Open Educational Resources (OER's)

- OER's are CC licenced and openly and freely available for use
- OER's benefit students as they remove the cost of prescribed texts
- View our curated OER collection for a subject specific text for your 6x6 unit

Embed interactive & online content

- Embed or link to StudyHub to develop students' academic, numeracy and digital skills
- Search ClickView database and embed interactive videos
- Embed library YouTube videos
- Embed library H5P's or contact Librarian for unit specific content

Copyright

- For staff copyright information including use of images see the copyright web page
- Contact copyright@scu.edu.au for any copyright related questions

Research & Numeracy Skills

- Research Ready is a series of interactive tutorials that provides basic research skills. Available to embed into your unit for 6x6.
- Link to subject specific guides (LibGuides)
- Embed or link to RAISE (postgrads) for more focused digital literacy resources
- Numeracy Ready interactive tutorials demonstrating basic numeracy skills

Southern Cross
University

Referencing

- Link to Referencing LibGuides (including APA and Harvard)
- Embed APA or Harvard H5P course presentations
- Embed or link to the Learning Zone's referencing resources

myReadings

- Publish all unit readings in the one place, linked from mySCU
- Include websites, YouTube videos, documents, journal articles, book chapters, e-books
- Edit your own list, or the library can do it for you
