

Connecting at Uni

University is a place of learning, but it's also where you can meet other students who may become friends for life. Challenge yourself to get out of your comfort zone and expand your horizons – take the next step!

Participate

UniLife is all things sport, health and wellbeing – they offer opportunities to participate in campus sport, recreation trips and tours, Team SCU sports and events, clubs and societies, national campus cultural programs, Student Awards, Elite Athlete and Performers Program, National Unisports Comps.

Join

Each campus has a Student Association. You can become a member for a small fee and receive discounts on printing, social events and workshops. Join a Club or Society at uni and meet new friends.

Peer Assistance

Check out the Student Learning Zone. It's an informal space (on-campus and online) to meet other students, chat to friendly staff and find out about Study Buddi, Peer Support, and UniMentor programs.

Opportunities

Join a club, apply for a scholarship, volunteer, stand for election on the SRC, nominate for an award or study on exchange overseas — whatever you do in life, take advantage of as many opportunities as you can.
