, whether a student or not, who is given permission to enter or leave an examination room shall comply with all conditions on which the permission is given.

(f) A student shall not, except with the explicit permission of the unit assessor, bring into an examination room anything whatsoever which conveys or is capable of conveying information concerning or otherwise has reference to any unit, or is such that it may reasonably give rise to suspicion that it is capable of conveying information concerning or of having reference to any unit or that it was intended by the student so to do. It is immaterial that the subject matter of the material is not one to which the examination relates. It shall be sufficient answer to any alleged breach of this Rule if the student establishes that anything brought into an examination room was brought in with the permission of the supervisor, or, forthwith upon entering the room, deposited with a supervisor or at a place designated for the deposit of such things.

(g) A student whose first language is not English may use an unmarked and unannotated standard translation hardcopy dictionary only, where the examination is set in English.

(h) Except with the approval of the supervisor, a student shall not during an examination session communicate with any other person except a supervisor, the unit assessor or other person authorised by the relevant Head of School, or assist any other person to communicate with another person, or willingly receive a communication from any person other than a supervisor, the unit assessor or the relevant Head of School.

(i) Students shall bring into the examination room their student identification card or any other photo identification card.

(j) A student for an examination shall, upon entering an examination room, proceed without delay to the place the student is directed to occupy for that examination by a supervisor or by notice or other means, and shall not leave that place except with the permission or by the direction of a supervisor. A supervisor may at any time direct a student to leave any such place and to occupy another place specified by the supervisor, and a
student shall without delay comply with any such direction.

(k) A student shall comply with all directions to students set forth on a writing book or other examination material supplied or set out on any notice displayed in the examination room, and shall without delay comply with directions given by a supervisor. A supervisor need not give a student a reason for any direction or requirements given or made to the student.

(l) All examinations must be answered during the examination session in the student's own handwriting, unless alternative arrangements have been made through registration and consultation with the Disability Liaison Officer.

(m) A student shall not remove from the examination room any worked script or paper provided for use during the course of the examination, or other material the property of the University unless permitted by the supervisor.

(n) A supervisor may:

(i) require any person present in the examination room to show by such means as the supervisor may specify and as are appropriate to the circumstances, that the person is not in possession of any unauthorised material as specified in Rule 3.7(f) or that the person is not committing or attempting to commit or has not committed a breach of any other Rule relating to the conduct of examinations;

(ii) if the supervisor considers that unauthorised material has been brought into the examination room, confiscate such material and submit it with a report to the Director of Student Services;

(iii) ask any person in the examination room any question relating to the conduct of the examination or to that or another person's behaviour while in the examination room.

(o) A person present in the examination room shall comply with any such requirements or answer any question so asked. If the person fails so to do, the supervisor may require the person to leave the examination room.

(p) If, in the opinion of a supervisor, a student's behaviour is such as to disturb or distract any other student, the supervisor may require the person to leave the examination room. A supervisor shall have and may exercise all such powers as are reasonably necessary to ensure the proper and efficient conduct of the examination.

(q) If a person who is required by a supervisor to leave the examination room fails to do so forthwith, the permission given to be on the premises of which the examination room forms part shall be deemed to be withdrawn and the person may be dealt with accordingly.

(r) A student of the University who commits a breach of any part contained within Rule 3.7 shall be guilty of misconduct and dealt with in accordance with Rule 3.17 Student Academic Integrity. If not a student of the University, the examination result may be cancelled by the Chair of the Academic Board after such inquiry as the Chair deems appropriate to the case.

(s) A student shall not cheat nor attempt to cheat in an examination. Cheating is defined as any behaviour by a student in relation to an examination that is intended to defeat the purposes of the examination.

(t) A person, whether a student or not, shall not do anything intended to assist any other person sitting for an
examination to cheat or otherwise defeat the purposes of the examination.

(u) A supervisor who suspects a student of cheating or acting dishonestly or unfairly, or of assisting another student to cheat or act dishonestly or unfairly, in connection with an examination, may require the student to surrender any book, paper or other material which the supervisor suspects has been or is being used by the student for such purpose and the student shall comply with any such requirement.

(v) After surrender of any book, paper or other material in accordance with Rule 3.7(t), the student may be permitted to continue the examination.

(w) A supervisor who suspects a student of a breach of Rule 3.7(r) and/or Rule 3.7(s) shall, as soon as practicable, submit a written report of the circumstances of the alleged breach, together with any book, paper or other material surrendered in accordance with Rule 3.7(t), to the Director of Student Services who shall either:

(i) in the case of a student of the University, advise the relevant Head of School who shall deal with the matter in accordance with Rule 3.17 Student Academic Integrity, and advise the outcome to the Director of Student Services; or

(ii) in the case of other persons, determine the action to be taken.

3.8 Grading Categories

(a) The assessment mode for a unit may be either graded or ungraded, as specified in the unit statement.

(b) A student who satisfactorily completes a graded unit shall be awarded a grade of High Distinction, Distinction, Credit, Pass or Terminating Pass. A student who satisfactorily completes an ungraded unit shall be given a notation of Satisfied Requirements. A student who does not satisfactorily complete either a graded or an ungraded unit shall be given the grade of Fail or the interim notation of Incomplete or Special Examination or Not Available.

(c) For year-long units, the assessment notation applicable in the first study period shall be Continuing Unit. The assessment grade or notation applicable in the second study period shall be as specified in Rule 3.8(b).

(d) For Thesis/Project units, the assessment notation at the end of each study period, until such time as the unit is successfully completed, is Continuing Unit. A Thesis Submitted notation shall be given when the student has submitted a thesis for assessment. Upon completion of the assessment process, an appropriate grade will be entered on the student's record.

3.9 Use of Terminating Pass and the Interim Notations of "Incomplete" and "Not Available"

(a) Terminating Pass may be used where a unit assessor judges that a student fulfils the requirements of a unit but is not capable of progressing further in units for which that unit is a pre-requisite.

(b) Incomplete may be used:

(i) where the unit assessor requires further evidence to award a grade;

(ii) where a student's final grade, submitted by the unit assessor, was questioned at the Board of Assessor's review of assessment and the required clarification was not available by the time of issuing of results;

(iii) where special consideration has been awarded and where an extension has been granted beyond the due date of finalisation of grades (refer to Rule 3.5(a) (viii)).
(c) Not Available may be used either where a student has completed a practicum but the report has not been returned to the unit assessor from the school, hospital or supervisor, or where the student has submitted or completed all assessment tasks but a grade has not been determined in time for the submission of final grades.

(d) An Interim Notation (Incomplete or Not Available) shall be converted to a grade as soon as possible, and by no later than the next relevant Board of Assessors meeting. If the interim notation is not converted by that time, a Fail shall be recorded unless recommended otherwise by the Executive Dean.

3.10 Graded Units - Percentages and Distribution

(a) The following scale of equivalence of grades to percentage marks shall normally apply:

- High Distinction: 85 and above
- Distinction: 75-84
- Credit: 65-74
- Pass: 50-64
- Fail: Below 50

(b) In determining the final grades for students in a unit, a Board of Assessors may seek an explanation from the unit assessor in such instances as where the percentage of High Distinctions and Distinctions combined for the unit exceeds 20 per cent or where the percentage of Fails exceeds 20 per cent.

3.11 Grade Point Average

The Grade Point Average (GPA) is a simple numerical index which summarises a student's academic performance in a course in a single study period or over the duration of the student's enrolment in the course. The GPA is recorded on a student's Statement of Academic Record/Transcript and Notification of Assessment. The GPA is calculated as:

\[
\frac{\sum \text{(Grade Point} \times \text{Credit Value) }}{\sum \text{(Credit Value)}}
\]

Grade points are assigned to graded units where High Distinction = 7, Distinction = 6, Credit = 5, Pass = 4, Terminating Pass = 3, Fail = 0. Non-graded units, interim notations and advanced standing are not included in grade point average calculations.

Credit value is the number of points awarded for the completion of a study package.
3.12 Processing Schedules for Final Grades

(a) By the first day of each study period, the relevant Head of School shall supply to the Director of Student Services a schedule of units for which a grade is to be submitted, together with the names of the unit assessors.

(b) Recommended final grades shall be submitted electronically by Unit Assessors in a form and at a time determined by the Director of Student Services in consultation with the Chair of the Academic Board.

(c) Following electronic submission of recommended final grades and prior to the Board of Assessors, unit assessors shall check that the grades submitted are correct. Any incorrect grades shall be corrected electronically no later than the Board of Assessors meeting. (See Rule 3.12 (f) re Variation to a Grade)

(d) The Board of Assessors shall consider the grades recommended for each student and shall determine the student’s final grade in each unit, provided always that:

(i) the Board of Assessors, before determining such final grades, may refer for advice the recommended grades to a meeting of such assessors as the Board may determine;

(ii) the Board of Assessors may determine a grade different from that recommended by a unit assessor after advice to that unit assessor of the intended variation and after consideration of any matters which that unit assessor may wish to place before the Board;

(iii) with the approval of the Board of Assessors, the relevant Head of School may confirm grades executively.

