Welcome from the Vice-Chancellor and President

To all commencing and returning students I would like to bid you a very sincere welcome.

There have been many exciting developments at Southern Cross University over the past two years. We have opened the new Tweed Gold Coast campus that provides students with some of the most modern facilities and equipment in the country. We have embarked upon collaborative projects with some of Australia’s most prestigious universities: the University of Sydney, the University of Queensland, and the University of New South Wales, in the areas of allied health and complementary medicine. We have also partnered with the University of New England to establish what is sure to become the country’s premier marine research centre, the National Marine Science Centre at Coffs Harbour.

All of these things point to a vibrant young university working with industry and higher education sector leaders to deliver innovative, exciting programs.

Combining our popular, relevant undergraduate and postgraduate degree courses with our commitment to continuing to enhance student services and support, all in one of the country’s most exciting regions, and you have an educational experience you’ll remember for the rest of your life.

How to use the 2004 Student Handbook

The Student Handbook has been divided into six main sections to ensure that information is easily accessible. These sections include:

1. General Information (Principal Dates, Contact Information etc.)
2. Divisions of the University
3. Student Services and Information
4. Course Information
5. Unit Information
6. Rules

Students are advised to make full use of the many comprehensive tables of content and indexes at the beginning of each section.

Do you want to find a course?

If you know the name of the course you are interested in….

Turn to the first page of the Course Information section (page 45) where you will find an alphabetical listing of all courses.

Course details include such important information as the course code, the campus where the course is taught, its duration, course rules, and the schedule of units which need to be studied.

Do you want to find details of individual units that form part of a course?

If you know the name of the unit you are interested in….

Turn to the Index of unit titles on page 298

If you know the unit code and want to find details of the unit….

Turn to the Unit Descriptions by Code on page 319

Unit details include such important information as the unit code, availability information, any pre-requisites, and unit description.

Students should always take account of course and unit availability when planning their studies. Students can check the availability of both courses and units by viewing the Schedule of Units on the website www.scu.edu.au/handbook.

Tip: Use the index at the back of the Student Handbook to help you find everything you want!
Do you want to find out about a particular rule?

If the issue is general in nature relating to University policy on admissions, enrolment, assessment rules, fees and charges, then….

Turn to the Rules section of the Student Handbook on page 460

If the issue is more course specific, and therefore may not be applicable to all courses, then….

Turn to the Course Details for your course (a Course Information index is provided on page 46) where you will find details of the specific course rules.

Students are advised to refer to both the Rules section of the Student Handbook, in conjunction with the specific course rule detailed under the relevant course entry.

Further information about University governance and rules can be found in the 2004 Calendar. The Calendar is an on-line publication and can be found at the following world-wide-web address www.scu.edu.au/calendar.

† Study Week # Examinations
Principal Dates for 2004

The academic year is divided into semesters and trimesters.

Semesters

Each semester is of 17 weeks duration (numbered 1–17). Each semester comprises 13 teaching weeks, 2 non–teaching weeks and 2 assessment weeks. Asian Semesters commence later than standard semesters, but are identical in length and format. For standard semesters, a 4-week recess occurs between first and second semesters. The summer recess extends from early-November to late February. From 1998 study packages have been offered during the summer recess.

Trimesters

There are 3 trimesters (1, 2 and 3), each of 15 weeks duration (numbered 1–15). Each trimester comprises 13 teaching weeks and 2 assessment weeks. Asian Trimesters commence later than standard trimesters, but are identical in length and format. For standard trimesters, a non-teaching period occurs between each trimester. A five-week recess occurs from mid-December to late January.

Orientation Activities

Orientation Week runs from 16–20 February 2004. Orientation features a range of information sessions, activities, and social events to mark the start of the new University year. The University and Student Organisations on all campuses conduct various activities including Course Information sessions, Library tours, learning assistance, campus tours, computer laboratory tours, sporting and recreational activities, entertainment and trips to local areas.

Orientation Week is your chance to meet new friends, have a great time and learn about University life in general, before lectures start and the workload really sets in!

Find out more about ‘O Week’ and the services and facilities on offer at www.scu.edu.au/oweek. An ‘O Week’ guide is sent to all commencing students.

Further information regarding Orientation Week and the start of semester activities is also available from the various Student Organisations. See Student Organisations under General Information.

SCU Connect (Computer Access)

SCU Connect provides all Southern Cross University students with access to a range of Internet and computing services both on and off campus, including:

- Internet access
- MySCU (SCU’s on-line learning environment)
- My Enrolment
- Dial-up access via our modem banks
- Your SCU email address
- Library catalogues and electronic resources
- On campus computing labs

To access the above services, you will need your username and password. An on-line service for obtaining your username and password exists at: http://www.scu.edu.au/services/scuconnect and click on the New Students tab. You will need your student ID number and PIN (found on letter of offer) when accessing this site.

If you experience any difficulty using SCU Connect, you are encouraged to contact Southern Cross University’s IT Call Centre by phone on (02) 6620 3698 or email helpdesk@scu.edu.au or Coffs Harbour campus (02) 66593080, email helpdesk@chec.scu.edu.au

ID Card Services

It is important for all students to have a student identification card (ID card). All students should obtain an ID card by Friday 27 February 2004. This card should be carried with you at all times when on campus. The card is necessary for attendance at examinations, and is required to gain library borrowing rights. The card also entitles you to numerous student discounts and benefits.

If you are near to the Lismore, Coffs Harbour or Tweed Gold Coast campuses, you may call in at the ID Card Unit to have your photograph taken and a card produced. The ID Card Unit at the
Lismore campus is located at X Block, Goodman Plaza. The Coffs Harbour ID Card Unit is located at the Students Association, under the Cafeteria, F Block. After 20 February, Coffs Harbour students requiring an ID Card may call in at Administration from Tuesday to Friday from 2 pm – 4.30 pm.

The Tweed Gold Coast ID card unit is located at the Student Centre. All other students should complete the Request for Student ID Card form (this is a tear out form in the Enrolment Guide for new students), and return with two passport size photographs. Your ID Card will then be forwarded to you by mail.

Student Centres

Student Centres are located on each campus and are the first point of contact for students seeking information on administrative, course, or other student matters. You can find advice and the necessary forms to complete your enrolment and other administrative processes such as paying fees or checking transport concessions. There are computing facilities to check your timetable and other personal details, and a range of university publications and guides. Student Centres are also the place to obtain and lodge application forms and other general forms.

http://study.scu.edu.au

MySCU is a personalised environment which links students to a range of resources and services online. These include timetables, the library and its electronic databases and catalogues, My Enrolment, study and support services, and personal organisers. The MySCU portal is also the entry point to the online learning area. Many units of study now have online resources and electronic discussion forums and collaboration activities associated with their delivery.

To access MySCU, a login is required. Information about obtaining a username and password for connecting to MySCU is listed in the SCU Connect section, page 20 and is available online at www.scu.edu.au/services/scuconnect

My Enrolment
https://ssm/scu.edu.au/stuweb

‘My Enrolment’ is the student window into Southern Cross University’s student record system. It provides students with an official, real time view of their enrolment details as recorded on the University’s internal student management system. Students can reliably check the details of their enrolment, update their contact details, check their results and withdraw from units online, all via a secure log-in. Students can also request the addition of units to their enrolment (via email) through My Enrolment. My Enrolment can be
accessed from any computer that has access to the Internet.

