## TEQSA

### Higher Education Standards Framework 2015

#### Part A: Standards for Higher Education

1. Student Participation & Attainment

2. Learning Environment

3. Teaching

4. Research & Research Training

5. Institutional Quality Assurance

6. Governance & Accountability

7. Representation, Information & Information Management

#### Part B: Criteria for Higher Education Providers

B2. Criteria for Classification of Higher Education Provider Categories

#### AQF

TEQSA ensures all higher education providers offer awards at Levels 5-10 of the AQF which meet the corresponding specifications in the AQF.

#### ESOS

TEQSA ensures providers of higher education to overseas students meet the guidelines and responsibilities set out in the ESOS Act 2000.

#### The National Code

TEQSA ensures providers of higher education registered on CRICOS meet the National Code which is a set of standards that governs the protection of overseas students and delivery of courses to those students.

#### ELICOS

TEQSA is required by law to assess ELICOS providers (such as SCU) against the ESOS Act, the National Code and the ELICOS National Standards.