(e) A grade determined by the Board of Assessors may be altered by the relevant Head of School after consultation with the unit assessor concerned:

(i) to correct a patent error; or

(ii) to make a grade accord with the grade which the Head of School and unit assessor are satisfied would have been confirmed or made by the Board of Assessors if it had considered relevant circumstances which were not considered by it;

(iii) any such variation shall be notified electronically.

(f) A final grade may be altered by the relevant Head of School, after consultation with the Unit Assessor, within 12 months of the last day of the study period in which a student was enrolled in the unit. The relevant Executive Dean may approve a variation to grade older than 12 months if it can be demonstrated that special circumstances applied to prevent completion of the unit requirements. Special circumstances apply if they:

(i) were beyond a student’s control

(ii) impacted on the student’s ability to complete the requirements beyond 12 months from the last day of the study period

(iii) were such that it was impracticable for the student to complete the requirements within the specified time frame.

(g) The relevant Head of School shall certify to the Director of Student Services:

(i) the final grades in respect of each student after all authorities have carried out and exercised any power given to them under these Rules;
RULES RELATING TO AWARDS
Southern Cross University, 2007

(ii) the names of any students who have qualified for Honours and the class of Honours for which they have qualified.

(h) After certification of final grades, the grades shall be released to the student by the Director of Student Services in a form and at a time determined by the Director of Student Services.

(i) Where a student has taken a special examination, the unit assessor concerned shall normally submit to the relevant Head of School within ten (10) working days of receiving the examination script a grade for the unit, which the Head of School may confirm executively.

3.13 Student Query of Assessment Results other than Final Grades

Where a student considers that the assessed work for an individual assessment task has been unfairly or inappropriately assessed, the student or nominee shall follow the process below, taking step (a) normally within five (5) working days of notification of the result in that assessment task:

(a) contact the unit assessor to discuss the matter;
(b) if dissatisfied with the result of the discussion in (a) above, contact the course coordinator for further discussion;
(c) if dissatisfied with the result of the discussion in (b) above, query of a grade shall be made in writing to the relevant Head of School within fifteen (15) working days of the date of publication of the grade on the official University web site. If, as a result of such query, it is deemed appropriate to vary the grade, the Head of School may make such variation in accordance with Rule 3.12(f);
(d) The Head of School shall formally notify the Director of Student Services and the student in writing, normally within ten (10) working days of the outcome of the query of a final grade.

3.14 Query of Final Grade

A student may query the grade awarded for any unit. The student shall follow the process below, taking step (c) within fifteen (15) working days of notification of the final grade.

(a) contact the unit assessor to discuss the matter;
(b) if dissatisfied with the result of the discussion in (a) above, or if the Unit Assessor is unavailable, contact the course coordinator for further discussion;
(c) if dissatisfied with the result of the discussion in (b) above query of a grade shall be made in writing to the relevant Head of School within fifteen (15) working days of the date of publication of the grade on the official University web site. If, as a result of such query, it is deemed appropriate to vary the grade, the Head of School may make such variation in accordance with Rule 3.12(f);
(d) The Head of School shall formally notify the Director of Student Services and the student in writing, normally within ten (10) working days of the outcome of the query of a final grade.

3.15 Appeal Against a Final Grade

(a) A student who is not satisfied with the determination of the Head of School under Rule 3.14, may appeal to the Academic Board Appeals Committee on one or more of the following grounds:

(i) improper action in the conduct of an assessment task or Honours examination process;
(ii) irregularity in the conduct of an assessment task or Honours examination process;
(iii) negligence on the part of any person involved in the conduct of the assessment task or Honours examination process;
(iv) discrimination against the student which is unlawful under State or Federal legislation;
(v) prejudice or bias on the part of the assessor or any other person
involved in determining the grade to be awarded;

(vi) the assessment or the assessment process as detailed in the unit statement or in the study guide or, similar document, or any subsequent amendment made in accordance with Rule 3.2, not being followed;

(vii) where additional evidence for special consideration can be provided, or where procedures for consideration of an application for special consideration were not properly followed.

(b) An appeal made under this Rule shall be lodged with the Secretary, Academic Board Appeals Committee, within ten (10) working days of the date of sending of formal notification of the Head of School’s determination. A late appeal may be received at the discretion of the Chair of the Academic Board Appeals Committee where the student is able to satisfy the Chair that the appeal is lodged late through no fault of the student.

(c) The Chair of the Academic Board Appeals Committee will assess the content of the appeal and determine whether it is appropriate for the appeal to proceed to a hearing by the Academic Board Appeals Committee under the relevant Rule. The Secretary, on behalf of the Chair of the Academic Board Appeals Committee, will contact the student in writing, within ten (10) working days of receipt of the appeal by the Chair informing them:

(i) the appeal is rejected on the basis that the grounds for appeal are frivolous or, vexatious, no ground of appeal is revealed on the face of the correspondence received, or the student has not followed the processes as described in the Rules and Procedures (which will be reported to the next meeting of the Academic Board Appeals Committee) OR

(ii) the Chair on behalf of the Appeals Committee is proceeding with the appeal, and may be seeking further information.

(d) The student may request a review of the determination by the Chair of the Academic Board Appeals Committee not to allow the appeal to proceed. This must be done within ten (10) working days of sending of notification to the student of the Chair’s determination, and be made to the Chair of the Academic Board, or if the Chair of the Academic Board is also the Chair of the Academic Board Appeals Committee, to the Vice Chancellor.

(c) An appeal cannot be made on the basis of the absence of one or more items specified in Rule 3.1(b) from a unit statement.

3.16 Additional Detail on Student Performance

(a) After the final grades in a unit have been released, a student may request the unit assessor to provide more detail concerning the student’s performance. Any such request made within six (6) months of the release of the relevant grade shall be complied with by the relevant unit assessor.

(b) After a period of six (6) months following the release of the final grades in a unit, any piece of work related to assessment tasks for that unit, including examination scripts, which have not previously been returned to students may be destroyed and details on performance need not be provided.

3.17 Plagiarism

(a) Plagiarism is defined as the act of taking and using another's work, including unattributed material in whatever form and
from whatever source, as one's own. For the purpose of this Rule, any of the following acts constitute plagiarism unless the work is acknowledged:

(i) copying the work of another student;
(ii) directly copying any part of another's work;
(iii) summarising the work of another;
(iv) using or developing an idea or thesis derived from another person's work;
(v) using experimental results obtained by another.

(b) For an act of plagiarism, any one or more of the following penalties may be imposed:

(i) a mark of zero for the item of assessment in which the plagiarism occurred;
(ii) failure or cancellation or refusal of credit for the unit in which the plagiarism occurred;
(iii) suspension from the University for a specified period;
(iv) expulsion from the University.

(c) Any student who aids another student to commit an act of plagiarism as defined above shall also be regarded as having committed an act of plagiarism.

(d) In all cases where a member of academic staff is satisfied that plagiarism has occurred, the matter shall be reported to the relevant Head of School for investigation. If satisfied that plagiarism has occurred the Head of School shall either impose a penalty or refer the matter to the Student Misconduct Committee.

(e) The Head of School may impose a penalty of:

(i) the award of a mark of zero for the item of assessment in which the plagiarism occurred, or
(ii) failure or cancellation or refusal of credit for the unit in which the plagiarism occurred.

(f) An appeal against a penalty imposed by a Head of School shall be made in writing to the relevant Executive Dean of Faculty within 14 days after the student has been notified of the penalty. The decision of the Executive Dean shall be final in such a case.

(g) In the case of a serious offence, the Head of School shall report the matter as soon as practicable to the Student Misconduct Committee.

(h) An appeal against a penalty imposed by the Student Misconduct Committee shall be made in writing to the Appeals Committee of Council within 14 days after the decision appealed against has been notified to the student. The right of appeal shall lapse if not so exercised within that period.

3.18 Cancellation or Postponement of Assessment Tasks

If the relevant Head of School is satisfied that by reason of exceptional circumstances it is necessary to cancel or postpone an assessment task of which notice has been duly given to students enrolled for a unit, the Head of School may cancel or postpone that assessment task and, in that event, may give such directions as they consider necessary or desirable as a consequence of the cancellation or postponement.

4. Coursework Awards: Specific Award Rules

Please refer to the specific award level entries in the Course Information section.

5. Honours Awards (where Honours is taken as a separate year)

5.1 Admission to Candidature

(a) An application for admission to an Honours award course shall be lodged in accordance with the required procedures and in a form and at a time determined by the Director of Student Services. A late application may be
considered in exceptional circumstances and at the discretion of the relevant Head of School.

(b) An applicant shall seek admission to an Honours degree program as:
(i) a full-time candidate; or
(ii) a part-time candidate.

(c) An Honours degree candidate may convert from full-time to part-time candidature, and vice-versa, with the approval of the relevant Head of School, who shall also determine on a pro-rata basis a revised statement of the due date for completion of the requirements of the Honours award course.

(d) Admission to an Honours award course shall be at the discretion of the relevant Head of School, and shall be subject to the availability of appropriate supervision.