All current SCU students have access to My Enrolment. If you have not used it before, your user name is your student ID number. Your password is your date of birth. The default format of your password is 8 digits in the form ddmmyyyy. If this password does not work, you should try the alternative 6 digit format ddmmyy. If you are still unsuccessful, please contact the IT Call Centre at helpdesk@scu.edu.au or phone (02) 6620 3698.

Students can currently perform the following transactions on My Enrolment:

- Change of address and contact details
- Change of examination centre
- View currently enrolled units
- Print current enrolment details
- View completed units
- View grades
- Print Grade Notice and Statement of Academic Record
- Withdraw from units on-line.
- Request a unit addition (not on-line)

In the first half of 2004, Southern Cross University intends to introduce an on-line fee enquiry screen for students via My Enrolment and we will progressively introduce on-line enrolment into units for particular courses throughout 2004.

Students are reminded that when accessing My Enrolment from a multi-user computer, to be sure to log out and close your internet browser window after completing the session. This will ensure the security of individual records.

STUDY INFORMATION

Charges including Student Body Fees and HECS

Southern Cross University students are liable for student body fees – which are payable directly to the University and cannot be deferred under the HECS system. Most undergraduates will also be liable for Higher Education Contribution Scheme (HECS) charges, but full-fee paying students are liable for tuition fees rather than HECS.

The University will invoice you for student body fees and HECS or tuition fees early in each semester. Payment of fees must be made by the due date specified on the invoice (details regarding methods of payment will be included with the invoice).

Student Body Fees

All students are liable for student body fees, regardless of whether you are enrolling in a HECS course or tuition fee course. For further information concerning fee levels, please refer to the Rules relating to Student Fees and Charges in the Rules section.

Higher Education Contribution Scheme (HECS)

HECS was introduced by the Commonwealth Government as a way of ensuring that all students contribute to the cost of their higher education. Almost all undergraduate students at Southern Cross University are liable for HECS. For more information on HECS please refer to the booklet ‘HECS Information 2004’. It is important that you read and understand the information contained in this booklet. The booklet is provided to all new students and is also available at all Student Centres.

HECS information may be viewed on-line at www.hecs.gov.au

Tuition fees

Tuition fees for postgraduate units range from $1100.00 to $1500.00 per unit (for Australian students). Tuition fees for undergraduate miscellaneous units start from $800.00. Tuition fees are listed in the schedules – please refer to the Rules Relating to Student Fees and Charges.

Postgraduate Education Loans Scheme (PELS)

PELS is an interest-free loan facility for eligible students who are enrolled in fee-paying, postgraduate non-research based courses. It is similar to the deferred payment arrangements available under the HECS. PELS enables eligible postgraduate students (Australian citizens or permanent residents who meet certain eligibility requirements) to obtain a loan from the Commonwealth Government to pay their tuition fees. It is available for both commencing and continuing students. Students repay their loan through the taxation system once their income reaches the minimum threshold for compulsory repayment.

For more information on PELS please refer to the booklet ‘PELS: Your Questions Answered 2004’. It is important that you read and understand the information contained in this booklet. The booklet is provided to all new students and is available at all Student Centres.

PELS information may be viewed on-line at www.hecs.gov.au.

Further information may also be obtained from Student Services telephone (02) 6620 3444.

Refund of Fees

It is important you read and understand the University Refund Policy as set out in the Rules Relating to Student Fees and Charges in the Rules section of the Student Handbook.

Deferment of Course Commencement

Deferment of course commencement may be available for a period of 12 months to applicants undertaking undergraduate courses. An applicant who is offered a place in an undergraduate award course shall be granted a deferment of offer for 12 months following written application to the Director of Student Services and upon payment of
Enrolling at SCU

It is the responsibility of all students to ensure that their current enrolment is recorded accurately by Southern Cross University. Some units offered by SCU have requisite conditions and students must check that they are eligible to enrol in the unit prior to submitting their enrolment request to Student Services. Students must obtain a requisite waiver from the Head of the School that is teaching the unit if they wish to enrol in a unit without the listed requisite.

New students will receive an enrolment form with their Southern Cross University offer package. Students should follow the instructions provided in their offer package to correctly complete their enrolment form and return it to Student Services by the due date specified on the form.

Continuing students re-enrol for the following year in October of the current year. A Re-enrolment package will be sent via mail to all enrolled students at their listed contact address.

Continuing students should follow the instructions included in their re-enrolment package to correctly complete their re-enrolment form and return it to Student Services by the specified due date.

No guarantee of enrolment can be made to students who return their re-enrolment forms after the due date.

At the beginning of each semester students must check their enrolment details on My Enrolment: https://ssm.scu.edu.au/stuweb/ and immediately advise Student Services in writing if they believe their enrolment is inaccurate.

Checklist for Enrolment

Have you completed and returned the following:

New Students

☐ Your Enrolment Form

☐ Your Payment Options Declaration Form (HECS courses only)

☐ Your Request for Student ID Card Form (only for students who are unable to visit the ID card unit at Lismore, Coffs Harbour or Tweed Gold Coast campus).

Continuing Students

☐ Your Re-enrolment Form

☐ Your Major selection Form (for courses that require the selection of a major)

You must lodge your forms by the due date specified in your enrolment package.

What Happens After Enrolment?

After returning your enrolment form, you should wait for at least ten (10) working days before checking your enrolment details on My Enrolment.

If your enrolment is not as you expected, you should check your SCU email account. All enrolment problems will be reported to this address. Students must check this email account regularly.

If your enrolment is correct, you should check the timetable for your enrolled unit and attend your first classes. Southern Cross University provides no written confirmation of your enrolment, but students can print the details of their current enrolment from My Enrolment https://ssm.scu.edu.au/stuweb.

Your enrolment invoice will arrive shortly after you have been enrolled. Please check your invoice for accuracy. Note that you must pay your student body fees directly to the University by the due date on your invoice.

Changing Your Enrolment

Students who wish to vary their original enrolment details must notify the Director of Student Services in writing. Please note that deadlines exist for the lodgement of unit
enrolment variation and course/unit withdrawal. These dates are set out in the Principal Dates section of the Student Handbook and can affect both a student’s academic record and financial liability. Note that changing your mode of study (internal or external study mode) and unit substitutions are enrolment variation requests and are subject to the same deadlines and late charges - see “Withdrawing From a Course or Unit” below.

Students can change their own contact details by visiting My Enrolment at: https://ssm.scu.edu.au/stuweb/

Withdrawing From a Course or Unit

Regulations relating to a course or unit withdrawal are set out in Enrolment Rules which are printed in the Rules section of the Student Handbook (see Rules 2.6 – 2.8). All students should be familiar with these rules. Students withdrawing from a course or unit must provide written advice of withdrawal to avoid being automatically graded FAIL for currently enrolled unit(s). Forms are available from the Student Centre on each Campus and when completed, can be lodged at that Student Centre.

Students enrolled in a HECS liable course who withdraw from a unit or units, or from a course, after the census date for a study period, will be liable for the HECS applicable for the unit/s, or course, for that study period.

Students should take note that withdrawing from a unit or course after the designated final date for withdrawal without failure will result in an automatic grade of Fail.

Students enrolled in a fee paying course who withdraw from a unit or units, or from a course, after the start of the study period may be liable for a partial fee. Refer to the University Refund Policy set out in the Rules Relating to Student Fee and Charges.

