

POLICY APPROVAL PATHWAY

*Please Note: As the drafter of Policy, it is your decision as to whether or not you incorporate any suggested changes to the Policy as provided by the Policy Writer and Analyst or Bulletin Board stakeholders. However, if you choose not to incorporate any suggested changes, your Policy may not ultimately be approved by the Delegated Approval Authority in the final stages of the process if you cannot provide a reasonable explanation for rejecting suggested changes. The Delegated Approval Authority will be made aware of any concerns highlighted by the Policy Writer and Analyst or Bulletin Board stakeholders prior to making their assessment of the Policy. Where you are in doubt as to whether or not to incorporate suggested changes to your Policy, please contact the Policy Writer and Analyst to discuss.

In most cases, the Vice Chancellor will be the Delegated Approval Authority for your Policy. However, some Policies may be approved by another authority of the University as specified in the SCU Delegations Register. In any case, the Policy Writer and Analyst will ensure your Policy is provided to the correct Delegated Approval Authority.