(e) Before being admitted to candidature in an Honours award course, an applicant shall:
(i) have completed the requirements for the relevant precursor degree at this University, normally having obtained at least a Credit average, and have satisfied the relevant Head of School that the content of the proposed Honours program, together with any further work the Head of School may prescribe, is sufficient to make the person a suitable candidate for the award of a degree with Honours; or
(ii) have obtained qualifications from this University or another equivalent institution, and where necessary have undertaken further work, which in the opinion of the relevant Head of School are at least of the standard and content required by Rule 5.1(e)(i).

(f) A commencing student is enrolled on completion of all of the following:
(i) acceptance of the offer of admission;
(ii) submission of a completed enrolment form;
(iii) payment of prescribed fees (unless the Director of Student Services has granted an extension of time for such payment).

5.2 Requirements for the Award
To be eligible for the award of a Bachelor's degree with Honours a candidate shall:
(a) successfully complete the prescribed course of study; and
(b) fulfil any other requirements prescribed by the relevant Faculty Board.

5.3 Appointment of Supervisors
(a) An Honours award candidate, at the time of admission to candidature, shall normally have at least one supervisor appointed, who shall act as Principal Supervisor and who shall be a member of the academic staff of the University. Where more than one supervisor is appointed, one of the supervisors shall be nominated as the Principal Supervisor, who shall be a member of the academic staff of the University.

(b) The Principal Supervisor, and any additional supervisors, shall be appointed by the relevant Head of School, on the recommendation of the Honours Year Coordinator in the School.

5.4 Examination
An Honours award project or thesis completed by a candidate shall be examined by not less than two examiners, one of whom shall normally be external to the University. A candidate's supervisor(s) shall not examine the candidate's project or thesis.

5.5 Duration of Course
Unless the relevant Head of School determines otherwise, a candidate shall
fulfil all requirements for the award of a Bachelor's degree with Honours within one (1) year of first enrolling, in the case of a full-time candidate, or within two (2) years of first enrolling, in the case of a part-time candidate. Due dates for completion of the requirements for an Honours award course shall be advised by the Head of School at the time of acceptance into the course.

5.6 Class of Honours
A candidate who has reached the required standard of proficiency may, on the recommendation of the relevant Board of Assessors, be awarded Honours in one of the classifications specified in Rule 10.5(e). In published lists, the names of candidates awarded the same grade of Honours shall be placed in alphabetical order. Under Rules 3.14 and 3.15 a student may query or appeal the class of Honours awarded.

5.7 Discontinuation of Enrolment and Appeal Processes
(a) Notwithstanding other provisions in these Rules, the relevant Faculty Board may, on the recommendation of the Principal Supervisor, discontinue the enrolment of a candidate in less than the maximum time allowed for candidature if it is dissatisfied with the progress being made by the candidate.

(b) A candidate whose enrolment is discontinued under Rule 5.7(a) may appeal on the prescribed form to the Academic Board Appeals Committee against the discontinuation of enrolment.

(c) An appeal to the Academic Board against discontinuation of enrolment must reach the University within three (3) months of the date of notification.

(d) Candidature shall be reinstated if the appeal is successful. A maximum period of time to complete the Honours course will be determined by the Head of School.

(e) A candidate whose appeal is unsuccessful shall have discontinuation of enrolment confirmed.

5.8 Readmission
(a) A candidate whose enrolment is discontinued shall not be eligible to be readmitted until the lapse of one year.

(b) An applicant refused readmission after a period of discontinuation of enrolment may appeal on the prescribed form to the Academic Board Appeals Committee against that decision.

(c) A candidate readmitted to Honours candidature shall have determined by the Head of School the maximum period of time in which the candidate shall be permitted to complete the course.

(d) An appeal against refusal to be readmitted must reach the University within three (3) months of the date of sending notification.

6. Honours Awards: Specific Award Rules
Please refer to the specific award level entries in the Course Information section.

7. Master's by Thesis Awards
Please refer to the specific award level entries in the Course Information section.

8. Doctor of Business Administration (DBA) award
Please refer to the specific award level entries in the Course Information section.

9. Doctor of Philosophy (PhD) award
Please refer to the specific award level entries in the Course Information section.

10. Awards
10.1 Eligibility for an Award

(a) Subject to Rule 2.7(e), a student shall be eligible for an award of the University upon having successfully completed the requirements for the award that were current at the time the student first enrolled in the award course.

(b) Where the Academic Board (or Programs Committee as delegated) approves a change to the requirements for an award, the relevant School Board shall provide transitional arrangements that allow a student currently enrolled in the award course to satisfy the changed requirements for the award. Where these arrangements would cause hardship to a student or class of students, those students may complete the award as provided for in Rule 10.1(a). The transitional arrangements shall be approved by Programs Committee.

(c) Subject to the provisions of Rule 2.7(e), where the Academic Board approves a variation of the title of an award, a student may elect to complete the course bearing the title of the award applicable at the time the student first enrolled in the award course.

(d) Where the Council approves withdrawal of an award, a student enrolled in the award course shall be entitled to complete the course upon such terms as the Council deems reasonable in the circumstances.

(e) Unless the Rules for a specific award prescribe otherwise, a student proceeding to an award of the University may apply to exist with a lower level award provided the requirements of the lower level award have been successfully completed.

10.2 Completion of an Award

(a) A student shall be deemed to have completed an award course at the time that the Chair of the Academic Board on behalf of the Board recommends to Council that the student is eligible for an award.

(b) A student who expects to complete an award at the end of the current study period shall complete the prescribed form to apply for the award and lodge it with the Director of Student Services by the advertised closing date.

(c) A student who fails to complete units in the final study period of an award course as a result of death or permanent incapacity shall be eligible to be considered for an aegrotat award. An application for an aegrotat award shall be made in writing by the student or by a deceased student's legal representative to the Director of Student Services, for approval by the relevant Executive Dean, by the prescribed date and must be accompanied by relevant documentary evidence.

(d) An award of the University may be granted posthumously. An application for a posthumous award shall be made in writing by the deceased's legal representative to the Director of Student Services, for approval by the relevant Executive Dean, by the prescribed date and must be accompanied by relevant documentary evidence.

10.3 Conferral of an Award

(a) A student who has completed an award course and who is confirmed by the Chair of the Academic Board on behalf of the Board as being eligible for the granting of a specified award shall have the award conferred by the Council of the University at a designated graduation ceremony of the University.

(b) Where a student is eligible for conferral of an award but is not available to attend a designated graduation ceremony, the award shall be conferred 'in absentia'.
(c) No award shall be conferred if a student progresses to the next level in an articulated award (with 100% advanced standing for work completed in the lower level award) without interruption or where such interruption does not exceed one (1) study period. Except in the case of the Bachelor of Education (Secondary) and the Graduate Diploma of Education in consultation with the Head of School.

10.4 Surrender of Awards

(a) The Council of the University may revoke and require the surrender of an award of the University if it is satisfied that a graduate acted dishonestly in relation to any material matter relied upon by the University in determining the graduate's eligibility for that award.

(b) Subject to Rule 10.4(a), a graduate shall not be required to surrender an award of the University unless the Rules for a specific award so prescribe.

10.5 Grading of Awards

(a) For a Doctoral degree, the award shall not be classified.

(b) For a Master's degree, the award shall not be classified.

(c) For a Graduate Diploma, the award shall not be classified.

(d) For a Graduate Certificate, the award shall not be classified.

(e) For an Honours degree, the award shall be classified as:

(i) degree with First Class Honours;

or

(ii) degree with Second Class Honours which may be graded into Division 1 and Division 2 in those Schools that require such grading; or

(iii) degree with Third Class Honours, which may be awarded in those Schools that require such grading.

(f) For a degree for which the award of Honours is available, the award may be classified as:

(i) degree with First Class Honours;

or

(ii) degree with Second Class Honours, which may be graded into Division 1 and Division 2 in those Schools that require such grading; or

(iii) degree.

(g) For a degree for which the award of Honours is not available, the award shall not be classified.

(h) For an Associate Degree, Diploma or Certificate, the award shall not be classified.

10.6 Testamurs

The number of testamurs for each category of degree as approved by the Academic Board shall be as follows:

Single degrees: one testamur
Double degrees: two testamurs
Combined degrees: one testamur
Cross-School degrees: one testamur
Cross-institutional degrees: one testamur.

10.7 University Medal

A University medal may be awarded to a graduating student of exceptional academic merit in accordance with guidelines determined from time to time by the Academic Board.

10.8 Units Leading to an Accredited Award at Another Tertiary Institution

(a) A student who is enrolled in a course leading to an award at another tertiary education institution may enrol in units at this University which will count towards that award, subject to the joint approval of the two institutions and to the availability of class places at this University. Approval on behalf of the
University may be given by a Head of School.

(b) A student admitted under Rule 10.8(a) shall be enrolled as a cross-institutional award student.

(c) A cross-institutional award student shall pay such fees and charges as are agreed between the two institutions and enrolment shall be subject to the University's Rules relating to awards, except for the rules on exclusion (Rule 2.10).

10.9 Non-Award (Miscellaneous) Enrolments

(a) An applicant may be considered for admission as a non-award (miscellaneous) student to undertake units offered by this University if assessed by the relevant Head of School as being eligible for admission as a non-award (miscellaneous) student.