Leave of Absence

Students who have completed at least one unit of study with Southern Cross University may take a break from their studies of up to one-year (12 months). Refer to Rules Relating to Awards Rule 2.7(a-f).

The application for leave must be made in writing to Student Services. You may use our standard Leave of Absence Application Form (available on the web or at the Student Centre on your Campus), or you may simply provide the following details in a fax, email or letter:

- name and Student Identification Number;
- course name (eg Bachelor of Business);
- date you wish to start leave;
- the study period and year you wish to return to your studies.

For Further Information about Enrolment Issues

- consult the relevant course and unit information in the Student Handbook;
- consult the relevant Enrolment Rules in the Rules section of this Student Handbook;
- refer to your course summary sheets issued with enrolment packages;
- consult the appropriate Course Adviser in your School;
- consult an officer of the Enrolments Team in Student Services, telephone (02) 6620 3444.

Attendance

Attendance at lectures and tutorials is normally a requirement for internal students. For example, some units require an eighty percent attendance in lectures and tutorials as well as a pass in assignments in order to pass the unit. Attendance at field trips and excursions may also contribute to a unit assessment. External students may need to attend an on-campus residential period as a requirement of their units. Attendance requirements are articulated in all detailed unit
If personal circumstances change through the study period to prevent class attendance, you should discuss the situation with your lecturer or Student Services. Illness during semester can interfere not only with attendance at classes, but also on your capacity to study. When too much class contact is lost through protracted illness, there may be no practical way of catching up in that semester. You should discuss your options with your School or College Office or Student Services staff.

Text books

Text book lists are included in all unit statements and can be purchased from the Co-op Bookshop which is located at both Lismore and Coffs Harbour Campuses. Copies of required texts are also held in the University Library. Books of Readings are sometimes produced by Schools to either supplement or replace text books. Copies of these are also available in the University Library. The Co-Op Bookshop contact details are:

Advanced Standing

Southern Cross University policy allows for the granting of advanced standing for previous post-secondary study (normally completed within the last ten years), relevant professional experience or demonstrable expertise. If you wish to apply for advanced standing towards your course, you should complete and return the Advanced Standing Application Form (available from Student Centres). It is important to apply for advanced standing as early as possible prior to the commencement of your studies. The amount of advanced standing you are granted may affect what units you can enrol in.

If you have already applied for advanced standing and have not yet been advised of the outcome, please contact the Admissions Team in Student Services on (02) 6620 3444.

Change of Course

Students who are currently enrolled in a course at Southern Cross University may apply for a course transfer provided they have completed a minimum of one semester of full-time study, or equivalent, in their original course enrolment. However, it should be noted that course transfer is not automatic and in some instances students may be required to apply through Universities Admissions Centre (UAC) or Queensland Tertiary Admissions Centre (QTAC). Details are available from Student Services.

Assessment

Assessment describes the various kinds of assignments, tests and examinations used at Southern Cross University. At the beginning of each study period the relevant unit assessor will provide you with the objectives or goals of the unit, the number and type of each item of work to be submitted, the assessment method(s) proposed for each item, date each item is to be submitted and other general assessment expectations and penalties. You should note the assessment requirements carefully as your success in any unit will depend upon your ability to meet the requirements of the various assessment items.

School/College policies including the conditions of and penalties for late submissions, granting of extensions, possibility of resubmission, violation of assessment specifications (eg: number of words), plagiarism and class participation (where it contributes to assessment) may be outlined in the course handout or will be available at the relevant Divisional, School or College office.
Your final grade in each unit will be published on the Web at the end of each study period. The University’s rules concerning Student Assessment and Examinations are set out in the Rules section of this Student Handbook.

Examinations
Examinations are held at the end of each study period. Not all units require examinations so you should check carefully the assessment requirements of all the units in which you are enrolled. It is your responsibility to complete any required examinations. A preliminary examination timetable is normally available at least five weeks prior to the examination period. The final timetable is displayed on campus noticeboards and is mailed to external students at least two weeks before the examination period. It is your responsibility to check the details of all your examinations. Details will not be given out by telephone.

The University’s rules governing Student Assessment and Examinations are set out in the Rules section of this Handbook.

Special Consideration and Special Examinations

The Student Assessment and Examination rules provide for students to be granted a special examination or special consideration in appropriate circumstances. In general terms, the rules provide that where a student completes an assessment task, such as an examination or assignment, and believes his/her performance or preparation was adversely affected by medical or other circumstances, that student may apply for special consideration.

A student who is unable to sit for an examination because of medical or other exceptional circumstances may apply for a special examination. Except in exceptional circumstances, where a student sits for an examination, a special examination will not subsequently be granted. Misreading the exam timetable is not grounds for a special examination.

A student may also apply for special consideration to vary the deadline for an assessment task, other than an examination.

Application forms are available from the Student Centre, from your School or College and on the website study.scu.edu.au/stuadmin/forms

Review of Grades and Appeals

A student who wishes to query a final grade in any unit should contact the relevant Executive Dean within ten working days of formal notification of the grade being queried. A student not satisfied with the Executive Dean’s determination, may lodge a formal appeal with the Secretary, Academic Board Appeals Committee. The grounds for lodging an appeal are outlined in the Student Assessment and Examination rules. A student may also query the mark or grade awarded for a piece of assessment submitted during the semester or trimester. For further details see the Rules section of this Handbook.

Exclusion

The Exclusion Rules, set out in the Rules section of this Student Handbook, provide for exclusion at the discretion of the Head of School, on the basis of unsatisfactory progress. Students may appeal a decision of the Head of School within ten (10) working days of notification of exclusion by requesting the Executive Dean to review the decision. A student not satisfied with the Executive Dean’s decision with respect to this appeal may submit a further appeal to Academic Board within ten (10) working days. Any appeal under the Rules may only be made on the grounds that the Rules were inappropriate or unreasonably applied, or that there were exceptional circumstances not likely to continue which contributed to unsatisfactory progress.

Periods of exclusion shall not be displayed on any academic transcript issued by the University.
Graduation
Graduation is the ceremony in which graduands of the University receive their degree, diploma or award testamurs from the Chancellor. After graduation, graduates are entitled to use the title and origin of their degree after their name. Graduation ceremonies are held each year in Lismore and Coffs Harbour. It is issued without alteration or erasure. All students are entitled to one academic transcript of their academic record, without charge, upon graduation. A fee of $10.00 will be charged for all other transcripts, and will be provided on receipt of written request and appropriate payment to Student Services. Copies of academic transcripts may also be downloaded from My Enrolment.

GENERAL INFORMATION

ABSTUDY (Education Access Program)

ABSTUDY provides assistance for Australian Aboriginal and Torres Strait Islander students in a range of full-time and part-time courses, including Masters and Doctorate level.

The maximum rates vary depending upon individual circumstances. Benefits for students also include the payment of an incidentals allowance to assist with text book and equipment costs. Part-time students may also be eligible for some financial assistance.

Application forms for ABSTUDY are available from any Centrelink Office. Submit your application for ABSTUDY as soon as possible. The ABSTUDY Unit in Lismore is located at the Centrelink Office, at the corner of Conway and Keen Streets, and can be contacted on 13 2317, for the cost of a local call.

