

Application and Approval process for externally funded and Top-up Scholarships

Draft reference for students about suite of forms:

Application form:

There are no application forms for alternatively funded scholarships. However there is a formal process of approval which is detailed above in the diagram.

Student Participation Agreement/Deed:

SPA (Student IP and Participation Agreement/Deed). Research Services will review the IP and confidentiality obligations that may be required based on funding body conditions. Any agreements in relation to this must be detailed on the Supervisor Candidate Agreement form too.

Scholarship offer letter:

Scholarship offer package and conditions Will be prepared by dorfinance in consultaiton with Research Services. The offer letter will include an S1 form which is required to obtain students bank account details for stipend payment.

Scholarship acceptance form:

This is sent to student with offer letter and must be signed and returned to dorfinance for SCU to commence processing stipend payment.

Supervisor Candidate Agreement form

Graduate School to seek advice from Research Services/dorfinance prior to commencing enrolment of scholarship recipient to ensure that SPD, IP and contractual obligations are met.