(b) Where a non-award (miscellaneous) student subsequently enrols in an award course, Faculty Boards may grant advanced standing in particular award courses for any non-award units successfully completed by the student.

(c) A senior secondary school student may be considered for admission as a non-award (miscellaneous) student to undertake units offered by this University concurrently with secondary school studies upon the recommendation of the applicant's School Principal on grounds of exceptional academic talent, and approval of the relevant Head of School. Heads of School or Faculty Boards may commit to grant advanced standing in particular award courses in compliance with Advanced Standing Rule 2.4.

(d) A non-award (miscellaneous) student shall pay such fees and charges as are prescribed in the University's Schedule of Administrative Charges, and enrolment shall be subject to the University's Rules relating to awards, except for the rules on exclusion (Rule 2.10).
RULES RELATING TO STUDENT FEES AND CHARGES
(INCLUDING STUDENT SANCTIONS)

1. Definitions

In these rules, unless the context otherwise indicates or requires:
‘Census Date’ means the date prescribed in the Higher Education Support Act 2003 as the final date by which a student may withdraw from a unit or course without incurring the Student Contribution (normally 31 March for first semester, 31 August for second semester).
‘Class’ includes a lecture, seminar, tutorial or other related activity.
‘Enrolment’ includes both the first enrolment of a student and all subsequent enrolments.
‘Full-time’ means a study load of at least 0.375 as at the census date for the relevant study period.
‘Part-time’ means a study load of less than 0.375 as at the census date for the relevant study period.
‘External’ means enrolment in only an external unit or units in the current study period.
‘Internal’ means enrolment in at least one internal unit in the current study period.
‘Reinstatement date’ has the same meaning as ‘Census Date’.
‘Study period’ means a semester, trimester, session or other period so designated.

2. Fees to be Paid

(a) All students shall pay the applicable fees and charges as set out in the Schedules.
(b) Fees and charges paid prior to due dates will be based on intended enrolment as stated in the enrolment instructions. The Director of Student Services shall calculate monies owing by the student or the University and require payment or authorise a refund, as necessary.
(c) Fees payable in accordance with Parts 1 and 2 of the Schedule shall be levied each study period on the basis of the student’s enrolment, or intended enrolment, for that study period.

3. Time for Payment

(a) Unless the Director of Student Services otherwise directs, fees listed in Parts 1, 2 and 3 of the Schedule, shall be paid on or before the date, determined by the Director of Student Services, for the relevant study period.

(b) Payment of the prescribed fees is a pre-requisite to the confirmation of an enrolment by the University.

4. Director of Student Services Powers if Fees Unpaid

(a) If any fees (including special or administrative charges) payable by a student remain unpaid after the date determined in accordance with sub-clause 3(a), the Director of Student Services may sanction, cancel or refuse the student’s enrolment in a course or unit at any time thereafter.
(b) A student, whose enrolment has been cancelled or refused, may be reinstated upon payment of all outstanding fees and administrative charges before the final date for reinstatement.
(c) A student, whose enrolment remains cancelled or refused after the final date for reinstatement, or whose enrolment is cancelled pursuant to Rule 6:
RULES RELATING TO STUDENT FEES AND CHARGES
Southern Cross University, 2007

(i) shall not be enrolled for any unit or course, unless and until the Director of Student Services in special circumstances has otherwise permitted and that person has complied with any condition which may in the absolute discretion of the Director of Student Services be imposed; and

(ii) shall not attend any class or be entitled to sit for any examinations or be awarded any assessment grade; and

(iii) shall, unless the Director of Student Services otherwise directs, remain liable for any administrative charges imposed prior to the date of the notice of cancellation, but may at the discretion of the Director of Student Services be granted a refund of any amount which may have been paid in excess thereof.

5. Refund of Fees

Subject to any relevant provisions in the schedules, where the Director of Student Services receives from the student proper written notice of withdrawal from a course or unit or variation of enrolment, a refund of fees, in whole or in part, may be authorised at the discretion of the Director of Student Services.

6. Special Cases to Be Determined by the Director of Student Services

In any case in which by reason of special circumstances the fee to be paid, the time when a fee is payable, or any other matter necessary to be determined in order to enable the application of these Rules to that case, is not specifically provided for in these Rules, the Director of Student Services shall have authority to decide any question necessary to be decided in order to determine the matter.
Part 1: Tuition Fees – Australian Students

Australian students undertaking courses that are not funded by the commonwealth Government shall pay the relevant fee described in this part.

**Notes:**

Fees quoted are in Australian Dollars, are for tuition fees only and were correct at time of publication for the 2007 academic year. The fees quoted are fixed at the amount shown for the normal duration of the course and are calculated on a pro-rata basis where enrolment varies from a normal full-time load.

In addition to the fees above, students are required to pay annually compulsory overseas student health insurance.

* The course fee for the Study Abroad program includes a non-refundable administrative fee of $1,500 per semester.

**Refunds: Tuition Fees – Overseas Students**

If the event described occurs, the student concerned shall be entitled to the refund of fees indicated:

(a) Full refund of fees paid if an offer of a place is withdrawn or the University is unable to provide the course. If, however, the offer was made on the basis of incorrect or incomplete information supplied by the applicant, the University shall retain 10% of the fee in respect of one study period as well as any cost incurred by the University’s agent in recruiting the student.

(b) Full refund of fees paid if a student is excluded before the start of the study period.

(c) If the Director of Student Services receives from the student written notice of withdrawal from course:

(i) Commencing Students

more than four weeks before the start of the study period all tuition fees
paid are refundable less an administrative fee of 10% of the tuition fee applicable to that study period and any agent’s fee that may have been incurred plus a full refund of fees paid in advance in respect of a following study period;

(ii) Continuing Students

before the start of the study period the student shall be entitled to a full refund of tuition fees applicable to the study period and a full refund of fees paid in advance in respect of a following study period;

(iii) Commencing and Continuing Students

1. on or before the last day of the fifth week of study period, the student shall be entitled to a refund of 50% of the fee applicable to that study period and a full refund of fees paid in advance in respect of a following study period;

2. after the last day of the fifth teaching week of the study period, the student will not be eligible for any refund of the fee applicable to that study period but will be eligible for a full refund of fees paid in advance in respect of a following study period.

(d) If the Director of Student Services receives from a student written notice of withdrawal from a unit or units representing less than withdrawal from course:

(i) on or before the last day of the second teaching week of the study period the student shall be entitled to a full refund of the tuition fee applicable to that/those unit/s;

(ii) on or before the last day of the fifth week of the study period the student shall be entitled to a refund of 50% of the fee applicable to that/those unit/s;

(iii) for whatever reason beyond the fifth teaching week of the study period, the student shall not be eligible for a refund of the fee paid for that/those unit/s.

Student Sanctions Rules

1. Definitions

1.1 In these Rules, unless the context otherwise indicates or requires:

‘Enrolment’ means enrolment, re-enrolment or re-admission.

‘Indebtedness to the University’ means non-payment, by the prescribed date, of:

(a) prescribed fees and charges, namely, Student Contribution Fees and Tuition Fees;
(b) fines imposed under a University By-law or Rule;
(c) administrative charges and fees;
(d) student loans and other financial obligations resulting from a Student Loan Agreement entered into with the University;
(e) rent or other changes arising from a student occupying Licence Agreement entered into with the University;
(f) compulsory fees related to participation in a residential school, student excursion, student field trip or similar activity;
(g) charges related to the non-return or damage to University property or equipment.

2. Failure to Pay Charges

2.1 Any student who is indebted to the University may be subject to the imposition of student sanctions as in Rule 3.

2.2 A student who is sanctioned will be issued with a sanction notice requesting that the student take immediate action to resolve the outstanding obligations. Students are warned that failure to resolve the outstanding obligations by the date
specified on the sanction notice may result in cancellation of enrolment.

3. **Student Sanctions**

3.1 Student sanctions shall be imposed by the Director of Student Services following consultation with appropriate staff. Student sanctions may take the form of one, or more, of the following:

(a) withdrawal of approval to enrol;
(b) withholding of Notification of Assessment;
(c) non-issue of a Transcript of Academic Record or Testamur;

4. **Special Consideration**

4.1 In exceptional circumstances, where the imposition of student sanctions would be inappropriate having regard to the circumstances, the Director of Student Services may direct that:

(a) student sanctions be not imposed; or
(b) student sanctions be removed or varied; or
(c) conditions for discharging the student’s indebtedness to the University be renegotiated.

4.2 An application for special consideration, setting out the facts upon which the student relies and any corroborative evidence, shall be made in writing to the Director of Student Services, normally within 10 working days of the date of formal notification to the student of the imposition of student sanctions.

4.3 The Director of Student Services shall respond to the application for special consideration, normally within 10 working days of the receipt of the application.

5. **Appeal**

5.1 A student may appeal against any decision made under these Rules. An appeal shall be made in writing to the Executive Director and Vice-President (Corporate Services), normally within 10 working days of notification of the relevant decision.