ABSTUDY Pensioner Education Supplement (PES)

The Pensioner Education Supplement (PES) is free of any income test. It may be paid to some students who are eligible for ABSTUDY and are receiving a pension or certain allowances from Centrelink or a full service pension from the Department of Veteran Affairs (DVA). To be eligible for PES students must be studying at least 25% of a full-time workload.

In 2004 the Pensioner Education Supplement is $62.40 per fortnight for new applicants and $124.80 per fortnight for “maintained” students continuing in their studies from 1999.

Students with a study load of less than 50% will be paid $31.20 per fortnight. Please note, customers receiving Disability Support Pension, Invalidity Service Pension or Income Support Supplement may be eligible for a workload concession.

All rates are subject to CPI adjustment.

Further information about ABSTUDY can be obtained from the Lismore Centrelink Office, corner of Conway and Keen Streets, Lismore. Telephone enquiries can be made on 13 2317.

Austudy Payment and Youth Allowance for Students

Austudy Payment is an income support payment available to qualifying students aged 25 or older. It provides income tested assistance to full-time students who are Australian citizens and some permanent residents of Australia studying in an approved tertiary course.

Youth Allowance is a similar support payment paid to eligible 16 to 24 year olds who are undertaking full-time study in approved courses, and/or are looking for work. These young people may be eligible for rent assistance and the rules regarding the activity test allow for more flexibility in the types of activities which are acceptable. Youth Allowance is means tested against parental and family income.

The eligibility provisions for Austudy Payment and Youth Allowance for full-time students are very similar. However there are some differences in terms of rates, parental means testing, and the activity test (academic requirements). All Austudy Payment recipients are deemed independent and are therefore not means tested against their parents’ income.

There is no away from home rate for Austudy Payment as all students over 25 years of age are deemed as independent. Rent Assistance is not available to single people who are receiving Austudy Payment. Those with children can access Rent Assistance through Family Allowance.

To be eligible for Austudy Payment or Youth Allowance, students normally need to be undertaking at least three-quarters of the normal amount of full-time study in respect of the course for the study period. Where a course is subject to HECS, students are required to have a HECS loading of at least 0.375 per semester. Where a student reduces and ceases to be undertaking a
HECS load of 0.375 or more, he or she ceases to be eligible for Austudy Payment or Youth Allowance. Under very special circumstances some students are approved to study less than 75% of the full-time workload.

The maximum rates of payments vary depending on the age of the student, the level of the student’s personal and/or family income and assets, and the type of assistance applied for.

Dependent tertiary students may also be eligible for reimbursement for up to two return journeys between their parents’ and their term address if they live away from home to undertake their studies.

Students can apply for a lump sum advance loan of between $250 and $500 against their Austudy Payment or Youth Allowance entitlement.

Application forms for Austudy Payment and Youth Allowance are available from any Centrelink office. Completed applications can be forwarded by mail to the following address or can be personally lodged at any Centrelink office:

Centrelink
PO Box 571
LISMORE NSW 2480

Telephone enquiries can be made on 13 2490.

Centrelink also provides a visiting service to Southern Cross University’s Lismore Campus. This service is provided during the regular teaching periods of each semester and is located within the Student Services Office in Goodman Plaza. You can lodge application forms and carry out your other business with Centrelink at the visiting service.

**Austudy Pensioner Education Supplement (PES)**

The Pensioner Education Supplement (PES) aims to assist pensioners with the ongoing costs associated with study and is available to full-time students and those approved to undertake at least 25% of a full study load.

Plagiarism is defined as reproduction and presentation of the work of others without acknowledgment and includes copying (in whole or in part) the work or data of other persons, or presenting substantial extracts from books, articles, theses, computer software, lecture notes, assignments or tapes, without due acknowledgment. All students are advised against making assessable material (assignments, etc.) available to other students, as they could then be a party to plagiarism and, as such, may be penalised as if they themselves had committed an act of plagiarism.

All students are expected to be fully conversant with the various systems of referencing. Details on the preferred referencing system for the discipline you are studying will be provided by the unit assessor.

Students should be aware that poor referencing or poor presentation of cited material is NOT plagiarism. They constitute poor academic work and will be penalised as such.

**Plagiarism in Computing**

The University acknowledges that there are particular difficulties in establishing plagiarism in respect of computer-based work, particularly programming. The following guidelines are intended to provide advice on how plagiarism in this area will be established:

**Definition:** Substantial copying of work from some existing or recognisable source without acknowledgment: the use of work, partial or whole, generated by another student, past or present or an external person, constitutes plagiarism with reference to computing and computer programming.

**Detection:** Plagiarism in computing may be detected by one or more of the following:

---

*By-laws are published in the Calendar
www.scu.edu.au/calendar

(b) sudden improvement in a student’s output within the semester without evidence of effort;
(c) sudden change in coding style;
(d) report by other student(s) or member(s) of staff;
(e) the offending party was caught in the act of copying.

Verification: Plagiarism in computing may be verified by:
(a) similarity in submitted work, e.g. similar programme structure, similar identification names and labels;
(b) lack of ability of the student to explain key aspects of the programme, especially where intricate logic is involved in the success of the coding;
(c) lack of evidence with regard to intermediate output;

* Denotes a double-weighted unit.

# Any elective includes electives from any degree at Southern Cross University but does not include the following units: Legal Studies I (Introduction to Law and Contract), Legal Studies II (Business Law), Introduction to Land Law, Foundation of Torts, Criminal Process or any introductory level law unit. However, candidates who have completed any of these units prior to enrolment in this double law degree may apply for advanced standing in up to a maximum of five of the above as “any electives” but not as “law electives”.

**Notes to this Table:**

Candidates completing the above degree must complete one major in the Bachelor of Legal and Justice Studies degree from the list of majors contained in the Bachelor of Legal and Justice Studies degree rules. Major 1 in this Schedule refers to the first unit in the first major and so on. A candidate may not complete more than two majors. Where a candidate undertakes two majors, a unit may not be counted towards both majors except where a unit is a core unit in both majors. Where a BLJS/LLB candidate chooses a major containing LAW00004 Company Law, LAW10068 Law and Government Decision Making or LAW10158 Introduction to Evidence and Advocacy, that candidate shall not be permitted to enrol in that unit and instead shall undertake an additional elective from the list of electives contained in the major. If there are no such electives available the student shall complete an additional elective from Part B. Where a candidate chooses a major containing a core unit that is also listed in the above BLJS/LLB Schedule, that candidate shall undertake an additional elective from the list of electives contained in the major. If there are no such electives available the candidate shall complete an additional elective from Part B.

An examiner may question the candidate, through the Pro Vice-Chancellor (Research), in relation to any aspect of the work which, in the opinion of the examiner, requires clarification. Any questions and answers shall be sent to the other examiners.

(b) The examiners' reports on a thesis shall be forwarded to the School Director of Postgraduate Studies and Research for comment, who in turn shall forward them to the Principal Supervisor and the candidate for comment. The examiners' reports, together with any written comments received from the Principal
Supervisor and the candidate, shall then be considered by the School Director of Postgraduate Studies and Research, who shall make a recommendation to the Higher Degrees Committee (Research).

(c) The recommendation of the School Director of Postgraduate Studies and Research, together with the reports of the examiners and any written comments received from the Principal Supervisor and candidate, shall be considered by the Higher Degrees Committee (Research), which shall have broad discretion to seek additional input as appropriate, and which shall:

(i) recommend to the Academic Board that the candidate be admitted to a PhD degree; or
(ii) recommend to the Academic Board that candidacy be terminated.