5.2 The Executive Director and Vice-President (Corporate Services) shall rule on the appeal and inform the student in writing of the ruling, normally within 10 working days of receipt of the appeal.

5.3 The decision of the Executive Director and Vice-President (Corporate Services) shall be final.
PART 1 – PRELIMINARY AND PROCEDURAL MATTERS

DIVISION 1 - Preliminary

1 Introduction and objectives

This Rule sets out the procedures for investigating and determining Allegations of misconduct by students, as well as penalties that may be applied and rights of review.

2 Application and implementation of this Rule

(1) This Rule applies to any alleged misconduct by a person who, at the time of that alleged misconduct, was enrolled or registered as a student of the University, regardless of whether:

(a) subject to Sub-Rule (5), the alleged misconduct occurred before or after the commencement of this Rule; or

(b) the person has subsequently ceased to be enrolled.

(2) This Rule applies to any alleged misconduct by a student that occurs in the course of or is associated with a student undertaking study with the University, regardless of where the alleged misconduct occurs. For example, it applies to alleged misconduct by a student that occurs while that student undertakes clinical or other forms of practical training or field trips, or to threatening or undesirable behaviour by a student towards another student or a staff member outside university premises.

(3) Nothing in this Rule precludes the University from initiating any form of legal action against a student in connection with an Allegation of misconduct.

(4) This Rule should be read in conjunction with the University’s approved Code of Conduct and the Student Academic Integrity Policy.

(5) Subject to Rule 33(1), Sub Rule (1)(b) does not apply to an allegation of misconduct that has been the subject of a final determination before the commencement of this Rule.

(6) Subject to Rule 33, this Rule repeals and replaces any existing rules, resolutions or other instruments of the University dealing with allegations of misconduct against students.

3 Dictionary

(1) In this Rule, the following words have these meanings when commencing with a capital letter in the text:

**Academic Misconduct** includes, without limitation:

(a) cheating or acting dishonestly in connection with academic work, including assisting or procuring another person to do so, or seeking assistance from another person to do so;

(b) copying, or attempting to copy, another person's work and pass it off as one's own work, regardless of whether they have that person's authority to do so;

(c) using, or attempting to use, anything not specified on an examination paper for use in an examination;

(d) any other behaviour that is inconsistent with academic standards or practices normally expected of university students, regardless of whether these are explicitly expressed in any rules, policies or guidelines of the University.

**Allegation** means an allegation of Misconduct;
Appeal means an Appeal made under (as the case may be) Rule 15 or Part 4 or 5;

Appeals Committee means the Appeals Committee of the Council of Southern Cross University established pursuant to Rule 30;

Caution means a personal warning given against a course of action;

Chair means the person appointed as Chair of the Student Misconduct Committee;

Committee means (as the case may be) the Student Misconduct Committee or the Appeals Committee;

Council means the Council of Southern Cross University;

Decision-Maker means:
(a) in relation to suspension of a Student under Part 2, a person specified in Rule 8(1), (2) or 10(1);
(b) in relation to an Allegation (including an investigation of an Allegation) under Parts 3 or 4, a person appointed (as the case may be) under Part 3 or Part 4 to make such a determination; or
(c) in relation to an Appeal, an Executive Dean (for Appeals under Part 3), (and as the case may be) the Student Misconduct Committee (for Appeals under Part 4) or the Appeals Committee (for Appeals under Part 5), and includes any person acting in any of the above positions;

Executive Dean means the dean of a faculty;

Head of School means the head of a University school or college;

Misconduct means Academic or Non-Academic Misconduct;

Misconduct includes, without limitation:
(a) discriminating against, or harassing or bullying other people, or inciting other people to do so;
(b) using University grounds, facilities or services (including, without limitation, computer or communications facilities or services) for any illegal purpose, or in any way that is inconsistent with any University policy, guidelines or directions, or which is otherwise contrary to the purpose or manner for which they are intended to be used;
(c) stealing, damaging or destroying any thing that does not belong to that student;
(d) unreasonably disrupting a class, meeting or other University activity;
(e) intimidating, threatening or assaulting any one;
(f) attempting to access or alter any record of the University without authorisation;
(g) non-compliance with any direction or order lawfully given by University staff or other people authorised by the University to give them, including an order to identify oneself when asked to do so;
(h) failing to comply with any penalty imposed in accordance with this Rule;
(i) interfering with the freedom of other people to pursue their studies or research, carry out their functions or otherwise participate in the life of the University;
(j) any other behaviour that is inconsistent with any rules, policies or guidelines of the University including, without limitation, those relating to traffic and parking, and consumption of alcohol; or
(k) any behaviour that is inconsistent with or otherwise prejudicial to the good order and government of the University.
Reprimand means a formal censure;

Student means a person who, at the time or times the Misconduct is alleged to have occurred, is registered as a student of the University, regardless of whether at that time he or she is currently enrolled in a course of study conducted by or within the University.

Student Academic Integrity Policy means the policy of that name approved on 18 February 2005 and includes, where applicable, any amendments to or replacement of that policy;

Student Misconduct Committee means the committee established pursuant to Rule 21(1);

University grounds includes all land, buildings owned, leased or otherwise used or operated by the University and includes without limitation:

(a) residential colleges of, or other accommodation provided by, the University;
(b) premises on which students undertake clinical or practical training as part of their studies, for instance, teaching hospitals of the University.

(2) In this Rule, unless the contrary intention appears:

(a) A word or term commencing with a capital letter and not defined in Sub Rule (1) has the same meaning attributed to that term in the Southern Cross University Act 1989 or the Southern Cross University By-Law 2005;
(b) a reference to an officer of the University includes any person acting in that position.

DIVISION 2 – Procedural issues

4 Responsibilities and powers of Decision-Makers

(1) A Decision-Maker must, in relation to the hearing and determination of an Allegation:

(a) act as quickly as is practicable, and without undue formality as is appropriate for the circumstances of the case and in accordance with the rules of procedural fairness;
(b) ensure that the Student concerned understands the nature of any Allegation made and the implications of that Allegation;
(c) ensure that the Student is provided with the opportunity to be heard or to have his or her submissions considered before any determination is made.
(d) if requested to do so, explain to the Student the procedure of the Decision-Maker or any determination made by that Decision-Maker; and

(2) A Decision Maker has those powers conferred on him or her by this Rule. Subject to this Rule, they may act on their own initiative or in response to an Allegation.

(3) A Decision-Maker must not delegate a function or a power conferred under this Rule. However, a Decision-Maker may seek assistance or advice for the purpose of exercising functions as such (for example, directing staff to carry out an investigation into Misconduct and to provide a report).

(4) A Decision-Maker may hear and determine one or more different Allegations at the same time.

(5) If, before a final determination is made, a fresh Allegation is made against a Student that arises out of or relates to the same conduct that is the subject of the previous Allegation, then the Decision-Maker may hear the fresh Allegation together with the original Allegation, but subject to the procedures prescribed in this Rule.

(6) Subject to this Rule and principles of procedural fairness, a Decision-Maker has power to:
(a) summon any member of staff or student of the University to provide information or evidence (including documents) about an Allegation;
(b) to the extent permitted by law, obtain information concerning an Allegation in any way that Decision-Maker sees fit;
(c) make any procedural directions in connection with the hearing of an Allegation;
(d) inquire into any matter in such manner as that Decision-Maker thinks fit;
(e) require evidence or argument to be presented orally or in writing, and determine on which matters that Decision-Maker will hear oral evidence or argument;
(f) extend any deadlines given to a Student by that Decision-Maker under this Rule; or
(f) correct any obvious errors in any notice or other communication given under this Rule in the following circumstances:
   (i) where there is an obvious clerical or typographical error in the text of that notice or communication;
   (ii) where a document was omitted from a notice or other communication (for instance, a copy of this Rule) arising from an accidental oversight or omission;
   (iii) where there is an error arising from an accidental slip or omission; or
   (iv) where there is a defect of form.

5 Rights and responsibilities of Students

(1) All Students are entitled to procedural fairness in the investigation and determining of any Allegation against them.

(2) Procedural fairness includes, but is not limited to:

(a) the Student being informed of the Allegation and all relevant particulars relating to the Allegation;
(b) the Student being given a reasonable opportunity to answer an Allegation;
(c) the Student having the choice to be accompanied by a friend or a support person at any hearing to answer any Allegations of Misconduct;
(d) the Student being given normally not less than 14 days notice of the hearing of any Allegation;
(e) the Student being allowed to be present during those parts of a hearing in which any evidence or submission is given or made in relation to the Allegation or, if the Allegation is to be determined without a hearing, being given a reasonable opportunity to respond to any evidence or submission;
(f) the Student or the accompanying friend or support person being given a reasonable opportunity to question witnesses present and/or evidence presented at any hearing, subject to the discretion and determination of the Chair of the Committee for the hearing;
(g) the Student being given access to or copies of any evidence or submission given or made in relation to the Allegation, subject to the discretion and determination of the relevant determination maker, normally the Chair of the Committee for the hearing;
(h) absence of actual or perceived bias or conflict of interest on the part of the Decision-Maker;
(i) the Decision-Maker acting in accordance with any procedures prescribed by these Rules;
(j) the Decision-Making basing his or her determination on the evidence before him or her at the time that determination is made; and

(k) the Decision-Maker giving a statement of reasons for his or her determination.