(d) Before making a recommendation to the Academic Board, the Higher Degrees Committee (Research) may require:

(i) a candidate to address any matters raised in the examiners' reports,
(ii) a candidate to address additional issues in the thesis,
(iii) additional input to the examination process, for example, the candidate may be required to undertake a written or an oral examination of the thesis under such reasonable conditions as determined by the Higher Degrees Committee (Research); or
(iv) re-examination of the thesis within six months if full-time, or within one year if part-time.

(e) A candidate whose thesis fails re-examination, as conducted under conditions prescribed by the Higher Degrees Committee (Research), shall have candidacy terminated by the Academic Board and shall not be eligible for re-enrolment in the degree in the same topic area.

9.11 Maximum Tenure, Extension, Interruption and Cancellation

(a) A candidate shall present a thesis for examination:

(i) in the case of full-time candidature, not later than four (4) years from the date of enrolment as a candidate; or
(ii) in the case of part-time candidature, not later than eight (8) years from the date of enrolment as a candidate;

unless special permission for an extension of time has been granted by the Pro Vice-Chancellor (Research). Maximum time allowed to complete a course shall not include periods of approved leave of absence.

(b) The Pro Vice-Chancellor (Research), on the recommendation of the Principal Supervisor and School Director of Postgraduate Studies, may permit an extension or interruption of candidature for a period totalling no more than one (1) year.

(c) The Graduate Research Committee may on behalf of the Academic Board permit interruption beyond one year, at its discretion and on the recommendation of the Higher Degrees Committee (Research).

(d) Unless the Pro Vice-Chancellor (Research), or the Graduate Research Committee otherwise determines, a candidate shall maintain continuous enrolment until all requirements for admission to the degree have been met.
(e) A candidate or PhD qualifying student may cancel enrolment at any time by giving written notice to the Graduate Research College.

9.12 Discontinuation of Enrolment and Appeal Processes

(a) Notwithstanding other provisions in these Rules, the Graduate Research Committee may, on the recommendation of the Higher Degrees Committee (Research), and on behalf of the Academic Board, discontinue the enrolment of a candidate in less than the maximum time allowed if the Graduate Research Committee is dissatisfied with the progress being made by the candidate.

(b) A candidate whose enrolment is discontinued under Rule 9.12(a) may appeal to the Academic Board against the discontinuation of enrolment.

(c) An appeal to the Academic Board against discontinuation of enrolment must reach the University within three (3) months of the date of notification.

(d) Candidature shall be reinstated if the appeal is successful. A maximum period of time to complete a PhD course will be determined by the Higher Degrees Committee (Research).

(e) A candidate whose appeal is unsuccessful shall have discontinuation of enrolment confirmed.

9.13 Readmission

(a) A candidate whose candidature is discontinued shall not be eligible to be readmitted until the lapse of one (1) year.

(b) A candidate readmitted shall have determined by the Higher Degrees Committee (Research) the maximum period of time in which the candidate shall be permitted to complete the course.

(c) An applicant refused readmission after a period of discontinuation of enrolment may appeal to the Academic Board against that decision.

(d) An appeal against refusal to be readmitted must reach the University within three (3) months of the date of notification.
Description of Units

♦ Alphabetical Listing of Units ..................... 298
♦ Unit Description by Unit Code............... 319
Terminology Guide

The University reserves the right to change the content of, or withdraw, any unit which it offers. Candidates should also note that limitations on enrolment may be imposed on some units.

Information regarding unit descriptions is correct as at 31st October, 2003. For the most up-to-date and accurate information, students are referred to the University’s on-line Schedule of Units detailing unit availabilities, requisite and enrolment conditions. The Schedule of Units can be found at: http://www.scu.edu.au/admin/asu/sou.html.

The information provided in the unit descriptions is in the following categories.

Unit Number and Name
An individual code has been allocated to each unit or subject. This code is the key element for use in all academic documentation and records.

Pre-requisite
This indicates units which must be completed or requirements which must be satisfied before a candidate may enrol in the unit named.

The Head of the School or Director of the College offering the unit may waive a pre-requisite where it can be satisfactorily demonstrated a candidate has a background of study sufficient to undertake the unit successfully. Any candidate who considers sufficient grounds can be presented for a waiver of pre-requisite should present the case to the Head of School/Director of College concerned or nominee.

Co-requisite
Co-requisites must be completed in conjunction with or prior to the unit named. Any candidate who feels sufficient grounds can be presented for a waiver of a co-requisite should present the case to the Head of School/Director of College concerned or nominee.

Anti-requisite
Means a specified unit that is deemed to have content that is too much in common with another unit, thereby prohibiting enrolment in the other unit either concurrently with the specified unit, or where the specified unit has been successfully completed.

Semester/Term When Unit Offered
Indicates the semester, trimester or term when a unit is offered (see also, Principal Dates entry in this Student Handbook).

- S1 Autumn, or first semester of the year
- S2 Spring, or second semester of the year
- FY (Full Year) An enrolment across both S1 and S2
- SS (Summer Session) An enrolment period between S2 and S1 of the following year
- T1 Trimester 1
- T2 Trimester 2
- T3 Trimester 3

Attendance Mode
“Internal” means enrolment in at least one internal unit in the current year.

“External” means enrolment in only an external unit or units in the current year.

“Online” means enrolment in a unit offered largely or entirely over the Web.

Annual Course Load

Most units offered by Southern Cross University are of equal value, a full-time study load for one year being eight (8) units. However, some variations to this policy exist in terms of full-year units, units taught in courses offered on a trimester basis, and some units in the Bachelor of Laws.

Students requiring the exact weighting for any unit should contact their School Office or the Student Services Directorate for advice.

FOR03167 PRECISION SILVICULTURE
S1/S2 ♦ Int ♦ L EnvSM
The timing of forestry operations (site preparation, planting, tending and harvesting) may be critical for financially-viable plantation timber production. With tending operations, it is not only the timing, but also the placement of agrochemical applications and the footprint of mechanical operations that may influence the financial viability and ecological sustainability of plantation management. Sustainable forest management requires precision silviculture – precisely the right amount of intervention, in the right place, at the right time. Examines the technology available to plan, conduct and monitor such forest operations efficiently.

FOR03168 SILVICULTURE FOR ENVIRONMENTAL SERVICES
S1/S2 ♦ Int ♦ L ♦ EnvSM
Tree planting for environmental services is becoming increasingly important. Trees are planted for amenity, wildlife habitat, windbreaks, salinity remediation, carbon sequestration and for ecological restoration. It is often assumed that once trees are planted, nature will “take care of her own”. However, silviculture interventions may greatly improve the efficiency of environmental services provided from tree plantings. Thinning and pruning can be used to hasten the formation of suitable hollows, or to maintain and enhance other environmental servies. Examines silvicultural techniques to enhance the provision
of environmental services from trees and forests.

after the conclusion of the sixth teaching week of a semester or trimester.

3.3 Assessment Provision for Students with Disabilities

(a) This Rule refers to the conditions under which variations to assessment tasks or requirements may be made to accommodate the needs of students with disabilities. Such variations may include, for example, the method of completing assignments or recording answers, a lengthening of the time taken over a test or examination, the venue for tests or an examination, the provision of sound amplification or of large print for test or examination papers, and the provision of particular furniture requirements. The onus is on a student with a disability who wishes to seek variations to assessment tasks or requirements to bring this matter to the attention of the Disabilities Liaison Officer in accordance with the University's "Policy on Academic Adjustments for Students with Disabilities".