(3) Students are expected to conduct themselves in a proper manner at all times and not disrupt or prejudice the hearing or deciding of an Allegation or an appeal. If a Student disrupts or prejudices any hearing of an Allegation or an appeal, then he or she may be required to leave by the relevant Decision-Maker, and the relevant Decision-Maker shall have power to continue hearing the Allegation in the absence of the Student.

(4) Sub Rule (3) applies to any friend or support person chosen by the Student.

6 Conflicts of interest or bias

(1) A Decision-Maker shall be disqualified from making a determination or exercising any other power conferred by this Rule if there is any actual or perceived bias or conflict of interest. A conflict of interest includes, but is not limited to:

(a) any personal relationship of a social or intimate nature between:
   (i) the Decision-Maker and the Student concerned; or
   (ii) any other person who gives evidence in respect of the Allegation;

(b) if the Decision-Maker is himself or herself a person who is a witness to, or is called to give evidence in respect of, an Allegation.

(2) If a member of the Student Misconduct Committee has a conflict of interest or there is a reasonable perception of bias, the Vice-Chancellor must appoint another person to replace that Decision-Maker.

(4) If a member of the Appeals Committee has a conflict of interest or there is a reasonable perception of bias, then the Chancellor must appoint another member of Council to replace that member on the Appeals Committee.

PART 2 – SUSPENSION OF STUDENTS

DIVISION 1 – Temporary suspension

7 When this can occur

(1) A Decision-Maker may immediately suspend a Student in circumstances where:

(a) a Student’s behaviour amounts to Misconduct in the judgement of the Decision Maker; and

(b) there is, in the judgement of the Decision Maker, an imminent threat or likelihood of Misconduct by, or an Allegation of Misconduct against, a Student and it is reasonable in the circumstances to suspend that Student in order to:

(i) attempt to prevent that Misconduct from occurring; or

(ii) protect the health, safety and welfare of others, including the rights of other students to pursue their studies and the rights of staff to carry out their work; or

(iii) ensure the University and its activities can function properly.

(2) Depending on the nature and extent of any Misconduct or threat or Allegation of Misconduct, and what is reasonable in the circumstances, a Student may be suspended temporarily for up to 14 days from:
8 Who can suspend a Student

(1) A determination to suspend a Student in respect of any Non-Academic Misconduct may only be made by:
   (a) the Vice-Chancellor;
   (b) a Pro Vice-Chancellor;
   (c) an Executive Dean;
   (d) the Executive Director, Corporate Services
   (e) the Group Director, Student Services;
   (f) the Group Director, Information Technology; or
   (g) the University Librarian (including, without limitation, a person appointed as a Liaison Librarian at any of the University's libraries).

(2) A determination to suspend a Student in respect of any Academic Misconduct may only be made by:
   (a) the Vice-Chancellor;
   (b) a Pro Vice-Chancellor; or
   (c) an Executive Dean.

9 Procedure for suspending a Student

(1) A Decision-Maker may suspend a Student temporarily by notifying the Student in writing to that effect or, if it is impracticable to do so (for example, if there is an emergency or if the circumstances require urgent action), by telling that Student orally (either in person or by telephone). The Decision-Maker must tell the Student:
   (a) that the Student is suspended temporarily in accordance with this Rule;
   (b) the length of that suspension (including from when it takes effect);
   (c) a brief description of why suspension is being imposed; and
   (d) the scope of that suspension (for example, if a Student is only suspended from attending particular classes or from particular parts of University premises).

(2) If a Decision-Maker notifies a Student of his or her suspension orally, that Decision-Maker must also send the Student a notice in writing to that effect in accordance with Sub Rule (4) within 24 hours of suspending that Student.

(3) A failure by a Student to receive or acknowledge an oral or written notice of suspension does not:
   (a) invalidate the determination to suspend; or
   (b) end any suspension made, under this Rule.

(4) A Decision-Maker (other than the Vice-Chancellor) must notify the Vice-Chancellor within 24 hours of any determination to impose a suspension under this Rule.

(5) The Vice-Chancellor must, if a temporary suspension imposed under this Rule remains in force while an Allegation or an Appeal is being considered and determined, inform the relevant Decision Maker of that fact.

DIVISION 2 – Extending, renewing or expanding suspension

10 Procedure

(1) The Vice-Chancellor may extend or renew the period of time and/or expand the scope of suspension imposed under Rule 7.

(2) The length of time for which a suspension can be extended or renewed under Sub Rule (1) is unlimited, but must be reasonable, taking into account those matters specified in Rule 7(1)(b).
(3) The Vice-Chancellor must inform a Student of the determination to extend or expand a suspension under this Rule 10 in writing within 24 hours of making that determination. The notice must specify:

(a) that the Student's suspension is being extended or renewed and/or expanded in accordance with this Rule;
(b) the length of that suspension or, if for an unlimited period of time, that the length is unlimited, and the date from which it takes effect;
(c) a brief description of why suspension is being extended or renewed and/or expanded;
(d) the scope of that suspension (for example, if a Student is only suspended from attending particular classes or from particular parts of University premises).

DIVISION 3 – Allowance for academic disadvantage

11 Requirements

If:

(1) a Student is suspended under this Rule for a period exceeding 24 hours; and
(2) no subsequent action for dealing with the Misconduct for which the Student was suspended is taken within a reasonable time after that suspension occurred; or
(3) the Student is, in relation to that Misconduct, found to be not guilty of that Misconduct in accordance with this Rule,

the University must make reasonable allowance for any academic disadvantage (for example, missing an examination or inability to complete course requirements on time) suffered by that Student.

PART 3 – MAKING, INVESTIGATING AND DEALING WITH ALLEGATIONS

DIVISION 1 – Referring Allegations

12 Making Allegations

(1) An Allegation of Academic Misconduct must be made to the Head of School in which the Student is enrolled.
(2) An Allegation of Non-Academic Misconduct may be made to any member of staff of the University, who must then refer it promptly to the Pro Vice-Chancellor (Academic).
(3) An Allegation involving both Academic and Non-Academic Misconduct may be made to any member of staff of the University, who must then refer it promptly to the Pro Vice-Chancellor (Academic).

13 Who may make Allegations

(1) Any person can make an Allegation if he or she reasonably suspects actual or potential Misconduct.
(2) An Allegation of Misconduct should, where reasonably practicable, be made in writing.

DIVISION 2 – Allegations of Academic Misconduct

14 Investigation and determination

(1) When a Head of School receives an Allegation of Academic Misconduct, he or she must cause an investigation to be carried out to establish whether the Allegation is serious enough to warrant further action.
(2) When an investigation conducted under Sub Rule (1) is complete, the Head of School must determine whether the Allegation is serious enough to warrant referral to the Pro Vice-Chancellor (Academic), taking into account:

(a) the evidence obtained from that investigation; and
(b) the criteria for findings of Academic Misconduct as set out in the Student Academic Integrity Policy.
(3) If the Head of School determines that the Allegation:
(a) warrants referral to the Pro Vice-Chancellor (Academic), then he or she must:

(i) refer that Allegation and any evidence obtained in relation to that Allegation to the Pro Vice-Chancellor (Academic) as soon as practicable to be dealt with in accordance with Rule 16(1); and

(ii) notify the Student in writing to that effect (giving particulars of the Allegation); or

(b) is not serious enough to warrant referral to the Pro Vice-Chancellor (Academic), then the Head of School must determine whether the Allegation:

(i) is established or should be dismissed; or

(ii) if it should not be dismissed, but is not serious enough to warrant referring it to the Pro Vice-Chancellor (Academic), whether to:

(A) take no remedial action or impose no penalty; or

(B) take remedial action or impose a penalty which must be remedial action or a penalty of a kind specified in the Student Academic Integrity Policy, and notify the Student in writing of his or her determination in accordance with Rule 20, with the exception that any appeal against the determination of the Head of School is to be made to the relevant Executive Dean.

15 Appeal against determination of Head of School

(1) A Student may appeal to the Executive Dean of the faculty in which the Student is enrolled against a determination made by the Head of School under Rule 14:

(a) that the Allegation of Misconduct is established; and/or

(b) to impose a penalty.

(2) Appeals under Sub Rule (1) must be notified to the Executive Dean, within 14 days of the date of the Head of School's notification of determination being given under Rule 14(4).

(3) The Executive Dean must determine:

(a) In relation to the Allegation:

(i) to sustain it; or

(ii) to set it aside; and

(b) in relation to the penalty imposed:

(i) to confirm it;

(ii) to impose no penalty; or

(iii) to impose a lesser penalty.