(b) Procedures for students registered under the "Policy on Academic Adjustments for Students with Disabilities" as having a disability shall be those specified in that Policy. Once a determination is made under the Policy concerning variations to assessment tasks or requirements for a student with a disability, these variations shall be available throughout the period of enrolment unless changed in accordance with the Policy.

(c) All students with disabilities who are not registered under the Policy and who seek accommodation for a disability must contact the Disabilities Liaison Officer. An application for a special examination or special consideration in a unit does not relieve the student of this onus.

3.4 Grounds for Special Consideration

(a) Requests for special consideration in relation to assessment tasks shall only be considered on the following grounds: health, compassionate circumstances, serious unforeseen personal events, selection in State, national or international sporting or cultural events.

(b) For consideration on health grounds, the following information in relation to a student's condition shall be required from a registered health practitioner: (i) the date or dates on which the student was examined; and (ii) a specific statement of the practitioner's opinion of the effect of the complaint or treatment on the student's ability to complete the assessment task. Requests that do not contain this information will not be considered. The unit assessor, or Head of School, as appropriate under Rule 3.5, may, with written permission by the student, seek further clarification from the relevant registered health practitioner concerning the extent to which a complaint or treatment may affect the student's ability to complete the assessment task. A registered health practitioner means a health practitioner registered as a provider under Medicare or a private health fund, together with such other health practitioners as the University may determine from time to time.

(c) For consideration on grounds of compassionate circumstances or serious unforeseen personal events, a student shall provide factual details of the circumstances or events, together with such corroborative evidence as may support the student's application. In this context "serious unforeseen personal events" refer normally to events which are outside the student's control to prevent or overcome.
(d) For consideration on grounds of selection in State, national or international sporting or cultural events, a student shall provide a statement signed by an authorised officer of the appropriate organisation which validates a conflict with the University's timetable.

(e) Misreading the due date for any assessment task, including misreading the examination timetable, is not a ground for special consideration.

3.5 Types of Special Consideration

(a) Variation of the due date for an assessment task, other than an examination

(i) Requests for this type of special consideration shall comply with the conditions and requirements as set out in Rule 3.4 and shall be submitted on the University's prescribed form of application.

(ii) Requests shall be submitted to the unit assessor as soon as possible before the due date of the submission of the assessment task.

(iii) Requests to bring forward the due date for an assessment task, other than an examination, shall be submitted to the unit assessor in sufficient time for alternative arrangements to be made.

If a variation is granted, the student shall be informed in writing of the new due date for the assessment task.

(iv) The relevant Head of School, after consultation with the relevant unit assessor, shall make a determination and advise the student, the unit assessor and the Director of Student Services of the outcome. At that time, the unit assessor, taking into account the student's application, and, after consultation with any other staff member responsible for the assessment task related to the application, shall either decide the student's final grade or, in exceptional circumstances, recommend to the Board of Assessors that the student be granted further assessment prior to determination of the final grade. The Head of School shall ensure that all applications are retained for a period of six (6) months.

It is immaterial that the subject matter of the material is not one to which the examination relates. It shall be sufficient answer to any alleged breach of this Rule if the student establishes that anything brought into an examination room was brought in with the permission of the supervisor, or, forthwith upon entering the room, deposited with a supervisor or at a place designated for the deposit of such things.

(g) A student whose first language is not English, with the written approval of the relevant Head of School, may use a standard translation dictionary where the examination is set in English. (u) After surrender of any book, paper or other material in accordance with Rule 3.7(t), the student may be permitted to continue the examination.

(v) A supervisor who suspects a student of a breach of Rule 3.7(r) and/or Rule 3.7(s) shall, as soon as practicable, submit a written report of the circumstances of the alleged breach, together with any book, paper or other material surrendered in accordance with Rule 3.7(t), to the Director of Student Services who shall either:

A student who does not satisfactorily complete either a graded or an ungraded unit shall be given the grade of Fail or the interim notation of Incomplete or Special Examination or Not Available.

(c) For year-long units, the assessment notation applicable in the first study period shall be Continuing Unit. The assessment grade or notation applicable in the second study period shall be as specified in Rule 3.8(b).

(d) For Thesis/Project units, the assessment notation at the end of each study period, until such time as the unit is successfully completed, is Continuing Unit. A Thesis Submitted notation shall be given when the student has submitted a thesis for assessment. Upon completion of the assessment process, an appropriate grade will be entered on the student's record.

3.9 Use of Terminating Pass and the Interim Notations of "Incomplete" and "Not Available"

(a) Terminating Pass may be used where a unit assessor judges that a student fulfils the requirements of a unit but is not capable of progressing further in units for which that unit is a prerequisite.

(b) Incomplete may be used:

(i) where the unit assessor requires further evidence to award a grade;

(ii) where a student's final grade, submitted by the unit assessor, was questioned at the Board of Assessor's review of assessment and the required clarification was not available by the time of issuing of results;

(c) Not Available may be used either where a student has completed a practicum but the report has not been
returned to the unit assessor from the school, hospital or supervisor, or where
the student has submitted or completed all assessment tasks but a grade has not
been determined in time for the submission of final grades.

(d) An Interim Notation (Incomplete or Not Available) shall be converted to a

percentage of High Distinctions and Distinctions combined for the unit
exceeds 20 per cent or where the percentage of Fails exceeds 20 per cent.

3.11 Grade Point Average

The Grade Point Average (GPA) is a simple numerical index which summarises
a student's academic performance in a course in a single study period or over the
duration of the student's enrolment in the course. The GPA is recorded on a
student's Statement of Academic Record/Transcript and Notification of
Assessment. The GPA is calculated as:

\[
\frac{\sum (\text{Grade Point} \times \text{Credit Value})}{\sum (\text{Credit Value})}
\]

Grade points are assigned to graded units where High Distinction = 8, Distinction = 6,
Credit = 5, Pass = 4, Terminating Pass = 3, Fail = 0. Non-graded units, interim
notations and advanced standing are not included in grade point average
calculations.

Credit value is the number of points awarded for the completion of a study
package.

(f) A grade determined by the Board of Assessors may be altered by the relevant Head of School after consultation with the unit assessor concerned:

10.8 Units Leading to an Accredited Award at Another Tertiary Institution

(a) A student who is enrolled in a course leading to an award at another tertiary education institution may enrol in units at this University which will count towards that award, subject to the joint approval of the two institutions and to the availability of class places at this University. Approval on behalf of the University may be given by an Executive Dean.

(b) A student admitted under Rule 10.8(a) shall be enrolled as a cross-institutional award student.

(c) A cross-institutional award student shall pay such fees and charges as are agreed between the two institutions and enrolment shall be subject to the University's Rules relating to awards, except for the rules on exclusion (Rule 2.10).

10.9 Non-Award (Miscellaneous) Enrolments

(a) An applicant may be considered for admission as a non-award (miscellaneous) student to undertake units offered by this University if assessed by the relevant Head of
School as being eligible for admission as a non-award (miscellaneous) student.

(b) Where a non-award (miscellaneous) student subsequently enrols in an award course, Divisional Boards may grant advanced standing in particular award courses for any non-award units successfully completed by the student.

(c) A senior secondary school student may be considered for admission as a non-award (miscellaneous) student to undertake units offered by this University concurrently with secondary school studies upon the recommendation of the applicant's School Principal on grounds of exceptional academic talent, and approval of the relevant Head of School. Divisional Boards may commit to grant advanced standing in particular award courses for any non-award units successfully completed by the school student.

(d) A non-award (miscellaneous) student shall pay such fees and charges as are prescribed in the University's Schedule of Administrative Charges, and enrolment shall be subject to the University's Rules relating to awards, except for the rules on exclusion (Rule 2.10).
RULES RELATING TO STUDENT FEES AND CHARGES
(INCLUDING STUDENT SANCTIONS)

1. Definitions
In these rules, unless the context otherwise indicates or requires:
‘Census Date’ means the date prescribed in the Higher Education Funding Act 1988 as the final date by which a student may withdraw from a unit or course without incurring a HECS liability – normally 31 March for first semester, 31 August for second semester, two weeks from the commencement of the teaching period for a course or unit not offered on a semester basis, and the first day of teaching for a study period of less than six weeks in duration.
‘Class’ includes a lecture, seminar, tutorial or other related activity.
‘Enrolment’ includes both the first enrolment of a student and all subsequent enrolments.
‘Full-time’ means a study load of at least 0.375 as at the census date for the relevant study period.
‘Part-time’ means a study load of less than 0.375 as at the census date for the relevant study period.
‘External’ means enrolment in only an external unit or units in the current study period.
‘Internal’ means enrolment in at least one internal unit in the current study period.
‘Reinstatement date’ has the same meaning as ‘Census Date’.
‘Study period’ means a semester, trimester, session or other period so designated.

2. Fees to be Paid
(a) All students shall pay the applicable fees and charges as set out in the Schedules.
(b) Fees and charges paid prior to due dates will be based on intended enrolment as stated in the enrolment instructions. The Director of Student Services shall calculate monies owing by the student or the University and require payment or authorise a refund, as necessary.
(c) Fees payable in accordance with Parts 1, 2 and 3 of the Schedule shall be levied each study period on the basis of the student’s enrolment, or intended enrolment, for that study period.

3. Time for Payment
(a) Unless the Director of Student Services otherwise directs, fees listed in Parts 1, 2 and 3 of the Schedule, shall be paid on or before the date, determined by the Director of Student Services, for the relevant study period.
(b) Payment of the prescribed fees is a pre-requisite to the confirmation of an enrolment by the University.

4. Director of Student Services Powers if Fees Unpaid
(a) If any fees (including special or administrative charges) payable by a student remain unpaid after the date determined in accordance with sub-clause 3(a), the Director of Student Services may sanction, cancel or refuse the student’s enrolment in a course or unit at any time thereafter.
(b) A student, whose enrolment has been cancelled or refused, may be reinstated or allowed upon payment of all outstanding fees and administrative charges before the final date for reinstatement.
(c) A student, whose enrolment remains cancelled or refused after the final date
for reinstatement, or whose enrolment is cancelled pursuant to Rule 6:

(i) shall not be enrolled for any unit or course, unless and until the Director of Student Services in special circumstances has otherwise permitted, and that person has complied with any condition which may in the absolute discretion of the Director of Student Services be imposed; and

(ii) shall not attend any class or be entitled to sit for any examinations or be awarded any assessment grade; and

(iii) shall, unless the Director of Student Services otherwise directs, remain liable for any administrative charges imposed prior to the date of the notice of cancellation, but may at the discretion of the Director of Student Services be granted a refund of any amount which may have been paid in excess thereof.

5. Refund of Fees

Subject to any relevant provisions in the schedules, where the Director of Student Services receives from the student proper written notice of withdrawal from a course or unit or variation of enrolment, a refund of fees, in whole or in part, may be authorised at the discretion of the Director of Student Services.

6. Special Cases to Be Determined by the Director of Student Services

In any case in which by reason of special circumstances the fee to be paid, the time when a fee is payable, or any other matter necessary to be determined in order to enable the application of these Rules to that case, is not specifically provided for in these Rules, the Director of Student Services shall have authority to decide any question necessary to be decided in order to determine the matter.

pa = per annum fees (per year)

Non-award and miscellaneous units: 1,875/unit

Notes:

Fees quoted are in Australian Dollars, are for tuition fees only and were correct at time of publication for the 2004 academic year. The fees quoted are fixed at the amount shown for the normal duration of the course and are calculated on a pro-rata basis where enrolment varies from a normal full-time load.

In addition to the fees above, students are required to pay annually compulsory overseas student health insurance and Student Association fees.

Students who are not enrolled in a Southern Cross University course but who enrol in individual subject units will be charged $1,875 per subject unit.

* Courses are taught on a trimester basis (3 academic sessions per year). All other courses are offered on a semester basis.

• An Honours year is available at the end of most Bachelor courses for students who meet the entry criteria. The course fee for the Honours year is the annual course fee for the Bachelor course.

† The course fee for the Study Abroad program includes a non-refundable administrative fee of $1,500 per semester.

# These courses are not offered in 2004.

° Admission to external and online courses (off-shore) is at the discretion of the Head of School. Admission is not available to overseas students on a student visa studying in Australia.

(b) Full refund of fees paid if a student is excluded before the start of the study period.

(c) If the Director of Student Services receives from the student written notice of withdrawal from course:

(i) Commencing Students

more than four weeks before the start of the study period all tuition fees paid are refundable less an

The Council of Southern Cross University is proud to present to you the 2004 Calendar. This publication provides comprehensive information about the University's structure, governance and legal framework.

Southern Cross University continues to provide opportunities for high quality university education. Our vision is to be a dynamic learning community recognised for distinctive achievements in teaching and research taking a leading role in supporting regional development, throughout Australia and internationally.

In its 10 years of operation, one of Southern Cross University's hallmarks has been its innovative and flexible approach in the delivery of quality educational courses and services to its students. We are a new University of a comparatively small size which means we offer a much lower student/lecturer ratio than most other institutions. Our research is regionally and internationally recognised.

The Council of the University, through its major strategic planning processes will continue to focus its research efforts; to strive for excellence in teaching and research; and to continue to develop distinctive programs relevant to the needs of the region in eastern Australia and our global location, particularly in the Asia/Pacific region.

On behalf of the Council of the University, I welcome you to our community.

The Honourable Justice John Dowd AO
Chancellor

(2) A ballot paper is informal if not initialled under clause 20.

(3) A ballot paper is informal if the voter has not indicated a clear preference for at least one candidate.

(4) Despite subclause (3), a ballot paper is not informal only because any figures placed on the ballot paper are not placed in, or entirely in, the squares opposite the candidates’ names, if the figures are placed on the ballot paper in such positions as, in the opinion of the Returning Officer, clearly indicate the order of the voter’s preference for the candidates.

27. Nomination of scrutineers

(1) Each candidate is entitled to nominate one scrutineer to be present at the count.

(2) A person is not to be a scrutineer in an election in which he or she is a candidate.

28. Secrecy of ballot to be maintained

(1) The result of the count must remain confidential until the declaration of the poll by the Returning Officer.

(2) The Returning Officer, any person appointed by the Returning Officer or any scrutineer must not in any way disclose or aid in disclosing the manner in which any voter has voted.
29. Manner of counting votes and ascertaining result of ballot

In this Division:

_an absolute majority of votes_ means a greater number than one-half of the whole number of formal ballot papers counted.