(4) The determination of the Executive Dean in relation to an Appeal under this Rule 15 must be given within 10 days, is final and conclusive, and may not be the subject of a further Appeal under Part 4 or 5.
DIVISION 3 – Referral of Allegations to
Pro Vice-Chancellor (Academic)

16 Procedure upon referral

(1) If an Allegation of Academic Misconduct is referred to the Pro Vice-Chancellor under Rule 14(3)(a)(i), then he or she must do one of the following things:

(a) determine whether the Allegation is of such a serious nature that, if proven, would or would be likely to result in a penalty of suspension or expulsion; and

(b) if so, refer that Allegation to the Student Misconduct Committee; or

(c) if not, proceed to hear and determine that Allegation in accordance with Rule 17 himself or herself, as a Decision-Maker; or

(d) if not, nominate a Decision-Maker to hear and determine that Allegation in accordance with Rule 17.

(2) If the Pro Vice-Chancellor (Academic) receives an Allegation of Non-Academic Misconduct or an Allegation involving both Academic and Non-Academic Misconduct, he or she must do one of the following things:

(a) determine whether the Allegation is of such a serious nature that, if proven, it would or would be likely to result in a penalty of suspension or expulsion; and

(b) if so, refer that Allegation to the Student Misconduct Committee; or

(c) if not, proceed to deal with the Allegation in accordance with Rule 17 himself or herself, as a Decision-Maker; or

(d) if not, nominate a Decision-Maker to do so and refer the Allegation to that person [but provided that person is not the person who made the Allegation under Rule 12(3)].

17 Dealing with Allegations referred under Rule 16

(1) If a Decision-Maker receives an Allegation from the Pro-Vice-Chancellor (Academic) under Rule 16(1)(d) he or she must determine as follows:

(a) whether the Allegation involves possible Misconduct; and

(b) if he or she determines the Allegation does not involve possible Misconduct, dismiss the Allegation; or

(c) if he or she determines the Allegation involves possible Misconduct, determine whether:

(i) the Allegation warrants further investigation;

(ii) interim conditions (such as suspension under Division 3) should be imposed;

(iii) to hear and determine the Allegation directly if appropriate; or

(iv) to refer it to the Student Misconduct Committee.

(2) If a Decision-Maker makes a determination under Sub Rule (1) (c)(ii), (iii) or (iv), he or she must notify the Student in writing to that effect in accordance with (as the case may be) Rule 9(1) or (2) or Rule 18.

(3) If a Decision-Maker determines that it is appropriate to do so, he or she may cause an investigation to occur as soon as possible after making a determination under Sub Rule (1) (c) (i). The Decision-Maker is not required to notify the Student of his or her determination to do so.

(4) Once an investigation under Sub Rule
(3) is completed, the Decision-Maker must determine whether to:

(a) dismiss the Allegation; or

(b) hear and determine the Allegation himself or herself and if so, whether to hear the Allegation in person or by means of written submissions; or

(c) refer the Allegation to a Student Misconduct Committee, and notify the Student in writing to that effect in accordance with Rule 18.

(5) For the avoidance of doubt, an Allegation may be investigated more than once before it is heard and determined.

DIVISION 3 – Decision-Maker determines Misconduct

18 Notifying the Student

If a Decision-Maker determines to hear and determine an Allegation directly [regardless of whether there has first been an investigation under Rule 17(3)], he or she must send a notice to the Student that:

(1) provides sufficient details about the Allegation known at that time;

(2) informs the Student:
   (a) that the Decision-Maker proposes to hear and determine the Allegation directly, even if the Student does not respond to the notice or the Allegation, or is absent from any meeting or hearing convened by the Decision-Maker;
   (b) whether the Decision-Maker intends to conduct a hearing in person or determine the Allegation on the basis of written evidence or argument; and
   (c) the time and date when:
      (i) the Decision-Maker proposes to hear the matter in person; or
      (ii) the Student must respond under Sub Rule (3);

(3) invites the Student to, within a reasonable period of time (which must be no less than 7 days after the date on which the notice is sent):

(a) meet with the Decision-Maker or communicate by other means (for example, by telephone) for the purposes of responding to, or generally discussing, the Allegation;

(b) bring a friend or support person with him or her to any meeting under Sub Rule (a);

(c) submit a written response to the Allegation;

(d) inspect relevant documents held by the Decision-Maker in relation to the Allegation; and

(4) encloses a copy of this Rule.

19 Determination

Once the deadline specified in a notice given under Rule 18 expires (and regardless of whether the Student responds to that notice), the Decision-Maker must determine whether there is sufficient evidence to establish the Allegation, and:

(1) if not, dismiss the Allegation; or

(2) if he or she determines there is sufficient evidence to prove the Allegation, determine whether to impose a penalty in accordance with Rule 27.

DIVISION 3 – Notifying the Student of determination

20 Requirements

(1) A Decision-Maker must, within seven (7) days of determining an Allegation, notify the Student of his or her determination, and give a statement of reasons for that determination. The notice must specify:

(a) whether the Allegation is established or dismissed;

(b) any penalty that the Decision-Maker has determined to impose; and
(c) that the Student has a right of appeal against that determination by notifying the Pro Vice-Chancellor (Academic) within 14 days of the date of the Decision-Maker's notice (or a longer time specified in that notice if 14 days is not a reasonable time).

(2) A notice given under Sub Rule (1) must also include either a copy of this Rule or a description of the relevant Appeal procedures in (as the case may be) Part 4 or 5.

PART 4 – STUDENT MISCONDUCT COMMITTEE

DIVISION 1 – Preliminary

21 Appointment

(1) A Student Misconduct Committee shall consist of the following persons appointed by the Pro Vice-Chancellor (Academic) for any particular matter:

(a) three (3) staff members of the University:

(i) where practicable, at least one of whom must be a female and a male; and

(ii) one of whom shall be appointed to act as Chair;

(b) one female student and one male student (who must not be full-time members of staff of the University).

(2) A quorum for the Student Misconduct Committee is three (3) members, one of whom must be a student and one of whom must be the Chair.

(3) If a member of a Student Misconduct Committee dies, becomes ineligible to be a member of the Student Misconduct Committee, or is otherwise unavailable to attend a hearing for any reason:

(a) after the hearing of an Allegation has commenced under Division 2, 

(b) but has not yet been determined, then the remaining members of the Student Misconduct Committee shall proceed to complete the hearing and determine the Allegation.

(4) The Chair shall determine:

(a) the manner and order of proceedings for any hearing;

(b) any points of order or interpretation that may arise;

(c) whether any objection to a question should be upheld or overruled;

(d) whether any legal advice should be sought by the Committee in relation to any procedural matter; and

(e) who may be present during any part of the hearing.

(5) Any determination of the Student Misconduct Committee [not being a determination required to be made by the Chair under Sub Rule (4)] shall be determined at least by a majority of the Student Misconduct Committee. If there is an equality of votes, then the Chair has a casting vote.

22 What can be dealt with by the Student Misconduct Committee

(1) The Student Misconduct Committee shall hear, consider and determine:

(a) an Allegation of Academic Misconduct referred to it under Rule 14, Rule 16 or Rule 17.

(b) an Allegation of Non-Academic Misconduct or involving both Academic and Non-Academic Misconduct referred to it under Rule 16(2)(b) or Rule 17(1)(c)(iv); or

(c) an Appeal against a determination made under Rule 19.

(2) A Student must lodge an Appeal under Sub Rule (1)(c) by sending the Pro Vice-Chancellor (Academic) a notice to that effect within fourteen (14) days of the date on which the relevant Decision-Maker notifies the Student of that determination.
(3) An Appeal may be made:

(a) against a finding of Academic Misconduct;

(b) against the type or severity of the penalty imposed; and

(c) on any one or more of the grounds specified in Rule 28.

23 Secretary

(1) The Pro Vice-Chancellor must appoint a person to act as secretary and provide administrative support to the Student Misconduct Committee and the Appeals Committee.

(2) The Secretary may, for and on behalf of the Student Misconduct Committee or the Appeals Committee (as the case may be), issue notices or other communications [including any summons issued under Rule 4(6)(a)] as and when directed by the Chair of the relevant Committee.

24 Presentation of evidence on behalf of University

The Pro Vice-Chancellor (Academic) must designate a person to present evidence or submissions about an Allegation at its hearing under Division 2. That person may at that hearing:

(a) question any witness;

(b) present any witnesses and any evidence;

(c) address the Chair or a Committee or make submissions about any issue before them.

DIVISION 2 – Procedures of Student Misconduct Committee

25 Preliminary issues to be determined

(1) A Student Misconduct Committee must convene a meeting as soon as possible (normally within three weeks) after an Allegation or an Appeal has been referred to it, and:

(a) ensure that the Student and any witnesses have been correctly identified;

(b) ensure that the Student has been given notice in accordance with (as the case may be) Rule 17(4) or 20(1);

(c) give the Student a reasonable opportunity to make written or oral submissions as to whether he or she has a case to answer;

(d) determine whether, on the evidence available, the Student has a case to answer and, if not, dismiss the Allegation without requiring the Student to answer it;

(e) if the Student Misconduct Committee determines the Student has a case to answer, then the Chair shall determine:

(i) whether any members of that Committee should be disqualified from hearing and deciding the Allegation because of any conflict of interest;

(ii) how the Committee will proceed to hear and determine the matter; and

(iii) when the matter is to be heard, which must be a date no less than 14 days after the Student Misconduct Committee makes that determination.