_continuing candidate_ means a candidate not already excluded from the count.

_determine by lot_ means determine in accordance with the following directions:

(a) the names of the candidates concerned must be written on separate and similar slips of paper,

(b) the slips must be folded so as to prevent identification and mixed and drawn at random,

(c) the candidate whose name is first drawn must be excluded.

30. Determination of result of ballot

(1) If a ballot has been held for the purpose of an election the result of the ballot must be determined as provided in this clause.

(2) The Returning Officer must count the total number of ballot papers and exclude any informal papers.

(3) The Returning Officer must count the number of first preference votes given for each candidate.

(4) The candidate who has received the largest number of first preference votes must, if that number constitutes an absolute majority of votes, be declared by the Returning Officer to be elected.

(5) If no candidate has received an absolute majority of first preference votes, the candidate who has received the fewest first preference votes must be excluded and each of the ballot papers counted to that candidate must be counted to the continuing candidate next in order of the voter’s preference.

(6) If on any count 2 or more candidates have an equal number of votes and one of them has to be excluded, the candidate to be excluded must be determined as follows:

(a) if the count is the first made in connection with the ballot, the Returning Officer must determine by lot which of those candidates is to be excluded,

(b) if the count is the second or subsequent count made in connection with the ballot:

(i) that candidate must be excluded who had the least number of votes at the last count at which one of those candidates received fewer votes than each of the others, or

(ii) the Returning Officer must determine by lot which of those candidates is to be excluded, if at all preceding counts no one of those candidates received fewer votes than each of the others.

(7) The process of excluding the candidate who has the fewest votes and counting each of the ballot papers counted to that candidate to the continuing candidate next in order of the voter’s preference must (subject to subclauses (8) and (9)) be continued:

(a) until one continuing candidate has an absolute majority of votes in which event that candidate must be declared by the Returning Officer to be elected; or

(b) until all candidates but one have been excluded in which event the remaining candidate must be declared elected.

(8) If at any point during any particular count after the first preference votes have been counted, the candidate
next in order of a voter’s preference is not indicated or cannot be ascertained, that ballot paper must, from that point onwards, be excluded from that particular count and the total of the ballot papers counted must be amended accordingly. The ballot paper must, however, be reinstituted in any later counts carried out in accordance with subclause (10).

(9) If any further positions remain to be filled, all excluded candidates must be reinstated with their first preference votes credited and each of the ballot papers counted to the elected candidate or candidates must be counted to the reinstated candidate next in order of the voter’s preference as if it were a first preference vote.

(10) The procedures described in subclauses (4) to (9) apply until all vacancies are filled.

   (e) A point of order accepted by the Chair takes precedence over all other discussion.

Scholarships, Postgraduate

Scholarships are available competitively for students enrolling in postgraduate research degrees. Full details of these scholarships are set out below or refer to the University website at www.scu.edu.au/services/scholarships/ or contact the Graduate Research College on (02) 6620 3172.

Research Scholarships and Research Support Scholarships

Conditions of Award

1. Eligibility for Scholarship

   To qualify for a scholarship, applicants should hold or expect to complete, within two months of the closing date for applications, a degree or other qualification which, in the opinion of the Scholarships Sub-Committee, is equivalent to a degree.

2. Closing Date for Applications

   Applications shall close with the Graduate Research College on 31st May and 31st October each year.

3. Duration of Scholarship

   In the case of a Masters candidate the scholarship may be held for a maximum of one year; and in the case of a PhD candidate the scholarship may be held for a maximum of three years provided that, in the case of a Masters or PhD candidate, an extension of a scholarship for one further period of up to six months, to be sought before the end of the period of scholarship, may be granted at the discretion of the Scholarships Sub-Committee. Applications for an extension will only be considered where the research has been delayed due to circumstances beyond the awardee's control and where the delay is related to the research rather than being of a personal nature.

   The award will cease on expiry of the award or two weeks after submission of the thesis, whichever occurs first. However, if the award has not expired, it may be re-instated, upon the work being returned to the candidate for amendment, and continued until it either reaches that limit or the thesis is re-submitted, whichever occurs first. Periods of study already undertaken towards the degree or undertaken during suspension of the award will be deducted from the period of tenure.

4. Mode of Study

   Scholarship holders will be required to pursue their course of study on a full-time basis, and may not engage in any academic course of study leading to a qualification which is not an essential part of their research programme.

5. Allowances

   Research awards and research support awards shall carry a stipend and other allowances outlined in a schedule of benefits available from the Graduate Research College.

6. Other Awards

   Scholars may not hold a research award or support award concurrently with any other award, without the approval of the Dean of the Graduate Research College.

7. Employment

   (a) Scholarship holders may be appointed to undertake casual teaching or other duties equivalent to not more than 20% of the normal teaching load of a Level A academic.

   (a) A scholarship holder must not undertake any further form of employment during the term of the scholarship except with the approval of the principal supervisor, the School Director of Postgraduate Studies and Research or College director and the Dean of the Graduate Research College.
8. Leave

Scholars are entitled to 20 days paid recreation leave a year calculated on a pro-rata basis. No more than 20 days recreation leave may be accumulated and leave must be taken during the tenure of the scholarship. The principal supervisor's agreement must be obtained before leave is taken. Any other absence from studies in excess of 2 weeks must be reported to the Dean of the Graduate Research College. A student who fails to do this and subsequently claims an extension to the period of scholarship as set out in Rule 3 on the grounds of unreported absence, cannot expect favourable consideration of such a request. At the discretion of the Chair of the Scholarships Sub-Committee, a scholar may have up to 3 months paid sick leave and up to 3 months paid maternity leave within the tenure of the scholarship.

9. Interruption of Scholarship

A scholar may apply for interruption to the scholarship for a period or periods of up to 12 months in total. During this period benefits are not payable and the period will be added to the tenure of the award*. Any further period of interruption will be subject to the approval of the Academic Board. Where permission for interruption is sought, scholarship holders must consult the Administrative Officer of the Graduate Research College.

* Where candidature continues part-time, the equivalent period will be deducted from the tenure of the scholarship.

10. Contact with Supervisor

A scholar is required to maintain regular contact with the supervisor. Details of supervisory provisions governing particular degrees are available from School Secretaries and the Secretary of the Higher Degrees Committee (Research).

11. Enrolment in Other Courses

A scholar who wishes to enrol in a course other than the one for which the scholarship was offered is required to submit a formal application for transfer of the scholarship to the other course through the principal supervisor and School Director of Postgraduate Studies and Research or College director to the Chair of the Higher Degrees Committee (Research).

12. Progress Report and Renewal of Scholarship

Scholars will be required to submit two (2) progress reports each year. An unsatisfactory report may result in cancellation of the scholarship or the scholar being placed on probation.

13 Conversion from Masters to PhD

Where a Masters candidature is converted to a PhD candidature, the scholarship awarded in respect of the Masters candidature will convert automatically to a PhD scholarship, from the date the Higher Degrees Committee (Research) agrees to the conversion, subject to the tenure of the upgraded scholarship being reduced by any period of candidature occurring between the commencement of the Masters tenure and the date of conversion. The total period of scholarship tenure for both Masters and PhD candidature combined will not exceed three years unless an extension is approved in accordance with the Conditions of Award.