(2) The Student Misconduct Committee may, subject to this Rule make any procedural directions at a meeting convened under Sub Rule (1).

(3) The Student Misconduct Committee must notify the Student of any decisions made under Sub Rule (1) within seven (7) days of making those decisions.

26 Procedure for hearing and deciding Allegations and Appeals

(1) The Student Misconduct Committee must, in accordance with this Rule, proceed as soon as practicable (normally within
three weeks) to hear and determine an Allegation or an Appeal.

(2) In relation to an Allegation, the Student Misconduct Committee may determine:

(a) to dismiss the Allegation;
(b) make a finding that the Allegation is proved, and if so
   (i) determine that no penalty should be imposed; or
   (ii) impose a penalty in accordance with Rule 27.

(3) Procedures relating to the hearing and determination of Appeals under Rules 31 and 32 apply to Appeals against a determination under Rule 19 with the exception that such Appeals are to be heard and determined by the Student Misconduct Committee.

(4) The Student Misconduct Committee must notify the Student of its determination and give a statement of its reasons within 7 days of making that determination.

(5) The Student Misconduct Committee must give a copy of its determination and statement of reasons to the Pro Vice-Chancellor (Academic) within 7 days of making that determination.

(6) The Chair of the Committee may advise relevant staff of the outcome of the hearing of an Allegation or Appeal, and may provide advice or suggestions for procedural improvements on behalf of the Committee to the Pro Vice-Chancellor (Academic).

(7) A determination by the Student Misconduct Committee of an Appeal made under Rule 22(2) is final and conclusive and may not be the subject of a further Appeal under Part 5.

DIVISION 3 – Penalties

27 Penalties or orders that may be imposed

(1) Any one or more of the following penalties or orders may be imposed by a Decision-Maker who determines an Allegation or an Appeal:

(a) a reprimand;
(b) a caution;
(c) conditions on that Student's enrolment or participation in activities of the University;
(d) the award of a mark of zero or a reduced mark for an examination or other assessable activity of a unit of study;
(e) the award of a result of fail for a unit of study;
(f) exclusion from a unit of study or a course for a study period (up to a trimester or semester);
(g) a fine payable within a specified period of time;
(h) payment by way of restitution within a specified period of time;
(i) suspension (in accordance with the provisions of Division 3) for a specified period of time from any one or more of:
   (i) any part or all of the University grounds;
   (ii) attending any classes, meetings or other activities; or
   (iii) using any facilities or services of the University;
(j) subject to Sub Rule (2), expulsion from the University;
(k) any other penalty or order considered reasonable and appropriate by the Decision-Maker, taking into account all the circumstances of the case, including the seriousness of the Misconduct.

(2) A determination to exclude or suspend a student for longer than one formal study period (trimester or semester) or to expel a student from the University under Sub Rule (1)(j) may only be made by:
(a) the Student Misconduct Committee; or
(b) the Vice-Chancellor; or
(c) the Appeals Committee.

(3) When imposing a penalty or an order under Sub Rule (1), a Decision-Maker must ensure that penalty or order:
(a) is reasonable and appropriate, having regard to the seriousness of the Misconduct and whether it is Academic Misconduct or Non-Academic Misconduct; and
(b) takes into account any temporary suspension already imposed on the Student under Division 5;

(4) A Decision-Maker may, when imposing a penalty under this Rule, suspend its operation on such conditions as that Decision-Maker considers appropriate and reasonable in the circumstances.

(5) If a Student lodges an Appeal, the operation of a penalty imposed under this Rule 27 (except a determination to suspend that Student under Division 3) is suspended pending the outcome or withdrawal of that Appeal.

PART 5 – APPEALS TO APPEALS COMMITTEE

DIVISION 1 – Lodgement and grounds

28 Lodging an Appeal

(1) Subject to Sub-Rule (2), a Student may appeal to the Appeals Committee against a determination of:
(a) the Student Misconduct Committee in accordance with Rule 26(2), but subject to Sub Rule (2);
by sending the Pro Vice-Chancellor (Academic) a written notice (which may be in electronic form) to that effect within fourteen (14) days of the date on which the relevant Decision-Maker notifies the Student of that determination.

(2) A Student cannot appeal against a determination made under Rule 19 if that determination has previously been determined by the Student Misconduct Committee under Rule 22(1)(c). For the avoidance of doubt, a Student may only appeal against a determination of the Student Misconduct Committee under Rule 22(1)(a) or (b).

(3) A notice given by a Student under Sub Rule (1) must set out the relevant grounds (which are set out in Rule 29) and full particulars of the appeal.

29 Grounds of appeal

An Appeal may be made on any one or more of the following grounds:

(1) that the determination is unreasonable or cannot be supported on the basis of the evidence available at the time the determination was made;

(2) that a particular provision of this Rule was misinterpreted or not followed, which resulted in a substantial miscarriage of justice;

(3) that particular evidence should have been considered as relevant to the determination made;

(4) that particular evidence that was considered relevant to the determination made was irrelevant;

(5) a failure to observe procedural fairness;

(6) that fresh relevant evidence has become available to the Student which was not available or not known to the Student at the time of the hearing or considering of the determination;

(7) that any penalty imposed or order made was excessive or inappropriate taking into account all the circumstances of the case.

DIVISION 2 – Appeals Committee

30 Constitution

(1) There shall be an Appeals Committee,
appointed by resolution of the Council on the nomination of the Chancellor:

(a) consisting of not less than three (3) and not more than (5) members of the Council:
   (i) at least one of whom must be a student member of Council; and
   (ii) one of whom shall be appointed by the Council to chair the Appeals Committee;

(b) for a period not exceeding two (2) years.

(2) Subject to Sub Rule (3), the quorum for the Appeals Committee is three (3).

(3) If a member of the Appeals Committee dies, ceases to be a Council member, or is unavailable to consider or determine an Appeal for any reason:

(a) after the consideration of the Appeal has commenced under Rule 31,
(b) but has not yet been determined in accordance with Rule 32,

then the remaining members of the Appeals Committee shall proceed to complete the hearing and determine the Appeal.

(4) The Appeals Committee may determine any matter before it unanimously or by majority. If there is an equality of votes, then the Chair has a casting vote.

31 Hearing an Appeal

(1) The Appeals Committee may hear the Appeal by means of oral and/or written submissions and/or argument.

(2) If an Appeal is to be conducted by way of oral submissions or argument then the Appeals Committee must send a notice to the Student that tells him or her:

(a) the date, time and place where the Appeal is to be heard;
(b) that he or she may make submissions in person or have another person do so on his or her behalf; and
(c) that if the Student or his or her representative does not attend the hearing, then the Appeals Committee will determine the Appeal in his or her absence.

(3) If an Appeal is to be conducted by way of written submissions or argument, then the Appeals Committee must send a notice to the Student that tells him or her:

(a) the deadline and place where any written submissions or argument must be sent; and
(b) that if the Student does not make any written submissions or argument by the deadline specified in the notice, then the Appeals Committee will determine the Appeal in the absence of any such submissions or argument.

32 Determining an Appeal

(1) Except for an Appeal made on the ground specified in Rule 29(6), the Appeals Committee must determine an Appeal only on the basis of the record of evidence taken at the time the original determination was made.

(2) The Appeals Committee must:

(a) allow an Appeal if it determines that the determination should be set aside on any one or more of the grounds of appeal relied upon by the Student in his or her Appeal; or
(b) dismiss an Appeal and affirm the original determination (including any penalty) if it determines that:

(i) the determination should not be set aside on any of the grounds of appeal relied upon by the Student in his or her Appeal; or
(ii) no substantial miscarriage of justice has occurred even though the determination is capable of being set aside on any one or more of the grounds of appeal relied upon by the Student in his or her Appeal.
(3) In allowing an Appeal under Sub Rule (2)(a), the Appeals Committee may do any one or more of the following:

(a) order that the original determination should be quashed;
(b) order that the original determination should be set aside and reheard by the original Decision-Maker;
(c) order that the original determination should be set aside and substitute its own determination;
(d) substitute a different penalty for the one imposed in the original determination, or set aside that penalty.

(4) The Appeals Committee must notify the Student of its determination within seven (7) days of making it, and include with that notice a statement of its reasons for the determination.

(5) A determination made under this Rule 32 is final and conclusive.

Part 6 – MISCELLANEOUS PROVISIONS

33 Savings and transitional

(1) If, before this Rule comes into effect, a person or committee of persons has commenced the hearing or consideration of an:

(a) Allegation; or
(b) Appeal,

but has not yet made a determination in relation to that matter, then that person or group of persons:

(c) are taken to be appointed as a Decision-Maker for the purpose of this Rule; and

(d) shall continue to hear or consider and determine that matter in accordance with this Rule as if the initial proceedings has been commenced under or conducted pursuant to this Rule.

(2) Any act, matter or thing that immediately before this Rule came into effect had effect pursuant to any by-law, rule, resolution or other instrument of the University is taken to have effect under this Rule.

34 Review

The Vice-Chancellor may at any time nominate a person or establish a committee or working party to review this Rule and report to him, and the Vice-Chancellor may recommend any necessary changes for consideration and approval by the Council.
